Only Shareholders of record at the close of business on February 28, 2022 (the "**Record Date**") are entitled to notice of and to attend the Meeting or any adjournment or adjournments thereof and to vote thereat, unless, after the Record Date, a holder of record transfers his or her Common Shares and the transferee, upon producing properly endorsed share certificates or otherwise establishing that he or she owns such Common Shares, requests, not later than 10 days before the Meeting, that the transferee's name be included in the list of Shareholders entitled to vote such Common Shares, in which case such transferee shall be entitled to vote such Common Shares, as the case may be, at the Meeting.

Shareholders may vote in person at the Meeting or any adjournment or adjournments thereof, or they may appoint another person (who need not be a Shareholder) as their proxy to attend and vote in their place.

Registered Shareholders are requested to date and sign the enclosed form of proxy (the "Form of Proxy") and return it to the Company's transfer agent, Odyssey Trust Company. To be effective, the Form of Proxy must be mailed so as to reach or be deposited with Odyssey Trust Company, at Trader's Bank Building, 702 67 Yonge St, Toronto, ON, Attention: Proxy Department or by fax at (800) 517-4553 not later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment or postponement thereof or may be accepted by the Chairperson of the Meeting at his or her discretion prior to the commencement of the Meeting. The Form of Proxy or other instrument used to appoint a proxy shall be executed by the registered Shareholder or its attorney, or if such registered Shareholder is a corporation, under the corporate seal, and executed by a director, officer or attorney thereof duly authorized. Alternatively, a registered Shareholder may complete its Form of Proxy online at <https://login.odysseytrust.com/pxlogin> by following the instructions provided on the Form of Proxy.

Amid ongoing concerns about the coronavirus ("**COVID-19**") outbreak, the Company remains mindful of the well-being of our Shareholders and their families, our industry partners, other stakeholders and the communities in which we operate. The Company is holding the Meeting as a completely virtual meeting, which will be conducted via live

webcast, where all shareholders regardless of geographic location and equity ownership will have an equal opportunity to participate at the Meeting and engage with directors of the Company and management as well as other shareholders. Shareholders will not be able to attend the Meeting in person. Registered shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/255457488>. Shareholders who do not hold their Common Shares in their own name are strongly encouraged to complete the voting instruction forms received from their broker as soon as possible and to follow the instructions set out in the accompanying Information Circular.

As a Shareholder of the Company, it is very important that you read the Information Circular and other Meeting materials carefully. They contain important information with respect to voting your Common Shares and attending and participating at the Meeting.

A Shareholder who wishes to appoint a person other than the management nominees identified on the form of proxy or voting instruction form, to represent such Shareholder at the Meeting may do so by inserting such person's name in the blank space provided in the form of proxy or voting instruction form and following the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you wish that a person other than the management nominees identified on the form of proxy or voting instruction form attend and participate at the Meeting as your proxy and vote your Common Shares, including if you are a nonregistered shareholder and wish to appoint yourself as proxyholder to attend, participate and vote at the Meeting, you **MUST** register such proxyholder after having submitted your form of proxy or voting instruction form identifying such proxyholder. Failure to register the proxyholder will result in the proxyholder not receiving a Username to participate in the Meeting. Without a Username, proxyholders will not be able to attend, participate or vote at the Meeting. To register a proxyholder, Shareholders **MUST** send an email to spartan@odysseytrust.com and provide Odyssey Trust Company ("**Odyssey**") with their proxyholder's contact information, amount of shares appointed, name in which the shares are registered if they are a registered shareholder, or name of broker where the shares are held if a beneficial shareholder, so that Odyssey may provide the proxyholder with a Username via email.

SPARTAN DELTA CORP.
MANAGEMENT INFORMATION CIRCULAR
FOR THE ANNUAL GENERAL AND SPECIAL MEETING OF
THE HOLDERS OF COMMON SHARES OF
SPARTAN DELTA CORP.
TO BE HELD ON APRIL 14, 2022

Dated: March 7, 2022

PURPOSE OF SOLICITATION

This management information circular (the "Information Circular") is furnished in connection with the solicitation of proxies by or on behalf of the management of Spartan Delta Corp. (the "Company") for use at the annual general and special meeting of the holders (the "Shareholders") of the common shares (the "Common Shares") in the capital of the Company to be held virtually at <https://web.lumiagm.com/255457488>, on April 14, 2022 at 10:00 a.m. (Calgary time), and any adjournment or adjournments thereof (the "Meeting") for the purposes set forth in the Notice of Annual General and Special Meeting (the "Notice of Meeting") accompanying this Information Circular.

How do I vote?

Registered Shareholders may vote at the Meeting by completing a ballot online during the Meeting, as further described below. See "*How do I attend and participate at the Meeting?*".

Beneficial Shareholders who have not duly appointed themselves as proxyholder will not be able to attend, participate or vote at the Meeting. This is because the Company and its transfer agent do not have a record of the beneficial shareholders of the Company, and, as a result, will have no knowledge of your shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a beneficial shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the space provided on the voting instruction form sent to you and must follow all of the applicable instructions provided by your intermediary. See "*Appointment of a Third Party as Proxy*" and "*How do I attend and participate at the Meeting?*".

Appointment of a Third Party as Proxy

The following applies to shareholders who wish to appoint a person (a "**third party proxyholder**") other than the management nominees set forth in the form of proxy or voting instruction form as proxyholder, including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

Shareholders who wish to appoint a third-party proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Shares MUST submit their proxy or voting instruction form (as applicable) appointing such third party proxyholder AND register the third party proxyholder, as described below. Registering your proxyholder is an additional step to be completed AFTER you have submitted your proxy or voting instruction form. Failure to register the proxyholder will result in the proxyholder not receiving a username to attend, participate or vote at the Meeting.

- **Step 1: Submit your proxy or voting instruction form**
To appoint a third party proxyholder, insert such person's name in the blank space provided in the form of proxy or voting instruction form (if permitted) and follow the instructions for submitting such form of proxy or voting instruction form. This must be completed prior to registering such proxyholder, which is an additional step to be completed once you have submitted your form of proxy or voting instruction form. If you are a beneficial shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as proxyholder. See below under this section for additional details.
- **Step 2: Register your proxyholder**
To register a proxyholder, shareholders MUST send an email to spartan@odysseytrust.com by 5:00 p.m. (MST) on Tuesday, April 12, 2022 and provide Odyssey with the required proxyholder contact

information, amount of shares appointed, name in which the shares are registered if they are a registered shareholder, or name of broker where the shares are held if a beneficial shareholder, so that Odyssey may provide the proxyholder with a username via email. Without a username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a beneficial shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the voting instruction form sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary AND register yourself as your proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading "*How do I attend and participate at the Meeting?*".

Legal Proxy – US Beneficial Shareholders

If you are a beneficial shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as your proxyholder, in addition to the steps described above and below under "*How do I attend and participate at the Meeting?*", you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the voting information form sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from beneficial shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a third party as their proxyholder must be sent by e-mail to spartan@odysseytrust.com and received by 5:00 p.m. (MST) on Tuesday, April 12, 2022.

How do I attend and participate at the Meeting?

The Company is holding the Meeting as a completely virtual meeting, which will be conducted via live webcast. Shareholders will not be able to attend the Meeting in person. In order to attend, participate or vote at the Meeting (including for voting and asking questions at the Meeting), shareholders must have a valid username.

Registered shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/255457488>. Such persons may then enter the Meeting by clicking "I have a login" and entering a username and password before the start of the Meeting:

- **Registered shareholders**
The control number located on the form of proxy (or in the email notification you received) is the username. The password to the Meeting is "spartan2022" (case sensitive). If as a registered shareholder you are using your control number to login to the Meeting and you have previously voted, you do not need to vote again when the polls open. By voting at the meeting, you will revoke your previous voting instructions received prior to voting cutoff.
- **Duly appointed proxyholders**
Odyssey will provide the proxyholder with a username by e-mail after the voting deadline has passed. The password to the Meeting is "spartan2022" (case sensitive). Only registered shareholders and duly appointed proxyholders will be entitled to attend, participate and vote at the Meeting. Beneficial shareholders who have not duly appointed themselves as proxyholder will (be able to attend the meeting as a guest but not be able to participate or vote at the Meeting) (not be able to attend, participate or vote at the Meeting). Shareholders who wish to appoint a third party proxyholder to represent them at the Meeting (including beneficial shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting) MUST submit their duly completed proxy or voting instruction form AND register the proxyholder. See "*Appointment of a Third Party as Proxy*".

CURRENCY

All currency amounts expressed herein, unless otherwise indicated, are expressed in Canadian dollars.

RECORD DATE

Only Shareholders of record as of the close of business on February 28, 2022 (the "**Record Date**") are entitled to notice of, and to attend and vote at, the Meeting except to the extent that:

such person transfers his or her Common Shares after the Record Date; and

the transferee of those Common Shares produces properly endorsed share certificates or otherwise establishes his or her ownership to the Common Shares and makes a demand to the registrar and transfer agent of the Company, not later than 10 days before the Meeting, that his or her name be included on the Shareholders' list for the Meeting.

Any Registered Shareholder at the close of business on the Record Date who either personally attends the Meeting or who completes and delivers a proxy will be entitled to vote or have his or her Common Shares voted at the Meeting. However, a person appointed under a form of proxy will be entitled to vote the Common Shares represented by that form only if it is effectively delivered in the manner set out under the heading "*Proxy Information – Completion of Proxies*".

PROXY INFORMATION

Solicitation of Proxies

The solicitation of proxies is made on behalf of the management of the Company. The costs incurred in the preparation of the Form of Proxy, Notice of Meeting and this Information Circular and costs incurred in the solicitation of proxies will be borne by the Company. Solicitation of proxies will be primarily by mail, but may also be in person, by telephone or by electronic means.

Completion of Proxies

The Form of Proxy affords Registered Shareholders or intermediaries an opportunity to specify that the Common Shares registered in their name shall be voted for or against or withheld from voting in respect of certain matters as specified in the accompanying Notice of Meeting. The persons named in the enclosed Form of Proxy are Fotis Kalantzis, the President and Chief Executive Officer of the Company, and Geri L. Greenall, the Chief Financial Officer of the Company.

The Form of Proxy must be dated and signed by the Registered Shareholder or by his or her attorney authorized in writing or by the intermediary. In the case of a Registered Shareholder that is a corporation, the proxy must be executed under its corporate seal or signed by a duly authorized officer or attorney for the corporation with proof of authority accompanying the proxy. **IF YOUR COMMON SHARES ARE HELD BY YOUR BANK, TRUST COMPANY, SECURITIES BROKER, TRUSTEE OR OTHER FINANCIAL INSTITUTION (YOUR NOMINEE), YOU ARE MOST LIKELY A BENEFICIAL SHAREHOLDER OF THE COMMON SHARES AND SHOULD REFER TO "PROXY INFORMATION – ADVICE TO BENEFICIAL SHAREHOLDERS" FOR FURTHER INSTRUCTIONS ON HOW TO VOTE BY PROXY AT THE MEETING.**

Registered Shareholders are requested to date and sign the enclosed Form of Proxy and return it to: (i) the Company's transfer agent, Odyssey Trust Company, by mail at Trader's Bank Building, 702 67 Yonge St, Toronto, ON, M5E 1J8 Attention: Proxy Department or by fax to (800) 517-4553, no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment or adjournments thereof; or (ii) the Chair of the Meeting on the day of the Meeting by email at spartan@odysseytrust.com, prior to the commencement of the Meeting. Alternatively, Registered Shareholders may complete Form of Proxy online at <https://login.odysseytrust.com/pxlogin>, no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment or adjournments thereof.

No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. If a Form of Proxy is not dated, it will be deemed to bear the date on which it was mailed by management of the Company.

A REGISTERED SHAREHOLDER OR AN INTERMEDIARY HOLDING COMMON SHARES ON BEHALF OF A NON-REGISTERED SHAREHOLDER HAS THE RIGHT TO APPOINT A PERSON, WHO NEED NOT BE A SHAREHOLDER, TO ATTEND AND ACT ON THEIR BEHALF AT THE MEETING, IN THE PLACE OF THE PERSONS DESIGNATED IN THE FORM OF PROXY FURNISHED BY THE COMPANY. TO EXERCISE THIS RIGHT, THE SHAREHOLDER OR INTERMEDIARY SHOULD STRIKE OUT THE NAMES OF THE PERSONS NAMED IN THE FORM OF PROXY AND INSERT THE NAME OF THEIR NOMINEE IN THE BLANK SPACE PROVIDED OR SUBMIT ANOTHER APPROPRIATE PROXY.

Revocation of Proxies

A Registered Shareholder or intermediary who has submitted a Form of Proxy may revoke it by instrument in writing executed by the Registered Shareholder or intermediary or his or her attorney authorized in writing, or, if the Registered Shareholder is a corporation, under its corporate seal and executed by a director, officer or attorney thereof duly authorized, and deposited with: (i) the Company's transfer agent, Odyssey Trust Company, at Trader's Bank Building, 702 67 Yonge St, Toronto, ON M5E 1J8, no later than 48 hours (excluding Saturdays, Sundays and statutory holidays in the Province of Alberta) prior to the time set for the Meeting or any adjournment or adjournments thereof; or (ii) the Chair of the Meeting on the day of the Meeting by email at spartan@odysseytrust.com, prior to the commencement of the Meeting, and upon such deposit the previous Form of Proxy is revoked.

Exercise of Discretion by Proxies

A Registered Shareholder or intermediary may indicate the manner in which the persons named in the enclosed Form of Proxy are to vote with respect to any matter by checking the appropriate space. On any poll, those persons will vote or withhold from voting the Common Shares in respect of which they are appointed in accordance with the directions, if any, given in the Form of Proxy. If the Registered Shareholder or intermediary wishes to confer a discretionary authority with respect to any matter, the space should be left blank. **IN SUCH INSTANCE, THE PERSONS NAMED IN THE ENCLOSED FORM OF PROXY INTEND TO VOTE THE COMMON SHARES REPRESENTED BY THE PROXY IN FAVOUR OF THE MOTION.**

The Form of Proxy confers discretionary authority upon the persons named therein with respect to amendments or variations to matters identified in the Notice of Meeting and with respect to other matters which may properly come before the Meeting. At the time of printing of this Information Circular, management of the Company knows of no such amendment, variation or other matter. However, if any other matters which are not now known to management should properly come before the Meeting, the proxies in favour of management nominees will be voted on such matters in accordance with the best judgment of the management nominees.

Advice to Beneficial Shareholders

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of Shareholders do not hold Common Shares in their own name ("Beneficial Shareholders"). You are most likely a Beneficial Shareholder if your bank, trust company, securities broker, trustee, or other financial institution (your nominee) holds your Common Shares in their name or the name of another intermediary. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders whose names appear on the records of the Company as the registered holders of Common Shares on the Record Date can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker or other intermediary, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder's broker, an agent of that broker, or other intermediary. In Canada, the vast majority of such Common Shares are registered under the name of CDS & Co. (the registration name for CDS Clearing and Depository Services Inc., which acts as nominee for many Canadian brokerage firms). **Common Shares held by brokers or their agents or other nominees can only be voted (for or against resolutions) upon the instructions of the Beneficial Shareholder. Without specific instructions, brokers and their agents and nominees are prohibited from voting shares for their clients. Therefore, Beneficial Shareholders should ensure that instructions respecting the voting of their Common Shares are communicated to the appropriate persons.**

Applicable regulatory policies require intermediaries/brokers to seek voting instructions from Beneficial Shareholders in advance of Shareholders' meetings. Every intermediary/broker has its own mailing procedures and provides its own return instructions to clients, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. The form of proxy supplied to a Beneficial Shareholder by its broker (or the agent of that broker) is typically similar to the Form of Proxy provided to Registered Shareholders by the Company. However, the purpose of the broker's form of proxy is limited to instructing the Registered Shareholder (the broker or agent of the broker) how to vote on behalf of the Beneficial Shareholder. The majority of brokers now delegate responsibility for obtaining instructions from clients to Broadridge Financial Solutions, Inc. ("**Broadridge**"). Broadridge typically mails a scannable voting instruction form in lieu of a form of proxy. The Beneficial Shareholder is requested to complete and return the voting instruction form to Broadridge by mail or facsimile. Alternatively, the Beneficial Shareholder can call a toll-free telephone number or access the Internet to vote the Common Shares held by the Beneficial Shareholder. Broadridge then tabulates the results of all instructions received and provides appropriate instructions representing the voting of Common Shares to be represented at the Meeting. **A Beneficial Shareholder receiving a Broadridge voting instruction form cannot use that voting instruction form to vote Common Shares directly at the Meeting, as the voting instruction form must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted. Beneficial Shareholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.**

Although a Beneficial Shareholder may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of the Beneficial Shareholder's broker (or agent of the broker), a Beneficial Shareholder may attend the Meeting as proxyholder for the Registered Shareholder and vote such Common Shares in that capacity. Beneficial Shareholders who wish to attend at the Meeting and indirectly vote their Common Shares as proxyholder for the Registered Shareholder should enter their own names in the blank space on the instrument of proxy provided to them and return the same to their broker (or the broker's agent) in accordance with the instructions provided by such broker (or agent) well in advance of the Meeting.

Beneficial Shareholders who have not objected to their intermediary disclosing certain ownership information about themselves to the Company are referred to as non-objecting beneficial owners or "**NOBOs**". Those Beneficial Shareholders who have objected to their intermediary disclosing ownership information about themselves to the Company are referred to as objecting beneficial owners or "**OBOs**". Neither OBOs nor NOBOs will be receiving a Form of Proxy directly from the Company and will instead receive a voting instruction form or other form of proxy from an intermediary as described above. Pursuant to National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**"), the Company has distributed copies of the Notice of Meeting, Form of Proxy, this Information Circular and any other proxy-related materials in connection with the Meeting (the "**Meeting Materials**") to such intermediaries for distribution to Beneficial Shareholders.

If you have any questions respecting the voting of Common Shares held through a broker or other intermediary, please contact that broker or other intermediary for assistance.

Notice-and-Access

The Company has elected to use the "notice-and-access" provisions under National Instrument 54-101 – *Communications with Beneficial Owners of Securities of a Reporting Issuer* (the "**Notice-and-Access Provisions**") for the Meeting. The Notice-and-Access Provisions are a set of rules developed by the Canadian Securities Administrators that reduce the volume of materials which are mailed to shareholders by allowing a reporting issuer to post an information circular in respect of a meeting of its shareholders and related materials online.

The Company will not use procedures known as "stratification" in relation to the use of the Notice-and-Access Provisions, meaning that both registered and Beneficial Shareholders will be mailed a notification of availability of Meeting materials directing them to those websites where they can access the Information Circular and other relevant information (the "**Notice-and-Access Notification**"). If you receive the Notice-and-Access Notification and would like to receive a paper copy of the Circular and other relevant information, please follow the instructions printed on the Notice-and-Access Notification and the materials will be mailed to you. All materials will be forwarded to Shareholders at the Company's expense.

The Company anticipates that notice-and-access will directly benefit the Company through substantial reductions in postage and printing costs. The Company believes that notice-and-access is also environmentally responsible to the extent that it decreases the large volume of paper documents generated by printing proxy-related materials.

Shareholders with questions about notice-and-access can call Odyssey Trust Company toll free at 1-888-290-1175.

In order to receive a paper copy of this Information Circular and other relevant information, requests by Shareholders may be made up to one year from the date the Circular was filed on System for Electronic Document Analysis and Retrieval ("**SEDAR**") by: (i) calling Odyssey Trust Company toll free at 1-888-290-1175; (ii) by emailing a request to spartan@odysseytrust.com; or (iii) online at the following websites: www.spartandeltacorp.com or <https://www.odysseycontact.com/>. The Company estimates that a Shareholder's request for paper copies of the Circular and other relevant information will need to be received prior to **April 4, 2022** in order for such Shareholder to have sufficient time to receive and review the materials requested and return the completed Form of Proxy by the due date set out under the heading "*Completion of Proxies*" in this Information Circular.

MATTERS TO BE ACTED UPON

The Shareholders of the Company will be asked to consider and, if deemed appropriate:

by ordinary resolution, to fix the board of directors of the Company (the "**Board**") at eight (8) members;

by ordinary resolution, to elect the directors of the Company;

by ordinary resolution, to appoint auditors for the ensuing year and to authorize the directors of the Company to fix their remuneration;

by ordinary resolution, to approve unallocated stock options ("**Options**") under the Company's stock option plan (the "**Stock Option Plan**") for the ensuing year;

by ordinary resolution, to ratify and confirm certain amendments to the Company's share award incentive plan (the "**Share Award Incentive Plan**") and approve unallocated share awards thereunder;

by ordinary resolution to ratify and confirm the Company's advance notice bylaw (the "**Advance Notice Bylaw**"); and

to transact such other business as may properly come before the Meeting or any adjournments thereof.

Additional detail regarding each of the matters to be acted on at the Meeting is contained below.

The audited consolidated financial statements of the Company for the years ended December 31, 2021 and 2020, together with the auditor's reports thereon, were mailed to the Shareholders who have requested such financial statements in accordance with applicable securities laws, and will be placed before the Shareholders at the Meeting. The financial statements are also available on the Company's SEDAR profile at www.sedar.com. No formal action will be taken at the Meeting to approve the financial statements, which have been approved by the Board. If any Shareholders have questions respecting such financial statements, the questions may be brought forward at the Meeting.

FIXING NUMBER OF DIRECTORS

At the Meeting, it is proposed that the number of directors to be elected to hold office until the next annual meeting or until their successors are elected or appointed, subject to the articles of the Company, be set at eight (8).

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of setting the number of directors to be elected at the Meeting at eight (8).

ELECTION OF DIRECTORS

Action is to be taken at the Meeting with respect to the election of directors. Shareholders will be asked to pass an ordinary resolution at the Meeting to elect, as directors, the nominees whose names are set forth in the table below. Voting for the election of nominees will be conducted on an individual, and not on a slate, basis. Each nominee elected will hold office until the next annual meeting of the Shareholders or until such director's successor is duly elected or appointed, unless his office is vacated earlier in accordance with the Company's articles.

The Board adopted a majority voting policy (the "**Majority Voting Policy**") on August 27, 2021, pursuant to which, in an uncontested election of directors, a director who receives more "withhold" votes than "for" votes at the annual meeting of Shareholders will promptly tender his or her resignation to the Chair of the Board, to be effective upon acceptance by the Board. The Corporate Governance Committee will consider the director's offer to resign and make a recommendation to the Board whether to accept it. The Board will be expected to accept the resignation except in situations in which exceptional circumstances warrant the applicable director continuing to serve on the Board. Following the Board's decision on the resignation, the Board will promptly disclose its decision whether to accept the director's resignation offer including the reasons for rejecting the resignation offer, if applicable, by issuing a news release. Any director who tenders his or her resignation pursuant to the Majority Voting Policy may not participate in any portion of a meeting of the Board (or, if applicable, any committee of the Board, if he or she is a member of that committee) to consider the decision whether to accept such director's resignation.

Shareholders should note that, as a result of the Majority Voting Policy, a "withhold vote" is effectively the same as a vote against a director nominee in an uncontested election.

The Company is required by applicable corporate and securities legislation to have an Audit Committee comprised of members of the Board that are considered "financially literate" and a majority of which are considered "independent", as such terms are defined in National Instrument 52-110 – *Audit Committees ("NI 52-110")*. The Company has also established a Corporate Governance Committee, Compensation Committee and a Reserves and Environment Committee, each comprised of members of the Board. Please see the discussion under the heading "*Corporate Governance Practices*". The present members of the Audit Committee, Corporate Governance Committee, Compensation Committee and Reserves and Environment Committee of the Board are identified in the table below.

The following information relating to the nominees as directors is based partly on the records of the Company and partly on information received by the Company from the respective nominees, and sets forth the name and municipality of residence of the persons proposed to be nominated for election as directors, all other positions and offices within the Company now held by them, their principal occupations or employments, the periods during which they have served as directors of the Company and the number of Common Shares beneficially owned, directly or indirectly, or over which control or direction is exercised by each of them as at the date hereof.

Corporate Cease Trade Orders or Bankruptcies

None of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director, chief executive officer or chief financial officer of any company that, while such person was acting in that capacity, was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days.

None of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director, chief executive officer or chief financial officer of any company that was subject to a cease trade order, an order similar to a cease trade order or an order that denied the relevant issuer access to any exemption under securities legislation that was in effect for a period of more than 30 consecutive days, that was issued after the proposed director ceased to be a director, chief executive officer or chief financial officer and which resulted from an event that occurred while that person was acting in the capacity as director, chief executive officer or chief financial officer.

Except as disclosed below, none of the above proposed directors are, or within 10 years prior to the date of this Information Circular have been, a director or executive officer of any company that, while acting in that capacity, or

within a year of that person ceasing to act in that capacity, became bankrupt, made a proposal under any legislation relating to bankruptcy or insolvency or was subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold its assets.

Mr. Archibald was a director of Waldron Energy Corporation ("**Waldron**") from December 31, 2009 to August 17, 2015. On August 6, 2015, the secured subordinated lender of Waldron demanded repayment in full of all amounts owed to it under its credit facility and gave notice of its intention to enforce its security. This repayment demand created a cross-default between Waldron and its secured bank lender, which subsequently demanded repayment in full of all amounts owed to it under its credit facility and also gave notice of its intention to enforce its security. After various discussions between Waldron and both its lenders, Waldron consented to the appointment of a receiver and manager on August 13, 2015. On August 17, 2015, a receiver and manager was appointed over the assets, undertakings and property of Waldron pursuant to an order of the Court of Queen's Bench of Alberta (the "**Court**").

Mr. Archibald was Chairman of Cequence Energy Ltd. ("**Cequence**") from July 30, 2009 to September 28, 2020. Pursuant to an amended and restated initial order of the Court on June 11, 2020, Cequence was granted authority to file with the Court a plan of compromise or arrangement under the *Companies' Creditors Arrangement Act* (the "**CCAA**"). On September 28, 2020, Cequence implemented a plan of compromise and arrangement (the "**CCAA Plan**") which was sanctioned on September 17, 2020 by order of the Court. The CCAA Plan marked the conclusion of the CCAA proceedings.

Personal Bankruptcies

None of the above proposed directors have, within 10 years prior to the date of this Information Circular, become bankrupt, made a proposal under any bankruptcy or insolvency legislation, been subject to or instituted any proceedings, arrangement or compromise with creditors or had a receiver, receiver manager or trustee appointed to hold their assets.

Penalties and Sanctions

None of the above proposed directors have been subject to any penalties or sanctions imposed by a court relating to securities legislation or by a securities regulatory authority, or have entered into a settlement agreement with a securities regulatory authority, or any other penalties or sanctions imposed by a court or regulatory body that would likely be considered important to a reasonable securityholder in deciding whether to vote for a proposed director.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the election to the Board of those persons designated above as nominees for election as directors. The Board does not contemplate that any of such nominees will be unable to serve as a director. However, if for any reason any of the proposed nominees do not stand for election or are unable to serve as such, proxies in favour of management designees will be voted for another nominee in their discretion, unless the Shareholder has specified in his proxy that his Common Shares are to be withheld from voting on the election of directors.

APPOINTMENT OF AUDITORS

The Shareholders will be asked to pass an ordinary resolution at the Meeting to appoint PricewaterhouseCoopers LLP as auditors of the Company, to hold office until the next annual meeting of the Shareholders, at such remuneration to be determined by the Board. PricewaterhouseCoopers LLP was first appointed as the Company's auditors on June 12, 2020.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the appointment of PricewaterhouseCoopers LLP as auditors of the Company.

APPROVAL OF UNALLOCATED OPTIONS UNDER THE STOCK OPTION PLAN

Effective September 1, 2021, in light of the Company's graduation to the TSX, the Board approved certain amendments to the Company's Stock Option Plan. The revised terms of the Stock Option Plan, and a summary of the amendments approved by the Board, are described in this Information Circular under the heading "*Statement of Executive Compensation – Stock Option Plan – Amendments to the Stock Option Plan*". The full text of the amended Stock Option Plan is attached hereto as Schedule "A".

Pursuant to the provisions of the Stock Option Plan, any amendment to the Stock Option Plan which results in a material adverse change to the terms of any options granted under the Stock Option Plan requires Shareholder approval. None of the amendments to the Stock Option Plan adopted by the Board result in a material adverse change to the terms of Options granted. However, a number of amendments which do not require Shareholder approval were made, including, but not limited to the following:

- the aggregate number of Common Shares that may be issued pursuant to the exercise of Options and all other security-based compensation arrangements, including the Share Award Incentive Plan, is limited to 10% of the Common Shares outstanding from time to time, subject to certain limitations in respect of the maximum number of Common Shares issuable to insiders (as defined under the policies of the TSX) and the aggregate number of Common Shares, and the value of Options, granted to non-management directors;
- the Board's right to fix the exercise price for Options on the grant date was restricted to be not less than the volume weighted average trading price (the "**VWAP**") of the Common Shares on the TSX for the five (5) days immediately preceding the grant date. Previously, the exercise price could be fixed by the Board, granted it was no lower than the exercise price permitted by the exchange such Common Shares were listed on;
- in lieu of paying cash on the exercise of Options, the Stock Option Plan was revised to provide participants the right to acquire, without cash payment, such number of Common Shares as is determined by: (i) subtracting the exercise price from the closing price of the Common Shares on the date of exercise; (ii) multiplying the difference by the number of Common Shares in respect of which the Option was otherwise being exercised; and (iii) dividing that product by such closing price of the Common Shares. Previously, participants could only exercise Options by paying the full exercise price in cash; and
- in the event of a change of control (as such term is defined in the Stock Option Plan), all Options which have not otherwise vested in accordance with their terms shall immediately vest and be exercisable; and
- requiring TSX and/or Shareholder approval in respect of certain future amendments to the Stock Option Plan.

A more detailed overview of the amendments made to the Stock Option Plan is provided under the heading "*Statement of Executive Compensation – Stock Option Plan – Overview of Amendments to the Stock Option Plan*" in this Information Circular. The full text of the Stock Option Plan is attached as Schedule "A" to this Information Circular. For a discussion of the terms of the Stock Option Plan, see "*Statement of Executive Compensation – Stock Option Plan*" in this Information Circular.

In accordance with the policies of the TSX, unallocated options under "rolling" stock option plans must receive shareholder approval three (3) years from the date of listing on the TSX and every three (3) years thereafter. On September 1, 2021, the Common Shares were listed on the TSX (prior thereto the Common Shares were listed on the TSX-V). As of the date of this Information Circular, the Company has 5,086,719 Options allocated and outstanding under the Stock Option Plan, representing 3.3% of the issued and outstanding Common Shares 6,986,115 Options unallocated (representing 4.6% of the issued and outstanding Common Shares, after deducting 3,252,966 Share Awards (as defined herein) allocated and outstanding under the Share Award Incentive Plan) that may be granted in the future under the Stock Option Plan. The unallocated portion represents the maximum future grants available under the Stock Option Plan and Share Award Incentive Plan. Any additional grants under the Share Award Incentive Plan would reduce the number otherwise available to grant under the Stock Option Plan.

The Board believes that the passing of the following resolution is in the best interests of the Company and recommends that Shareholders vote in favour of the below resolutions (the "**Stock Option Plan Resolution**"), which approves the grant of unallocated Options under the Stock Option Plan. At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED THAT:

1. all unallocated stock options issuable pursuant to the Stock Option Plan are hereby approved and authorized;
2. the Company have the ability to continue granting options under the Stock Option Plan until April 14, 2025, being the date that is three (3) years from the date of this resolution;
3. any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed, under the corporate seal of the Company or otherwise, and to deliver or cause to be delivered, all such other documents and instruments and to perform or cause to be performed all such other acts and things as in such person's opinion may be necessary or desirable to give full effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing."

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Stock Option Plan Resolution.

If the necessary Shareholder approval is not obtained at the Meeting, the Company will no longer be able to: (i) issue Common Shares from treasury upon the exercise of unallocated Options, being Options which have not been granted as of April 14, 2022; or (ii) authorize and issue further grants of Options under the Stock Option Plan after April 14, 2022. Options granted prior to this date will continue to be unaffected by the approval or disapproval of this Stock Option Plan Resolution; provided, however, that if any such Options are cancelled prior to being exercised, they will not be available for reallocation unless the Stock Option Plan Resolution is approved.

**APPROVAL OF AMENDMENTS TO SHARE AWARD INCENTIVE PLAN
& UNALLOCATED SHARE AWARDS THEREUNDER**

The Company is seeking the approval of Shareholders at the Meeting to authorize the adoption of certain amendments to its previously approved Share Award Incentive Plan. The Share Award Incentive Plan was initially approved by the Board on August 19, 2020, amended on March 11, 2021, and approved by disinterested Shareholders on April 14, 2021. In connection with the Company's graduation to the TSX from the TSX-V, effective August 31, 2021, the Board approved the adoption of certain amendments to the Share Award Incentive Plan to bring it in alignment with the requirements of the TSX. The Share Award Incentive Plan provides for the issuance of:

- Performance Share Awards ("**PSAs**")
- Restricted Share Awards ("**RSAs**", and together with PSAs, the "**Share Awards**")

Pursuant to the provisions of the Share Award Incentive Plan, any amendment to the Share Award Incentive Plan which would increase the number of securities issuable under the Share Award Incentive Plan requires the approval of Shareholders. Accordingly, at the Meeting, Shareholders will be asked to ratify and confirm an amendment to the Share Award Incentive Plan which increases the number of Common Shares issuable under the plan Share Award Incentive Plan and all other security-based compensation arrangements, including the Stock Options Plan to 10% of the issued and outstanding Common Shares from time to time. Prior to the amendments to the Share Award Incentive Plan adopted by the Board effective August 31, 2021, the maximum number of Common Shares issuable pursuant to the Share Award Incentive Plan was 5,697,000 Common Shares.

As of the date of this Information Circular, the Company has 3,252,966 Share Awards allocated and outstanding under the Share Award Incentive Plan, representing 2.1% of the issued and outstanding Common Shares and 6,986,115 Share Awards unallocated (representing 4.6% of the issued and outstanding Common Shares, after

deducting 5,086,719 Options allocated and outstanding under the Stock Option Plan) that may be granted in the future under the Share Award Incentive Plan. The unallocated portion represents the maximum future grants available under the Stock Option Plan and Share Award Incentive Plan. Any additional grants under the Stock Option Plan would reduce the number otherwise available to grant under the Share Award Incentive Plan.

In addition to the foregoing, the Board also adopted certain other amendments which do not require Shareholder approval under the terms of the Share Award Incentive Plan. These amendments are summarized under the heading "*Statement of Executive Compensation – Share Award Incentive Plan – Overview of Amendments to the Share Award Incentive Plan*" in this Information Circular. The full text of the amended and restated Share Award Incentive Plan is attached as Schedule "B" to this Information Circular, and a summary of the terms of the Share Award Incentive Plan is set forth in "*Statement of Executive Compensation – Share Award Incentive Plan*" of this Information Circular.

The Board believes that the passing of the below resolution is in the best interests of the Company and recommends that Shareholders vote in favour of the resolutions (the "**Share Award Incentive Plan Resolution**"): (i) ratifying and confirming an amendment to the Share Award Incentive Plan to increase the aggregate number of Common Shares issuable pursuant to the Share Award Incentive Plan and all other security-based compensation arrangements, including the Stock Options Plan, to 10% of the issued and outstanding Common Shares from time to time; (ii) approving the grant of unallocated Share Awards under the Share Award Incentive Plan.

At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED THAT:

1. the amended and restated share award incentive plan (the "**Share Award Incentive Plan**"), substantially in the form attached as Schedule "B" to the management information circular of the Company dated March 7, 2022, updating the maximum number of Common Shares issuable under the Share Award Incentive Plan from 5,697,000, to 10% of the aggregate number of Common Shares that may be issuable pursuant to the Share Award Incentive Plan and all other security-based compensation arrangements, is hereby ratified and confirmed;
2. all unallocated restricted share awards and performance share awards issuable under the Share Award Incentive Plan are hereby approved and authorized;
3. the Company have the ability to continue granting options under the Share Award Incentive Plan until April 14, 2025, being the date that is three (3) years from the date of this resolution;
4. the form of the Share Award Incentive Plan may be amended in order to satisfy the requirements or requests of any regulatory authorities without requiring further approval of the shareholders of the Company, as further described in the full text of the Share Award Incentive Plan; and
5. any one director or officer of the Company is hereby authorized and directed for and on behalf of the Company to execute or cause to be executed, under the corporate seal of the Company or otherwise, and to deliver or cause to be delivered, all such other documents and instruments and to perform or cause to be performed all such other acts and things as in such person's opinion may be necessary or desirable to give full effect to the foregoing resolutions and the matters authorized thereby, such determination to be conclusively evidenced by the execution and delivery of such document, agreement or instrument or the doing of any such act or thing."

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Share Award Incentive Plan Resolution.

If the necessary Shareholder approval is not obtained at the Meeting, the Company will no longer be able to: (i) issue Common Shares from treasury in respect of any unallocated Share Awards, being Share Awards which have not been granted as of April 14, 2022; or (ii) authorize and issue further grants of Share Awards under the Share Award Incentive Plan after April 14, 2022. Share Awards granted prior to this date will continue to be unaffected by the approval or disapproval of this Share Award Incentive Plan Resolution; provided, however, that if any such

Share Awards are cancelled prior to being exercised, they will not be available for reallocation unless the Share Award Incentive Plan Resolution is approved.

CONFIRMATION OF ADVANCE NOTICE BYLAW

On August 27, 2021, the Board approved the adoption of the Advance Notice Bylaw, which ensures the Company and its Shareholders receive adequate prior notice of director nominations, as well as sufficient information on all the nominees. The Company and its Shareholders will thus be able to evaluate the proposed nominees' qualifications and suitability as directors. The Advance Notice Bylaw will also facilitate an orderly and efficient meeting process. The full text of the Advance Notice Bylaw is reproduced in * *Schedule "C" to this Information Circular.

Among other things, the Advance Notice Bylaw sets a deadline by which Shareholders must submit a notice of director nominations to the Company prior to an annual or special meeting of Shareholders as well as the information required in the notice for it to be valid. To be timely, a Shareholder must give valid notice to the Company: (i) in the case of an annual meeting of Shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the 10th day following the Notice Date; and (ii) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

The Board may, in its sole discretion, waive any requirement in the Advance Notice Bylaw.

The Advance Notice Bylaw does not affect nominations made pursuant to Shareholder proposals or the requisition of a meeting of Shareholders, in each case made in accordance with the provisions of the ABCA.

The Board believes that the adoption of the Advance Notice Bylaw and the passing of the following resolution are in the best interests of the Company and recommends that Shareholders vote in favour of the following resolution (the "**Advance Notice Bylaw Resolution**"). At the Meeting, the Shareholders will be asked to approve the following ordinary resolution:

"BE IT RESOLVED THAT:

1. the advance notice bylaw of the Company, the text of which is reproduced in Schedule "C" to the management information circular of the Company dated March 4, 2022, be and is hereby ratified and confirmed as a bylaw of the Company; and
2. any director or officer of the Company is hereby authorized to do such things and to sign, execute and deliver all documents that such director or officer may, in their discretion, determine to be necessary in order to give full effect to the intent and purpose of this resolution."

In order for the Advance Notice Bylaw Resolution to be passed, it must be approved by a simple majority of the votes cast by Shareholders who vote in person or by proxy at the Meeting on such resolution.

In the absence of contrary instructions, the persons named in the accompanying Form of Proxy intend to vote the Common Shares represented thereby in favour of the Advance Notice Bylaw Resolution.

OTHER MATTERS COMING BEFORE THE MEETING

The Board knows of no other matters to come before the Meeting other than as referred to in the Notice of Meeting. Should any other matters properly come before the Meeting, the Common Shares represented by proxy solicited hereby will be voted on such matters in accordance with the best judgement of the person voting such proxy.

STATEMENT OF EXECUTIVE COMPENSATION

Pursuant to National Instrument 51-102 – *Continuous Disclosure Obligations* ("**NI 51-102**"), the Company is required to disclose certain information with respect to its compensation of executive officers and directors, as summarized below.

Compensation Discussion and Analysis

For the purpose of this statement of executive compensation, a "**CEO**" or "**CFO**" means each individual who served as Chief Executive Officer or Chief Financial Officer, respectively, of the Company or acted in a similar capacity during the most recently completed financial year. A "**Named Executive Officer**" or "**NEO**" means each CEO, each CFO, the Company's most highly compensated officer, other than the CEO and CFO, who was serving as an officer at the end of the most recently completed financial year and whose total compensation was more than \$150,000, and any additional individuals who would be a Named Executive Officer but for the fact that the individual was not an executive officer of the Company, and was not acting in a similar capacity, at the end of the financial year.

Based on the foregoing definitions, the Company's Named Executive Officers in respect of the year ended December 31, 2021 were: Fotis Kalantzis, President, CEO and a director; Geri L. Greenall, CFO; Richard F. McHardy, Executive Chairman; Randy Berg, Vice President, Land; and Thanos Natras, Vice President, Exploration.

Compensation Philosophy, Objectives and Governance

The executive compensation program adopted by the Company and applied to its executive officers is designed to attract and retain qualified and experienced executives who will contribute to the success of the Company. The executive compensation program attempts to ensure that the compensation of the senior executive officers provides a competitive base compensation package and a strong link between corporate performance and compensation. Executive officers are motivated through the program to enhance long-term shareholder value.

The Compensation Committee, on behalf of the Board, monitors compensation for the executive officers and directors of the Company and is currently comprised of Kevin Overstrom (Chair), Reginald J. Greenslade and Tamara MacDonald. The Compensation Committee has the authority to engage and compensate, at the expense of the Company, any outside advisor that it determines to be necessary to permit it to carry out its duties, but it did not retain any such outside advisors in the financial year ended December 31, 2021.

In the first quarter of 2022, the Company retained Lane Caputo Consulting Inc. ("**Caputo**") to assist in its review of compensation arrangements for its officers and directors. The report prepared by Caputo recommended certain changes to the Company's compensation arrangements. The Compensation Committee and the Board authorized an increase to compensation owed to officers and directors of the Company in response to Caputo's recommendation, such increase to be retroactive to January 1, 2022.

Compensation Process

The Compensation Committee relies on the knowledge and experience of its members to set appropriate levels of compensation for the directors and NEOs. When determining NEO compensation, the Compensation Committee uses all data available to it to ensure that such compensation is set at a level that is both commensurate with the size of the Company, responsibilities of the particular NEO and retention of the NEOs who are considered by the Compensation Committee to be essential to the success of the Company. In reviewing comparative data, the Compensation Committee does not currently engage in benchmarking for the purpose of establishing compensation levels relative to any predetermined level and does not compare its compensation to a specific peer group of companies.

The Compensation Committee reviews the various elements of the NEOs' compensation in the context of the total compensation package (including salary and awards of Options and Share Awards) and recommends the NEOs' compensation packages to the Board. In determining whether and how many Options and Share Awards will be granted, the Company does not use any formal objectives, criteria or analyses in reaching such determinations; however, consideration is given to the amount and terms of outstanding Options and Share Awards.

The Compensation Committee has assessed the Company's compensation plans and programs for its executive officers to ensure alignment with the Company's business plan and to evaluate the potential risks associated with those plans and programs. The Compensation Committee has concluded that the compensation policies and practices do not create any risks that are reasonably likely to have a material adverse effect on the Company. The Compensation Committee considers the risks associated with executive compensation and corporate incentive plans when designing and reviewing such plans and programs.

Anti-Hedging Policy

Further to the above, the Board believes it is inappropriate for directors and executive officers to hedge or monetize transactions to lock in the value of holdings in the securities of the Company. Such transactions potentially separate the holder's interests from those of other stakeholders and particularly from Spartan's Shareholders. The Company has an anti-hedging policy in place to protect against such concerns, prohibiting directors, officers, employees or other persons in a special relationship with the Company from purchasing financial instruments designed to, or which may reasonably be expected to, have the effect of hedging or offsetting a decrease in the market value of any securities of the Company.

Share Ownership Guidelines

The Board adopted share-ownership guidelines on December 19, 2019 to further align the long-term interests of the Company's shareholders and its executive officers and non-executive directors. Under the policy guidelines each of the executive officers is required, within three (3) years of his or her hire date (or policy effective date of December 19, 2019), to have common shares and common share equivalents having an aggregate value at least equal to two (2) times his or her annual base salary as an executive officer of the Company with the exception of the President and CEO who is required to have common shares and common share equivalents having an aggregate value of at least equal to three (3) times his or her annual base salary. Non-executive directors are required, within three (3) years of his or her election date (or policy effective date of December 19, 2019), to have common shares and common share equivalents having an aggregate value of at least equal to three (3) times his or her annual retainer. The first determination date for the purposes of determining compliance with these guidelines will be January 2, 2023.

Elements of Executive Compensation

The Company's executive compensation program consists of a combination of the following significant elements: (i) base salary; (ii) the payment of bonuses where appropriate, at the discretion of the Board; and (iii) participation in the Stock Option Plan, the Share Award Incentive Plan and the Employee Stock Purchase Plan (as defined below). These elements contain both short-term incentives, comprised of cash payments, being those provided by way of base salaries and bonuses, as well as long-term incentives, comprised of equity-based incentives, being those provided under the Stock Option Plan, the Share Award Plan and the Employee Share Purchase Plan. Extended health care, dental and insurance benefits and the right to participate in the Stock Option Plan, the Share Award Plan and the Employee Stock Purchase Plan are provided to all employees, including the NEOs.

As at the year ended December 31, 2021, the significant elements of compensation awarded to the NEOs were cash salaries, cash bonuses, Options and RSAs. The Board reviews annually the total compensation package of each of the Company's executives on an individual basis, against the backdrop of the compensation goals and objectives described above.

Cash Salary and Bonus

Base compensation and bonus for executive officers of the Company is set annually, having regard to the individual's job responsibilities, contribution, experience and proven or expected performance, as well as to market conditions and peer group analysis. In setting base compensation and bonus levels, consideration is to be given to such factors as level of responsibility, experience and expertise in addition to the policies of the TSX. Subjective factors such as leadership, commitment and attitude are also to be considered.

Options

As part of the long-term component to the executive compensation program, executive officers of the Company are eligible to receive Options. The maximization of shareholder value is encouraged by granting Options since it provides an incentive to eligible persons to further the development, growth and profitability of the Company. Consideration will be given to granting Options amongst the various organizational levels of management, including directors, officers, employees and certain consultants. The CEO makes recommendations to the Board for the CFO, employees and certain consultants. These recommendations are to take into account factors such as awards made in previous years, the number of Options and Share Awards outstanding per individual and the level of responsibility. The Board, as a whole, determines the Options to be issued to the CEO.

Share Awards

The purpose of the Share Award Incentive Plan is to provide directors, officers, employees and consultants of the Company or any of its subsidiaries with the opportunity to acquire Share Awards to allow them to participate in the long-term success of the Company and to promote a greater alignment of their interests with the interests of the Shareholders. The Board, or in the Board's discretion, a committee of the Board, may, from time to time, grant Share Awards to eligible persons, which Share Awards may be RSAs or PSAs. The Share Awards vest on such terms as specified by the Board or committee at the time of the grant of the Share Award, and allow the participant a unit equivalent in value to a Common Share, credited by means of a bookkeeping entry on the books of the Company. The Share Awards may be settled at the discretion of the Board or Compensation Committee in Common Shares or cash.

The Share Award Incentive Plan was approved by the Board on August 19, 2020, subject to Shareholder approval at the Meeting. No awards were made under the Share Award Incentive Plan for the year ended December 31, 2020. In the year ended December 31, 2021, the Board approved the granting to executive officers and directors of the Company of:

1,180,800 RSAs and 0 PSAs under the original Share Award Incentive Plan, which was in effect from January 1, 2021 through August 30, 2021; and

0 RSAs and 0 PSAs under the amended and restated Share Award Incentive Plan adopted by the Board on August 27, 2021, effective August 31, 2021.

For more details, please see "*Matters to be Acted Upon – Approval of Share Award Incentive Plan*".

Employee Stock Purchase Plan

On August 1, 2020, the Company adopted an employee stock purchase plan (the "**Employee Stock Purchase Plan**"). The Employee Stock Purchase Plan is not a primary element of the Company's compensation program; however, it enables NEOs, as well as other eligible employees of the Company, to acquire Common Shares of the Company so that employees can benefit from growth in value of the Company.

All permanent full-time and part-time employees are eligible to participate in the Employee Stock Purchase Plan, pursuant to which employees may contribute, by semi-monthly payroll deductions, for investment under the Employee Stock Purchase Plan, an amount of their regular salary ranging from 0% to a maximum of 10%, excluding bonuses, deferred compensation, overtime pay, statutory holiday pay or any special incentive compensation payments. The Company will, on a semi-monthly basis, contribute an amount of funds equal to 1.0 times the employee's contribution accumulated during that semi-monthly period, which contribution will be combined with the employee's contribution of their salary to acquire Common Shares of the Company. Subject to certain provisions in the Employee Stock Purchase Plan, there is a six (6) calendar month restriction on the sale of any Common Share acquired under the Employee Stock Purchase Plan.

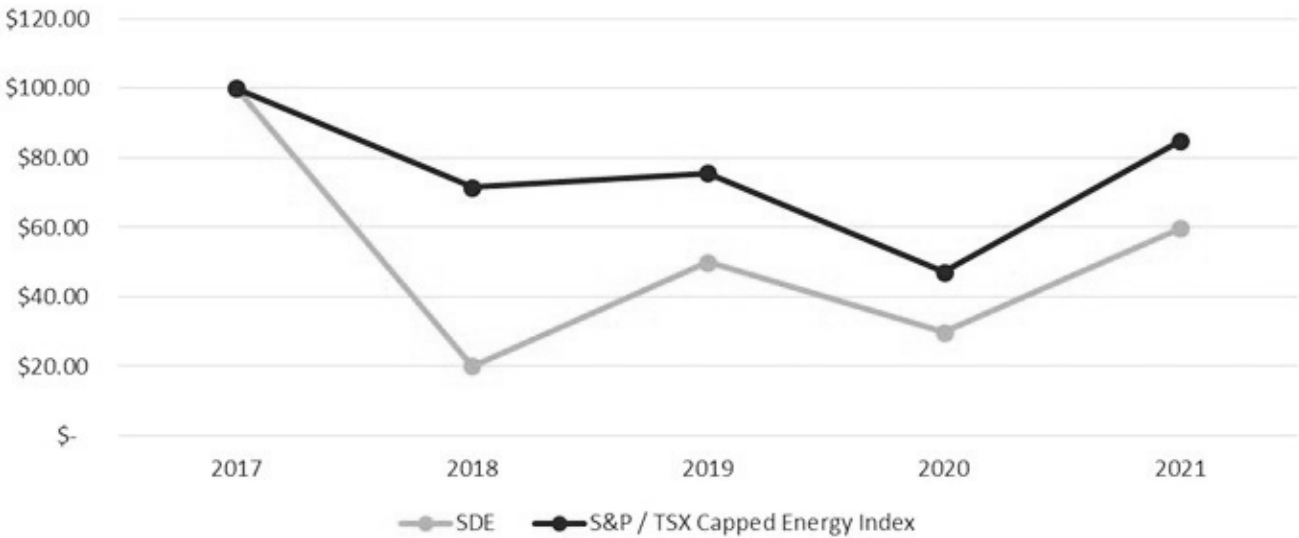

Elements of Director Compensation

Commencing in the second quarter of 2020, our non-management directors received annual cash retainers which are paid on a quarterly basis. All directors are reimbursed for reasonable expenses incurred by them in their capacity

as directors, including travel and other out of pocket expenses incurred in connection with meetings of the Board or any committee of the Board. In addition, the directors are entitled to participate in the Stock Option Plan and the Share Award Incentive Plan. The Board annually reviews the Company's approach to director compensation, generally, against the backdrop of the compensation goals and objectives described above.

Performance Graph

The following performance graph illustrates Spartan's cumulative shareholder return over the five (5) most recently completed financial years (which includes periods in which the Common Shares were listed on the TSX-V), assuming an initial \$100 investment in the Common Shares, compared to the cumulative return of the S&P TSX Capped Energy Index. The Company graduated from the TSX-V to the TSX on September 1, 2021. The closing price for the Common Shares on the TSX on December 31, 2021 (the last trading day in the Company's most recently completed financial year) was \$5.97.

As the management team and Board of the Company was appointed on December 19, 2019, the trend shown in the above graph does not provide a meaningful comparison to the trend in executive compensation. The total compensation for the executive officers is affected by increases and decreases in the price of Common Shares as the value of Options and Share Awards increase or decrease as Common Share prices increase or decrease. Options, Share Awards and bonuses (to the extent that such payments are based on meeting corporate performance expectations) represent "at risk" compensation which help align the total return on the Common Shares and the compensation received by the Company's executive officers. Total executive compensation does not always directly correlate with increases and decreases in the total return on the Common Shares due to impacts on share value that are beyond the Company's control, such as the need of the Company to continue to provide competitive salaries and increases in salary levels relative to the market.

The trading price of the Common Shares is subject to fluctuation based on several factors, many of which are outside the control of the Company. These include, but are not limited to, fluctuations and volatility in commodity price markets for oil and natural gas and natural gas liquids, input costs relating to products used in connection with the Company's services, global economic conditions, changes in government, environmental policies, legislation and royalty regimes, and other factors, some of which are disclosed and discussed under the heading "Risk Factors" in the Company's annual information form dated March 8, 2022.

The following table and notes thereto provide a summary of the compensation earned by: (i) the Chief Executive Officer; (ii) the Chief Financial Officer; and (iii) each of the three (3) most highly compensated executive officers of the Company, other than the Chief Executive officer and Chief Financial Officer at the end of the most recently

completed financial year whose total compensation was individually more than \$150,000 (collectively, the "Named Executive Officers" or "NEOs"). Director compensation has also been summarized below.

- (10) The grant date fair value for compensation purposes is calculated using the Black-Scholes option pricing methodology, which is the fair value determined in accordance with International Financial Reporting Standards. This calculation was based on a risk-free interest rate of: 2021 – 0.7%, 2020 – 0.3%; an expected life of: 2021 – 3.9 years, 2020 – 3.5 years; an expected forfeiture rate of: 2021 – 0.9%, 2020 – 4.7%; and an expected volatility of: 2021 – 65.7%, 2020 – 67.9%. The Black-Scholes option pricing methodology was selected due to its acceptance as an appropriate valuation model used by similar sized oil and gas companies. The resulting fair value is an estimate of the value which may ultimately be received based on the historical volatility in the Company's share price. It is important to note that the actual value realized pursuant to Option awards may be greater or less than the indicated value.
- (11) Represents annual cash bonuses paid during the respective calendar year for individual and corporate performance relating to the prior year.
- (12) The Company does not have any non-equity long-term incentive plans or pension plans.
- (13) Includes amounts payable at December 31, 2021 and 2020 towards the purchase of Common Shares relating to the Company's matching of employees share purchases during the applicable year in connection with the Company's employee stock purchase plan introduced on August 1, 2020.

- (3) Represents 2020 year-end cash bonus, all of which were paid in 2021.

Stock Option Plan

Key to the Company's long-term incentive compensation program is its Stock Option Plan. The purpose of the Stock Option Plan is to advance the interests of the Company by encouraging the participants under the plan to acquire Common Shares, thereby increasing their proprietary interest in the Company, encouraging them to remain associated with the Company and furnishing them with additional incentives in their efforts on behalf of the Company in the conduct of its affairs.

Amendments to the Stock Option Plan

Shareholders first approved the Stock Option Plan on June 23, 2011, and last approved the Stock Option Plan on April 14, 2021. In connection with the listing of the Common Shares on the TSX on September 1, 2021, the Board reviewed the Stock Option Plan and adopted certain amendments effective August 31, 2021, as set out in the amended and restated Stock Option Plan appended hereto as Schedule "A". The intention of the amendments is to bring the Stock Option Plan in compliance with TSX requirements. Specifically, the following amendments were made to the Stock Option Plan:

- the aggregate number of Common Shares that may be issuable pursuant to the Stock Option Plan and all other securities-based compensation arrangements, including the Share Award Incentive Plan, shall not exceed 10% of the outstanding Common Shares from time to time, subject to the following limitations:
 - the maximum number of Common Shares issuable to insiders at any time under all security-based compensation arrangements, including the Stock Option Plan and the Share Award Incentive Plan, shall not exceed 10% of the outstanding Common Shares from time to time (calculated on a non-diluted basis);
 - the maximum number of Common Shares issuable to insiders within any one (1) year period under all security-based compensation arrangements, including the Stock Option Plan and the Share Award Incentive Plan, shall not exceed 10% of the outstanding Common Shares from time to time (calculated on a non-diluted basis); and

- the aggregate: (a) number of Common Shares that may be reserved for issuance pursuant to the exercise of Options granted to non-management directors pursuant to the Stock Option Plan shall not exceed 1.0% of the Common Shares outstanding from time to time; and (b) the value of Options granted to any one non-employee director in any calendar year under the Stock Option Plan and under any other security-based compensation arrangements, including the Share Award Incentive Plan, shall not exceed \$150,000;

providing that any securities issued under any security-based compensation arrangements prior to the participant becoming an insider shall be excluded for the purposes of the limits set out above. The 10% rolling limit applicable to the Stock Option Plan prior to these amendments did not apply to other security-based compensation arrangements of the Company outside of the Stock Option Plan;

- the Board's right to fix the exercise price for Options on the grant date was restricted to be not less than the VWAP of the Common Shares on the TSX for the five (5) days immediately preceding the grant date. Previously, the exercise price could be fixed by the Board, granted it was no lower than the exercise price permitted by the exchange such Common Shares were listed on;
- in the absence of any determination by the Board as to vesting, vesting shall be as to one-third on each of the first, second and third anniversaries of the date of grant;
- in lieu of paying cash on the exercise of Options, the Stock Option Plan was revised to provide participants the right to acquire, without cash payment, such number of Common Shares as is determined by: (i) subtracting the exercise price from the closing price of the Common Shares on the date of exercise; (ii) multiplying the difference by the number of Common Shares in respect of which the Option was otherwise being exercised; and (iii) dividing that product by such closing price of the Common Shares. Previously, participants could only exercise Options by paying the full exercise price in cash;
- limiting service provider participation in the Stock Option Plan to those service providers which provide services for an initial, renewable or extendible period of 12 months or more. This time requirement did not exist prior to the amendments adopted in connection with Spartan's graduation to the TSX;
- providing more clarity regarding the treatment of Options in the case of termination, resignation, retirement, disability and death as set out below:
 - in the case of resignation or termination with Cause (as such term is defined in the Stock Option Plan), all Options granted to such participant that have not yet vested as of the termination date shall terminate immediately;
 - in the case of termination for any reason other than resignation, for cause, death or disability, all Options granted to such participant that have not yet vested within 90 days after the termination date shall terminate without payment;
 - in the case of retirement, any Options held by such participant shall continue to vest in accordance with the terms thereof, except at the discretion of the Board, for any Options granted during the calendar year in which such participant retires, all of which Options shall expire;
 - in the case of death, any Options previously granted to such participant that has vested or will vest within 12 months after the date of death shall immediately vest and become exercisable until the expiry day of such Option, or until the expiration of 12 months after the date of death of such participant, whichever comes earlier; and
 - in the case of disability, any Option previously granted to such participant that has vested or will vest within 90 days after the date of disability shall immediately vest and become exercisable until the expiry day of such Option, or until the 90th day after the date of disability of such participant, whichever comes earlier;

- implementing accelerated vesting provisions in the event of a change of control or take-over proposal, as further described below under the subheading "*Change of Control*";
- clarifying that no person has any right to compensation or damages for loss in relation to the Stock Option Plan, including in relation to any loss or reduction of rights or expectations under the plan, and any exercise of discretion in relation to a grant of Options or to the Stock Option Plan;
- requiring TSX and Shareholder approval in respect of certain amendments to the Stock Option Plan, as further described below under the subheading "*Limitations & Amendments*"; and
- subject to receipt of prior written approval from the TSX, confirming that the Board may make the following amendments to the Stock Option Plan without Shareholder approval:
 - any amendment to the vesting provisions of the Stock Option Plan and any Option;
 - any amendment to the Stock Option Plan or Option as necessary to comply with applicable law or the requirements of the Exchange or any other regulatory body having authority over the Company, the Stock Option Plan or the Shareholders;
 - any amendment to the Stock Option Plan and any Option to permit the conditional exercise of any Option, on such terms as it sees fit;
 - any amendment of a "housekeeping" nature;
 - any amendment respecting the administration of the Stock Option Plan; and
 - any other amendment that does not require the approval of Shareholders as expressly set out in the Stock Option Plan.

A summary of the amended Stock Option Plan is provided below. Shareholders are encouraged to review the full text of the Stock Option Plan, as amended and restated, which is attached hereto as Schedule "A".

Eligibility and Participation

Directors, officers, *bona fide* employees of the Company or its subsidiaries, or officers or employees of a person or company engaged by Spartan to provide services for an initial, renewable or extendible period of 12 months or more to the Company or its subsidiaries shall be eligible for selection to participate in the Stock Option Plan (such persons hereinafter collectively referred to as "**Participants**"). Subject to compliance with applicable requirements of the TSX, Participants may elect to hold options granted to them in an incorporated entity wholly owned by them and such entity shall be bound by the Stock Option Plan in the same manner as if the options were held by the Participant.

The Board shall determine to whom options shall be granted, the terms and provisions of the respective option agreements, the time or times at which such options shall be granted and vested, and the number of Shares to be subject to each option.

Limitations & Amendments

The Stock Option Plan is administered by the Board, or if appointed, by a special committee of directors appointed from time to time by the Board. The aggregate number of Common Shares which may be reserved for issuance under the Stock Option Plan shall not exceed 10% of the Company's issued and outstanding Common Shares, subject to the following limitations:

- (a) the maximum number of Common Shares issuable to Insiders (as defined in the policies of the TSX) at any time under all security-based compensation arrangements shall not exceed 10% of the outstanding Common Shares from time to time (calculated on a non-diluted basis);

- (b) the maximum number of Common Shares that may be issued to Insiders within any one year period under all security-based compensation arrangements shall not exceed 10% of the outstanding Common Shares from time to time (calculated on a non-diluted basis); and
- (c) the aggregate: (A) number of Common Shares that may be reserved for issuance pursuant to the exercise of Options granted to non-management directors pursuant to the Stock Option Plan shall not exceed 1.0% of the Common Shares outstanding from time to time; and (B) value of Options granted to any one non-employee director in any calendar year under the Stock Option Plan and under any other security-based compensation arrangements shall not exceed \$150,000.

The number of Common Shares subject to an option granted to a participant shall be determined by the Compensation Committee, but no participant shall be granted an option which exceeds the maximum number of shares permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction. The exercise price of the Common Shares covered by each option shall be determined by the Compensation Committee, provided however, that the exercise price shall not be less than the price permitted by any stock exchange on which the Common Shares are then listed, or other regulatory body having jurisdiction.

The Board has the absolute discretion to amend or terminate the Stock Option Plan. The only amendments to the Stock Option Plan that would be subject to Shareholder approval are amendments that would:

- (a) any increase in the number of Common Shares reserved for issuance under the Stock Option Plan;
- (b) any amendment to increase or remove the Insider participation limits described above;
- (c) the provision of financial assistance to a Participant in connection with the exercise of Options;
- (d) any reduction in the exercise price of an Option, cancellation and reissue of Options or substitution of Options with cash or other awards on terms that are more favourable to the Participants;
- (e) any extension of the expiry of an Option, except as otherwise provided in the Stock Option Plan;
- (f) an amendment that would permit Options to be transferable or assignable other than for normal estate settlement purposes;
- (g) any amendment that would materially modify the eligibility requirements for participation in the Stock Option Plan;
- (h) amendments to the limitations with respect to Options that may be granted to non-employee directors; and
- (i) amendments to certain amending provisions requiring Shareholder approval, as further described in the Stock Option Plan.

Exercise Price

The exercise price of the Common Shares subject to each option shall be determined by the Board when such Option is granted, provided that such price shall not be less than the Market Price, being the VWAP of the Common Shares, calculated by dividing the total value by the total volume of Common Shares traded for the relevant period, for the five (5) trading days immediately preceding the relevant date.

Duration of Option

Each Option and all rights thereunder shall be expressed to expire on the date set out in the option agreement and shall be subject to earlier termination by ceasing to be a director, officer, consultant or employee or by death of the Participant, provided that in no circumstances shall the duration of an option exceed the five (5) years from the date of the grant of the Option.

The Stock Option Plan does not confer upon a Participant any right with respect to continuation of employment by the Company, nor does it interfere in any way with the right of the Participant, the Company to terminate the Participant's employment at any time. Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Company. A Participant shall have no entitlement to damages or other compensation whatsoever arising from, in lieu of, or related to any Option which would have vested or been granted after the Termination Date (as such term is defined in the Stock Option Plan appended to this Information Circular as Schedule "A"), or which could have been exercised after the Termination Date, including but not limited to damages in lieu of notice at common law.

Should the expiry date of an Option fall within a Black Out Period or within 10 business days following the expiration of a Black Out Period, such expiry date of the Option shall be automatically extended without any further act or formality to that date which is the 10th business day after the end of the Black Out Period, such 10th business day to be considered the expiry date for such Option for all purposes under the Stock Option Plan. The ten-business day period referred to in this paragraph may not be extended by the Board. "**Black Out Period**" for the purposes of the Stock Option Plan means the period of time when, pursuant to any policies of the Company, any securities of the Company may not be traded by certain persons as designated by the Company, including any holder of an Option.

Vesting Period

The vesting period or periods within this period during which an Option or a portion thereof may be exercised by a Participant shall be determined by the Board. In the absence of any determination by the Board as to vesting, vesting shall be as to one-third on each of the first, second and third anniversaries of the date of grant. Further, the Board may, in its sole discretion at any time or in the Option agreement in respect of any Options granted, accelerate or provide for the acceleration of, vesting of Options previously granted. In the case of options granted on February 29th of any year, the "anniversary date" shall be deemed to be February 28th of each of the subsequent years.

Change of Control

In the event a Change of Control occurs, all Options which have not otherwise vested in accordance with their terms shall immediately vest and be exercisable, notwithstanding the other terms of the Options or the Stock Option Plan for a period of time ending on the earlier of the expiry time of the Option and the 30th day following the effective date of the Change of Control.

For the purposes of the Stock Option Plan, a "**Change of Control**" means any of the following:

- (a) the purchase or acquisition of any voting securities or convertible securities by a holder which results in such holder beneficially owning, or exercising control or direction over, voting shares or convertible securities such that, assuming only the conversion of convertible securities beneficially owned or over which control or direction is exercised by the holder, the holder would beneficially own, or exercise control or direction over, voting shares carrying the right to cast more than 50% of the votes attaching to all Common Shares, but excluding any issue or sale of Common Shares of the Company to an investment dealer or group of investment dealers as underwriters or agents for distribution to the public either by way of prospectus or private placement; or
- (b) the Company completes an amalgamation, arrangement, merger or other consolidation or combination of the Company with another corporation which requires approval of the shareholders of the Company pursuant to its statute of incorporation and pursuant to which the shareholders of the Company immediately thereafter do not own shares of the successor or continuing corporation, which would entitle them to cast more than 50% of the votes attaching to all shares in the capital of the successor or continuing corporation, which may be cast to elect directors of that corporation; or
- (c) the election at a meeting of the Company's shareholders of that number of persons which would represent a majority of the Board, as directors of the Company who are not included in the slate for election as directors proposed to the Company's shareholders by the Company; or

- (d) the liquidation, dissolution or winding-up of the Company; or
- (e) the sale, lease or other disposition of all or substantially all of the assets of the Company; or
- (f) the completion of any transaction or the first of a series of transactions which would have the same or similar effect as any transaction or series of transactions referred to in subsections (a), (b), (c), (d) and (e) referred to above; or
- (g) a determination by the Board that there has been a change, whether by way of a change in the holding of the voting shares of the Company, in the ownership of the Company's assets or by any other means, as a result of which any person or group of persons acting jointly or in concert is in a position to exercise effective control of the Company.

If approved by the Board, Options may provide that, whenever the Company's shareholders receive a Take-over Proposal, such Option may be exercised as to all or any of the Shares in respect of which such Option has not previously been exercised (including in respect of Options not otherwise vested at such time) by the Participant (the "**Take-over Acceleration Right**"), but any such Option not otherwise vested and deemed only to have vested in accordance with the foregoing may only be exercised for the purposes of tendering to such Take-Over Proposal. If for any reason any such Common Shares are not so tendered or, if tendered, are not, for any reason taken up and paid for by the offeree pursuant to the Take-Over Proposal, any such Common Shares so purchased by the Participant shall be and shall be deemed to be cancelled and returned to the treasury of the Company, and shall be added back to the number of Common Shares, if any, remaining unexercised under the Option (and shall thus be available for exercise of the Option in accordance with the terms thereof) and upon presentation of the Company of share certificates or statements representing such Common Shares properly endorsed for transfer back to the Company, the Company shall refund to the Participant all consideration paid by him or her in the initial purchase thereof. The Take-over Acceleration Right shall commence at such time as is determined by the Board, provided that, if the Board approves the Take-over Acceleration Right but does not determine commencement and termination dates regarding same, the Take-over Acceleration Right shall commence on the date of the Take-over Proposal and end on the earlier of the expiry time of the Option and the tenth day following the expiry date of the Take-over Proposal. Notwithstanding the foregoing, the Take-over Acceleration Right may be extended for such longer period as the Board may resolve.

For the purposes of the Stock Option Plan, "**Take-over Proposal**" means: (A) any proposal or offer by a third person, whether or not subject to a due diligence condition and whether or not in writing, to acquire in any manner, directly or indirectly, beneficial ownership of or control or direction over more than 50% of the Company's outstanding voting shares whether by way of arrangement, amalgamation, merger, consolidation or other business combination, including any single or multi-step transaction or series of related transactions that is structured to permit such third person to acquire in any manner, directly or indirectly, more than 50% of its outstanding voting shares; or (B) any proposal, offer or agreement for a merger, consolidation, amalgamation, arrangement, recapitalization, liquidation, dissolution, reorganization into a royalty trust or income fund or similar transaction or other business combination involving the Company.

Burn Rate

The Company's burn rate, calculated in accordance with Section 613(p) of the TSX Company Manual, under the Stock Option Plan, nil⁽¹⁾ in fiscal 2019, 7.8%⁽²⁾ in fiscal 2020 and 1.1%⁽³⁾ in fiscal 2021. Management expects that the burn rate in fiscal 2022 will be approximately 0.5%⁽⁴⁾. The burn rate is subject to change from time to time, based on the number of Options granted and the number of Common Shares issued and outstanding. The burn rate for a given period is calculated by dividing the number of Options granted under the Stock Option Plan during the applicable fiscal year by the weighted average of Common Shares outstanding during such period.

Notes:

- (1) No Options were issued in 2019.
- (2) The burn rate for 2020 is calculated as 3,494,800 Options granted in 2020 under the Stock Option Plan, divided by 44,847,860 weighted average Common Shares outstanding in 2020.
- (3) The burn rate for 2021 is calculated as 1,215,100 Options granted in 2021 under the Stock Option Plan, divided by 115,554,549 weighted average Common Shares outstanding in 2021. A total of 99,400 Options were granted subsequent to September 1, 2021.
- (4) The burn rate for 2022 is estimated as 772,900 Options granted under the Stock Option Plan (estimated based on the February 2022 annual grant), divided by an estimated 154,000,000 weighted average Common Shares outstanding for 2022.

Outstanding Options

As of December 31, 2021, there were 4,357,514 Common Shares reserved for issuance pursuant to the Stock Option Plan.

Share Award Incentive Plan

On August 19, 2020, the Board approved the Share Award Incentive Plan, as adopted by Shareholders on April 14, 2021, for Participants (as defined below) in accordance with the rules and policies of the TSX-V. Effective August 31, 2021, immediately prior to the Company's graduation from the TSX-V to the TSX on September 1, 2021, the Board approved certain amendments to the Share Award Incentive Plan, which remain subject to Shareholder approval at the Meeting. The intention of these amendments is to bring the Company's security-based compensation arrangements in compliance with the requirements of the TSX. For more details, please see "*Matters to be Acted Upon – Approval of the Share Award Incentive Plan*".

The purpose of the Share Award Incentive Plan remains to provide directors, officers, employees and consultants of the Company or any of its subsidiaries with the opportunity to acquire Share Awards to allow them to participate in the long-term success of the Company and to promote a greater alignment of their interests with the interests of the Shareholders.

The Share Award Incentive Plan is administered by the Board, or, as permitted by applicable law, the Compensation Committee of the Board.

Overview of Amendments to the Share Award Incentive Plan

In connection with the Company's graduation to the TSX, the following amendments were made to the Share Award Incentive Plan:

- the aggregate number of Common Shares that may be issuable pursuant to the Share Award Incentive Plan and all other securities-based compensation arrangements, including the Stock Option Plan, shall not exceed 10% of the issued and outstanding Common Shares from time to time;
- the removal of certain restrictions requiring TSX and Shareholder Approval, as further described under the subheading "*Total Shares Subject to Share Awards*"; and
- the following clarifying amendments were adopted by the Board:
 - the definition of "insider" means an insider as defined in the policies of the TSX, rather than the definition ascribed thereto under applicable securities legislation;
 - "Termination Date" means, in respect of a Participant, such Participant's last day of Active Employment (as such term is defined in the Share Award Incentive Plan appended to this Information Circular as Schedule "B") or Active Engagement (as such term is defined in the Share Award Incentive Plan appended to this Information Circular as Schedule "B") with the Company, whether such date is selected by the Participant, by mutual agreement between the Company and the Participant, or unilaterally by the Company;
 - a Participant shall have no entitlement to damages or other compensation whatsoever arising from, in lieu of, or related to not receiving any Share Awards which would have vested or been granted after such Participant's Termination Date, including but not limited to damages in lieu of notice at common law; and
 - no person has any right to compensation or damages for any loss in relation to the Share Award Incentive Plan, including any loss in relation to:
 - any loss or reduction of rights or expectations under the Share Award Incentive Plan in any circumstances (including termination of employment for any reason); and

- any exercise of discretion or a decision taken in relation to a grant of Share Awards or to the Share Award Incentive Plan, or any failure to exercise discretion or make a decision.

A summary of the amended Share Award Incentive Plan is described below. Shareholders are encouraged to review the full text of the Share Award Incentive Plan, as amended and restated, which is attached hereto as Schedule "B".

At the Meeting, Shareholders will be asked to pass the Share Award Incentive Plan Resolution ratifying and confirming an amendment to the total shares subject to TSX and Shareholder approval to extend grant limit so the aggregate number of Common Shares that may be issuable pursuant to the Share Award Incentive Plan and all other securities-based compensation arrangements, including the Stock Option Plan, shall not exceed 10% of the issued and outstanding Common Shares from time to time.

Share Awards and Eligibility

PSAs may be awarded to persons who are directors, officers, employees or consultants of the Company or a subsidiary of the Company ("**Eligible Persons**") as the Board or the Compensation Committee determines. Notwithstanding the foregoing, non-employee directors are not eligible to be awarded PSAs. PSAs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Company in accordance with the Share Award Incentive Plan, based on the achievement of performance criteria set out in an applicable award notice.

RSAs may be awarded to Eligible Persons as the Board or the Compensation Committee determines. RSAs are a unit equivalent to the value of a Common Share, credited by means of a bookkeeping entry on the books of the Company in accordance with the Share Award Incentive Plan.

The number of Share Awards (including fractional Share Awards) to be credited as of the date on which Share Awards are awarded to a Participant (the "**Award Date**") shall be determined by the Compensation Committee in its sole discretion. Upon receipt of acknowledgment in the manner specified under the Share Award Incentive Plan, Share Awards shall be credited to an account maintained for each Participant on the books of the Company, effective as of the Award Date for that grant.

Vesting

Each Share Award will vest on such terms as shall be specified by the Board or Compensation Committee at the time of granting Share Awards as reflected in a notice substantially in the form of the schedules appended to the Share Award Incentive Plan, and in the case of the PSAs, containing such other terms and conditions relating to an award of PSAs as the Board may prescribe ("**Award Notice**"), except as otherwise provided in the Share Award Incentive Plan. Unless otherwise stipulated by the Board at the time of grant and subject to earlier vesting in accordance with the terms of the Share Award Incentive Plan:

RSAs granted under the Share Award Incentive Plan shall vest as to 33 1/3% on each of the first, second and third anniversaries of the Award Date; and

PSAs granted under the Share Award Incentive Plan shall vest on the third anniversary of the Award Date.

Performance Vesting

Prior to the Distribution Date (as defined below) in respect of any PSA, the Board or Compensation Committee shall assess the performance of the Company for the applicable period. The performance measures to be taken into consideration in granting PSAs and determining the adjustment factor in respect of any PSA shall be established by the Board in its discretion at the time of the grant of the PSA, and may include, without limitation, the total shareholder return of the Common Shares compared to an index, subindex or identified group of peers and the Company's performance compared to identified operational or financial targets (the "**Performance Measures**"). The applicable adjustment factor may be between a minimum of zero and such maximum as determined by the Board or Compensation Committee (provided such maximum shall not exceed 2.0) (the "**Adjustment Factor**"). The weighting of the individual measures comprising the Performance Measures shall be determined by the Board or

Compensation Committee, as applicable, in its sole discretion having regard to the principal purposes of the Share Award Incentive Plan and, upon the assessment of all Performance Measures, the Board or Compensation Committee shall determine the Adjustment Factor for the applicable period in its sole discretion.

The number of PSAs which vest on a vesting date specified in an Award Notice is the number of PSAs scheduled to vest on such date multiplied by the Adjustment Factor.

Settlement

Unless otherwise determined by the Board in its sole discretion, the date of settlement of any Share Award (a "**Distribution Date**") shall be the applicable vesting date for such Share Award pursuant to the Share Award Incentive Plan, provided that, for greater certainty, the Board may in its sole discretion impose additional or different conditions to the termination of the Distribution Date of any Share Award.

On the Distribution Date, the Board or Compensation Committee, as applicable, in its sole discretion, shall have the option of settling the Common Shares issuable in respect of Share Awards by any or all of the following methods: (a) settlement in Common Shares acquired by the Company on the TSX; (b) the issuance of Common Shares from the treasury of the Company; or (c) for any participant who is not a U.S. taxpayer, payment by the Company of a cash amount per Share Award equal to the Settlement Market Value (as defined below) of the Payment Shares (as defined below) on the Distribution Date, net of applicable withholding tax. The Settlement Market Value per share is the VWAP of the Common Shares listed on the TSX, calculated by dividing the total value of the total volume of Common Shares traded for the relevant period, for the five (5) trading days immediately preceding the Distribution Date.

No Distribution Date in respect of any Share Award may occur after the earlier of: (i) the 30th day after the participant ceases to be eligible to participate under the Share Award Incentive Plan; or (ii) the fifth anniversary of the Award Date (the earlier of the two being the "**Final Date**"). With respect to any Share Awards awarded to a participant who is a U.S. taxpayer, the Distribution Date shall be the applicable vesting date established pursuant to the Share Award Incentive Plan.

Subject to any election by the Board or Compensation Committee, as applicable, to settle a Share Award in cash, as soon as practicable after each Distribution Date or on the Final Date (if the Distribution Date is the Final Date), the Company shall issue to the participant or to the participant's estate, a number of Common Shares equal to the number of Share Awards in the participant's account that became payable on the Distribution Date (the "**Payment Shares**"). As of the Distribution Date, the Share Awards in respect of which such Common Shares are issued or cash is paid shall be cancelled and no further payments shall be made to the participant under the Share Award Incentive Plan in relation to such Share Awards.

Total Shares Subject to Share Awards

Unless otherwise approved by the TSX and the Shareholders:

- (a) the securities that may be issued to participants shall consist of those authorized but unissued Common Shares which the Board and/or Compensation has, in its discretion, reserved for issuance under the Share Award Incentive Plan from time to time;
- (b) subject to certain adjustment provisions described in the Share Award Incentive Plan, the aggregate number of Common Shares that may be issuable pursuant to the Share Award Incentive Plan and all other security-based compensation arrangements, including the Stock Option Plan, shall not exceed 10% of the issued and outstanding Common Shares from time to time;
- (c) the Board shall not grant Share Awards under the Share Award Incentive Plan if the number of Common Shares issuable pursuant to outstanding Share Awards, when combined with the number of Common Shares issuable pursuant to outstanding Options and outstanding securities under any other security-based compensation arrangements of the Company, including the Stock Option Plan, would exceed 10% of the issued and outstanding Common Shares at the time of the grant;

- (d) the number of securities issuable to insiders of the Company, at any time, under all security-based compensation arrangements including, without limitation, the Share Award Incentive Plan and the Stock Option Plan, shall not exceed 10% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis;
- (e) the number of securities issued to insiders of the Company, within any one (1) year period, under all security-based compensation arrangements including, without limitation, the Share Award Incentive Plan and the Stock Option Plan, shall not exceed 10% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis;
- (f) the aggregate: (i) number of Common Shares that may be reserved for issuance pursuant to the exercise of RSAs granted to non-employee directors pursuant to the Share Award Incentive Plan shall not exceed 1.0% of the Common Shares outstanding from time to time; and (ii) value of RSAs granted to any one non-employee director in any calendar year under the Share Award Incentive Plan and under any other security-based compensation arrangements shall not exceed \$150,000;

to the extent Share Awards are exercised or to the extent any Share Awards are terminated for any reason or are cancelled, the Common Shares subject to such Share Awards shall be added back to the number of Common Shares reserved for issuance under the Share Award Incentive Plan and such Common Shares will again become available for Amended & Restated Share Award grants under the Share Award Incentive Plan; and

if the acquisition of Common Shares by the Company for cancellation should result in any of the above tests no longer being met, this shall not constitute non-compliance with the Share Award Incentive Plan for any awards outstanding prior to such purchase of Common Shares for cancellation.

For purposes of the calculations above, the Share Award Incentive Plan provides that it shall be assumed that all issued and outstanding Share Awards will be settled by the issuance of Common Shares from treasury, notwithstanding the Company's right to settle Share Awards in cash or by purchasing Common Shares on the open market.

The Share Award Incentive Plan, prior to the implement of the amendments to the Share Award Incentive Plan approved by the Board on August 27, 2021, effective August 31, 2021, did not apply the 10% grant limit to all other securities-based compensation arrangements as described in paragraph (b) above. In addition, the amendments to the Share Award Incentive Plan remove the requirement to seek TSX and Shareholder approval in the following instances: (a) if the number of Common Shares issuable to any one participant and such participant's associates within any one (1) year period under all security-based compensation arrangements, including, without limitation, the Share Award Incentive Plan, exceeds five (5)% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis; (b) if the number of Common Shares issuable to any one insider of the Company and such insider's associates in any one (1) year period, under the Share Award Incentive Plan, exceeds 2% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis; (c) if the number of Common Shares issuable to any one participant or such participant's associates, within any one (1) year period, under the Share Award Incentive Plan, exceeds 1% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis; (d) if the number of Common Shares issuable to any one consultant of the Company, within any one-year period, under all securities-based compensation arrangements including, without limitation, the Share Award Incentive Plan, exceeds in aggregate 2% of the issued and outstanding securities of the Company at the time of grant calculated on a non-diluted basis; and (e) if any securities are issued under the Share Award Incentive Plan to participants who are employees engaged in investor relation activities.

Duration of Share Awards

Each Share Award and all rights thereunder shall be expressed to expire on the date set out in the Award Notice and shall be subject to earlier termination by ceasing to be a director, officer, consultant or employee or by death or disability of the Participant.

Subject to the rules and regulations of the TSX, and notwithstanding any other provisions of the Share Award Incentive Plan, if the Distribution Date of any Share Award occurs during or within 10 business days following the

end of a Black-Out Period (as defined below), the Distribution Date of such Share Award shall be extended for a period of 10 business days following the end of the Black-Out Period (or such longer period as permitted by the Exchange or any other exchange on which the Common Shares are listed and approved by the Board). "**Black-Out Period**" for the purposes of the Share Award Incentive Plan means the period of time when, pursuant to any policies of the Company, any securities of the Company may not be traded by certain persons as designated by the Company, including any holder of a Share Award.

Amendments Subject to Shareholder Approval

The Board has the absolute discretion to amend or terminate the Share Award Incentive Plan. The only amendments to the Share Award Incentive Plan that would be subject to shareholder approval are amendments that would:

- (a) increase the number of securities issuable under the Share Award Incentive Plan otherwise than in accordance with the terms of the Share Award Incentive Plan;

increase the number of securities issuable to an insider of the Company, as such term is defined in the policies of the TSX, otherwise than in accordance with the terms of the Share Award Incentive Plan;

extend the Distribution Date of any Share Awards held by insiders of the Company, as such term is defined in the policies of the TSX, beyond the original Final Date of the Share Awards;

reduce the award market value of any Share Awards held by insiders of the Company, as such term is defined in the policies of the TSX, otherwise than in accordance with the terms of the Share Award Incentive Plan;

add any form of financial assistance to a participant in the Share Award Incentive Plan;

permit a participant to transfer any Share Awards to a new beneficial holder other than for estate settlement purposes;

increase the maximum number of RSAs that may be granted to non-employee directors; and

amend the amendment provisions of the Share Award Incentive Plan.

The original Share Award Incentive Plan, prior to the amendments adopted by the Board in conjunction with the Company's graduation to the TSX, relied on applicable securities legislation for the definition of "insider". In accordance with the policies of the TSX, the amendments to the Share Award Incentive Plan update this definition to mean an insider as such term is defined in the policies of the TSX.

Burn Rate

The Company's burn rate, calculated in accordance with Section 613(p) of the TSX Company Manual, under the Share Award Incentive Plan, was nil⁽¹⁾ in fiscal 2019, nil⁽²⁾ in fiscal 2020 and 1.7%⁽³⁾ in fiscal 2021. Management expects that the burn rate in fiscal 2022 will be approximately 0.8%⁽⁴⁾. The burn rate is subject to change from time to time, based on the number of Share Awards granted and the number of Common Shares issued and outstanding. The burn rate for a given period is calculated by dividing the number of Share Awards granted under Share Award Incentive Plan during the applicable fiscal year by the weighted average of Common Shares outstanding during such period.

Notes:

- (1) No Share Awards were issued in 2019.
- (2) No Share Awards were issued in 2020.
- (3) The burn rate for 2021 is calculated as 2,009,800 Share Awards granted in 2021 under the Share Award Incentive Plan, divided by 115,554,549 weighted average Common Shares outstanding in 2021. A total of 1,787,800 Share Awards were granted subsequent to September 1, 2021.
- (4) The burn rate for 2022 is estimated as 1,296,100 Share Awards granted under the Share Award Incentive Plan (estimated based on the February 2022 annual grant), divided by an estimated 154,000,000 weighted average Common Shares outstanding for 2022.

Outstanding Share Awards

As at December 31, 2021, 1,959,066 Common Shares were reserved for issuance pursuant to the Share Award Incentive Plan.

Employee Stock Purchase Plan

The Company has implemented the Employee Stock Purchase Plan for eligible employees, being all permanent full-time and part-time employees, the purpose of which is to make available to such eligible employees a means of acquiring, through regular payroll deductions, Common Shares so that the employee can benefit from any growth in the value of the Company.

Participation in the Employee Stock Purchase Plan is voluntary and the Company does not make any recommendation to the employees as to whether they should or should not participate.

Participation and Contributions

All permanent full-time and part-time employees are eligible to participate in the Employee Stock Purchase Plan immediately after the date of appointment or hire, as applicable. Employees may contribute, by semi-monthly payroll deductions, for investment under the Employee Stock Purchase Plan, an amount of their regular salary ranging from a minimum of 0% to a maximum of 10% (based upon 1% increments), excluding bonuses, deferred compensation, overtime pay, statutory holiday pay or any special incentive compensation payments. If an employee's regular salary changes, the payroll deduction will be automatically changed accordingly. The Company will, on a semi-monthly basis, contribute an amount of funds equal to 1.0 times the employee's contribution accumulated during that semi-monthly period, which contribution will be combined with the employee's contribution of their salary to acquire Common Shares of the Company.

Subject to certain provisions of the Employee Stock Purchase Plan, there will be a 6-calendar month restriction on the sale of any Common Shares acquired under the Employee Stock Purchase Plan. Each participant, by participating in the Employee Stock Purchase Plan, authorizes the Company to direct the Administrative Agent (as defined below) to retain any Common Shares acquired under the Employee Stock Purchase Plan for a period of six (6) months.

The Employee Stock Purchase Plan is administered by the Chief Financial Officer of the Company or such other person as the Company may from time to time designate (the "**Administrator**"). The Administrator is empowered to interpret the Employee Stock Purchase Plan, to resolve any ambiguities and to decide questions of eligibility to participate. The Administrator does not have any fixed term and may be removed at any time by the Company. The Administrator may participate in the Employee Stock Purchase Plan, if otherwise eligible. The Company has designated a financial services firm (the "**Administrative Agent**") to open and maintain accounts in the names of the participants and to arrange for the purchase, through the facilities of the TSX or other relevant exchange, of the Common Shares. The Company may substitute the Administrative Agent and may also terminate the services of the Administrative Agent provided such substitution or termination, as the case may be, shall be on 30 days' notice given by the party effecting the action. The current Administrative Agent is Scotia Wealth Management.

Termination

If a participant ceases to be an employee for any reason, including death or retirement, the participant shall be deemed to have ceased to be a participant in the Employee Stock Purchase Plan, payroll deductions (to the extent applicable) will be cancelled and the Company shall be deemed to have waived the 6-month restriction on the sale of any Common Shares held for the account of the participant. The Company shall advise the Administrative Agent that the participant has ceased to be an employee of the Company. Upon termination, within 90 calendar days, the participant shall instruct the Administrative Agent as to all of his or her account assets.

Employment, Consulting and Management Agreements

In 2021, the Company entered into employment agreements with each NEO pursuant to which Spartan has agreed to make certain payments to the executive in the event of termination without cause or a "change of control".

Assuming that the triggering event occurred on December 31, 2021, each named executive officer would be entitled to receive the following:

CORPORATE GOVERNANCE PRACTICES

In accordance with National Instrument 58-101 – *Disclosure of Corporate Governance Practices* and National Policy 58-201 – *Corporate Governance Guidelines* ("**NP 58-201**"), issuers are to disclose the corporate governance practices that they have adopted. NP 58-201 provides guidance on corporate governance practices. The Company is also subject to NI 52-110, which has been adopted in each of the Canadian provinces and territories and which prescribes certain requirements in relation to audit committees.

The Board is responsible for the governance of the Company. The Board and the Company's management consider good corporate governance to be central to the effective and efficient operation of the Company. Below is a discussion of the Company's approach to corporate governance.

Independence of Members of the Board

The Board currently consists of eight (8) directors, six (6) of whom are independent based upon the tests for independence set forth in NI 52-110. Messrs. Kalantzis and McHardy are not independent by virtue of serving as President and Chief Executive Officer of the Company and Executive Chairman of the Company, respectively.

Board Oversight

The Board exercises its independent supervision over the Company's management through a combination of formal meetings of the Board, as well as informal discussions amongst the Board members. The independent directors can also hold scheduled meetings at which non-independent directors and members of management are not in attendance. Where matters arise at Board meetings which require decision making and evaluation that is independent of management and interested directors, the meeting breaks into an in-camera session among the independent and disinterested directors.

Board Mandate

The Board has adopted a written mandate, the full text of which is attached as Schedule "A" to the Company's Information Circular dated April 27, 2020, that summarizes, among other things, the Board's duties and responsibilities. The Board is responsible for the overall stewardship of the Company and dealing with issues which are pivotal to determining the Company's strategy and direction. The Board has directly, and through the appointment of certain committees, put in place an effective system for monitoring the implementation of corporate strategies. The Board is not involved in the day-to-day operations of the Company, as these operations are conducted by the Company's management. The Board meets regularly to consider and approve the strategic objectives of the Company and management plans designed to accomplish those objectives. Where appropriate, key management personnel and professional advisors are invited to attend Board meetings to speak to these issues. The Board also meets as necessary to consider specific developments and opportunities as they arise, including asset acquisitions and dispositions and financing proposals. The Board approves, among other things, all issuances of securities of the Company, the appointment of officers, the entering into of lines of credit or other

significant borrowing activities and all significant transactions. The Board considers, but has no formal policies, concerning management development and succession and risk management.

Essential to strategic planning is assessing and understanding business risks and related control systems. The Board helps set limits with respect to business risks, to the extent they can be managed, and approves strategies for minimizing risks. Implementations of these strategies are then monitored by the Board. The Board, through the Audit Committee, requires management of the Company to put into place systems to address financial risks and to periodically report to the Board on these systems and risks.

Management has implemented procedures to provide reasonable assurance of effective communication with the Shareholders and the public. The Company's management is responsible for the issuance of press releases and communications with the financial community. The Board reviews and approves all principal continuous disclosure documents, the release of interim and annual financial statements, annual information forms, prospectuses and information circulars.

The Corporate Governance Committee is responsible for monitoring the governance systems of the Company with a view to ongoing improvements, reviewing the composition of the Board and developing criteria for new Board appointments. The Corporate Governance Committee also acts as a nominating committee for new directors, oversees and approves the Company's Board compensation plans and evaluates the overall Board effectiveness.

Position Descriptions

The Board has developed a written position description for the Chair of the Board and the Chief Executive Officer of the Company, but has not developed a written position description for the Chair of the Audit Committee.

The Chair of each committee of the Board schedules meetings of the committee and organizes and presents agendas for such meetings.

The Board, in conjunction with management, sets the Company's annual objectives which become the objectives against which the Chief Executive Officer's performance is measured. The Board has plenary power; any responsibility which is not delegated to management or a Board committee remains with the Board.

Orientation and Continuing Education

While the Company does not have a formal orientation and training program, new members of the Board are provided with:

a copy of the policies and mandates of the Board and its committees and copies of the Company's corporate governance policies, which provides information respecting the functioning of the Board;

access to recent, publicly filed documents of the Company;

access to management; and

access to legal counsel in the event of any questions relating to the Company's compliance and other obligations.

Members of the Board are encouraged to communicate with management, legal counsel and, where applicable, auditors and technical consultants of the Company, to keep themselves current with industry trends and developments and changes in legislation with management's assistance and to attend related industry seminars and visit the Company's operations. Board members have full access to the Company's records.

Ethical Business Conduct

In establishing its corporate governance practices, the Board has been guided by applicable Canadian securities legislation and the guidelines of the TSX, as of September 1, 2021, for effective corporate governance, including NP 58-201. The Board is committed to a high standard of corporate governance practices. The Board believes that

this commitment is not only in the best interests of its Shareholders, but that it also promotes effective decision making at the Board level.

Additionally, in order to encourage and promote a culture of ethical business conduct, the Board has adopted a Code of Business Conduct and Ethics (the "**Code**") wherein directors, officers, employees and contractors of the Company and others are provided with a mechanism by which they can raise complaints regarding financial and regulatory reporting, internal accounting controls, auditing or health, safety and environmental matters or any other matters and raise concerns about any violations of the Code in a confidential and, if deemed necessary, anonymous process. Interested Shareholders may obtain a copy of the Code upon request (free of charge) by contacting the Company at Suite 1500, 308 – 4th Avenue S.W., Calgary, Alberta, T2P 0H7, or by accessing the Company's SEDAR profile at www.sedar.com.

The Board has instructed its management and employees to abide by the Code and to bring any breaches of the Code to the attention of the Audit Committee. Compliance with the Code is monitored primarily through the reporting process within the Company's organizational structure.

It is a requirement of applicable corporate law that directors who have an interest in a transaction or agreement with the Company promptly disclose that interest at any meeting of the Board at which the transaction or agreement will be discussed and abstain from discussions and voting in respect of same if the interest is material. The Code imposes a similar disclosure requirement on all non-director representatives of the Company and requires such persons to report such conflict to the executive officer to whom that person reports in the course of his employment responsibilities, or, in the case of a senior executive officer, to the Audit Committee and fully inform such person or committee, as applicable, of the facts and circumstances related to the conflict or potential conflict. The representative is prohibited from taking any further action in respect of the matter or transaction giving rise to such conflict or potential conflict unless and until he is authorized to do so by his reporting officer or the Audit Committee.

Corporate Governance Committee

The Board has established a Corporate Governance Committee. The members of the Corporate Governance Committee are Ms. MacDonald and Messrs. Archibald and Overstrom. Ms. MacDonald is the Chair of the Corporate Governance Committee. The Corporate Governance Committee is comprised entirely of non-management members of the Board, and the Board has adopted a written charter setting forth the responsibilities, powers and operations of the Corporate Governance Committee. The Corporate Governance Committee has the power to retain outside advisors as it considers necessary for the proper functioning of the committee, at the Company's expense. The Corporate Governance Committee meets at least twice annually and otherwise as requested by the Board or considered desirable by the Chair of the Corporate Governance Committee.

The Corporate Governance Committee has responsibility for identifying potential Board candidates and for assessing current directions on an ongoing basis. The Corporate Governance Committee assesses potential Board candidates to fill perceived needs on the Board for required skills, expertise, independence and other factors. Members of the Board and representatives of the oil and gas industry are consulted for possible candidates. The written charter of the Corporate Governance Committee includes considering and recommending candidates to fill new positions on the Board, reviewing candidates recommended by Shareholders, conducting inquiries into the backgrounds and qualifications of candidates, recommending the director nominees for approval by the Board and the Shareholders, considering conflicts of interests, recommending members and chairs of the committees, reviewing the performance of directors and the Board, establishing director retirement policies and establishing and implementing an orientation and education program for new members of the Board. The Corporate Governance Committee is also responsible for the Company's response to and implementation of the guidelines set forth from time to time by any applicable regulatory authorities. The Corporate Governance Committee also establishes a process for direct communications with Shareholders and other stakeholders, including through the Company's whistleblower policy.

Compensation Committee

The Board has established a Compensation Committee. The members of the Compensation Committee are Kevin Overstrom, Tamara MacDonald and Reginald J. Greenslade. Mr. Overstrom is the Chair of the Compensation Committee. The members of the Compensation Committee are independent and have the responsibility for

Audit Committee

The Board has established the Audit Committee to provide assistance to the Board in fulfilling its legal fiduciary obligations with respect to matters involving accounting, auditing, financial reporting, internal control and legal compliance functions of the Company. It is the objective of the Audit Committee to maintain free and open means of communications among the Board, the independent auditors and the financial and senior management of the Company. The members of the Audit Committee are Messrs. Archibald, Overstrom and Weissbluth.

The mandate of the Audit Committee is to oversee and provide assistance in financial reporting, financial policies and internal controls as well as to work with the external auditors to ensure the accuracy of the Company's financial disclosures. The Audit Committee must pre-approve all non-audit services to be provided by an external auditor. The Company's Audit Committee charter (the "**Audit Committee Charter**") was adopted by the Board, the full text of which is attached as Schedule "B" to the Company's Information Circular dated April 27, 2020. See "*Audit Committee*" below.

Reserves and Environment Committee

The Board has established a Reserves and Environment Committee. The members of the Reserves and Environment Committee are Messrs. Greenslade, McHardy and Lowden. Mr. Greenslade is the Chair of the Reserves and Environment Committee. The Reserves and Environment Committee's responsibilities include, but are not limited to: (a) reviewing management's recommendations for the appointment of independent engineers; (b) reviewing the independent engineering reports and considering the principal assumptions upon which such reports are based; (c) reviewing management's input into the independent engineering report and key assumptions used; (d) reviewing the reserve additions and reserve revisions which occur from one (1) report to the next and seeking the independent engineer's input and management's input with respect to why these revisions have occurred; (e) reviewing the information supplied to the independent engineers with respect to the constant price case, operating costs, royalty burdens, required capital expenditures, recovery rates, decline rates and other matters; (f) annually reviewing the appropriateness of, and updating, the Company's environmental policies, management systems and programs and reporting to the Board thereon; (g) ensuring that the Company has the necessary tools to measure its business units' environmental performance and compliance with applicable regulatory standards; (h) reviewing the environmental performance and, whenever relevant, any non-compliance situation of the Company's business units, to recommend the required corrective measures; (i) ensuring that environmental risk management procedures and emergency response measures are in place and are periodically updated and distributed within the Company; (j) assessing the environmental risks and emergency situations brought to its attention to recommend the required corrective measures; (k) immediately communicating any incident giving rise to significant environmental risks to the Board; (l) recommending to the Board that the Company

exercise due diligence with respect to non-compliance situations, environmental risks or emergency situations brought to its attention; (m) reviewing and reporting to the Board on all legal notices or civil, penal and/or criminal prosecutions brought to its attention; (n) recommending to the Board measures, including necessary investments, taking into account available technologies and economic and financial restraints, to ensure compliance with regulatory standards and the Company's environmental policies and programs; (o) analyzing all environmental matters brought to its attention and deemed relevant or that the Board specifically asks the committee to review; and (p) reporting to the Board on the Company's environmental policies, programs and situation and make appropriate recommendations.

Assessments

The Board is responsible to assess, on an ongoing basis, its overall performance and that of its committees. The objective of this review is to contribute to a process of continuous improvement in the Board's execution of its responsibilities. The review will identify any areas where the directors of the Company or management believe that the Board could make a better collective contribution to overseeing the affairs of the Company. The Board is also responsible for regularly assessing the effectiveness and contribution of each director, having regard to the competencies and skills each director is expected to bring to the Board. The Board relies on informal evaluations of the effectiveness through both formal and informal communications with Board members and through participation with other Board members on committees and matters relating to the Board.

Director Term Limits and Other Mechanisms of Board Renewal

The Company has not adopted formal term limits or a formal retirement policy for its directors. The By-laws of the Company provide that all directors in office shall retire at the next annual general meeting of the Shareholders and if qualified, shall be eligible for re-election. Accordingly, Spartan has determined that term limits or mandatory retirement based on age is not necessary. The Company feels that the imposition of such limits could be counter productive as it has been Spartan's experience that its directors become increasingly more effective, and better able to provide fresh insights and perspectives and to function independently from management, as they gain experience and a deeper understanding of the Company's business and its strategic and operational objectives.

Succession planning in respect of board members and Board renewal is facilitated through the annual assessments of the Board, its committees, committee chairs and individual directors in which Board members evaluate each other and the Board as a whole in order to determine whether there are areas where the Board requires improvement.

Policies Regarding the Representation of Women on the Board

The Company does not have a written policy or set targets relating to the identification and nomination of women on the Board. The Board may consider the adoption of such a policy in the future if it deems it to be in the best interests of the Company. The Board is committed to nominating the best candidates to fulfill director roles and executive officer positions taking into account diversity and personal characteristics such as age, gender, race, cultural and educational background to ensure the Board and executive officers have the proper skills, expertise and diversity of perspectives.

At this time, the Board has determined that it is not necessary of the Company to have such written policies given the current size of the Board, the relatively static composition of the Board over recent years and that the nominating function is currently performed by the Board as a whole.

Consideration of the Representation of Women in the Director Identification and Selection Process

The Board is relatively static, with few new directors being nominated by the Board on an annual basis. However, when the Board does identify and nominate new directors, it aims to maintain a composition which provides the best mix of perspectives, experience and expertise to lead the Company's long-term strategy and monitor ongoing business operations. When identifying and nominating new members, the Board will do so with a view to its overall diversity, including level of representation of women on the Board in tandem with other considerations, including a candidate's experience, skills, independence, and the time a proposed nominee is able to devote to the Board.

Consideration of the Representation of Women in the Executive Officer Appointments

In making new executive officer appointments, the Board considers the overall diversity of the Company's executive team, including the level of women in executive positions, in tandem with other considerations, including candidates' experience, skills, independence, and the time a proposed nominee is able to devote to the appointment. Currently, two executive officers are women, or 22% of the total number of executive officers of the Company in 2021.

Targets regarding the Representation of Women on the Board and in Executive Officer Positions

The Company has not adopted a target regarding women on the Board or in executive officer positions. Selection of Board members and executive officers is based on the factors enumerated in the preceding subsections.

Number of Women on the Board and in Executive Officer Positions

The Company currently has one woman on the Board, being 12.5% of the total number of directors on the Board. Two executive officers (or 22% of the total number of executive officers of the Company in 2021) are women. In the broader leadership group consisting of officers and managers, 10 of 34 are female.

All decisions and interpretations made by the Board shall be final, binding and conclusive upon the Company and on all persons eligible to participate in the Plan and their legal personal representatives.
- (b) Notwithstanding the foregoing or any other provision contained herein, the Board shall have the right to delegate the administration and operation of the Plan to a committee of directors appointed from time to time by the Board, in which case all references herein to the Board shall be deemed to refer to such committee.

GRANTING OF OPTIONS

- (a) The Board from time to time shall grant Options to certain directors, officers, *bona fide* employees or Service Providers of the Company or a Subsidiary. The grant of Options will be subject to the conditions contained herein and may be subject to additional conditions determined by the Board from time to time.
- (b) The aggregate number of Shares that may be issued pursuant to the exercise of Options awarded under the Plan and all other Security Based Compensation Arrangements is 10% of the Shares outstanding from time to time, subject to the following limitations:
 - (i) the maximum number of Shares issuable to Insiders at any time under all Security Based Compensation Arrangements shall not exceed 10% of the outstanding Shares from time to time (calculated on a non-diluted basis);
 - (ii) the maximum number of Shares that may be issued to Insiders within any one year period under all Security Based Compensation Arrangements shall not exceed 10% of the outstanding Shares from time to time (calculated on a non-diluted basis); and
 - (iii) the aggregate: (A) number of Shares that may be reserved for issuance pursuant to the exercise of Options granted to Non-Management Directors pursuant to this Plan shall not exceed 1.0% of the Shares outstanding from time to time; and (B) value of Options granted to any one Non-Employee Director in any calendar year under the Plan and under any other Security Based Compensation Arrangements shall not exceed \$150,000;

provided that for the purpose of the foregoing limits, any Option granted pursuant to the Plan, or securities issued under any other Security Based Compensation Arrangements, prior to the Participant becoming an Insider shall be excluded for the purposes of the limits set out in (a), (b) and (c) above.

- (c) For the purposes of this Section 0, any increase in the issued and outstanding Shares (whether as a result of the exercise of Options or otherwise) will result in an increase in the number of Shares that may be issued on exercise of Options outstanding at any time and any increase in the number of Options granted will, upon exercise, make new grants available under the Plan. No fractional Shares may be purchased or issued under the Plan.
- (d) Options that are cancelled, surrendered, terminated or expire prior to the exercise of all or a portion thereof shall result in the Shares that were reserved for issuance thereunder being available for a subsequent grant of Options pursuant to this Plan to the extent of any Shares issuable thereunder that are not issued under such cancelled, surrendered, terminated or expired Options.
- (e) Subject to the policies of the Exchange, as applicable, the Exercise Price of any Option shall be fixed by the Board when such Option is granted, provided that such price shall not be less than the Market Price.
- (f) The term of Options granted shall be determined by the Board in its discretion, to a maximum of five years from the date of the grant of the Option. The vesting period or periods within this period during which an Option or a portion thereof may be exercised by a Participant shall be determined by the Board. In the absence of any determination by the Board as to vesting, vesting shall be as to one-third on each of the first, second and third anniversaries of the date of grant. Further, the Board may, in its sole discretion at any time or in the Option agreement in respect of any Options granted, accelerate or provide for the acceleration of, vesting of Options previously granted. In the case of options granted on February 29th of any year, the "anniversary date" shall be deemed to be February 28th of each of the subsequent years.
- (g) If the normal expiry date of any Option falls within any Blackout Period or within 10 business days (being a day other than a Saturday, Sunday or other than a day when banks in Calgary, Alberta are not generally open for business) following the end of any Blackout Period, then the expiry date of such Options shall, without any further action, be extended to the date that is 10 business days following the end of such Blackout Period. The foregoing extension applies to all Options whatever the date of grant and shall not be considered an extension of the term of the Options as referred to in Section (c) hereof.

EXERCISE OF OPTION

- (a) Subject to the Plan, a Participant (or his or her legal personal representative) may exercise an Option from time to time by the delivery to the Company, at its head office in Calgary, Alberta, of a written notice of exercise specifying the number of Shares with respect to which the Option is being exercised and accompanied by payment in full in cash of the Exercise Price of the Shares then being purchased. Upon exercise of the Option, the Company will cause to be delivered to the Participant a certificate or certificates (or electronic equivalent thereof), representing such Shares in the name of the Participant or the Participant's legal personal representative or otherwise as the Participant may or they may in writing direct. No financial assistance shall be provided by the Company to any Participant to facilitate the exercise of Options granted pursuant to the Plan.
- (b) In lieu of paying cash on the exercise of Options under Section (a), the Participant may elect to acquire the number of Shares determined by subtracting the Exercise Price from the Closing Price of the Shares on the date of exercise, multiplying the difference by the number of Shares in respect of which the Option was otherwise being exercised and then dividing that product by such Closing Price of the Shares. In such event, the number of Shares as so determined (and not the number of Shares to be issued under the Option) will be deemed to be issued under the Plan.

- (c) In order to fulfill the Company's obligations under the ITA in respect of withholding and remittance on account of tax payable by Participants on the exercise of Options under Sections (a) and (b), the Company shall advise each Participant, on receiving such Participant's notice of intention to exercise, the amount of such remittance (the "**Remittance Amount**") required under subsection 153(1) of the ITA. The Participant shall pay to the Company, as an additional amount on the exercise of their Options, the Remittance Amount; upon receipt of this amount, the Company shall issue to the Participant the Shares for which the Option was exercised.
- (d) Should a Participant not pay the Remittance Amount at the time of exercise of their Options, the Company shall retain and sell on behalf of the Participant such number of Shares having a value equal to the Remittance Amount (and any reasonable costs of disposing of such Shares) on the Exchange to satisfy the Remittance Amount.
- (e) Notwithstanding anything else contained herein, each Participant shall be responsible for the payment of all applicable taxes, including, but not limited to, income taxes payable in connection with the exercise of any Options under this Plan and the Company, its directors, officers, employees and agents shall bear no liability in connection with the payment of such taxes.

ADJUSTMENTS IN SHARES

- (a) Appropriate adjustments in the number of Shares subject to the Plan and, as regarding Options granted or to be granted, in the number of Shares optioned and in the Exercise Price, shall be made by the Board and approved by the Exchange, if required, to give effect to adjustments in the number of Shares resulting from subdivisions, consolidations or reclassifications of the Shares, the payment of distributions or dividends by the Company (other than dividends in the ordinary course) or other relevant changes in the authorized or issued capital of the Company, which changes occur subsequent to the approval of the Plan by the Board.
- (b) Options granted to Participants hereunder are non-assignable and non-transferable, except in the case of the death of a Participant (which is provided for in Section 0), and are exercisable only by the Participant to whom the Option has been granted.

TERMINATION OF EMPLOYMENT/DEATH

- (a) Subject to any written resolution passed by the Board, if any Participant shall cease to hold the position or positions of director, officer, employee or consultant of the Company or any subsidiaries (as the case may be): (i) for any reason other than resignation, termination with Cause, death or Disability, then all Options granted to the Participant under the Plan that have not yet vested within 90 days after the Termination Date shall terminate without payment and shall be of no further force or effect; and (ii) by reason of resignation or termination with Cause, then all Options granted to the Participant under the Plan that have not yet vested as of the Termination Date shall terminate without payment and shall be of no further force or effect.
- (b) Subject to any express resolution passed by the Board, if any Participant shall cease to hold the position or positions of director, officer or employee of the Company or any subsidiaries (as the case may be) by reason of Retirement, any Options held by such Participant under the Plan at the date such Participant retires shall continue to vest in accordance with the terms of such Options, except, at the discretion of the Board, for any Options which are awarded to such director, officer or employee during the calendar year in which the director, officer or employee retires, all of which Options shall expire.

- (c) Subject to any express resolution passed by the Board, in the event of the death of a Participant, any Option previously granted to such Participant that has vested or that will have vested within 12 months after the date of death of such Participant shall immediately vest and shall be exercisable until the end of the expiry date of such Option or until the expiration of 12 months after the date of death of such Participant, whichever is earlier, by the person or persons to whom the Participant's rights under the Option shall pass by the Participant's will or applicable law, after which all unexercised Options granted to the Participant under the Plan shall terminate without payment and shall be of no further force or effect.
- (d) Subject to any express resolution passed by the Board, in the event of Disability of a Participant, any Option previously granted to such Participant that has vested or that will have vested within 90 days after the date of Disability of such Participant shall immediately vest and shall be exercisable until the end of the expiry date of such Option or until the 90th day after the date of Disability of such Participant, whichever is earlier, after which all unexercised Options granted to the Participant under the Plan shall terminate without payment and shall be of no further force or effect.
- (e) The Plan does not confer upon a Participant any right with respect to continuation of employment by the Company or any Subsidiary, nor does it interfere in any way with the right of the Participant, the Company or the Subsidiary to terminate the Participant's employment at any time.
- (f) Options shall not be affected by any change of employment of the Participant where the Participant continues to be employed by the Company or any of its Subsidiaries.
- (g) A Participant shall have no entitlement to damages or other compensation whatsoever arising from, in lieu of, or related to any Option which would have vested or been granted after the Termination Date, or which could have been exercised after the Termination Date but for this Section 0, including but not limited to damages in lieu of notice at common law.

CHANGE OF CONTROL

- (a) In the event a Change of Control occurs, all Options which have not otherwise vested in accordance with their terms shall immediately vest and be exercisable, notwithstanding the other terms of the Options or the Plan for a period of time ending on the earlier of the expiry time of the Option and the thirtieth (30th) day following the effective date of the Change of Control.
- (b) If approved by the Board, Options may provide that, whenever the Company's shareholders receive a Take-over Proposal, such Option may be exercised as to all or any of the Shares in respect of which such Option has not previously been exercised (including in respect of Options not otherwise vested at such time) by the Participant (the "**Take-over Acceleration Right**"), but any such Option not otherwise vested and deemed only to have vested in accordance with the foregoing may only be exercised for the purposes of tendering to such Take-Over Proposal. If for any reason any such Shares are not so tendered or, if tendered, are not, for any reason taken up and paid for by the offeree pursuant to the Take-Over Proposal, any such Shares so purchased by the Participant shall be and shall be deemed to be cancelled and returned to the treasury of the Company, and shall be added back to the number of Shares, if any, remaining unexercised under the Option (and shall thus be available for exercise of the Option in accordance with the terms thereof) and upon presentation of the Company of share certificates representing such Shares properly endorsed for transfer back to the Company, the Company shall refund to the Participant all consideration paid by him or her in the initial purchase thereof. The Take-over Acceleration Right shall commence at such time as is determined by the Board, provided that, if the Board approves the Take-over Acceleration Right but does not

determine commencement and termination dates regarding same, the Take-over Acceleration Right shall commence on the date of the Take-over Proposal and end on the earlier of the expiry time of the Option and the tenth (10th) day following the expiry date of the Take-over Proposal. Notwithstanding the foregoing, the Take-over Acceleration Right may be extended for such longer period as the Board may resolve.

- (b) Subject to the applicable rules of the Exchange and receipt of prior written approval from the Exchange, the Board may from time to time, in its absolute discretion and without the approval of the shareholders of the Company, make the following amendments to the Plan or any Option:

 - (v) any amendment respecting the administration of the Plan; and

COMPLIANCE WITH LAWS AND EXCHANGE RULES

- (a) The Plan, the grant and exercise of Options under the Plan and the Company's obligation to issue Shares on exercise of Options will be subject to Applicable Law. No Option will be granted and no Shares will be issued under the Plan where such grant or issue would require registration of the Plan or of such Shares under the securities laws of any foreign jurisdiction and any purported grant of any Option or issue of Shares in violation of this provision will be void. Shares issued to holders of Options pursuant to the exercise of Options may be subject to limitations on sale or resale under applicable securities laws.

securities laws and for the listing of such Shares on any Exchange on which such Shares are then listed.

A Participant shall not have any rights as a shareholder of the Company until the issuance of a certificate for Shares upon the exercise of an Option or a portion thereof, and then only with respect to the Shares represented by such certificate or certificates (or electronic equivalent thereof).

If the Company shall become merged (whether by plan of arrangement or otherwise) or amalgamated in or with another corporation or entity or shall sell the whole or substantially the whole of its assets and undertakings for shares or securities of another corporation or other entity, the Company shall, subject to

this Section 0, make provision that, upon exercise of an Option after the effective date of such merger, amalgamation or sale, the Participant shall receive such number of shares of the continuing successor corporation or other entity in such merger or amalgamation or the securities or shares of the purchasing corporation or other entity as the Participant would have received as a result of such merger, amalgamation or sale if the Participant had purchased the shares of the Company immediately prior thereto for the same consideration paid on the exercise of the Option and had held such shares on the effective date of such merger, amalgamation or sale and, upon such provision being made, the obligation of the Company to the Participant in respect of the Shares subject to the Option shall terminate and be at an end and the Participant shall cease to have any further rights in respect thereof. The Share Awards awarded to Participants who are U.S. Taxpayers are intended to be exempt from Section 409A of the United States Internal Revenue Code and the provisions of this Plan shall be interpreted consistent with that intent.

1.27 Reorganization of the Company

A Participant will acquire rights to Shares in respect of Share Awards only upon the allotment and issuance to the Participant of such Shares in accordance with this Plan.

SCHEDULE "C"
ADVANCE NOTICE BYLAW

INTRODUCTION

Spartan Delta Corp. (the "**Corporation**") is committed to: (i) facilitating an orderly and efficient annual general or, where the need arises, special meeting, process; (ii) ensuring that all holders of record of common shares of the Corporation ("**Shareholders**") receive adequate notice of the director nominations and sufficient information with respect to all nominees; and (iii) allowing Shareholders to register an informed vote having been afforded reasonable time for appropriate deliberation.

The purpose of this Advance Notice Bylaw (the "**Bylaw**") is to provide Shareholders, directors and management of the Corporation with a clear framework for nominating directors. This Bylaw fixes a deadline by which Shareholders must submit director nominations to the Corporation prior to any annual or special meeting of Shareholders and sets forth the information that a Shareholder must include in the notice to the Corporation for the notice to be in proper written form in order for any director nominee to be eligible for election at any annual or special meeting of Shareholders.

It is the position of the Corporation that this Bylaw is in the best interests of the Corporation, its Shareholders and other stakeholders. This Bylaw will be subject to an annual review, and will reflect changes as required by securities regulatory agencies or stock exchanges, or so as to meet industry standards.

NOMINATIONS OF DIRECTORS

1. Only persons who are nominated in accordance with the following procedures shall be eligible for election as directors of the Corporation. Nominations of persons for election to the board of directors of the Corporation (the "**Board**") may be made at any annual meeting of Shareholders, or at any special meeting of Shareholders if one of the purposes for which the special meeting was called is the election of directors:
 - (a) by or at the direction of the Board, including pursuant to a notice of meeting;
 - (b) by or at the direction or request of one or more Shareholders pursuant to a proposal made in accordance with section 136(1) of the *Business Corporations Act* (Alberta) (the "**Act**"), or a requisition of the Shareholders made in accordance with section 142(1) of the Act; or
 - (c) by any person (a "**Nominating Shareholder**") who: (i) at the close of business on the date of the giving by the Nominating Shareholder of the notice provided for below in this Bylaw and at the close of business on the record date for notice of such meeting, is entered in the securities register of the Corporation as a holder of one or more shares carrying the right to vote at such meeting or who beneficially owns shares that are entitled to be voted at such meeting and provides evidence of such beneficial ownership to the Corporation; and (ii) complies with the notice procedures set forth below in this Bylaw.
2. In addition to any other requirements under applicable laws, for a nomination to be made by a Nominating Shareholder, the Nominating Shareholder must have given notice thereof that is both timely (in accordance with paragraph 3 below) and in proper written form (in accordance with paragraph 4 below) to the Chief Financial Officer of the Corporation at the registered office of the Corporation.
3. To be timely, a Nominating Shareholder's notice to the Chief Financial Officer of the Corporation must be made:
 - (a) in the case of an annual meeting of Shareholders, not less than 30 nor more than 65 days prior to the date of the annual meeting of Shareholders; provided, however, that in the event that the annual meeting of Shareholders is to be held on a date that is less than 50 days after the date (the "**Notice Date**") on which the first public announcement of the date of the annual meeting was made, notice by the Nominating Shareholder may be made not later than the close of business on the tenth (10th) day following the Notice Date; and

- (b) in the case of a special meeting (which is not also an annual meeting) of Shareholders called for the purpose of electing directors (whether or not called for other purposes), not later than the close of business on the fifteenth (15th) day following the day on which the first public announcement of the date of the special meeting of Shareholders was made.

To the extent that the applicable annual meeting or special meeting of Shareholders is adjourned or postponed, the time periods for the giving of a Nominating Shareholder's notice set forth above shall be calculated based on the new adjourned or postponed date of the annual meeting or special meeting of Shareholders and not based on the original date of such meeting.

- 4. To be in proper written form, a Nominating Shareholder's notice to the Chief Financial Officer of the Corporation must set forth:

- (a) as to each person whom the Nominating Shareholder proposes to nominate for election as a director: (i) the name, age, business address and residential address of the person; (ii) the principal occupation, business or employment of the person for the most recent five years, and the name and principal business of any company in which any such employment is carried on; (iii) the citizenship of such person; (iv) the number of securities of each class or series of securities in the capital of the Corporation which are owned beneficially or of record by the person or under the control or direction, directly or indirectly, of the person as of the record date for the meeting of Shareholders (if such date shall then have been made publicly available and shall have occurred) and as of the date of such notice; (v) such person's written consent to being named in the notice as a nominee and to serving as a director of the Corporation if elected; and (vi) any other information relating to the person that would be required to be disclosed in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below); and

- (b) as to the Nominating Shareholder giving the notice: (i) the name and address of such Nominating Shareholder, as they appear on the securities register of the Corporation; (ii) the number of securities of each class or series of securities of the Corporation owned of record and beneficially by, or under the control or direction of, directly or indirectly, such Nominating Shareholder; (iii) full particulars regarding any agreement, arrangement or understanding with respect to the nomination between or among such Nominating Shareholder, any of their respective affiliates or associates, and any others acting jointly or in concert with any of the foregoing, including the nominee; (iv) full particulars regarding any agreement, arrangement or understanding (including any derivative or short positions, profit interests, options, warrants, convertible securities, stock appreciation or similar rights, hedging transactions, and borrowed or loaned shares) that has been entered into as of the date of the notice by, or on behalf of, such Nominating Shareholder, whether or not such instrument or right shall be subject to settlement in underlying securities of the Corporation, the effect or intent of which is to mitigate loss to, manage risk or benefit of share price changes for, or increase or decrease the voting power of, such Nominating Shareholder with respect to securities of the Corporation; (v) full particulars regarding any proxy, contract, agreement, arrangement or understanding pursuant to which such Nominating Shareholder has a right to vote or direct or control the voting of any securities of the Corporation; and (vi) any other information relating to such Nominating Shareholder that would be required to be made in a dissident's proxy circular in connection with solicitations of proxies for election of directors pursuant to the Act and Applicable Securities Laws (as defined below).

The Corporation may require any proposed nominee to furnish such other information and documents as may reasonably be required by the Corporation to (i) determine the eligibility of such proposed nominee to serve as an independent director of the Corporation or that could be material to a reasonable Shareholder's understanding of the independence and/or qualifications, or lack thereof, of such proposed nominee, or (ii) satisfy the requirements of applicable stock exchange rules.

In addition, a Nominating Shareholder's notice shall be promptly updated and supplemented, if necessary, so that the information provided or required to be provided in such notice shall be true and correct as of the record date for the meeting.

5. No person shall be eligible for election as a director of the Corporation unless nominated in accordance with the provisions of this Bylaw; provided, however, that nothing in this Bylaw shall be deemed to preclude discussion by a Shareholder (as distinct from the nomination of directors) at a meeting of Shareholders of any matter that is properly before such meeting pursuant to the provisions of the Act or the discretion of the Chairman. The Chairman of the meeting shall have the power and duty to determine whether a nomination was made in accordance with the procedures set forth in the foregoing provisions and, if any proposed nomination is not in compliance with such foregoing provisions, to declare that such defective nomination shall be disregarded.
6. For purposes of this Bylaw:
 - (a) **"public announcement"** shall mean disclosure in a press release reported by a national news service in Canada, or in a document publicly filed by the Corporation under its profile on the System of Electronic Document Analysis and Retrieval at www.sedar.com; and
 - (b) **"Applicable Securities Laws"** means the applicable securities legislation of each relevant province and territory of Canada, as amended from time to time, the rules, regulations and forms made or promulgated under any such statute and the published national instruments, multilateral instruments, policies, bulletins and notices of the securities commission and similar regulatory authority of each province and territory of Canada.
7. Notwithstanding any other provision of this Bylaw, notice given to the Chief Financial Officer of the Corporation pursuant to this Bylaw may only be given by personal delivery, facsimile transmission or by email (at such email address as may be stipulated from time to time by the Chief Financial Officer of the Corporation for purposes of this notice), and shall be deemed to have been given and made only at the time it is served by personal delivery to the Chief Financial Officer at the address of the principal executive offices of the Corporation, email (at the address as aforesaid) or sent by facsimile transmission (provided that receipt of confirmation of such transmission has been received); provided that if such delivery or electronic communication is made on a day which is a not a business day or later than 5:00 p.m. (Calgary time) on a day which is a business day, then such delivery or electronic communication shall be deemed to have been made on the next following day that is a business day.
8. Notwithstanding the foregoing, the Board may, in its sole discretion, waive any requirement in this Bylaw.
9. This Bylaw was approved and adopted by the Board and is and shall be effective and in full force and effect in accordance with its terms and conditions from and after such date. Notwithstanding the foregoing, if this Bylaw is not approved by ordinary resolution of Shareholders present in person or voting by proxy at the next meeting of those Shareholders validly held, then this Bylaw shall terminate and be void and of no further force and effect following the termination of such meeting of Shareholders.
10. This Bylaw shall be interpreted and enforced in accordance with the laws of the Province of Alberta and the federal laws of Canada applicable in that province.
