

VIRTUAL MEETING USER GUIDE

What you need to know

Certarus Ltd. ("**Certarus**") has elected to hold their special meeting of shareholders (the "**Meeting**") virtually.

As a shareholder or duly appointed proxyholder of Certarus, you're able to attend, participate and vote at the Meeting online using your computer, tablet or smartphone.

Notice to Beneficial (Non-Registered) holders

Beneficial or non-registered holders (shareholders who hold their shares through a financial intermediary) who have not duly appointed themselves as proxyholder will be able to attend the Meeting as a guest.

If you are a beneficial shareholder and you wish to participate at the Meeting, you will need to appoint yourself as proxyholder by following the instructions in the accompanying information circular and then sending an email to appointee@odysseytrust.com to obtain your login credentials.

Participation at the Meeting

The virtual Meeting is compatible on most devices using the latest version of Chrome, Firefox, Safari, Edge or Internet Explorer 11. Registered shareholders, duly appointed proxyholders and guests are welcome to attend the Meeting, but guests cannot participate or vote.
