**ANNUAL AND SPECIAL MEETING OF SHAREHOLDERS
TO BE HELD ON AUGUST 26, 2021**

MANAGEMENT INFORMATION CIRCULAR
As at July 23, 2021

SOLICITATION OF PROXIES

This management information circular (the “**Information Circular**”) is furnished to holders (“**Shareholders**”) of common shares (“**Common Shares**”) of Facedrive Inc. (the “**Corporation**” or “**Facedrive**”) in connection with the solicitation of proxies by the management of the Corporation for use at the annual and special meeting (the “**Meeting**”) of Shareholders to be held in a virtual format at <https://web.lumiagm.com/292271776> in light of COVID-19 (coronavirus) to provide a safe and consistent experience to all Shareholders regardless of location on August 26, 2021 at 10:00 a.m. (Toronto time), and at any adjournment or postponement thereof, for the purposes set forth in the accompanying Notice of Annual and Special Meeting (the “**Notice of Meeting**”).

The information contained herein is given as of July 23, 2021 except where otherwise indicated. Enclosed herewith is a form of proxy for use at the Meeting. Each Shareholder who is entitled to attend at meetings of Shareholders is encouraged to participate in the Meeting and Shareholders are urged to vote on matters to be considered by proxy.

Shareholders should not construe the contents of this Information Circular as legal, tax or financial advice and should consult with their own professional advisors in considering the relevant legal, tax, financial or other matters contained in this Information Circular.

If you hold Common Shares through a broker, investment dealer, bank, trust company, nominee or other intermediary (collectively, an “**Intermediary**”), you should contact your Intermediary for instructions and assistance in voting and surrendering the Common Shares that you beneficially own.

This solicitation is made on behalf of the management of the Corporation. The costs incurred in the preparation of both the form of proxy and this Information Circular will be borne by the Corporation.

INTERNET AVAILABILITY OF PROXY-RELATED MATERIALS

Notice-and-Access

The Corporation has elected to use “notice-and-access” provisions (“**Notice-and-Access**”) that came into effect on February 11, 2013 under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) National Instrument 51-102 – *Continuous Disclosure Obligations* (“**NI 51-102**”) for distribution of the Proxy-Related Materials (as defined below) to all Shareholders. Notice-and-Access is a set of rules that allows issuers to post electronic versions of proxy-related materials on SEDAR and on one additional website, rather than mailing paper copies. “**Proxy-Related Materials**” refers to this Information Circular, the Notice of Meeting and the voting instruction form.

The use of Notice-and-Access is more environmentally friendly as it will help promote sustainability by decreasing the large volume of paper documents generated by printing Proxy-Related Materials. It will also reduce the Corporation’s printing and mailing costs. The Corporation has adopted this alternative means of delivery in alignment with its foundational principles and values as an ESG technology platform.

Websites Where Proxy-Related Materials Are Posted

The Proxy-Related Materials are available at the following hosted website at <https://odysseytrust.com/client/facedrive-inc-2021> and under the Corporation's profile on SEDAR at www.sedar.com. All references to Shareholders in this Information Circular, the accompanying form of proxy and Notice of Meeting are to Shareholders of record, unless specifically stated otherwise. All references to attending the Meeting in person in this Information Circular, the accompanying form of proxy and Notice of Meeting mean attending the live webcast of the Meeting.

Shareholders who wish to receive paper copies of the Meeting Materials may request copies by calling toll-free at 1(888) 290-1175 (within North America) or 1(587) 885-0960 (outside of North America). Meeting Materials will be sent to such Shareholders and to Shareholders requesting paper copies of the Meeting Materials by any other means at no cost to them, within three business days of receipt of the request, if such requests are made before the date of the Meeting, including any adjournment or postponement thereof, and within ten (10) calendar days of receipt of the request, if such requests are made on or after the date of the Meeting and within one calendar year of the Meeting Materials being filed online.

PROXY RELATED INFORMATION

Virtual Meeting

The Corporation is holding the Meeting as a completely virtual meeting, which will be conducted via live webcast, where all Shareholders regardless of geographic location and equity ownership will have an equal opportunity to participate at the Meeting and engage with directors of the Corporation and management as well as other Shareholders. **Shareholders will not be able to attend the Meeting in person.** Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/292271776>. "Beneficial Shareholders" (being Shareholders who hold their Common Shares through a broker, investment dealer, bank, trust company, custodian, nominee or other intermediary) who have not duly appointed themselves as proxyholder will be able to attend as a guest and view the webcast but not be able to participate or vote at the Meeting.

As a Shareholder of the Corporation, it is very important that you read this Information Circular and other Meeting materials carefully as they contain important information with respect to voting your Common Shares and attending and participating at the Meeting.

A Shareholder who wishes to appoint a person other than the management nominees identified on the form of proxy or voting instruction form, to represent him, her or it at the Meeting may do so by inserting such person's name in the blank space provided in the form of proxy or voting instruction form and following the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you wish that a person other than the management nominees identified on the form of proxy or voting instruction form attend and participate at the Meeting as your proxy and vote your Common Shares, including if you are a non-registered Shareholder and wish to appoint yourself as proxyholder to attend, participate and vote at the Meeting, you **MUST** register such proxyholder after having submitted your form of proxy or voting instruction form identifying such proxyholder. Failure to register the proxyholder will result in the proxyholder not receiving a Username to participate in the Meeting. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting. To register a proxyholder, Shareholders **MUST** send an email to Facedrive@odysseytrust.com and provide Odyssey Trust Company ("Odyssey") (1230 – 300 5th Avenue SW, Calgary, Alberta, T2P 3C4) with their proxyholder's contact information, amount of shares appointed, name in which the shares are registered if they are a registered Shareholder, or name of broker where the shares are held if a Beneficial Shareholder, so that Odyssey may provide the proxyholder with a Username via email.

HOW DO I VOTE?

Voting at the Meeting

Registered Shareholders may vote at the Meeting by completing a ballot online during the Meeting, as further described below. See "*How Do I Attend and Participate at the Meeting?*".

Beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. This is because the Corporation and its transfer agent do not have a record of the Beneficial Shareholders of the Corporation, and, as a result, will have no knowledge of your Shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a Beneficial Shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder by inserting your own name in the space provided on the voting instruction form sent to you and must follow all of the applicable instructions provided by your intermediary. See “*Appointment of a Third Party as Proxy*” and “*How Do I Attend and Participate at the Meeting?*”.

Appointment of a Third Party as Proxy

The following applies to Shareholders who wish to appoint a person (a “**third party proxyholder**”) other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including Beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint a third party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Common Shares MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder AND register the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a Username to attend, participate or vote at the Meeting.

Step 1: Submit your proxy or voting instruction form: To appoint a third party proxyholder, insert such person’s name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a Beneficial Shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder. See below for additional details.

Step 2: Register your proxyholder: To register a proxyholder, Shareholders MUST send an email to Facedrive@odysseytrust.com by 10:00 a.m. (Toronto time) on August 24, 2021 and provide Odyssey with the required proxyholder contact information, amount of shares appointed, name in which the shares are registered if they are a registered Shareholder, or name of broker where the shares are held if a Beneficial Shareholder, so that Odyssey may provide the proxyholder with a Username via email. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a Beneficial Shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading “*How Do I Attend and Participate at the Meeting?*”.

Legal Proxy – US Beneficial Shareholders

If you are a Beneficial Shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above and below under “*How do I attend and participate at the Meeting?*”, you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from Beneficial Shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail to facedrive@odysseytrust.com and received by 10:00 a.m. (Toronto time) on August 24, 2021.

How Do I Attend and Participate at the Meeting?

The Corporation is holding the Meeting as a completely virtual meeting, which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. In order to attend, participate or vote at the Meeting (including for voting and asking questions at the Meeting), Shareholders must have a valid Username. Guests are welcome to attend and view the webcast, but will be unable to participate or vote at the Meeting. To join as a guest please visit the Meeting online at <https://web.lumiagm.com/292271776> and select “Join as a Guest” when prompted.

Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/292271776>. Such persons may then enter the Meeting by clicking “I have a login” and entering a Username and Password before the start of the Meeting:

- **Registered Shareholders:** The control number located on the form of proxy (or in the email notification you received) is the Username. The Password to the Meeting is “**Facedrive 2021**” (case sensitive). If as a registered Shareholder you are using your control number to login to the Meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies for the Meeting and will be provided the opportunity to vote by online ballot on the matters put forth at the Meeting. If you do not wish to revoke a previously submitted proxy, as the case may be, you will need to attend the meeting as a guest.
- **Duly Appointed Proxyholders:** Odyssey will provide the proxyholder with a Username by e-mail after the voting deadline has passed. The Password to the Meeting is “**Facedrive 2021**” (case sensitive). Only registered Shareholders and duly appointed proxyholders will be entitled to attend, participate and vote at the Meeting. Beneficial Shareholders who have not duly appointed themselves as proxyholder will be able to attend the meeting as a guest but not be able to participate or vote at the Meeting. Shareholders who wish to appoint a third party proxyholder to represent them at the Meeting (including Beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting) MUST submit their duly completed proxy or voting instruction form AND register the proxyholder. See “*Appointment of a Third Party as Proxy*”.

Revocability of Proxy

A Shareholder who has given a proxy has the power to revoke it at any time prior to the exercise thereof. In addition to revocation in any other manner permitted by law, a proxy may be revoked by instrument in writing signed by the Shareholder or by the Shareholder’s attorney authorized in writing, and either delivered to Odyssey at the place specified above at any time up to and including the last business day preceding the day of the Meeting or any adjournment or postponement thereof, or deposited with the Chairman of the Meeting prior to the commencement of the Meeting or any adjournment or postponement thereof.

Advice to Beneficial Holders of Common Shares

The information in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold their Common Shares in their own name. Shareholders who do not hold their shares in their own name, referred to in this Information Circular as “Beneficial Shareholders”, are advised that only proxies deposited by Shareholders whose names appear on the records of the Corporation as the registered holders of Common Shares can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Corporation. Such Common Shares will more likely be registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms).

Existing regulatory policy requires brokers and other intermediaries to seek voting instructions from Beneficial Shareholders in advance of shareholders’ meetings. The various brokers and other intermediaries have their own mailing procedures and provide their own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of the broker) is substantially similar to the form of proxy provided directly to registered Shareholders by the Corporation. However, its purpose is limited to instructing

the registered Shareholder (i.e., the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The vast majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge in Canada. Broadridge typically prepares a machine-readable voting instruction form, mails those forms to Beneficial Shareholders and asks Beneficial Shareholders to return the forms to Broadridge, or otherwise communicate voting instructions to Broadridge (by way of the Internet or telephone, for example). Broadridge then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of shares to be represented at the Meeting. **A Beneficial Shareholder who receives a Broadridge voting instruction form cannot use that form to vote Common Shares directly at the Meeting. The voting instruction forms must be returned to Broadridge (or instructions respecting the voting of Common Shares must otherwise be communicated to Broadridge) well in advance of the Meeting in order to have the Common Shares voted. If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.**

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Corporation are referred to as non-objecting beneficial owners or “NOBOs”. Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to Facedrive are referred to as objecting beneficial owners or “OBOs”.

Pursuant to NI 54-101, the Corporation has distributed copies of proxy-related materials in connection with the Meeting (including this Information Circular) indirectly to all Beneficial Shareholders. The Corporation intends to pay for intermediaries to deliver proxy-related materials or Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* to OBOs. The Corporation is relying on the Notice-and-Access procedures outlined in NI 54-101 to distribute copies of the proxy-related materials in connection with the Meeting (including this Information Circular).

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of his or her broker, a Beneficial Shareholder may attend the Meeting as proxyholder for the registered Shareholder and vote the Common Shares in that capacity. **Beneficial Shareholders who wish to attend the Meeting and indirectly vote their Common Shares as proxyholder for the registered Shareholder, should enter their own names in the blank space on the form of proxy provided to them and return the same to their broker (or the broker’s agent) in accordance with the instructions provided by such broker.**

Exercise of Discretion with Respect to Proxies

The Common Shares represented by the enclosed proxy will be voted or withheld from voting on any motion, by ballot or otherwise, in accordance with any indicated instructions. **In the absence of any such direction, such shares will be voted IN FAVOUR of the matters set forth in the Notice of Meeting and in this Information Circular.**

If any amendment or variation to matters identified in the Notice of Meeting is proposed at the Meeting or any adjournment or postponement thereof, or if any other matters properly come before the Meeting or any adjournment or postponement thereof, the enclosed proxy confers discretionary authority to vote on such amendments or variations or such other matters according to the best judgment of the appointed proxyholder. As at the date of this Information Circular, the management of the Corporation is not aware of any amendments or variations or other matters to come before the Meeting.

VOTING SECURITIES AND PRINCIPAL HOLDERS OF VOTING SECURITIES

Voting Rights

The authorized share capital of the Corporation consists of an unlimited number of voting Common Shares without nominal or par value and an unlimited number of preferred shares (“**Preferred Shares**”), issuable in series, without nominal or par value. As at the date of this Information Circular, there are 95,310,234 Common Shares issued and outstanding and no Preferred Shares issued and outstanding.

The holders of Common Shares are entitled to receive notice of and to vote at every meeting of the shareholders of the Corporation. **The holders of Common Shares will be entitled to one (1) vote at the Meeting for each Common Share so held on the Record Date (as defined below).**

Record Date

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting or any adjournment or postponement thereof is July 2, 2021 (the “**Record Date**”).

Only Shareholders whose names have been entered in the register of Shareholders at the close of business in Toronto on the Record Date who either attend the virtual Meeting in person or complete, sign and deliver a Proxy in the manner and subject to the provisions described above will be entitled to vote at the Meeting or any adjournment or postponement of the Meeting. **To the extent a Shareholder transfers the ownership of any of its Common Shares after the Record Date and the transferee of those Common Shares establishes that it owns such Common Shares and requests, at least ten (10) days before the Meeting, that the transferee’s name be included in the list of Shareholders entitled to vote at the Meeting, such transferee shall be entitled to vote such Common Shares at the Meeting.**

Principal Holders of Common Shares

To the best of the knowledge of the directors and executive officers of the Corporation, no person or company beneficially owns, or controls or directs, directly or indirectly, 10% or more of the voting rights attached to all the issued and outstanding Common Shares as at the date of this Information Circular except: (i) Sayan Navaratnam, Chairman, CEO and a Director of the Corporation who owns 32,395,180 Common Shares, representing approximately 33.99% of the total outstanding Common Shares; and (ii) Imran Khan, who owns 23,579,820 Common Shares, representing approximately 24.74% of the total outstanding Common Shares, according to numbers provided to the Corporation by its Transfer Agent.

Quorum

Under the by-laws of the Corporation, a quorum for the transaction of business at any meeting of the Shareholders is present at such meeting if the holders of at least 25% of the outstanding Common Shares of the Corporation are present in person or represented by duly appointed proxy.

INTEREST OF CERTAIN PERSONS IN MATTERS TO BE ACTED UPON

With the exception of the Corporation’s directors listed in Schedule “D” hereto as it relates to the RSU Grant Resolution (as defined below), no person who has been a director or executive officer of the Corporation at any time since the beginning of the last financial year, nor any proposed nominee for election as a director of the Corporation, nor any associate or affiliate of any of the foregoing, has any material interest, directly or indirectly, by way of beneficial ownership of securities or otherwise, in any matter to be acted upon at the Meeting.

PARTICULARS OF MATTERS TO BE ACTED UPON

To the knowledge of the board of directors of the Corporation (the “**Board**”), the only matters to be brought before the Meeting are those matters set forth in the Notice of Meeting.

1. FIXING THE NUMBER OF DIRECTORS

The Board presently consists of seven (7) directors. At the Meeting, the Shareholders will be asked to consider and, if deemed appropriate, to approve a special resolution (“**Special Resolution**”) fixing the number of directors to be elected at the Meeting at seven (7) and authorizing the directors of the Corporation to adjust the number of directors from time to time.

The Board recommends that Shareholders vote for the Special Resolution.

The text of the Special Resolution to be submitted to Shareholders at the Meeting is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

“BE IT RESOLVED THAT AS A SPECIAL RESOLUTION OF THE SHAREHOLDERS THAT:

1. the number of directors of the Corporation be and is hereby fixed at seven (7);
2. the directors of the Corporation be and are hereafter empowered to fix, from time to time, the number of directors of the Corporation, such determination to be made by ordinary resolution of the directors from time to time provided that the number so fixed be within the range of the minimum and maximum number of directors set out in the articles of incorporation of the Corporation; and
3. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing resolutions.”

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE SPECIAL RESOLUTION UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION. IN ORDER TO BE EFFECTIVE, THE SPECIAL RESOLUTION MUST BE PASSED BY A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS WHO ARE PRESENT IN PERSON OR BY PROXY AT THE MEETING.

2. ELECTION OF DIRECTORS

At the Meeting, Shareholders will be asked to elect the seven (7) nominees of Facedrive set forth in the table below (the “**Facedrive Nominees**”) as directors of the Corporation to hold office until the next annual meeting of Shareholders or until their successors are duly elected or appointed pursuant to the by-laws of the Corporation, unless their offices are earlier vacated in accordance with the provisions of the *Business Corporations Act* (Ontario) or the Corporation’s by-laws.

The following table states the names of the Facedrive Nominees nominated by management for election as directors, any offices with the Corporation currently held by them, their principal occupations or employment, the period or periods of service as directors of the Corporation and the approximate number of voting securities of the Corporation beneficially owned, directly or indirectly, or over which control or direction is exercised as of the date hereof. PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE ELECTION OF THE ABOVE-NAMED FACEDRIVE NOMINEES, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF. MANAGEMENT HAS NO REASON TO BELIEVE THAT ANY OF THE FACEDRIVE NOMINEES WILL BE UNABLE TO SERVE AS A DIRECTOR BUT, IF A FACEDRIVE NOMINEE IS FOR ANY REASON

UNAVAILABLE TO SERVE AS A DIRECTOR, PROXIES IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE REMAINING FACEDRIVE NOMINEES AND MAY BE VOTED FOR A SUBSTITUTE NOMINEE UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT OF THE ELECTION OF DIRECTORS. IN ORDER TO BE EFFECTIVE, THE ORDINARY RESOLUTION IN RESPECT OF THE ELECTION OF EACH NOMINEE DIRECTOR MUST BE PASSED BY NOT LESS THAN A MAJORITY OF THE VOTES CAST BY SHAREHOLDERS WHO VOTE IN RESPECT OF THIS ORDINARY RESOLUTION.

3. PRESENTATION OF FINANCIAL STATEMENTS

The audited consolidated financial statements of the Corporation for the year ended December 31, 2020 and the report of the auditor will be placed before the Shareholders at the Meeting. No vote will be taken on the financial statements. The financial statements and additional information concerning the Corporation are available under the Corporation’s profile at www.sedar.com.

4. APPOINTMENT OF AUDITOR

A firm of auditors is to be appointed by vote of the Shareholders at the Meeting to serve as auditors of the Corporation until the close of the next annual meeting.

At the Meeting, the Shareholders will be asked to appoint Deloitte LLP (“**Deloitte**”), or an applicable related party thereto, as auditor of the Corporation to serve until the close of the next annual meeting of Shareholders and to authorize the directors to fix their remuneration. Deloitte was first appointed by the Board as auditor of the Corporation on July 15, 2021.

The Corporation’s former auditor, NVS Professional Corporation (“**NVS**”), agreed to resign effective July 15, 2021. Pursuant to Section 149(3) of the *Business Corporations Act* (Ontario), the Board filled the vacancy in the office of the auditor by appointing Deloitte as the Corporation’s successor auditor effective as of July 15, 2021 to hold office until the next annual general meeting of the Corporation. NVS resigned as auditor at the request of the Corporation’s Audit Committee. NVS, who was the Corporation’s auditor since September 16, 2019 (when the Corporation completed its Qualifying Transaction, as such term is defined by the TSX Venture Exchange), did not have any reservation or modified opinions in any of its audit reports in connection with the audits of the financial statements of the Corporation for the two most recently completed fiscal years. There is no reportable event (as such term is defined in Section 4.11 of NI 51-102) in connection with the audits of the Corporation’s financial statements for the two most recently completed fiscal years. A copy of the notice of change of auditor relating to the resignation of NVS and the appointment of Deloitte, along with response letters from both audit firms, are attached hereto as Schedule “E”.

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED IN FAVOUR OF THE APPOINTMENT OF DELOITTE, OR A RELATED PARTY THERETO, AS AUDITOR OF THE CORPORATION TO HOLD OFFICE UNTIL THE NEXT ANNUAL MEETING OF SHAREHOLDERS AND THE AUTHORIZATION OF THE DIRECTORS TO FIX THEIR REMUNERATION, UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE WITHHELD FROM VOTING IN RESPECT THEREOF.

5. APPROVAL OF 2021 STOCK OPTION PLAN

The Corporation has adopted a “rolling” stock option plan (the “**2020 Stock Option Plan**”) for officers, directors, employees and consultants of the Corporation. The 2020 Stock Option Plan was approved by the Shareholders of the Corporation at the annual and special meeting of the Shareholders held on October 29, 2020.

The TSX Venture Exchange (“**TSXV**”) requires that all listed companies with a 10% rolling stock option plan obtain shareholder approval of such plan on an annual basis. At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution in the form set out below (the “**2021 Stock Option Plan Resolution**”), subject to such amendments, variations or additions as may be approved at the Meeting, authorizing and approving, for the ensuing year, the 2021 Stock Option Plan. In order to pass, the 2021 Stock Option Plan Resolution must be approved by a majority of the votes cast at the Meeting. For reference, the 2021 Stock Option Plan is attached as Schedule “B” hereto.

The 2021 Stock Option Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation, or any subsidiary of the Corporation, the option to purchase Common Shares. The purpose of the 2021 Stock Option Plan is to attract, retain and motivate employees, directors, officers and consultants of the Corporation by granting to them options.

The number of Common Shares issuable upon the exercise of options granted under the 2021 Stock Option Plan as well as other equity incentive plans at any time may *not* exceed 10% of the total number of issued and outstanding Common Shares from time to time *less* the number of Common Shares reserved for issuance under the Corporation’s other security-based compensation arrangements from time to time, subject to adjustment as set forth in the 2021 Stock Option Plan, and further subject to the applicable rules and regulations of all regulatory authorities to which the Corporation may be subject from time to time. If any options granted under the 2021 Stock Option Plan expire, terminate or are cancelled for any reason without being settled in the form of Common Shares issued from treasury, the Common Shares underlying such options will be available for subsequent issuance under the 2021 Stock Option Plan.

The aggregate number of options granted to any one Eligible Participant (as such term is defined in the 2021 Stock Option Plan), and companies wholly-owned by that Eligible Participant, together with any options or other awards granted to such Eligible Participant under the Corporation's other security-based compensation arrangements, within any one (1) year period, shall not exceed 5% of the issued and outstanding Common Shares. The aggregate number of options granted to any one Eligible Participant who is a consultant or is retained to provide Investor Relation Activities (as such term is defined in the 2021 Stock Option Plan) together with any options or awards granted to such person under the Corporation's other security-based compensation arrangements, shall not exceed 2% of the issued and outstanding Common Shares. The aggregate number of options granted to Insiders (as a group, and as defined by TSXV Policy 1.1), within a one (1) year period shall not exceed 10% of the issued and outstanding Common Shares (unless requisite disinterested Shareholder approval is obtained in accordance with section 3.10 of TSXV Policy 4.4).

The period during which an option granted under the 2021 Stock Option Plan is exercisable may not exceed ten (10) years from the date such option is granted. All options are non-assignable and non-transferrable other than for normal estate settlement purposes. The price which the Common Shares may be acquired upon exercise of an option may not be less than the fair market value of a Common Share on the date of grant, subject to all regulatory requirements. The Board will determine when an option will become vested.

If prior to the exercise of an option, the holder's employment or services with the Corporation is terminated for cause, all options held by said holder, whether vested or unvested, shall automatically terminate and be forfeited for no consideration. If the holder resigns or their employment or service is terminated without cause or because of the holder's death, all unvested options held by the holder shall automatically terminate and be forfeited for no consideration, and vested options may be exercised within 30 days after the termination date, or such shorter period as is remaining in the term of the option.

The Board recommends that Shareholders vote for the 2021 Stock Option Plan Resolution.

The text of the 2021 Stock Option Plan Resolution to be submitted to the Shareholders of the Corporation is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

“BE IT RESOLVED THAT AS AN ORDINARY RESOLUTION OF THE MAJORITY OF THE SHAREHOLDERS THAT:

1. the stock option plan of the Corporation in the form attached thereto as Schedule “B” (the “**2021 Stock Option Plan**”) to this Information Circular, be and is hereby approved;
2. the 2021 Stock Option Plan may be amended by the directors of the Corporation in order to satisfy the requests of any regulatory authorities or the TSX Venture Exchange (collectively the “**Regulatory Requests**”) without further approval of the Shareholders of the Corporation, unless approval of the Shareholders of the Corporation is required by any Regulatory Requests;
3. the directors of the Corporation be authorized to grant stock options under, and subject to the terms and conditions of, the 2021 Stock Option Plan, which may be exercised to purchase up to 10% of the issued and outstanding number of common shares of the Corporation at the date of the grant of stock options (less the number of Common Shares reserved for issuance under the Corporation's other security-based compensation arrangements from time to time); and
4. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing resolutions.”

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE 2021 STOCK OPTION PLAN RESOLUTION UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY

THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION. THE RESOLUTION MUST BE APPROVED BY A SIMPLE MAJORITY APPROVAL OF THE VOTES CAST AT THE MEETING.

6. APPROVAL OF 2021 PRSU PLAN

The Corporation has adopted a performance and restricted share unit plan (the “**2020 PRSU Plan**”) for officers, directors, employees and consultants of the Corporation. The 2020 PRSU Plan was a “10% rolling plan” and it was approved by the Shareholders of the Corporation at the annual and special meeting of the Shareholders held on October 29, 2020. A copy of the 2020 PRSU Plan is available in the Corporation’s Management Information Circular dated September 18, 2020 (filed on SEDAR on October 13, 2020). As of the date of this Information Circular, the Corporation has an aggregate of 680,447 restricted share units that are issued and outstanding. For more information, please see “7 - *Ratification of RSU Grants*” below.

At the Meeting, Disinterested Shareholders (as defined below) will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution in the form set out below (the “**2021 PRSU Plan Resolution**”), subject to such amendments, variations or additions as may be approved at the Meeting, authorizing and approving the 2021 performance and restricted share unit plan (the “**2021 PRSU Plan**”). A copy of the 2021 PRSU Plan is found at Schedule “C” of this Information Circular. In order to pass, the 2021 PRSU Plan Resolution must be approved by a majority of the votes cast at the Meeting, excluding votes attaching to shares beneficially owned by (i) Insiders (as defined by TSXV Policy 1.1) to whom restricted share units and/or performance share units may be issued under the 2021 PRSU Plan, as applicable; and (ii) Associates (as defined by TSXV Policy 1.1) of Insiders to whom restricted share units and/or performance share units may be issued under the 2021 PRSU Plan, as applicable. The Shareholders who are allowed to vote on this resolution as prescribed herein are referred to as the “**Disinterested Shareholders**” for the purposes of this resolution.

The 2021 PRSU Plan provides that the Board may from time to time, in its discretion, grant to directors, officers, employees and consultants of the Corporation restricted share units and/or performance share units. The purpose of the 2021 PRSU Plan is to attract, retain and motivate employees, directors, officers and consultants of the Corporation by granting to them restricted share units and/or performance share units. If any restricted share units and/or performance share units granted under the 2021 PRSU Plan expire, terminate or are cancelled for any reason without being settled in the form of Common Shares issued from treasury, the Common Shares underlying such restricted share units and/or performance share units will be available for subsequent issuance under the 2021 PRSU Plan.

The number of Common Shares issuable pursuant to the 2021 PRSU Plan at any time is fixed (unlike the 2020 PRSU Plan, which was a 10% rolling plan and unlike the 2021 Stock Option Plan, which is a 10% rolling plan). The number of Common Shares issuable pursuant to the 2021 PRSU Plan cannot exceed 3,728,584 Common Shares, subject to adjustment as set forth in the 2021 PRSU Plan, and further subject to the applicable rules and regulations of all regulatory authorities to which the Corporation may be subject from time to time. The RSU Grants (defined below) that are described in Schedule “D” of this Information Circular are included within 3,728,584 Common Shares that are issuable pursuant to the 2021 PRSU Plan. In other words, the RSU Grants that are described in Schedule “D” of this Information Circular are not in addition to the 3,728,584 Common Shares that are issuable to the 2021 PRSU Plan, rather are part of the 3,728,584.

The aggregate number of restricted share units and/or performance share units granted to any one Eligible Participant (as such term is defined in the 2021 PRSU Plan), and companies wholly-owned by that Eligible Participant, together with any options or other awards granted to such Eligible Participant under the Corporation’s other security-based compensation arrangements, within any one (1) year period, shall not exceed 5% of the issued and outstanding Common Shares (unless requisite Disinterested Shareholder approval is obtained). The aggregate number of restricted share units and/or performance share units granted to any one Eligible Participant who is a Consultant (as such term is defined in the 2021 PRSU Plan), together with any options or awards granted to such person under the Corporation’s other security-based compensation arrangements, shall not exceed 2% of the issued and outstanding Common Shares. The aggregate number of restricted share units and/or performance share units granted to Insiders (as a group), within a one (1) year period shall not exceed 5% of the issued and outstanding Common Shares (unless requisite disinterested Shareholder approval is obtained).

All restricted share units and/or performance share units are non-assignable and non-transferrable other than for normal estate settlement purposes. Restricted share units shall vest over time, and performance share units shall vest upon achievement of certain performance conditions determined by the Board.

If prior to the vesting of restricted share units and/or performance share units, the holder's employment or services with the Corporation is terminated for cause, all restricted share units and/or performance share units held by said holder, whether vested or unvested, shall automatically terminate and be forfeited for no consideration. If the holder resigns or their employment or service is terminated without cause or because of the holder's death, all unvested restricted share units and/or performance share units held by the holder shall automatically terminate and be forfeited for no consideration, and vested restricted share units and/or performance share units shall be settled as soon as practicable.

The purpose of the 2021 PRSU Plan is to attract, retain, motivate and reward employees, officers, directors and key consultants by providing the Corporation with the ability to grant to such persons: (i) restricted share units; and/or (ii) performance share units. The Board believes that these are important goals and that the granting of restricted share units and/or performance share units to such persons will align the interests of such persons with the financial interests of the Shareholders. The Board believes that the approval and use of the 2021 PRSU Plan is in the best interests of the Corporation. **The Board recommends that Disinterested Shareholders vote for the 2021 PRSU Plan Resolution.**

The text of the 2021 PRSU Plan Resolution to be submitted for Disinterested Shareholder approval at the Meeting is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

“BE IT RESOLVED THAT AS AN ORDINARY RESOLUTION OF THE MAJORITY OF THE DISINTERESTED SHAREHOLDERS:

1. the 2021 performance and restricted share unit plan of the Corporation in the form attached thereto as Schedule “C” (the “**2021 PRSU Plan**”) to this Information Circular, be and is hereby approved;
2. the 2021 PRSU Plan may be amended by the directors of the Corporation in order to satisfy the requests of any regulatory authorities or the TSX Venture Exchange (in each case, a “**Regulatory Request**”) without further approval of the Shareholders of the Corporation, unless approval of the Shareholders of the Corporation is required by any Regulatory Request;
3. the directors of the Corporation be authorized to grant restricted share units and/or performance share units under, and subject to the terms and conditions of, the 2021 PRSU Plan, which shall not exceed 3,728,584 common shares of the Corporation reserved for issuance at the date of the grant under all other security-based compensation arrangements from time to time including, without limitation, the Corporation's stock option plan; and
4. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing resolutions.”

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE 2021 PRSU PLAN RESOLUTION UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION. THE RESOLUTION MUST BE APPROVED BY A SIMPLE MAJORITY APPROVAL OF THE VOTES CAST AT THE MEETING BY THE DISINTERESTED SHAREHOLDERS.

7. RATIFICATION OF RSU GRANTS

The restricted share units and/or performance share units as described at Schedule “D” to this Information Circular have been granted by the Corporation since the date of its inception and remain outstanding pursuant to the

Corporation's performance and restricted share unit plans as adopted by the Corporation from time to time (the "**PRSU Plans**"), which include the 2020 PRSU Plan and the initial plan that was approved by the Shareholders of the Corporation at the annual and special meeting of the Shareholders held on July 4, 2019 (the "**2019 PRSU Plan**").

Under the PRSU Plans, as described in the Corporation's Q1 2021 interim financial statements (filed on SEDAR on May 31, 2021), the Corporation has granted a total of 800,369 restricted share units and 0 performance share units. Of these 800,369 restricted share units, 119,922 have since been cancelled in accordance with the terms of the PRSU Plans due to the departure of the recipients from the employment of the Corporation. Accordingly, as of the date of this Information Circular, 680,447 restricted share units are currently issued and outstanding, which can vest into 680,447 Common Shares of the Corporation pursuant to the terms of its PRSU Plans (collectively, the "**RSU Grants**").

At the Meeting, Shareholders will be asked to consider and, if deemed appropriate, to pass, with or without variation, an ordinary resolution in the form set out below (the "**RSU Grant Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting, ratifying the RSU Grants. In order to pass, the RSU Grant Resolution must be approved by a majority of the votes cast at the Meeting, excluding votes attaching to shares beneficially owned by (i) any Shareholders that have received any of the RSU Grants to date (the "**Interested Shareholders**"); and (ii) any Associates (as defined by TSXV Policy 1.1) of the Interested Shareholders. The Shareholders who are allowed to vote on this resolution as prescribed herein are referred to as the "**Disinterested Shareholders**" for the purposes of this resolution.

The Board approved for issuance the RSU Grants in accordance with the PRSU Plans in consideration for valuable services that were or are being provided to the Corporation. The RSU Grants were issued by the Corporation and were received by the recipients in good faith. If Disinterested Shareholder approval for the RSU Grant Resolution is not obtained, then the Corporation may have disputes with some of the persons who have received the RSU Grants and the Corporation may have to settle some or all of the RSU Grants in cash (and/or additional securities) based upon the current price of the Common Shares, which the Board does not believe would be in the best interests of the Corporation. **The Board recommends that Disinterested Shareholders vote for the RSU Grant Resolution.**

The text of the RSU Grant Resolution to be submitted to Shareholders at the Meeting is set forth below, subject to such amendments, variations or additions as may be approved at the Meeting:

"BE IT RESOLVED THAT AS AN ORDINARY RESOLUTION OF THE MAJORITY OF THE DISINTERESTED SHAREHOLDERS THAT:

1. the restricted share units and/or performance share units granted by the Corporation as set out in Schedule "D" to this Information Circular, be and are hereby authorized, approved and ratified; and
2. any director or officer of the Corporation is hereby authorized and directed, acting for, in the name of and on behalf of the Corporation, to execute or cause to be executed, under the seal of the Corporation or otherwise and to deliver or to cause to be delivered, all such other deeds, documents, instruments and assurances and to do or cause to be done all such other acts as in the opinion of such director or officer of the Corporation may be necessary or desirable to carry out the terms of the foregoing resolutions."

PROXIES RECEIVED IN FAVOUR OF MANAGEMENT WILL BE VOTED FOR THE APPROVAL OF THE RSU GRANT RESOLUTION UNLESS THE SHAREHOLDER HAS SPECIFIED IN THE PROXY THAT HIS, HER OR ITS COMMON SHARES ARE TO BE VOTED AGAINST SUCH RESOLUTION. THE RESOLUTION MUST BE APPROVED BY A SIMPLE MAJORITY APPROVAL OF THE VOTES CAST AT THE MEETING BY THE DISINTERESTED SHAREHOLDERS.

Oversight and Description of Director and Named Executive Officers Compensation

The directors of the Corporation are not currently paid any fees for attending meetings of the Board and meetings of the Shareholders of the Corporation and are reimbursed for any out-of-pocket travel expenses incurred in order to attend meetings. From time to time, at the recommendation of the Board's Governance, Compensation and Nomination Committee (the "**GC&N Committee**"), members of the Board may receive compensation in connection with their position as directors of the Corporation and for serving on committees of the Board from time to time. The directors of the Corporation may also participate in the share compensation arrangements of the Corporation adopted by the Corporation at the relevant time.

With respect to compensation paid to Named Executive Officers, currently, this may consist of the following three components:

- (a) base fee or salary;
- (b) annual bonus and other incentives; and/or
- (c) long-term incentive in the form of equity compensation arrangements.

In June 2021, the GC&N Committee engaged an external independent consulting firm specialized in providing compensation analysis and recommendation. The GC&N Committee expects to receive a report and recommendations later in 2021.

Base Salary

In the future, any base fee or salary to be paid to a particular Named Executive Officer will be determined by an assessment by the GC&N Committee of such executive's performance, a consideration of competitive compensation levels in companies similar to the Corporation and a review of the performance of the Corporation as a whole and the role such executive officer played in such corporate performance. Base salary levels would be reviewed and considered annually and, subject to employment law and contractual considerations, from time to time adjustments may be made to base salary levels based upon promotions or other changes in job responsibility or merit-based increases based on assessments of individual performance. A base salary review of any Named Executive Officer will take into consideration the current competitive market conditions, experience, proven or expected performance, and the particular skills of the Named Executive Officer.

Annual Bonuses and Other Incentives

The Corporation did not award any annual bonuses or other incentives to executives or directors for the previously completed financial year. However, the Corporation, in its discretion, may award such bonuses or incentives in the future in order to motivate executives to achieve short-term corporate goals. At the recommendation of the GC&N Committee, the Board may approve targeted amounts of annual bonuses or incentives for each Named Executive Officer at the beginning of each financial year. The targeted amounts will be determined by the Board based on a number of factors, including comparable compensation of similar companies.

The success of Named Executive Officers in achieving their individual objectives and their contribution to the Corporation in reaching its overall goals could be factors in the determination of their annual bonus or incentives. The GC&N Committee will assess each Named Executive Officers' performance on the basis of his or her respective contribution to the achievement of the predetermined corporate objectives, as well as to needs of the Corporation that arise on a day-to-day basis. This assessment could be used by the GC&N Committee in developing its recommendations to the Board with respect to the determination of annual bonuses or incentives for the Named Executive Officers.

Equity Based Compensation

The Named Executive Officers are eligible to receive equity awards under the 2021 Stock Option Plan and the 2021 PRSU Plan. The Corporation intends for equity awards to be an integral part of its overall compensation program as the Corporation believes that the long-term performance of the Corporation will be enhanced through the use of equity-based awards that reward Named Executive Officers for increasing long-term shareholder value. The Corporation also believes that such awards will promote an ownership perspective among its Named Executive Officers and encourage executive retention. Equity based compensation awarded to Named Executive Officers will typically be subject to time-based vesting provisions. The Corporation does not have any formal policy regarding when equity-based compensation is to be granted or the size of any given grant. In determining the number of awards to be granted to executive officers, the GC&N Committee takes into account the individual's position, scope of responsibility, ability to affect profits and shareholder value and the value of the awards in relation to other elements of the individual's total compensation, including base salary and cash bonuses. When considering equity or equity-linked awards to a Named Executive Officer, consideration of the number of awards previously granted to the Named Executive Officer may be taken into account, however, the extent to which such prior awards remain subject to resale restrictions will generally not be a factor.

Compensation of Named Executive Officers

Principles of Executive Compensation

When determining the compensation of the Named Executive Officers, the GC&N Committee considers the limited resources of the Corporation and the objectives of: (i) recruiting and retaining the executives critical to the success of the Corporation and the enhancement of Shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and Shareholders of the Corporation; (iv) rewarding performance, both on an individual basis and with respect to the business in general; (v) fostering teamwork and entrepreneurial spirit; and (vi) providing incentives to Named Executive Officers to maximize productivity and enhance enterprise value by aligning the interests of the Named Executive Officers with those of the shareholders.

The GC&N Committee considers previous grants when considering new grants of options to Named Executive Officers and directors of the Corporation.

Long Term Compensation

The Corporation currently has no long-term incentive plans, other than stock options and RSUs granted from time to time under applicable stock option or restricted share unit plans. The 2021 Stock Option Plan and the 2021 PRSU Plan have been approved by the Board and are each subject to annual Shareholder approval at the Meeting, as described in the sections entitled "*Particulars of Matters to be Acted Upon – Approval of 2021 Stock Option Plan*" and "*Particulars of Matters to be Acted Upon – Approval of 2021 PRSU Plan*" in this Information Circular.

Voluntary Extension of Lock-Up Period

Sayan Navaratnam, Chairman and CEO, Junaid Razvi, Executive Vice President, and Suman Pushparajah, Chief Operating Officer (collectively, the "**Lock-up Executives**"), have each voluntarily extended the lock-up period for all the Common Shares held (directly and indirectly) by them to demonstrate their continued belief in the mission of the Corporation and the opportunity ahead. Mr. Navaratnam extended his lock-up period by two (2) years from March 31, 2021 to March 31, 2023, and Mr. Razvi and Mr. Pushparajah each extended their lock-up period by one (1) year from March 31, 2021 to March 31, 2022.

Following the expiration of such lock-up periods, all such Common Shares will begin to release from lock-up at a rate of 15% every 90 days over 18 months. In total, all of the locked-up Common Shares belonging to the said Lock-up Executives total 46.57 million Common Shares (the "**Lock-up Executive Shares**") in the Corporation. Collectively, the Lock-up Executive Shares account for approximately 49% of the Corporation's total issued and outstanding shares.

CORPORATE GOVERNANCE DISCLOSURE

General

The Board views effective corporate governance as an essential element for the effective and efficient operation of the Corporation. The Corporation believes that effective corporate governance improves corporate performance and benefits all of its Shareholders. The following statement of corporate governance practices sets out the Board's review of the Corporation's governance practices relative to National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") and National Instrument 58-201 - *Corporate Governance Guidelines* ("NI 58-201").

The Corporation believes that adopting and maintaining appropriate governance practices is fundamental to a well-

run company, to the execution of its chosen strategies and to its successful business and financial performance. NI 58-101 and NI 58-201 (collectively the “**Governance Guidelines**”) of the Canadian Securities Administrators set out a list of non-binding corporate governance guidelines that issuers are encouraged to follow in developing their own corporate governance guidelines. In certain cases, the Corporation’s practices comply with the guidelines, however, the Board considers that some of the guidelines are not suitable for the Corporation at its current stage of development and therefore these guidelines have not been adopted. The Corporation will continue to review and implement corporate governance guidelines as the business of the Corporation progresses and becomes more active in operations.

Board of Directors

The Board, which is responsible for supervising the management of the business and affairs of the Corporation, is currently comprised of seven (7) directors: Hamilton Jeyaraj, William A. Kanters, Sayan Navaratnam, Suman Pushparajah, Junaid Razvi, Susan Uthayakumar and Paul Zed. On April 7, 2021, Mr. Jay Wilgar tendered his resignation from the Board. On the same date, Ms. Susan Uthayakumar and Mr. Suman Pushparajah were appointed to the Board. Among the Board members, three (3) directors are independent as such term is defined in NI 58-101 and in National Instrument 52-110 – *Audit Committees* (“**NI 52-110**”). The independent directors are Hamilton Jeyaraj, Susan Uthayakumar and Paul Zed.

Directorships

Certain members of the Corporation’s current directors are currently directors or officers of other reporting issuers (or equivalent) in a jurisdiction or a foreign jurisdiction as follows:

<u>Name</u>	<u>Name of Reporting Issuer</u>	<u>Name of Exchange or Market</u>	<u>Position</u>	<u>From</u>	<u>To</u>
William A. Kanters	High Mountain 2 Capital Corporation	TSXV (Capital Pool Company)	Director, President, and CEO	August 2020	Present
	Buccaneer Gold Corp.	CSE	Director	April 12, 2021	Present

Orientation and Continuing Education of Board Members

The Corporation currently does not have any formal orientation or continuing education programs in place for new directors. The Board’s continuing education is typically derived from correspondence with the Corporation’s legal counsel to remain up to date with developments in relevant corporate and securities law matters. Additionally, historically board members have been nominated who are familiar with the Corporation and the nature of its business. Senior management of the Corporation makes regular presentations to the Board on the key areas of the business. The Corporation also encourages continuing education of its directors and senior officers where appropriate in order to ensure that they have the necessary skills and knowledge to meet their respective obligations to the Corporation and its stakeholders.

Ethical Business Conduct

The Board has adopted a written code of ethics and business conduct (the “**Code of Conduct**”). The Code of Conduct applies to all of the directors, officers and employees of the Corporation, including the Named Executive Officers. The purpose of the Code of Conduct is to: (i) promote integrity and honest and ethical conduct, including the ethical handling of actual or apparent conflicts of interest; (ii) promote full, fair, accurate, timely and understandable disclosure in reports and documents that the Corporation files with securities regulators and in other public communications made by the Corporation; (iii) promote compliance with applicable governmental laws, rules and regulations; (iv) promote the protection of the Corporation’s assets and confidential information; (v) promote fair dealing practices; and (vi) deter wrongdoing.

In addition, the Board has determined that the fiduciary obligations placed on directors pursuant to the Corporation's governing statute and the common law restrictions, which limit the participation of directors in Board decisions in which the director has an interest, are sufficient to ensure that the Board operates independently of management and in the best interests of the Corporation.

Diversity

The Governance, Compensation and Nomination Committee Charter mandates that the GC&N Committee review, on a periodic basis, the current composition of the Board. While the GC&N Committee does not currently have a formal policy specifying how diversity of background and personal experience should be applied in reviewing the current composition of the Board or in identifying or evaluating candidates for the Board, the committee is committed to having a diverse Board in that it seeks individuals from different backgrounds with varying perspectives, professional experience, education and skills. At present, the Board consists of five (5) individuals who identify as a visible minority.

Nomination of Directors

The size of the Board is reviewed annually when the Board considers the number of directors to recommend for election at the annual meeting of Shareholders. The Board takes into account the number of directors required to carry out the Board duties effectively, and to maintain a diversity of view and experience.

The recruitment of new directors has generally resulted from recommendations made by directors and shareholders. The assessment of the contributions of individual directors has principally been the responsibility of the Board. Prior to standing for election, new nominees to the Board are reviewed by the entire Board.

Reliance on Exemptions in NI 52-110

The Corporation is a "venture issuer" for the purposes of NI 52-110. Accordingly, the Corporation is relying upon the exemption in section 6.1 of NI 52-110 providing that the Corporation is exempt from the application of Part 3 (*Composition of the Audit Committee*) and Part 5 (*Reporting Obligations*) of NI 52-110.

On the other hand, since the commencement of the Corporation's most recently completed financial year, the Corporation has *not* relied on any of the following exemptions otherwise available to it:

1. that in section 2.4 (*De Minimis Non-audit Services*) of NI 52-110 (which exempts all non-audit services provided by the Corporation's auditor from the requirement to be pre-approved by the Audit Committee if such services are less than 5% of the auditor's annual fees charged to the Corporation, are not recognized as non-audit services at the time of the engagement of the auditor to perform them and are subsequently approved by the Audit Committee prior to the completion of that year's audit);
2. that in subsection 6.1.1(4) (*Circumstance Affecting the Business or Operations of the Venture Issuer*) of NI 52-110 (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a circumstance arises that affects the business or operations of the Corporation and a reasonable person would conclude that the circumstance can be best addressed by a member of the Audit Committee becoming an executive officer or employee of the Corporation);
3. that in subsection 6.1.1(5) (*Events Outside Control of Member*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if an Audit Committee member becomes a

control person of the Corporation or of an affiliate of the Corporation for reasons outside the member's reasonable control);

4. that in subsection 6.1.1(6) (*Death, Incapacity or Resignation*) (an exemption from the requirement that a majority of the members of the Audit Committee must not be executive officers, employees or control persons of the Corporation or of an affiliate of the Corporation if a vacancy on the Audit Committee arises as a result of the death, incapacity or resignation of an Audit Committee member and the Board was required to fill the vacancy); or
5. an exemption from the requirements of NI 52-110, in whole or in part, granted by a securities regulator under Part 8 (*Exemptions*) of NI 52-110.

If any Options granted under this Plan expire, terminate or are cancelled for any reason without being settled in the form of Common Shares issued from treasury, the Common Shares underlying such Options shall be available for subsequent issuance under this Plan.
- (b) Notwithstanding anything in this Plan, but subject to Section 2.4(a), the aggregate number of Options granted:
 - (i) to any one Eligible Participant (and companies wholly owned by that Eligible Participant) together with any options or other awards granted to such Eligible Participant under the Company's other security-based compensation arrangements, within any one-year period, shall not exceed 5% of the issued and outstanding Common Shares, calculated on the applicable Grant Date (unless the Company has obtained the requisite disinterested shareholder approval in accordance with the rules of the TSXV);
 - (ii) to any one Eligible Participant who is a Consultant together with any options or other awards granted to such Eligible Participant under the Company's other security-based compensation arrangements, within any one-year period, shall not exceed 2% of the issued and outstanding Common Shares, calculated on the applicable Grant Date;
 - (iii) to all Eligible Participants that are retained to provide Investor Relation Activities together with any options or other awards granted to such Eligible Participants under the Company's other security-based compensation arrangements shall not exceed 2% of the issued and outstanding Common Shares, within any one-year period, calculated on the applicable Grant Date; and
 - (iv) to insiders (as a group), within a one-year period, shall not exceed 10% of the issued and outstanding Common Shares, calculated on the applicable Grant Date (unless the Company has obtained the requisite disinterested shareholder approval in accordance with the rules of the TSXV),

provided that the acquisition of Common Shares by the Company for cancellation shall not constitute non-compliance with this Subsection 2.4(b) for any Options outstanding prior to such purchase of Common Shares for cancellation.

3. OPTIONS

3.1 Grant of Options

The Board may, in its discretion, from time to time, subject to the provisions of this Plan and other terms and conditions the Board may prescribe, grant Options to Eligible Participants. The grant shall be conditional on the Participant executing a Grant Agreement and such ancillary documents as the Board may determine to be appropriate. The grant of an Option to an Eligible Participant at any time shall neither entitle such Eligible Participant to receive, nor preclude such Eligible Participant from receiving, a subsequent grant of an Option. In all cases, the Options shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages payable to a Participant in respect of his or her services to a Participating Company.

Notwithstanding anything in the Plan to the contrary, U.S. Individuals shall not be eligible to receive a grant of Options unless the Company is an “eligible issuer of service recipient stock” for purposes of Section 409A of the Code with respect to such individual. Each Option granted to a U.S. Participant is intended to be exempt from Section 409A of the Code, and is not intended to constitute an “incentive stock option” under Section 422 of the Code. To the extent that any Option granted to a U.S. Participant is determined to constitute “nonqualified deferred compensation” within the meaning of Section 409A of the Code, such Option will be subject to such additional rules and requirements as specified by the Board from time to time (including with retroactive effect) in order to comply with Section 409A of the Code to the maximum extent possible.

For Options granted to employees or Consultants, the Board and the Participant are responsible for ensuring and confirming that the Participant is a *bona fide* employee or Consultant, as the case may be, in accordance with the rules of the TSXV (if applicable).

3.2 Vesting of Options

The Board shall determine when an Option will become Vested and may determine that the Option will become Vested in installments and may make Vesting of the Option conditional on the achievement of performance targets. Subject to the terms of any employment or consulting agreement or arrangement between the Participant and a Participating Company, or the Board expressly providing to the contrary, a Participant’s Options shall Vest in accordance with the vesting schedule as set out in the Participant’s Option Agreement.

3.3 Exercise Price

The Exercise Price of an Option shall be fixed by the Board on the Grant Date and will not be less than the Fair Market Value of a Common Share as of the Grant Date, subject to all applicable regulatory requirements. Notwithstanding the foregoing, if an Option is approved during a Blackout Period, the Grant Date shall not be earlier than the sixth Business Day immediately following the expiration of the Blackout Period and the Exercise Price will not be less than the volume-weighted average trading price of the Common Shares on the TSXV on the five trading days immediately preceding the Grant Date.

3.4 Option Term

Subject to Section 4, each Option must be exercised no later than 10 years after the Grant Date or such shorter period as set out in the Participant’s Grant Agreement, at which time such Option will expire. Notwithstanding any other provision of this Plan, each Option that would expire during a Blackout Period shall expire on the date that is 10 Business Days immediately following the expiration of the Blackout Period.

3.5 Exercise of Options

Vested Options may be exercised by the Participant delivering to the Company a Notice of Exercise signed by the Participant or his or her legal representative, accompanied by payment in full of the aggregate Exercise Price and any Applicable Withholding Taxes in respect of the Options being exercised, payable in cash, or by certified cheque, bank draft or money order payable to the Company or by such other means as might be specified from time to time by the Board.

Subject to Sections 5.14 and 5.15, upon receipt of payment in full, the number of Common Shares in respect of which the Options are exercised will be duly issued to the Participant as fully paid and non-assessable shares, following which the Participant shall have no further rights, title or interest with respect to such Options.

4. TERMINATION OF EMPLOYMENT OR SERVICES

4.1 Termination for Cause

If a Participant's employment or services with a Participating Company is terminated for Cause, all Options held by the Participant on the Participant's Termination Date, whether Vested or unvested, shall automatically terminate and be forfeited for no consideration on the Termination Date and be of no further force or effect.

4.2 Resignation, Termination without Cause or Death

Unless otherwise set out in the Participant's Grant Agreement, if a Participant resigns from a Participating Company or his or her employment or services is terminated without Cause or the Participant ceases to be employed or engaged by a Participating Company because of the Participant's death, all unvested Options held by the Participant on the Participant's Termination Date shall automatically terminate and be forfeited for no consideration on the Termination Date and be of no further force or effect. Unless otherwise set out in the Participant's Grant Agreement, the Participant may, within 30 days after the Participant's Termination Date, or such shorter period as is remaining in the term of the Options, exercise the Participant's Vested Options in accordance with Section 3.5. At the end of such 30 day period or such shorter period as is remaining in the term of the Options, the unexercised Options shall automatically terminate, be forfeited for no consideration and be of no further force or effect.

4.3 Discretion to Permit Vesting

The Board may, in its discretion, at any time permit the Vesting of any or all Options held by the Participant in the manner and on the terms authorized by the Board in its discretion.

5. GENERAL

5.1 Adjustment to Options

In the event of any stock dividend, stock split, combination or exchange of shares, merger, amalgamation, arrangement, consolidation, reclassification, spin-off or other distribution (other than normal cash dividends) of the Company's assets to its shareholders, or any other change in the capital of the Company affecting Common Shares, the Board will make such proportionate adjustments, if any, as the Board in its discretion deems appropriate to reflect such change (for the purpose of preserving the value of the Options), with respect to: (i) the number or kind of shares or other securities reserved for issuance pursuant to this Plan; (ii) the number or kind of shares or other securities subject to any outstanding Options; and (iii) the Exercise Price of any outstanding Options, provided, however, that no adjustment will obligate the Company to issue or sell fractional securities. Notwithstanding anything in this Plan to the contrary, all adjustments made pursuant to this Section 5.1 shall be in compliance with paragraph 7(1.4)(c) of the *Income Tax Act* (Canada) and/or with Section 409A of the Code and the Treasury Regulations promulgated thereunder, including Treasury Regulations Section 1.409A-1(b)(5), to the extent applicable. However, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no Options will be granted

to such a Participant to compensate for a downward fluctuation in the Fair Market Value of Common Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

5.2 Effect of a Change of Control

Notwithstanding any other provision of this Plan, in the event of a Change of Control, the surviving, successor or acquiring entity shall assume any outstanding Options or shall substitute similar options for the outstanding Options. If the surviving, successor or acquiring entity does not assume the outstanding Options or substitute similar options for the outstanding Options, or if the Board otherwise determines in its discretion, the Company shall give written notice to all Participants advising that the Plan shall be terminated effective immediately prior to the Change of Control and all Options shall be deemed to be Vested and, unless otherwise exercised, forfeited or cancelled prior to the termination of the Plan, shall expire immediately prior to the termination of the Plan.

In the event of a Change of Control, the Board has the power to: (i) make such other changes to the terms of the Options as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the Participants; (ii) otherwise modify the terms of the Options to assist the Participants to tender into a takeover bid or other arrangement leading to a Change of Control, and thereafter; and (iii) terminate, conditionally or otherwise, the Options not exercised following successful completion of such Change of Control. If the Change of Control is not completed within the time specified therein (as the same may be extended), the Options which vest pursuant to this Section 5.2 shall be returned by the Company to the Participant and, if exercised, the Common Shares issued on such exercise shall be reinstated as authorized but unissued Common Shares and the original terms applicable to such Options shall be reinstated.

5.3 Amendment, Suspension, or Termination of Plan

The Board may from time to time, without notice and without shareholder approval, amend, modify, change, suspend or terminate the Plan, or any portion thereof, or any Options granted pursuant to the Plan as it in its discretion determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Plan or any Option granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under any Option, or any rights pursuant thereto, previously granted to the Participant without the written consent of the affected Participant, unless the Board determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements.

Without limiting the generality of the foregoing, the Board may make amendments to this Plan or any Options without seeking shareholder approval, including:

- (a) amendments of a “housekeeping” or administrative nature, including any amendment for the purpose of curing any ambiguity, error or omission in this Plan or to correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan, including amendments to fix typographical errors;
- (b) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions;
- (c) amendments necessary to comply with the provisions of applicable law or the rules, regulations and policies of the TSXV;
- (d) amendments necessary for Options to qualify for favourable treatment under applicable tax laws;
- (e) amendments to the vesting provisions of this Plan or any Option; and
- (f) amendments necessary to suspend or terminate this Plan.

Shareholder approval (in accordance with the rules of the TSXV, if applicable) shall be required for any amendment that:

- (a) revises the Eligible Participants to whom Options may be granted under the Plan;
- (b) increases the number of Common Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (c) revises the limitation under the Plan on the number of Options that may be granted to any one person or any category of persons;
- (d) revises the method for determining the Exercise Price of options;
- (e) reduces the Exercise Price of an Option (for this purpose, a cancellation or termination of an Option of a Participant for the purpose of reissuing an Option to the same Participant with a lower Exercise Price shall be treated as an amendment to reduce the Exercise Price of an Option) except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (f) changes the maximum term of Options or extends the term of an Option beyond the original expiry date, except as provided in Section 3.4;
- (g) revises the expiry and termination provisions set out in Section 4;
- (h) permits awards, other than the Options, to be granted under the Plan; and
- (i) deletes or reduces the range of amendments which require shareholder approval under this Section 5.3.

If required by the rules of the TSXV, the Company will seek shareholder approval excluding the votes of securities held directly or indirectly by insiders entitled to receive a benefit directly or indirectly under the Plan. Disinterested shareholder approval will be obtained for any reduction in the Exercise Price of an Option held by a Participant who is an insider at the time of the proposed amendment.

If the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules adopted by the Board and in force at the time of termination of the Plan will continue in effect as long as an Option or any rights pursuant thereto remain outstanding. However, notwithstanding the termination of the Plan, the Board may make any amendments to the Plan or Options it would be entitled to make if the Plan were still in effect.

5.4 Reorganization of the Company

The existence of any Options shall not affect in any way the right or power of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.5 Fractional Shares

No fractional Common Shares will be issued on the exercise of an Option and no payment or other adjustment will be made with respect to the fractional Common Shares so disregarded.

5.6 General Restrictions and Assignment

- (a) Except as required by law or as permitted by the Board, the rights of a Participant under the Plan are not capable of being anticipated, assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant. Notwithstanding anything else in this Plan, all Options granted under this Plan are non-transferrable and non-assignable other than for normal estate settlement purposes.
- (b) Rights and obligations under the Plan may be assigned by the Company to a successor in the business of the Company.

5.7 No Right to Employment or Other Service

Neither participation in the Plan nor any action taken under the Plan shall give or be deemed to give any Participant a right to continue his or her employment or other service with a Participating Company.

5.8 Other Employee Benefits

The amount of any compensation received or deemed to be received by a Participant as a result of his or her participation in the Plan will not constitute compensation, earnings or wages with respect to which any other employee benefits of that Participant are determined, including, without limitation, benefits under any bonus, pension, profit-sharing, insurance, termination, severance or salary continuation plan or any other employee benefit plans, nor under any applicable employment standards or other legislation, except as otherwise specifically determined by the Board.

5.9 Unfunded Plan

This Plan is unfunded. To the extent any individual holds any rights under the Plan, such rights, unless otherwise determined by the Board, are no greater than the rights of a general unsecured creditor of the Company.

5.10 No Shareholder Rights

Under no circumstances shall Options be considered Common Shares or shares of any other class of the Company, nor entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Common Shares, until such time as and only to the extent Common Shares have been issued to the Participant in accordance with the terms hereof.

5.11 Priority of Agreements

In the event of any inconsistency or conflict between the provisions of the Plan and any Grant Agreement, the provisions of the Plan shall prevail. Unless otherwise provided herein, in the event of any inconsistency or conflict between the provisions of the Plan or any Grant Agreement, on the one hand, and a Participant's employment or consulting agreement or arrangement with a Participating Company, on the other hand, the provisions of the employment or consulting agreement or arrangement shall prevail.

5.12 Governing Law

The Plan shall be governed by, and interpreted in accordance with, the laws of the Province of Ontario and the federal laws of Canada applicable therein.

5.13 Severability

The invalidity or unenforceability of any provision of this Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Plan.

5.14 Compliance with Laws

The Board may postpone the exercise of any Option or the issue of any Common Shares pursuant to the Plan for as long as the Board in its discretion may deem necessary in order to permit the Company to determine compliance with all applicable laws, including securities laws and the rules, regulations and published policies of any stock exchange, regulatory authority or agency having jurisdiction over the issuance and distribution of such Common Shares in such jurisdictions as the Company may elect to grant Options to Participants. Participants shall, to the extent applicable, cooperate with the Company in complying with such legislation, rules, regulations and policies.

5.15 Government Regulation and Grant Restrictions

The Company's obligation to issue and deliver Common Shares under any Option is subject to: (i) the completion of such registration or other qualification of such Common Shares or obtaining approval of such regulatory authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Common Shares in compliance with applicable securities laws and for the listing of such Common Shares on any stock exchange on which such Common Shares are then listed. Options may not be granted with a Grant Date or effective date earlier than the date on which all actions required to grant the Options have been completed.

5.16 Section 409A of the Code

Each Option granted to a U.S. Participant is intended to be exempt from the requirements of Section 409A of the Code, and the Plan and any Grant Agreements with U.S. Participants shall be interpreted and construed consistent with such intent to the maximum degree possible. If any provision of the Plan or an outstanding Grant Agreement could cause a U.S. Participant to incur any tax, interest or penalties under Section 409A of the Code, the Board may, in its discretion and without the U.S. Participant's consent, modify such provision to: (i) comply with, or avoid being subject to, Section 409A of the Code, or to avoid incurring, or reduce the amount of, taxes, interest and penalties under Section 409A of the Code, and/or (ii) maintain, to the maximum extent practicable, the original intent and economic benefit to the U.S. Participant of the applicable provision without materially increasing the cost to the Company or contravening Section 409A of the Code. However, and notwithstanding any provision of the Plan to the contrary, the Company (a) shall have no obligation to modify the Plan or any Grant Agreement or Option, (b) does not guarantee that Options will not be subject to taxes, interests or penalties under Section 409A of the Code, and (c) shall not (and neither shall any of its Affiliates) be liable to any U.S. Participant or any other person as a result of the failure of an Option to satisfy an exemption from or the requirements of Section 409A of the Code or for the imposition, in connection with an Option, of any taxes, interests or penalties under Section 409A of the Code.

1.4 Effective Date of Plan

The effective date of the Plan is August 26, 2021 (the “**Effective Date**”).

2. ADMINISTRATION

2.1 Administration of the Plan

This Plan will be administered by the Board and the Board has complete authority, in its discretion, to interpret the provisions of this Plan. In administering and interpreting the Plan, the Board may adopt, amend and rescind administrative guidelines and other rules and regulations relating to this Plan and make all other determinations and take all other actions necessary or advisable for the implementation and administration of this Plan which the Board determines, in its discretion, are necessary or advisable. The Board’s determinations and actions within its authority under this Plan are final, conclusive and binding on each Participating Company and Participant and all other persons.

2.2 Delegation to Committee

To the extent permitted by applicable law, the Board may, from time to time, delegate to the Committee all or any of the powers conferred on the Board under the Plan. In such event, references to the Board mean and include the Committee, and the Committee will exercise the powers delegated to it by the Board in the manner and on the terms authorized by the Board. Any decisions made or actions taken by the Committee arising out of or in connection with the administration or interpretation of this Plan within its authority under this Plan are final, conclusive and binding on each Participating Company and Participant and all other persons.

2.3 Taxes and Other Source Deductions

It is the responsibility of the Participant to complete and file any tax returns which may be required under Canadian, U.S. or other applicable jurisdiction’s tax laws (whether federal, provincial, state, local or otherwise) within the periods specified in those laws as a result of the Participant’s participation in the Plan or the occurrence of any event with respect to any award made under the Plan.

Notwithstanding any other provision contained herein, a Participant shall be solely responsible for all Applicable Withholding Taxes resulting from his or her receipt of Share Units, Common Shares or other property pursuant to this Plan. In connection with the issuance of Common Shares pursuant to this Plan, a Participant shall:

- (a) pay to the Company an amount as necessary so as to ensure that the applicable Participating Company is in compliance with the applicable provisions of any federal, provincial, state, local or other law relating to the Applicable Withholding Taxes in connection with such issuance;
- (b) authorize a securities dealer designated by the Company, on behalf of the Participant, to sell in the capital markets a portion of the Common Shares issued hereunder to realize cash proceeds to be used to satisfy the Applicable Withholding Taxes; or
- (c) make other arrangements acceptable to a Participating Company to fund the Applicable Withholding Taxes.

2.4 Common Shares Reserved for Issuance

- (a) The maximum number of Common Shares issuable pursuant to this Plan shall not exceed 3,728,584 Common Shares, subject to adjustment as set forth herein, and further subject to the applicable rules and regulations of all regulatory authorities to which the Company may be subject from time to time. If any Share Units governed by this Plan expire, terminate or are cancelled for any reason without being settled in the form of Common Shares issued from treasury, the Common Shares underlying such Share Units shall be available for subsequent issuance under this Plan.

- (b) Notwithstanding anything in this Plan, but subject to Section 2.4(a), the aggregate number of Share Units granted:
- (i) to any one Eligible Participant (and companies wholly owned by that Eligible Participant) together with any options or other awards granted to such Eligible Participant under the Company's other security-based compensation arrangements within any one-year period, shall not exceed 5% of the issued and outstanding Common Shares, calculated on the applicable Grant Date (unless the Company has obtained the requisite disinterested shareholder approval in accordance with the rules of the TSXV);
 - (ii) to any one Eligible Participant who is a Consultant together with any options or other awards granted to such Eligible Participant under the Company's other security-based compensation arrangements, within any one-year period, shall not exceed 2% of the issued and outstanding Common Shares, calculated on the applicable Grant Date; and
 - (iii) to insiders (as a group) within a one-year period, shall not exceed 10% of the issued and outstanding Common Shares, calculated on the applicable Grant Date (unless the Company has obtained the requisite disinterested shareholder approval in accordance with the rules of the TSXV),

provided that the acquisition of Common Shares by the Company for cancellation shall not constitute non-compliance with this Subsection 2.4(b) for any Share Units outstanding prior to such purchase of Common Shares for cancellation.

3. SHARE UNITS

3.1 Grant of Share Units

- (a) The Board may, in its discretion, from time to time, subject to the provisions of this Plan and other terms and conditions the Board may prescribe, grant Restricted Share Units and/or Performance Share Units to *bona fide* Eligible Participants. The grant shall be conditional on the Participant executing a Grant Agreement and such ancillary documents as the Board may determine to be appropriate. The grant of an RSU or PSU to an Eligible Participant at any time shall neither entitle such Eligible Participant to receive, nor preclude such Eligible Participant from receiving, a subsequent grant of an RSU or PSU. In all cases, the Share Units shall be in addition to, and not in substitution for or in lieu of, ordinary salary and wages payable to a Participant in respect of his or her services to a Participating Company.
- (b) Each Grant Agreement shall set forth: (i) the type and Grant Date of the Share Units evidenced thereby; (ii) the number of RSUs and/or PSUs subject to such award; (iii) the applicable Time Vesting Conditions and/or Performance Vesting Conditions; (iv) the Performance Period, if applicable; (v) the applicable Vesting Date(s); (vi) the applicable Settlement Date; and (vii) the applicable Expiry Date and may specify such other terms and conditions consistent with the terms of the Plan as the Board shall determine or as shall be required under any other provision of the Plan.
- (c) An account, called a "**Share Unit Account**", shall be maintained by the Company for each Participant and will be credited with such grants of RSUs, PSUs or Dividend Share Units as are received by a Participant from time to time. Share Units that fail to Vest, or that are paid out to the Participant in Common Shares, shall be cancelled and shall cease to be recorded in the Participant's Share Unit Account as of the date on which such Share Units are forfeited or cancelled under the Plan or are settled, as the case may be. For greater certainty, where a Participant has been granted one or more RSUs and/or PSUs, such RSUs and/or PSUs (and related Dividend Share Units) shall be recorded separately in the Participant's Share Unit Account.

3.2 Dividend Share Units

When dividends are paid on Common Shares, Dividend Share Units will automatically be granted to each Participant who holds Share Units on the record date for such dividends. The number of Dividend Share Units (rounded down to the nearest whole Dividend Share Unit) to be credited to the Participant's Share Unit Account on the dividend payment date shall be determined by multiplying the aggregate number of Share Units held by the Participant on the relevant record date by the amount of the dividend paid by the Company on each Common Share, and dividing the result by the Fair Market Value of the Common Shares on the dividend payment date. Dividend Share Units credited to a Participant's Share Unit Account in accordance with this Section 3.2 shall be subject to the same Time Vesting Conditions and/or Performance Vesting Conditions applicable to the related RSUs and/or PSUs.

3.3 Vesting

RSUs, PSUs and Dividend Share Units shall vest when the Time Vesting Conditions, Performance Vesting Conditions and/or any other conditions for Vesting in relation to a Share Unit determined by the Board in connection with each RSU or PSU, as the case may be, have been met.

3.4 Settlement of Share Unit Awards

On the Settlement Date (which may not be later than the Expiry Date) and subject to Sections 2.3, 5.14 and 5.15, the Company shall issue from treasury the number of Common Shares that is equal to the number of Vested Share Units held by the Participant as at the Settlement Date (rounded down to the nearest whole number), as fully paid and non-assessable Common Shares. Upon settlement of such Share Units, the corresponding number of Share Units credited to the Participant's Share Unit Account shall be cancelled and the Participant shall have no further rights, title or interest with respect thereto.

4. TERMINATION OF EMPLOYMENT OR SERVICES

4.1 Termination for Cause

If a Participant's employment or services with a Participating Company is terminated for Cause, all Share Units held by the Participant on the Participant's Termination Date, whether Vested or unvested, shall automatically terminate and be forfeited for no consideration on the Termination Date and be of no further force or effect.

4.2 Resignation, Termination without Cause or Death

Unless otherwise set out in the Participant's Grant Agreement, if a Participant resigns from a Participating Company or his or her employment or services is terminated without Cause or the Participant ceases to be employed or engaged by a Participating Company because of the Participant's death, all unvested Share Units held by the Participant on the Participant's Termination Date shall automatically terminate and be forfeited for no consideration on the Termination Date and be of no further force or effect. Any Vested Share Units in the Participant's Share Unit Account on the Participant's Termination Date shall be settled as soon as practicable following the Termination Date in accordance with Section 3.4 (and, in the case of a U.S. Participant, shall in all events be settled within two and a half months following the end of the year in which the Termination Date occurs).

4.3 Discretion to Permit Vesting

The Board may, in its discretion, at any time permit the Vesting of any or all Share Units held by the Participant in the manner and on the terms authorized by the Board in its discretion, provided that the Board may not, in any case, authorize the settlement of a Share Unit beyond the Expiry Date.

5. GENERAL

5.1 Adjustment to Share Units

In the event of any stock dividend, stock split, combination or exchange of shares, merger, amalgamation, arrangement, consolidation, reclassification, spin-off or other distribution (other than normal cash dividends) of the Company's assets to its shareholders, or any other change in the capital of the Company affecting Common Shares, the Board will make such proportionate adjustments, if any, as the Board in its discretion deems appropriate to reflect such change (for the purpose of preserving the value of the Share Units), with respect to: (i) the number or kind of shares or other securities reserved for issuance pursuant to this Plan; (ii) the number or kind of shares or other securities subject to any outstanding Share Units; (iii) the number of Share Units in the Participants' Share Unit Accounts; and (iv) the vesting of PSUs provided, however, that no adjustment will obligate the Company to issue or sell fractional securities. Notwithstanding anything in this Plan to the contrary, all adjustments made pursuant to this Section 5.1 shall be in compliance with paragraph 7(1.4)(c) of the *Income Tax Act* (Canada) and/or with Section 409A of the Code and the Treasury Regulations promulgated thereunder, including Treasury Regulations Section 1.409A-1(b)(5), to the extent applicable. However, no amount will be paid to, or in respect of, a Participant under the Plan or pursuant to any other arrangement, and no Share Units will be granted to such a Participant to compensate for a downward fluctuation in the Fair Market Value of Common Shares, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

5.2 Effect of a Change of Control

Notwithstanding any other provision of this Plan, in the event of a Change of Control, the surviving, successor or acquiring entity shall assume any outstanding Share Units or shall substitute similar awards for the outstanding Share Units. If the surviving, successor or acquiring entity does not assume the outstanding Share Units or substitute similar awards for the outstanding Share Units, or if the Board otherwise determines in its discretion, the Company shall give written notice to all Participants advising that the Plan shall be terminated effective immediately prior to the Change of Control and all RSUs (and related Dividend Share Units) and a specified number of PSUs (and related Dividend Share Units) shall be deemed to be Vested and, unless otherwise settled, forfeited or cancelled prior to the termination of the Plan, shall be settled immediately prior to the termination of the Plan. The number of PSUs which are deemed to be vested shall be determined by the Board, in its sole discretion, having regard to the level of achievement of the Performance Vesting Conditions prior to the Change of Control.

In the event of a Change of Control, the Board has the power to: (i) make such other changes to the terms of the Share Units as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the Participants; (ii) otherwise modify the terms of the Share Units to assist the Participants to tender into a takeover bid or other arrangement leading to a Change of Control, and thereafter; and (iii) terminate, conditionally or otherwise, the Share Units not settled following successful completion of such Change of Control. If the Change of Control is not completed within the time specified therein (as the same may be extended), the Share Units which vest pursuant to this Section 5.2 shall be returned by the Company to the Participant and, if settled, the Common Shares issued on such settlement shall be reinstated as authorized but unissued Common Shares and the original terms applicable to such Share Units shall be reinstated.

5.3 Amendment, Suspension, or Termination of Plan

The Board may from time to time, without notice and without shareholder approval, amend, modify, change, suspend or terminate the Plan, or any portion thereof, or any Share Units granted pursuant to the Plan as it in its discretion determines appropriate, provided, however, that no such amendment, modification, change, suspension or termination of the Plan or any Share Unit granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under any Share Unit, or any rights pursuant thereto, previously granted to the Participant without the written consent of the affected Participant, unless the Board determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements.

Without limiting the generality of the foregoing, the Board may make amendments to this Plan or any Share Units without seeking shareholder approval, including:

- (a) amendments of a “housekeeping” or administrative nature, including any amendment for the purpose of curing any ambiguity, error or omission in this Plan or to correct or supplement any provision of this Plan that is inconsistent with any other provision of this Plan, including amendments to fix typographical errors;
- (b) amendments to clarify existing provisions of the Plan that do not have the effect of altering the scope, nature and intent of such provisions;
- (c) amendments necessary to comply with the provisions of applicable law or the rules, regulations and policies of the TSXV;
- (d) amendments necessary for Share Units to qualify for favourable treatment under applicable tax laws;
- (e) amendments to the vesting provisions of this Plan or any Share Units; and
- (f) amendments necessary to suspend or terminate this Plan.

Shareholder approval (in accordance with the rules of the TSXV, if applicable) shall be required for any amendment that:

- 1. revises the Eligible Participants to whom Share Units may be granted under the Plan;
- (g) increases the number of Common Shares reserved for issuance under the Plan, except pursuant to the provisions in the Plan which permit the Board to make equitable adjustments in the event of transactions affecting the Company or its capital;
- (h) revises the limitation under the Plan on the number of Share Units that may be granted to any one person or any category of persons;
- (i) changes the maximum term of Share Units or extends the term of a Share Unit beyond its Expiry Date;
- (j) revises the expiry and termination provisions set out in Section 4;
- (k) permits Share Units to be transferrable or assignable other than for normal estate settlement purposes;
- (l) permits awards, other than Restricted Share Units and Performance Share Units, to be granted under the Plan; and
- (m) deletes or reduces the range of amendments which require shareholder approval under this Section 5.3.

If required by the rules of the TSXV, the Company will seek shareholder approval excluding the votes of securities held directly or indirectly by insiders entitled to receive a benefit directly or indirectly under the Plan.

If the Plan is terminated, the provisions of the Plan and any administrative guidelines and other rules adopted by the Board and in force at the time of termination of the Plan will continue in effect as long as a Share Unit or any rights pursuant thereto remain outstanding. However, notwithstanding the termination of the Plan, the Board may make any amendments to the Plan or Share Units it would be entitled to make if the Plan were still in effect.

5.4 Reorganization of the Company

The existence of any Share Units shall not affect in any way the right or power of the Company to make or authorize any adjustment, recapitalization, reorganization or other change in the Company's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Company or to create or issue any bonds, debentures, shares or other securities of the Company or the rights and conditions attaching thereto or to effect the dissolution or liquidation of the Company or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise.

5.5 Fractional Shares

No fractional Common Shares will be issued on the settlement of a Share Unit and no payment or other adjustment will be made with respect to the fractional Common Shares so disregarded.

5.6 General Restrictions and Assignment

- (a) Except as required by law or as permitted by the Board, the rights of a Participant under the Plan are not capable of being anticipated, assigned, transferred, alienated, sold, encumbered, pledged, mortgaged or charged and are not capable of being subject to attachment or legal process for the payment of any debts or obligations of the Participant.
- (b) Rights and obligations under the Plan may be assigned by the Company to a successor in the business of the Company.

5.7 No Right to Employment or Other Service

Neither participation in the Plan nor any action taken under the Plan shall give or be deemed to give any Participant a right to continue his or her employment or other service with a Participating Company.

5.8 Other Employee Benefits

The amount of any compensation received or deemed to be received by a Participant as a result of his or her participation in the Plan will not constitute compensation, earnings or wages with respect to which any other employee benefits of that Participant are determined, including, without limitation, benefits under any bonus, pension, profit-sharing, insurance, termination, severance or salary continuation plan or any other employee benefit plans, nor under any applicable employment standards or other legislation, except as otherwise specifically determined by the Board.

5.9 Unfunded Plan

This Plan is unfunded. To the extent any individual holds any rights under the Plan, such rights, unless otherwise determined by the Board, are no greater than the rights of a general unsecured creditor of the Company.

5.10 No Shareholder Rights

Under no circumstances shall Share Units be considered Common Shares or shares of any other class of the Company, nor entitle any Participant to exercise voting rights or any other rights attaching to the ownership of Common Shares, until such time as and only to the extent Common Shares have been issued to the Participant in accordance with the terms hereof.

5.11 Priority of Agreements

In the event of any inconsistency or conflict between the provisions of the Plan and any Grant Agreement, the provisions of the Plan shall prevail. Unless otherwise provided herein, in the event of any inconsistency or conflict between the provisions of the Plan or any Grant Agreement, on the one hand, and a Participant's

employment or consulting agreement or arrangement with a Participating Company, on the other hand, the provisions of the employment or consulting agreement or arrangement shall prevail.

5.12 Governing Law

The Plan shall be governed by, and interpreted in accordance with, the laws of the Province of Ontario and the federal laws of Canada applicable therein.

5.13 Severability

The invalidity or unenforceability of any provision of this Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from this Plan.

5.14 Compliance with Laws

The Board may postpone the settlement of any Share Unit or the issue of any Common Shares pursuant to the Plan for as long as the Board in its discretion may deem necessary in order to permit the Company to determine compliance with all applicable laws, including securities laws and the rules, regulations and published policies of any stock exchange, regulatory authority or agency having jurisdiction over the issuance and distribution of such Common Shares in such jurisdictions as the Company may elect to grant Share Units to Participants. Participants shall, to the extent applicable, cooperate with the Company in complying with such legislation, rules, regulations and policies.

5.15 Government Regulation and Grant Restrictions

The Company's obligation to issue and deliver Common Shares under any Share Unit is subject to: (i) the completion of such registration or other qualification of such Common Shares or obtaining approval of such regulatory authority as the Company shall determine to be necessary or advisable in connection with the authorization, issuance or sale thereof; (ii) the admission of such Common Shares to listing on any stock exchange on which such Common Shares may then be listed; and (iii) the receipt from the Participant of such representations, agreements and undertakings as to future dealings in such Common Shares as the Company determines to be necessary or advisable in order to safeguard against the violation of the securities laws of any jurisdiction. The Company shall take all reasonable steps to obtain such approvals, registrations and qualifications as may be necessary for the issuance of such Common Shares in compliance with applicable securities laws and for the listing of such Common Shares on any stock exchange on which such Common Shares are then listed. Share Units may not be granted with a Grant Date or effective date earlier than the date on which all actions required to grant the Share Units have been completed.

5.16 Section 409A of the Code

Each Share Unit granted to a U.S. Participant is intended to be "short-term deferral" exempt from the requirements of Section 409A of the Code and the Plan and any Grant Agreements with U.S. Participants shall be interpreted and construed consistent with such intent to the maximum degree possible. If any provision of the Plan or an outstanding Grant Agreement could cause a U.S. Participant to incur any tax, interest or penalties under Section 409A of the Code, the Board may, in its discretion and without the U.S. Participant's consent, modify such provision to: (i) comply with, or avoid being subject to, Section 409A of the Code, or to avoid incurring, or reduce the amount of, taxes, interest and penalties under Section 409A of the Code, and/or (ii) maintain, to the maximum extent practicable, the original intent and economic benefit to the U.S. Participant of the applicable provision without materially increasing the cost to the Company or contravening Section 409A of the Code. However, and notwithstanding any provision of the Plan to the contrary, the Company (a) shall have no obligation to modify the Plan or any Grant Agreement or Share Unit, (b) does not guarantee that Share Units will not be subject to taxes, interests or penalties under Section 409A of the Code, and (c) shall not (and neither shall any of its Affiliates) be liable to any U.S. Participant or any other person as a result of the failure of a Share Unit to satisfy an exemption from or the requirements of Section 409A of the Code or for the imposition, in connection with a Share Unit, of any taxes, interests or penalties under Section 409A of the Code.
