SNDL INC.
NOTICE OF ANNUAL MEETING
OF SHAREHOLDERS TO BE HELD VIRTUALLY ON
JULY 27, 2023

To Shareholders:

Notice is hereby given that the annual meeting (the “**Meeting**”) of the holders (“**Shareholders**”) of common shares (“**Common Shares**”) of SNDL Inc. (the “**Corporation**”) will be held on July 27, 2023 at 9:00 a.m. (Calgary time). The Corporation is hosting the Meeting in virtual-only format. The Corporation encourages all Shareholders to virtually attend the Meeting. Shareholders can find important information and detailed instructions about how to attend and participate in the Meeting in the accompanying information circular of the Corporation dated June 16, 2023 (the “**Information Circular**”).

Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/446232042>, all in real time, provided they are connected to the Internet and properly follow the instructions contained on the website. Beneficial Shareholders (being Shareholders who hold their Common Shares through a broker, investment dealer, bank, trust corporation, custodian, nominee or other intermediary) who have not duly appointed themselves as proxyholders may still attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote at the Meeting or ask questions.

The Meeting and any or all adjournments thereof will be held to:

1. receive and consider the audited financial statements of the Corporation for the year ended December 31, 2022 and the auditors' report thereon;
2. consider and, if deemed advisable, to fix the number of directors of the Corporation for the ensuing year, or as otherwise authorized by the Shareholders, at six (6) members;
3. elect the directors of the Corporation for the ensuing year;
4. re-appoint Marcum LLP as the auditor of the Corporation for the ensuing year at such remuneration as may be fixed by the board of directors of the Corporation;
5. receive an update on the amended and restated plan of arrangement involving the Corporation and the Shareholders under Section 193 of the *Business Corporations Act* (Alberta) that is expected to be completed by the Corporation, as more particularly described in the Information Circular; and
6. transact such further and other business as may properly come before the Meeting or any adjournment or postponement thereof.

The nature of the business to be transacted at the Meeting and the specific details of the matters proposed to be put to the Meeting are described in further detail in the accompanying Information Circular. As a Shareholder, it is very important that you read the Information Circular and other Meeting materials carefully. They contain important information with respect to voting your Common Shares and attending and participating at the Meeting.

The record date for the determination of Shareholders entitled to receive notice of and to vote at the Meeting is June 12, 2023. Shareholders whose names have been entered in the register at the close of business on that date will be entitled to receive notice of and to vote at the Meeting, provided that, to the extent a Shareholder transfers the ownership of any of his, her or its Common Shares after such date and the transferee of those Common Shares establishes that he, she or it owns the Common Shares and requests, not later than ten (10) days before the Meeting, to be included in the list of Shareholders eligible to vote at the Meeting, such transferee will be entitled to vote those Common Shares at the Meeting.

Management is soliciting proxies. Shareholders who are unable to attend the Meeting or any adjournment or postponement thereof and who wish to ensure that their Common Shares will be

voted are requested to complete, date and sign the enclosed form of proxy in accordance with the instructions set out in the form of proxy and in the Information Circular accompanying this Notice, and: (i) vote it online at <https://login.odysseytrust.com/pxlogin>; or (ii) mail it to or deposit it with the Corporation's Canadian transfer agent, Odyssey Trust Company at:

Odyssey Trust Company
Traders Bank Building
702, 67 Yonge Street
Toronto, Ontario M5E 1J8
Attention: Proxy Department

For the proxy to be valid, the duly completed and signed form of proxy must be received not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment or postponement thereof. A Shareholder may appoint as his, her or its proxy a person other than those named in the enclosed form of proxy. That person does not have to be a Shareholder.

Notice-and-Access

The Corporation has decided to use the notice-and-access ("**Notice-and-Access**") rules provided under National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* ("**NI 54-101**") for the delivery of this notice of annual meeting, the Information Circular, and a form of proxy or a voting instruction form (as applicable) (collectively, the "**Meeting Materials**") to non-registered Shareholders ("**Beneficial Shareholders**") for the Meeting. The Notice-and-Access method of delivery of Meeting Materials allows the Corporation to deliver the Meeting Materials to Beneficial Shareholders over the internet in accordance with the Notice-and-Access rules adopted by the Canadian Securities Administrators under NI 54-101.

Beneficial Shareholders will receive a VIF enabling them to vote at the Meeting. However, instead of a paper copy of the Meeting Materials, Beneficial Shareholders will receive only a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to Shareholders. Beneficial Shareholders are reminded to view the Meeting Materials prior to voting or causing their votes to be cast. Materials can be viewed online under the Corporation's profile on SEDAR at www.sedar.com or on the website of Odyssey Trust Company, the Corporation's Canadian transfer agent and registrar, at <https://odysseytrust.com/client/sndl-inc/>. The Meeting Materials will remain posted on Odyssey Trust Company's website at least until the date that is one year after the date the Meeting Materials were posted. The Corporation will not be adopting stratification procedures in relation to the use of Notice-and-Access rules. The Corporation is providing paper copies of its Information Circular only to its Registered Shareholders.

Beneficial Shareholders may request paper copies of the Meeting Materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on Odyssey Trust Company's website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please call the Corporation's Canadian transfer agent and registrar, Odyssey Trust Company, toll free at 1-888-290-1175 (within North America) or 1-587-885-0960 (outside North America). **Any requests for material received before the meeting date should be fulfilled within 3 business days.**

SOLICITATION OF PROXIES

This Information Circular is furnished by the management of SNDL to Shareholders in connection with the solicitation of proxies to be voted at the Meeting.

SNDL is hosting its meeting in a virtual-only format. SNDL encourages all Shareholders to virtually attend the Meeting.

The Meeting, and any adjournment or postponement thereof, for the purposes set forth in the Notice of Meeting will be held on July 27, 2023 at 9:00 a.m. (Toronto time) as a virtual-only Meeting via live audio webcast online at <https://web.lumiagm.com/446232042>.

Registered Shareholders and duly appointed proxyholders who participate at the Meeting online will be able to listen to the Meeting, ask questions and vote, all in real time, provided they are connected to the internet and comply with all of the requirements set out below. Beneficial Shareholders who have not duly appointed themselves as proxyholders may still attend the Meeting as guests. Guests will be able to listen to the Meeting but will not be able to vote at the Meeting or ask questions. This is because the Corporation and its transfer agent do not have a record of the Beneficial Shareholders, and, as a result, will have no knowledge of your shareholdings or entitlement to vote, unless you appoint yourself as proxyholder. If you are a Beneficial Shareholder and wish to vote at the Meeting, you have to appoint yourself as proxyholder, by inserting your own name in the space provided on the VIF sent to you, and must follow all of the applicable instructions provided by your intermediary. For additional information on how to attend and vote at the Meeting, see *"Appointment of Proxy"* and *"How do I Attend and Participate in the Meeting?"* in this Information Circular.

The information contained herein is provided as of the Record Date, unless indicated otherwise. No person has been authorized to give any information or make any representation in connection with matters to be considered at the Meeting other than those contained in this Information Circular and, if given or made, any such information or representation must not be relied upon as having been authorized by SNDL or the management of SNDL. Unless otherwise indicated herein, all dollar amounts are expressed in Canadian dollars. All references to "\$" are to Canadian dollars.

PERSONS MAKING THE SOLICITATION

This solicitation is made on behalf of management of the Corporation. The Corporation will bear the costs incurred in the preparation and dissemination of the enclosed Proxy Form or VIF, as applicable, Notice of Meeting and this Information Circular. In addition to mailing the Proxy Forms and VIFs (subject to the Corporation's use of Notice-and-Access (as defined below) in respect of delivery to Beneficial Shareholders), proxies may be solicited by personal interviews, or by other means of communication, by directors, officers and employees of the Corporation who will not be remunerated therefor.

NOTICE TO BENEFICIAL HOLDERS

The information set forth in this section is of significant importance to many Shareholders, as a substantial number of the Shareholders do not hold Common Shares in their own name. Beneficial Shareholders should note that only proxies deposited by Registered Shareholders can be recognized and acted upon at the Meeting. If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder's name on the records of the Corporation. Such Common Shares will more likely be registered under the name of the Shareholder's Intermediary. Common Shares held by Intermediaries or their nominees generally can only be voted upon the instructions of the Beneficial Shareholder. Without specific instructions, the brokers/nominees are generally prohibited from voting Common Shares for their clients.

Applicable regulatory policy requires Intermediaries to seek voting instructions from Beneficial Shareholders in advance of meetings of securityholders. Every Intermediary has its own mailing procedures and provides its own return instructions, which should be carefully followed by Beneficial Shareholders in order to ensure that their Common Shares are voted at the Meeting. Often, the form of proxy supplied to a Beneficial Shareholder by its broker is identical to the Proxy Form; however, its purpose is limited to instructing the Registered Shareholder how to vote on behalf of the Beneficial Shareholder.

The majority of Intermediaries now delegate responsibility for obtaining voting instructions from clients to Broadridge. Broadridge typically mails a scannable VIF in lieu of the form of proxy. Beneficial Shareholders are requested to complete and return the VIF to Broadridge by mail, phone or online. Alternatively, Beneficial Shareholders can call a toll-free telephone number or access Broadridge's dedicated voting website (each as noted on the VIF) to deliver their voting instructions and vote the Common Shares held by them. Broadridge then tabulates the results of all instructions received and provides appropriate

instructions respecting the voting of Common Shares to be represented at the Meeting. The VIF must be returned as directed by Broadridge well in advance of the Meeting in order to have the Common Shares voted.

Beneficial Shareholders who receive forms of proxies or voting materials from organizations other than Broadridge should complete and return such forms of proxies or voting materials in accordance with the instructions on such materials in order to properly vote their Common Shares at the Meeting.

A Beneficial Shareholder receiving a VIF from Broadridge or a form of proxy from an organization other than Broadridge cannot use it to vote Common Shares directly at the Meeting. A Beneficial Shareholder who wishes to vote directly at the Meeting must have themselves appointed as proxy by the Registered Shareholder by following the instructions in the voting instruction or form of proxy.

The Corporation will not pay for proximate Intermediaries to forward the proxy related materials and the VIF to objecting beneficial owners under NI 54-101 and accordingly, objecting beneficial owners will not receive such materials unless their intermediary assumes the cost of delivery.

NOTICE-AND-ACCESS

The Corporation has decided to use the notice-and-access ("**Notice-and-Access**") rules provided under NI 54-101 for the delivery of the Notice of Meeting, the Information Circular, and the Proxy Form or VIF (as applicable) (collectively, the "**Meeting Materials**") to Beneficial Shareholders for the Meeting. The Notice-and-Access method of delivery of Meeting Materials allows the Corporation to deliver the Meeting Materials to Beneficial Shareholders over the internet in accordance with the Notice-and-Access rules adopted by the Canadian Securities Administrators under NI 54-101.

Beneficial Shareholders will receive a VIF enabling them to vote at the Meeting. However, instead of a paper copy of the Meeting Materials, Beneficial Shareholders will receive only a notice with information on the date, location and purpose of the Meeting, as well as information on how they may access such materials electronically. The use of this alternative means of delivery is more environmentally friendly as it will help reduce paper use and will also reduce the cost of printing and mailing the Meeting Materials to Shareholders. Beneficial Shareholders are reminded to view the Meeting Materials prior to voting or causing their votes to be cast. Materials can be viewed online under the Corporation's profile on SEDAR at www.sedar.com or on the website of Odyssey, the Corporation's Canadian transfer agent and registrar, at <https://odysseytrust.com/client/sndl-inc/>. The Meeting Materials will remain posted on Odyssey's website at least until the date that is one year after the date the Meeting Materials were posted. The Corporation will not be adopting stratification procedures in relation to the use of Notice-and-Access rules

Beneficial Shareholders may request paper copies of the Meeting Materials be sent to them by postal delivery at no cost to them. Requests may be made up to one year from the date the Meeting Materials are posted on Odyssey's website. In order to receive a paper copy of the Meeting Materials or if you have questions concerning Notice-and-Access, please call the Corporation's Canadian transfer agent and registrar, Odyssey, toll free at 1-888-290- 1175 (within North America) or 1-587-885-0960 (outside North America). The Corporation is providing paper copies of its Information Circular only to its Registered Shareholders.

Obtaining Paper Copies of Meeting Materials

Shareholders may request to receive paper copies of the materials by mail at no cost. Requests for paper copies must be received by July 13, 2023, for the paper copy to be delivered in advance of the Meeting. Shareholders may request a paper copy of the materials up to one year from the date the materials were filed on SEDAR.

For more information regarding Notice-and-Access or to obtain a paper copy of the Meeting Materials, please contact our Canadian transfer agent, Odyssey Trust Company, via their website at www.odysseycontact.com or by phone at 1-888-290-1175 (within North America) or 1-587-885-0960 (outside North America).

RECORD DATE

Only Shareholders of record on June 12, 2023 are entitled to notice of, to attend and to vote at the Meeting, unless a Shareholder has transferred any Common Shares subsequent to that date and the transferee, not later than ten (10) days before the Meeting, establishes ownership of the Common Shares and requests that the transferee's name be included on the list of Shareholders in accordance with the ABCA.

APPOINTMENT OF PROXY

As a Shareholder submitting a Proxy Form or VIF you have the right to appoint a person (who need not be a Shareholder) to represent you at the Meeting other than the person or persons designated in the Proxy Form or VIF furnished by the Corporation. To exercise this right, you should insert the name of the desired representative in the blank space provided in the Proxy Form and strike out the other names or submit another appropriate proxy. You must also follow the instructions set out below.

The following applies to Third Party Proxyholders, other than the Management Designees, as proxyholder, including Beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting.

The instrument appointing a proxy must be in writing and must be executed by you or your attorney authorized in writing or, if you are a corporation, under your corporate seal or by a duly authorized officer or attorney of the corporation.

In order to be effective, the Proxy Form must be mailed so as to be deposited with the Corporation's Canadian transfer agent, Odyssey at Traders Bank Building, 702-67 Yonge Street, Toronto, Ontario M5E 1J8, Attention: Proxy Department, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment or postponement thereof. No instrument appointing a proxy shall be valid after the expiration of 12 months from the date of its execution. Failure to complete or deposit the Proxy Form properly may result in its invalidation. The time limit for the deposit of Proxy Forms may be waived by the Board at its discretion without notice.

Shareholders who wish to appoint a Third Party Proxyholder to attend, participate or vote at the Meeting as their proxy and vote their Common Shares **MUST** submit their Proxy Form or VIF (as applicable) appointing such Third Party Proxyholder **AND** register the Third Party Proxyholder, as described below. Registering your proxyholder is an additional step to be completed **AFTER** you have submitted your Proxy Form or VIF (as applicable). Failure to register the proxyholder will result in the proxyholder not receiving a username to attend, participate or vote at the Meeting. Registration may be completed as follows:

- **Step 1: Submit your Proxy Form or VIF:** To appoint a Third Party Proxyholder, insert such person's name in the blank space provided in the Proxy Form or VIF (if permitted) and follow the instructions for submitting such Proxy Form or VIF. This must be completed prior to registering such Third Party Proxyholder, which is an additional step to be completed once you have submitted your Proxy Form or VIF. If you are a Beneficial Shareholder located in the United States, you must also provide Odyssey with a duly completed legal proxy if you wish to attend, participate or vote at the Meeting or, if permitted, appoint a Third Party Proxyholder. See *"Legal Proxy - US Beneficial Shareholders Only"* below for additional details.
- **Step 2: Register your proxyholder:** To register a Third Party Proxyholder, Shareholders **MUST** send an email to appointee@odysseytrust.com by 9:00 a.m. (Calgary time) on July 25, 2023, which must provide Odyssey with the required Third Party Proxyholder contact information, the number of Common Shares appointed, the name in which the Common Shares are registered if the Shareholder is a Registered Shareholder, or the name of the broker where the Common Shares are held if the Shareholder is a Beneficial Shareholder, so that Odyssey may provide the proxyholder with a username via email. Without a username, proxyholders will not be able to attend, participate or vote at the Meeting.

If you are a Beneficial Shareholder and wish to attend, participate or vote at the Meeting, you have to insert your own name in the space provided on the VIF sent to you by your intermediary, follow all of the applicable instructions provided by your intermediary **AND** register yourself as your Third Party Proxyholder, as described above. By doing so, you are instructing your intermediary to appoint you as Third Party Proxyholder. It is important that you comply with the signature and return instructions provided by your intermediary. Please also see further instructions below under the heading “*How do I Attend and Participate in the Meeting?*” in this Information Circular.

Legal Proxy – US Beneficial Shareholders Only

If you are a Beneficial Shareholder located in the United States and wish to attend, participate or vote at the Meeting or, if permitted, appoint a Third Party Proxyholder, in addition to the steps described above and below under “*How do I Attend and Participate in the Meeting?*”, you must obtain a valid legal proxy from your intermediary. Follow the instructions from your intermediary included with the legal proxy form and the VIF sent to you, or contact your intermediary to request a legal proxy form or a legal proxy if you have not received one. After obtaining a valid legal proxy from your intermediary, you must then submit such legal proxy to Odyssey. Requests for registration from Beneficial Shareholders located in the United States that wish to attend, participate or vote at the Meeting or, if permitted, appoint a Third Party Proxyholder must be sent by e-mail to appointee@odysseytrust.com and received by 9:00 a.m. (Toronto time) on July 25, 2023.

REVOCABILITY OF PROXY

In addition to revocation in any other manner permitted by law, a Registered Shareholder who has given a proxy may revoke it by:

- (a) executing a proxy bearing a later date or by executing a valid notice of revocation, either of the foregoing to be executed by the Registered Shareholder or the Registered Shareholder's authorized attorney in writing, or, if the Registered Shareholder is a corporation, under its corporate seal by an officer or attorney duly authorized, and by delivering the proxy bearing a later date to the Corporation's Canadian transfer agent, Odyssey Trust Company at Traders Bank Building, 702-67 Yonge Street, Toronto, Ontario M5E 1J8, Attention: Proxy Department, not less than 48 hours (excluding Saturdays, Sundays and statutory holidays) before the time set for the Meeting or any adjournment or postponement thereof at which the proxy is to be used, or to the Chairman of the Meeting on the day of the Meeting or any reconvening thereof, or in any other manner provided by law; or
- (b) attending the Meeting online and voting or withholding from voting the Registered Shareholder's Common Shares.

A revocation of a proxy will not affect a matter on which a vote is taken before the revocation.

EXERCISE OF DISCRETION BY PROXY

The persons named in the Proxy Form will vote or withhold from voting the Common Shares represented thereby in accordance with your instructions on any ballot that may be called for. If you specify a choice with respect to the matter to be acted upon, your Common Shares will be voted accordingly. The Proxy Form confers discretionary authority on persons named therein with respect to:

- (a) each matter identified therein for which a choice is not specified;
- (b) any amendment to or variation of any matter identified herein; and
- (c) any other matter that properly comes before the Meeting.

In respect of a matter for which a choice is not specified in the Proxy Form, the persons named in the Proxy Form will vote the Common Shares represented by the Proxy Form for the approval of such matter.

At the time of printing of this Information Circular, management of the Corporation knows of no such amendments, variations or other matters to come before the Meeting other than the matters referred to in the Notice of Meeting. If any other matter properly comes before the Meeting, it is the intention of the persons named in the enclosed Proxy Form to vote the Common Shares represented thereby in accordance with their best judgment on such matters.

HOW DO I ATTEND AND PARTICIPATE IN THE MEETING?

SNDL is holding the Meeting in a virtual-only format, which will be conducted via live audio webcast. Shareholders will not be able to attend the Meeting in person.

Attending the Meeting online enables Registered Shareholders and duly appointed proxyholders, including Beneficial Shareholders who have duly appointed themselves as proxyholder, to participate at the Meeting and ask questions, all in real time. All such Registered Shareholders and duly appointed proxyholders, regardless of geographic location and equity ownership, will have an equal opportunity to participate in the Meeting and engage with the directors of the Corporation, as well as other Shareholders. In order to attend, participate or vote at the Meeting (including for voting and asking questions at the Meeting), Shareholders must have a valid username.

Registered Shareholders and duly appointed proxyholders will be able to attend, participate and vote at the Meeting online at <https://web.lumiagm.com/446232042>. Such persons may then enter the Meeting by clicking "I have a login" and entering a username and password before the start of the Meeting, as follows:

(i) Registered Shareholders: The Control Number located on the Proxy Form (or in the email notification you received) is the username. The password to the Meeting is "**sndl2023**" (case sensitive). If as a Registered Shareholder you are using your Control Number to login to the Meeting and you accept the terms and conditions, you will be revoking any and all previously submitted proxies for the Meeting and will be provided the opportunity to vote by online ballot on the matters put forth at the Meeting. If you do not wish to revoke a previously submitted proxy, as the case may be, you will need to attend the Meeting as a guest and will not be able to participate at the Meeting online.

(ii) Duly appointed proxyholders: Odyssey will provide the proxyholder with a Control Number (username) by e-mail after the proxy submission deadline has passed. The password to the Meeting is "**sndl2023**" (case sensitive). Only Registered Shareholders and duly appointed proxyholders will be entitled to attend, participate and vote at the Meeting. Beneficial Shareholders who have not duly appointed themselves as proxyholder will be able to attend the Meeting as a guest but not be able to participate or vote at the Meeting. Shareholders who wish to appoint a Third Party Proxyholder to represent them at the Meeting (including Beneficial Shareholders who wish to appoint themselves as proxyholder to attend, participate or vote at the Meeting) **MUST** submit their duly completed Proxy Form or VIF **AND** register the proxyholder. See the section entitled "*Appointment of Proxy*" above in this Information Circular.

Guests, including Beneficial Shareholders who have not duly appointed themselves as proxyholder, will be able to attend as a guest and listen to the webcast as set out below, but will not be able to participate in or vote at the Meeting. To join as a guest, please visit the Meeting online at <https://web.lumiagm.com/446232042> and select "Join as a Guest" when prompted.

If you attend the Meeting online, it is important that you are connected to the Internet at all times during the Meeting in order to vote when balloting commences. It is your responsibility to ensure connectivity for the duration of the Meeting. You should allow ample time to check into the Meeting online and complete the related procedure.

VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

The Board has fixed June 12, 2023 as the Record Date for the determination of Shareholders entitled to notice of and to vote at the Meeting, and at any adjournment or postponement thereof, except to the extent that a Shareholder transfers ownership of the Common Shares after the Record Date, in which case the transferee shall be entitled to vote such Common Shares upon establishing ownership and requesting, not later than ten (10) days before the Meeting, to be included in the list of Shareholders entitled to vote at the Meeting.

The Corporation is authorized to issue an unlimited number of Common Shares, without nominal or par value. As of the Record Date, there were 260,257,419 Common Shares issued and outstanding. Each Common Share carries the right to one (1) vote on all matters to be acted upon at the Meeting.

To the best of the knowledge of the directors and officers of the Corporation, no person beneficially owns directly or indirectly, or exercises control or direction over, ten percent (10%) or more of the votes attached to the Common Shares.

QUORUM AND APPROVAL REQUIREMENTS

Under the Corporation's by-laws, a quorum for the transaction of business at any meeting of Shareholders is at least two (2) persons holding or representing by proxy not less than twenty-five percent (25%) of the issued and outstanding Common Shares entitled to vote at the meeting. A properly executed Proxy Form or vote by internet will result in a Shareholder being considered part of the quorum.

Under the Corporation's by-laws and the ABCA, if a quorum is present at the opening of the Meeting, the Shareholders present may proceed with the business of the Meeting notwithstanding that a quorum is not present throughout the Meeting. If a quorum is not present at the opening of the Meeting, Shareholders present may adjourn the Meeting to a fixed time and place but may not transact any other business.

All matters, to be considered at the Meeting are ordinary resolutions requiring approval by more than fifty percent (50%) of the votes cast in respect of the resolution at the Meeting or by proxy.

PARTICULARS OF THE MATTERS TO BE ACTED UPON AT THE MEETING

1. Receipt of Financial Statements and Auditors' Report

The SNDL Financial Statements can be found on SEDAR at www.sedar.com under the Corporation's profile. The SNDL Financial Statements will be placed before the Shareholders at the Meeting, but no vote by the Shareholders with respect thereto is required or proposed to be taken.

2. Fixing the Number of Directors

At the Meeting, the Shareholders will be asked to pass an ordinary resolution that the number of directors to be elected at the Meeting to hold office until the next annual meeting of Shareholders or until their successors are elected or appointed, subject to the Articles and by-laws of the Corporation, be set at six (6).

Unless otherwise directed, the Management Designees named in the accompanying Proxy Form intend to vote such proxies in favour of a resolution fixing the number of directors to be elected at the Meeting at six (6).

3. Election of Directors

The Articles of the Corporation provide for a minimum of three directors and a maximum of 12 directors. All current directors have been elected or appointed for a term ending immediately prior to the Meeting or any adjournment or postponement thereof.

The six (6) Director Nominees of the Corporation to serve until the next annual meeting of Shareholders, or any adjournment or postponement thereof, are as follows:

J. Gregory Mills

Zachary George

Greg Turnbull

Bryan D. Pinney

Lori Ell

Frank Krasovec

See “*Director Nominees*” in this Information Circular for additional information on the Director Nominees.

Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of the election of the Director Nominees to the Board. Management does not contemplate that any of the Director Nominees will be unable to serve as a director. However, if for any reason any of the Director Nominees does not stand for election or is unable to serve as such, **the Management Designees, if named as proxyholder, reserve the right to vote for any other nominee for director in their sole discretion unless you have specified in your proxy that your Common Shares are to be withheld from voting on the election of that particular Director Nominee.**

Majority Voting Policy

The Corporation has the Majority Voting Policy in effect. In the event that a nominee for election as a director of the Corporation does not receive a greater number of votes “for” than votes “withheld”, such nominee will be expected to offer to tender his or her resignation to the Chairman promptly following the Meeting. The Nominating and Corporate Governance Committee will then consider such offer and make a recommendation to the Board about whether to accept or reject the resignation. The Board will promptly accept the resignation unless it determines, in consultation with the Nominating and Corporate Governance Committee, that there are exceptional circumstances that should delay the acceptance of the resignation or justify rejecting it. The Board will make its decision and announce it in a press release within 90 days following the Meeting. A director who tenders a resignation pursuant to the Majority Voting Policy will not participate in any meeting of the Board or the Nominating and Corporate Governance Committee at which the resignation is considered.

Advance Notice Provisions

The Corporation has Advance Notice Provisions to ensure that directors and management of the Corporation and Shareholders receive adequate notice of director nominations and sufficient information about the nominees to make an informed decision when electing directors at the Meeting and to facilitate orderly and efficient meetings of Shareholders. Only persons who are nominated by Shareholders in accordance with the Advance Notice Provisions are eligible for election as directors of the Corporation.

Under the Advance Notice Provisions, a Shareholder wishing to nominate a director must submit a Notice of Nomination to the corporate secretary of the Corporation: (i) in the case of an annual meeting, at least 30 days before the date of such annual meeting; provided, however, if Notice of Meeting Date is less than 50 days before the date of such annual meeting, the Notice of Nomination must be submitted not later than the close of business on the tenth (10th) day after the Notice of Meeting Date; and (ii) in the case of a special meeting, which is not also an annual meeting, called for the purpose of electing directors, whether or not the special meeting is also called for other purposes, the Notice of Nomination must be submitted not later than the close of business on the 15th day after the first announcement of such special meeting date. Further details regarding the Advance Notice Provisions are available on the Corporation's SEDAR profile at www.sedar.com.

4. Appointment of an Auditor

At the Meeting, Shareholders will be asked to re-appoint Marcum LLP, Independent Registered Public Accountants, of 730 Third Avenue, 11th Floor, New York, NY 10017, as the auditor of the Corporation, to serve until the close of the next annual meeting of Shareholders, and to authorize the directors of the Corporation to fix their remuneration.

Marcum LLP has advised the Corporation that they are independent with respect to the Company, within the meaning of the Securities Acts administered by the Securities and Exchange Commission, and the requirements of the Public Company Accounting Oversight Board.

Unless otherwise directed, the Management Designees named in the accompanying Proxy Form intend to vote such proxies in favour of the re-appointment of Marcum LLP as the auditor of the Corporation to hold office until the next annual meeting of Shareholders, at a remuneration to be determined by the directors of the Corporation.

5. Update on the Arrangement

On May 26, 2023, the Albert Court of King's Bench granted the Final Order approving the Arrangement contemplated by the Amended Plan of Arrangement.

Previously, the Corporation was granted an Interim Order in respect of the Original Plan of Arrangement on June 21, 2022, which contemplated, among other things, the distribution by the Corporation of the Distributed Nova Shares to all of the Shareholders on a pro rata basis. The Interim Order permitted the terms of the Original Plan of Arrangement to be amended by the Corporation in any manner as may be determined to be necessary or desirable, provided that such amendments were made in accordance with and in the manner contemplated by the Original Plan of Arrangement.

The Shareholders subsequently approved the Original Plan of Arrangement, by special resolution, at the 2022 Meeting, provided that the transactions contemplated thereby would be completed no later than one year following the date of approval by the Shareholders (i.e., July 25, 2023). The Corporation informed shareholders prior to the 2022 Meeting that it is possible that completion may be delayed beyond July 25, 2023.

On December 20, 2022, the Corporation entered into an implementation agreement with Nova, as amended on April 3, 2023 and June 16, 2023, pursuant to which the Corporation and Nova agreed to complete the Nova Strategic Partnership Transaction. As part of the Nova Strategic Partnership Transaction, the Corporation agreed to amend certain terms of the Original Plan of Arrangement and to complete the Arrangement. A copy of the implementation agreement (and all amendments thereto) contemplating the Nova Strategic Partnership Transaction, as filed on December 28, 2022 and April 10, 2023, can be accessed under the Corporation's profile on SEDAR at www.sedar.com.

On May 19, 2023, in connection with the Nova Strategic Partnership Transaction, the Corporation amended and restated the Original Plan of Arrangement in accordance with its terms through the approval of the Amended Plan of Arrangement to, among other things: (i) reflect the amalgamation of the Corporation with its wholly-owned subsidiary, Alcanna Inc., effective as of January 1, 2023; and (ii) provide that, under the Arrangement, certain Shareholders will be entitled to receive Nova Shares and all other Shareholders will be entitled to receive cash in lieu of Nova Shares (rather than all Shareholders receiving Nova Shares).

More specifically, under the terms of the Amended Plan of Arrangement, among other things, (i) the Shareholders who would have been entitled to receive at least one (1) Lot of Nova Shares if the Distributed Nova Shares had been distributed to all Shareholders on a pro rata basis based upon the number of Common Shares held thereby on the Distribution Determination Date (such Shareholders being the Eligible Shareholders) will receive Nova Shares with the New SNDL Shares to which they were entitled under the Original Plan of Arrangement, and (ii) all Shareholders other than the Eligible Shareholders will receive, together with their New SNDL Shares, cash in lieu of the fractional Nova Shares that they would have been entitled to receive had the Distributed Nova Shares been distributed to all Shareholders on a pro rata basis. All other terms of the Amended Plan of Arrangement remain substantially similar to those of the Original Plan of Arrangement. Pursuant to the Amended Plan of Arrangement, the Board determined that a "Lot" of Nova Shares will be equal to 15 Nova Shares.

The Corporation expects to complete the Arrangement before July 25, 2023. Due to certain circumstances (including matters related to the Nova Strategic Partnership Transaction), and as indicated in the 2022 Circular, it is possible that completion of the Arrangement may be delayed beyond the deadline of July 25, 2023. The Corporation intends to complete the Arrangement prior to the deadline of July 25, 2023, but no

assurance can be made that such timing will be achieved, in which case the Corporation will endeavour to complete the Arrangement as soon as reasonably practicable. It is also possible that the Board determines not to proceed with the Arrangement at all—there is no guarantee the Corporation will complete the Arrangement.

The Board may exercise their discretion to complete Arrangement where they determine that to do so would be in the best interests of the Corporation, including (without limitation) to provide the Corporation with additional flexibility in the event any condition to the completion of the Nova Strategic Partnership Transaction remains unsatisfied as of July 25, 2023. The Board may also determine not to complete the Arrangement at all.

Also see “*Update on the Arrangement*” in this Information Circular for additional details.

6. Other Business

Management is not aware of any other business to come before the Meeting other than as set forth in the Notice of Meeting. If any other business properly comes before the Meeting, it is the intention of the persons named in the proxy to vote the Common Shares represented thereby in accordance with their best judgment on such matter.

DIRECTOR NOMINEES

The following is a brief description of the Director Nominees, including a brief summary of their experience and qualifications together with their age, place of primary residence, principal occupation, date first elected or appointed as a director, membership on committees of the Board as at June 12, 2023, attendance at Board and Committee meetings during 2022, directorships of other public entities, and votes for and withheld at the 2022 Meeting. Also indicated for each Director Nominee is the number of Common Shares and share equivalents beneficially owned, or controlled or directed, directly or indirectly, on the Record Date, the value of such Common Shares and share equivalents as at that date and whether such director meets the shareholding requirements, further details of which are set forth under Appendix “B” – *Form 51-102F6 – Statement of Executive Compensation*.

The Board has determined that all Director Nominees, with the exception of Zachary George, are independent within the meaning of NI 58-101. For more information regarding director independence, see Appendix “B” – *Form 51-102F6 – Statement of Executive Compensation*.

As of the Record Date, the Director Nominees beneficially own, directly and indirectly, or exercise control or direction over 463,242 Common Shares, being approximately 0.2% of the issued and outstanding Common Shares.

UPDATE ON THE ARRANGEMENT

The description of the Arrangement set out below is qualified in its entirety by reference to the full text of the Amended Plan of Arrangement, a copy of which is attached as Schedule "A" to the Final Order annexed as Appendix "E" – Final Order to this Information Circular. The Amended Plan of Arrangement should be read carefully in its entirety.

History of the Arrangement

On May 26, 2023, the Alberta Court of King's Bench granted the Final Order approving the Arrangement contemplated by the Amended Plan of Arrangement.

Previously, the Corporation was granted an Interim Order in respect of the Original Plan of Arrangement on June 21, 2022, which contemplated, among other things, the distribution by the Corporation of the Distributed Nova Shares to all of the Shareholders on a pro rata basis. The Interim Order permitted the terms of the Original Plan of Arrangement to be amended by the Corporation in any manner as may be determined to be necessary or desirable, provided that such amendments were made in accordance with and in the manner contemplated by the Original Plan of Arrangement. Further detail relating to the Arrangement (subject to the amendments described below) can be found in the 2022 Circular.

The Shareholders subsequently approved the Original Plan of Arrangement, by special resolution, at the 2022 Meeting, provided that the transactions contemplated thereby would be completed no later than one year following the date of approval by the Shareholders (i.e., July 25, 2023). The Corporation informed shareholders prior to the 2022 Meeting that it is possible that completion may be delayed beyond July 25, 2023.

On December 20, 2022, the Corporation entered into an implementation agreement with Nova, as amended on April 3, 2023 and June 16, 2023, pursuant to which the Corporation and Nova agreed to complete the Nova Strategic Partnership Transaction. As part of the Nova Strategic Partnership Transaction, the Corporation agreed to amend certain terms of the Original Plan of Arrangement and to complete the

Arrangement. A copy of the implementation agreement (and all amendments thereto) contemplating the Nova Strategic Partnership Transaction, as filed on December 28, 2022 and April 10, 2023, can be accessed under the Corporation's profile on SEDAR at www.sedar.com.

On May 19, 2023, in connection with the Nova Strategic Partnership Transaction, the Corporation amended and restated the Original Plan of Arrangement in accordance with its terms through the approval of the Amended Plan of Arrangement to, among other things: (i) reflect the amalgamation of the Corporation with its wholly-owned subsidiary, Alcanna Inc., effective as of January 1, 2023; and (ii) provide that, under the Arrangement, certain Shareholders will be entitled to receive Nova Shares and all other Shareholders will be entitled to receive cash in lieu of Nova Shares (rather than all Shareholders receiving Nova Shares)—further detail on the implemented amendments is provided below.

The Amended Plan of Arrangement

More specifically, pursuant to the Amended Plan of Arrangement, save and except for Common Shares in respect of which rights of dissent under the ABCA have been validly exercised in respect of the Arrangement (of which, none were exercised), the following principal steps will occur and be deemed to occur in the following chronological order as part of the Arrangement:

- (a) subject to Article 4 of the Amended Plan of Arrangement, the Common Shares held by Dissenting Shareholders shall be deemed to have been transferred to SNDL (free and clear of all any Encumbrances) and cancelled, and such Dissenting Shareholders shall cease to have any rights as Shareholders, other than the right to be paid the fair value of their Common Shares in accordance with Article 4 of the Amended Plan of Arrangement, and the names of such holders shall be removed from the register of Shareholders.
- (b) SNDL shall undertake a reorganization of capital within the meaning of section 86 of the Tax Act as follows, with the following steps occurring in the following order,
 - (i) the authorized share structure of SNDL shall be amended by:
 - A. re-naming and re-designating all of the issued and unissued Common Shares as Class A Common Shares which shares shall have the same rights and restrictions as the Common Shares except that each Class A Common Share shall be entitled to two (2) votes at any meeting of Shareholders;
 - B. creating an unlimited number of New SNDL Shares without par value with rights and restrictions identical to the Common Shares,

and SNDL's Articles shall be amended to reflect the amendments in Subsection (b)(i)(A) and (B) above.

- (ii) In the course of a reorganization of SNDL's capital and subject to adjustment as set out in Subsection (e) below:
 - A. in respect of Shareholders that would have been entitled to receive more than one (1) Lot of Nova Shares if the Distributed Nova Shares were to be distributed to all Shareholders on a *pro rata* basis based upon the number of Common Shares held thereby on the Distribution Determination Date (such Shareholders being the "**Eligible Shareholders**"), each issued and outstanding Class A Common Share held by such Eligible Shareholder shall be exchanged for: (I) one (1) New SNDL Share; and (II) such number of Distributed Nova Shares as is equal to the Nova Share Ratio, multiplied by the total number of New SNDL Shares issued to such Eligible Shareholder pursuant to this Subsection (b)(ii)(A), and such Shareholders shall cease to be the holders of the Class A Common Shares so exchanged; and

- B. in respect of Shareholders that would have been entitled to receive one (1) Lot or less of Nova Shares if the Distributed Nova Shares were to be distributed to all Shareholders on a pro rata basis based upon the number of Common Shares held thereby on the Distribution Determination Date, each issued and outstanding Class A Common Share held thereby shall be exchanged for: (I) one (1) New SNDL Share; and (II) an amount in cash as is equal to the Nova Fractional Share Value multiplied by number of New SNDL Shares held by such Shareholder, and such Shareholders shall cease to be the holders of the Class A Common Shares so exchanged.

The name of each Shareholder who is so deemed to exchange their Class A Common Shares, shall be removed from the central securities register of Class A Common Shares with respect to the Class A Common Shares so exchanged and shall be added to the central securities registers of New SNDL Shares as the holder of the number of New SNDL Shares deemed to have been received on the exchange; and

- (iii) Simultaneously with the step referred to in Subsection (b)(ii) above, the aggregate amount added to the stated capital of the New SNDL Shares will be equal to (i) the aggregate paid-up capital (as that term is used for purposes of the Tax Act) of the Class A Common Shares (excluding Common Shares held by Dissenting Shareholders) immediately prior to the exchange effected pursuant to Subsection (d) above, less (ii) the sum of the fair market value of the Distributed Nova Shares distributed pursuant to Subsection (b)(ii)(A) above at the time of distribution and the amount of cash distributed pursuant to (b)(ii)(B) above at the time of the distribution.
- (c) The Class A Common Shares, none of which will be allotted and issued once the step referred to in Subsection (b)(ii) above is completed, shall be cancelled and the authorized share capital of SNDL shall be diminished by deleting the Class A Common Shares as a class of shares, and SNDL's Articles shall be amended to reflect the foregoing change to its authorized share structure.
- (d) The Distributed Nova Shares transferred and/or the New SNDL Shares issued to the holders of the Class A Common Shares pursuant to Subsection (b)(ii) above, as applicable, will be registered in the names of the former holders of the Class A Common Shares.
- (e) The exchange ratio for the Distributed Nova Shares may be adjusted to ensure that the aggregate Distributed Nova Shares is distributed on a *pro rata* basis to the Eligible Shareholders (excluding Dissenting Shareholders) on the Distribution Determination Date.
- (f) Following the completion of the matters contemplated by Subsections (b) and (c), SNDL shall be authorized to do, and/or cause to be done, to any Distributed Nova Shares that are not distributed to the holders of the Class A Common Shares pursuant to Subsection (b)(ii) above (whether due to rounding down of such Distributed Nova Shares) all such things as SNDL determines to be necessary or desirable.
- (g) The exchanges, cancellations and transfers provided above shall be deemed to occur on the Effective Date, notwithstanding that certain of the procedures related thereto are not completed until after the Effective Time.

Nova Cannabis Inc.

Nova is one of Canada's largest and fastest growing cannabis retailers with a goal of disrupting the cannabis retail market by offering a wide range of high-quality cannabis products at every-day best value prices. Nova currently owns or operates 80 locations across Alberta, Ontario and Saskatchewan primarily under

its Value Buds banner. The Nova Shares are traded on the TSX under the symbol “NOVC”. Nova's corporate services office is located at 101, 17220 Stony Plain Road NW, Edmonton, Alberta T5S 1K6.

Update on the Completion of the Arrangement

Now that all conditions of the Arrangement have been satisfied (including receipt of the Interim Order, the requisite approval of the Shareholders and the Final Order), the Arrangement will become effective on the date upon which the Board determines to proceed with the Arrangement and the filings required under the ABCA have been filed with the Registrar. It is expected that the Arrangement will be effected in connection with the completion of the Nova Strategic Partnership Transaction; however, it is possible that the Board determines not to proceed with the Arrangement, including if the Nova Strategic Partnership Transaction is not itself completed.

Due to certain circumstances (including matters related to the Nova Strategic Partnership Transaction), and as indicated in the 2022 Circular, it is possible that completion of the Arrangement may be delayed beyond July 25, 2023. The Corporation expects to complete the Arrangement prior to the deadline of July 25, 2023, but no assurance can be made that such timing will be achieved, in which case the Corporation will endeavour to complete the Arrangement as soon as reasonably practicable. It is also possible that the Board determines not to proceed with the Arrangement at all—there is no guarantee the Corporation will complete the Arrangement.

The Board may exercise their discretion to complete Arrangement where they determine that to do so would be in the best interests of the Corporation, including (without limitation) to provide the Corporation with additional flexibility in the event any condition to the completion of the Nova Strategic Partnership Transaction remains unsatisfied as of July 25, 2023. The Board may also determine not to complete the Arrangement at all.

Consultation with Advisors

The Corporation encourages the Shareholders to consult with their legal and tax advisors should they have any questions in respect of the possible legal and tax consequences to them resulting from the completion of the Arrangement. Nothing in this Information Circular constitutes legal or tax advice in respect of any matter being considered at the Meeting.

Risk Factors

Shareholders should carefully consider the risks and uncertainties related to the Arrangement, including those associated with the businesses of the Corporation and Nova included in the other public filings of the Corporation and Nova on SEDAR (including the 2022 Circular). If any of the risk factors materialize, the expectations, and the predictions based on them, may need to be re-evaluated.

Except as otherwise described herein, no director or officer of the Corporation, or any person who has held such a position since the beginning of the last completed financial year of the Corporation, nor any associate or affiliate of the foregoing persons, has any substantial or material interest, direct or indirect, by way of beneficial ownership of securities or otherwise, in any matter to be acted on at the Meeting, other than the election of directors and the appointment of auditors, except as set forth below.

On December 20, 2022, the Corporation entered into an implementation agreement with Nova, as amended on April 3, 2023 and June 16, 2023, pursuant to which the Corporation and Nova agreed to complete the Nova Strategic Partnership Transaction. APPENDIX “A”

FORM 58-101F1 – CORPORATE GOVERNANCE DISCLOSURE

General

The Board is comprised of six (six) members, the majority of which are independent according to the definition of “independence” set out in NI 58-101 as it applies to the Board. Greg Mills, Gregory Turnbull, Lori Ell, Bryan Pinney and Frank Krasovec are independent (the “**Independent Directors**”). Zachary George is not independent by reason of the fact that he is SNDL's CEO. The Board is chaired by Greg Mills, an independent director.

The Independent Directors meet in private sessions, outside the presence of management or any other director, at each regular meeting of the Board. Such private sessions may also be called *ad hoc*.

Certain members of the Board are presently directors of other public companies. See “*Director Nominees*” in this Information Circular regarding the identity of those companies and the relevant Board members.

Committees of the Board

The Board currently has three committees: (1) the Audit Committee; (2) the Compensation Committee; and (3) the Nominating and Corporate Governance Committee. The Audit Committee is comprised of Bryan Pinney (Chair), Greg Turnbull and Lori Ell. The Compensation Committee is comprised of Lori Ell (Chair), Frank Krasovec and Bryan Pinney. The Nominating and Corporate Governance Committee is comprised of Gregory Turnbull (Chair), Greg Mills and Frank Krasovec.

Attendance

The table below shows the number of Board and committee meetings held since January 1, 2022 up to the date of this Information Circular and the overall attendance. Quorum for Board meetings is a majority of directors and the directors are expected to attend all of the meetings of the Board and the committees they are members of, unless there are extenuating circumstances.

	Number of meetings	Overall meeting attendance (%)
Board	14	100%
Audit Committee	7	100%
Compensation Committee	7	100%
Nominating and Corporate Governance Committee	7	100%

See “*Director Nominees*” in this Information Circular for the attendance record of each director at Board and Committee meetings during Fiscal 2022.

Serving as a director

The Corporation and the Board expect directors to conduct themselves professionally, with integrity and always in the best interests of SNDL.

A director must commit the necessary time to their duties as a director and the Corporation expects directors to attend all Board and Committee meetings, if applicable, except in extenuating circumstances.

A director who has a material interest in a matter before the Board or any Committee on which he or she serves is required to disclose such interest as soon as the director becomes aware of it. In situations where

a director has a material interest in a matter to be considered by the Board or any Committee on which he or she serves, such director may be required to abstain himself or herself from the meeting while discussions and voting with respect to the matter are taking place. Directors are also required to comply with the relevant statutory provisions regarding conflicts of interest.

If a director is contemplating joining another public company board, changes employment or his or her country of residence, or there is any other significant change, the director must notify the chair of the Nominating and Corporate Governance Committee. The chair will review the matter and consider an appropriate course of action including, in the case of a public company appointment, seeking the approval of the Nominating and Corporate Governance Committee. As part of its review, the Nominating and Corporate Governance Committee considers whether there are circumstances that could impair the director's ability to exercise independent judgment or create a conflict of interest, as well as whether the proposed appointment would impede the director's ability to devote the time and commitment necessary. The Corporation expects the director to resign if the change creates a conflict of interest, or affects the Corporation's ability to comply with legal or regulatory requirements or its internal policies.

In order to foster a climate of openness and honesty in which any concern or complaint pertaining to a suspected violation of the law, the Code of Conduct or any other policy of the Corporation, or any unethical or questionable act or behavior, the Code of Conduct requires that all directors, officers, employees and consultants of the Corporation promptly report the violation or suspected CEO

violation. In order to ensure that violations or suspected violations can be reported without fear of retaliation, harassment or an adverse employment consequence, the Corporation has adopted a whistleblowing policy containing procedures that are aimed to facilitate confidential and anonymous submissions of complaints.

The Nominating and Corporate Governance Committee is responsible for reviewing and evaluating the Code of Conduct at least annually and recommending any necessary or appropriate changes to the Board for consideration. The Nominating and Corporate Governance Committee assists the Board with the monitoring of compliance with the Code of Conduct, and will be responsible for considering any waivers therefrom (other than waivers applicable to members of the Nominating and Corporate Governance Committee, which shall be considered by the Audit Committee, or waivers applicable to the Corporation's directors or Executive Officers, which shall be subject to review by the Board as a whole).

In identifying new candidates for the Board, the Nominating and Corporate Governance Committee considers what competencies and skills the Board, as a whole, should possess and assesses what competencies and skills each existing director possesses, considering the Board as a group, and the personality and other qualities of each director, as these may ultimately determine the boardroom dynamic.

It is the responsibility of the Nominating and Corporate Governance Committee to regularly evaluate the overall efficiency of the Board and its chairperson and all Committees and their chairpersons. Director Term Limits and Other Mechanisms of Board Renewal

On May 11, 2021, the Board adopted the Renewal Policy to recognize that periodic board renewal may offer the benefit of introducing new perspectives, ideas, diverse views and experience. Pursuant to the Renewal Policy, each non-executive director of the Corporation will be deemed to submit their resignation on the date that is ten (10) years from the date such individual began serving as a non-executive director. The Nominating and Corporate Governance Committee will then make a recommendation to the Board to accept or reject each deemed director resignation. The Board must consider, but is not obligated to follow, the Nominating and Corporate Governance Committee's recommendation. If accepted, a deemed resignation will be effective in conjunction with the Corporation's next annual Shareholder meeting or such other date to allow for orderly transition. If the deemed resignation is not accepted, the director will be deemed to re-submit such resignation prior to the following year's annual meeting of Shareholders.

The Renewal Policy does not take precedence over the Board and the Nominating and Corporate Governance Committee's review of the experience, qualifications and skills of SNDL's directors to ensure that the composition of the Board and Committees, and the competencies and skills of each member, are in line with what the Board and the Nominating and Corporate Governance Committee consider the Board and Committees should possess.

Diversity

On May 11, 2021, the Board adopted the Diversity Policy to reflect its belief in the benefits of having diversity on the Board, the Corporation's senior management team and through the entire Corporation. The Diversity Policy helps ensure diversity is considered in the Nominating and Corporate Governance Committee's process of identifying individuals to serve on the Board and determining the optimal composition of the Board. When reviewing Board composition and identifying suitable candidates, the Board will give due regard to the benefits of diversity in order to enable the Board to discharge its duties and responsibilities effectively.

The Corporation recognizes that gender diversity is a significant aspect of diversity. To promote gender diversity, the selection process for Board appointees/nominees requires at least one (1) female candidate be on the short-list for each available board seat. If no females are selected at the end of any selection process, the Board must be satisfied that there are objective reasons to support this determination.

The Diversity Policy also mandates that diversity be considered in connection with succession planning and appointing the Corporation's senior management team. To promote gender diversity, the hiring process for Executive Officers will involve preparing a short-list which must include at least one (1) female candidate for each available position. The Corporation will also implement practices to (i) address impediments to gender diversity in the workplace; (ii) regularly review the proportion of women at all levels of the Corporation; (iii) monitor the effectiveness of and continue to expand on existing initiatives designed to identify, support and develop talented women with leadership potential; and (iv) continue to identify new ways to entrench diversity as a cultural priority across the Corporation.

The effectiveness of the Diversity Policy at achieving the Corporation's diversity objectives will be assessed annually. The Corporation currently has goals to achieve thirty percent (30%) female representation in its management team and 30% female representation on the Board by 2024. The Board currently has and has nominated for election at the Meeting one (1) female director, which represents twenty percent (20%) of nominees to the Board. One (1) out of seven (7) of the Executive Officers are female, which represents fourteen percent (14%) of the Corporation's senior management team.

Environmental, Social and Governance

On May 11, 2021, the Corporation adopted an ESG Policy to reflect its commitment to leadership of health, safety and environmental matters throughout the Corporation's business activities. The ESG Policy applies to all employees, contractors, officers and directors of the Corporation, including any joint ventures or subsidiaries of which it has effective management control.

Persons covered by the ESG Policy who witness, discover, become aware of or suspect a violation of the ESG Policy are expected to promptly and in good faith report the violation to their manager or senior management. Individuals are expected to take their concerns beyond their manager or senior management if a violation is not resolved. Mechanisms to voice concerns are provided to persons covered by the ESG Policy, including a whistleblower hotline to make anonymous submissions.

The CEO of the Corporation is accountable to the Board for establishing, maintaining and ensuring the ESG Policy is effectively implemented and continues to be of value to the Corporation's business and stakeholders. The ESG Policy is included in the Corporation's employee handbook, which is annually reviewed and accepted by all employees, officers and contractors of the Corporation.

APPENDIX “B”

Unless otherwise stated, all information in this Appendix “B” – *Form 51-102F6 – Statement of Executive Compensation*, is given as at December 31, 2022.

The NEOs for the year ended December 31, 2022 were:

- Zachary George, CEO and Director;
- James Keough, Chief Financial Officer;
- Andrew Stordeur, Former President and Chief Operating Officer;
- Ryan Hellard, Chief Strategy Officer; and
- Robbie Madan, Chief Information Officer and Digital Officer

Compensation Discussion and Analysis

Overview

In order to succeed in the highly competitive and evolving market in which SNDL operates, the Corporation needs to attract, retain and motivate a highly talented executive team. SNDL's executive compensation program is designed to achieve the following objectives:

- provide compensation opportunities in order to attract and retain talented, high-performing and experienced executive officers, whose knowledge, skills and performance are critical to the Corporation's success;
- motivate the executive team to achieve the Corporation's strategic business and financial objectives;
- align the interests of the executive officers with those of Shareholders by tying a meaningful portion of compensation directly to the long-term value and growth of the business of the Corporation; and
- provide incentives that encourage appropriate levels of risk-taking by the executive team.

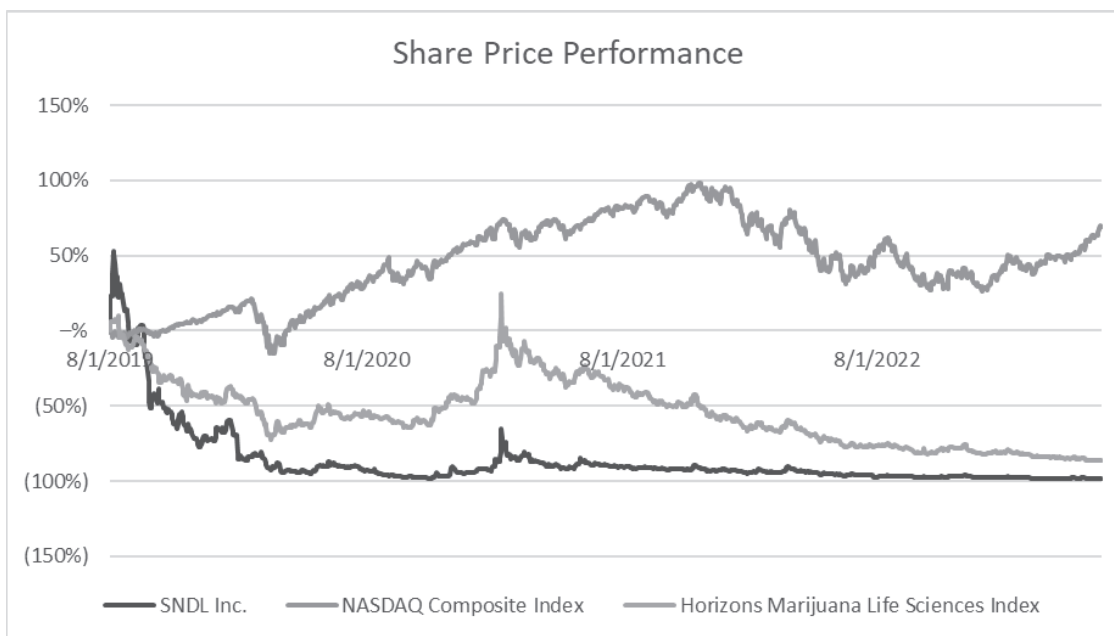

The Corporation currently offers Executive Officers cash compensation in the form of base salary and a discretionary annual cash bonus. Historically, the Corporation offered long-term incentive compensation in the form of simple warrants and performance warrants. From time to time, the Board may also grant discretionary cash bonuses to executives for exemplary performance. Long-term annual incentives may consist of Options, PSUs and/or RSUs. The Corporation also issues all or a certain portion of the annual retainer and/or salary payable to non-employee directors in the form of Deferred Share Units pursuant to a Deferred Share Unit Plan. The Corporation takes previous grants into account when considering whether to issue new grants.

The Corporation's compensation philosophy is to motivate its employees to participate directly in the value that their efforts create for Shareholders because the Corporation's employees are also Shareholders. The Corporation believes that equity-based compensation awards motivate Executive Officers to achieve strategic business and financial objectives, and to also align their interests with the long-term interests of Shareholders.

As the cannabis industry continues to evolve, the Corporation will continue to evaluate its compensation philosophy and compensation program to ensure that compensation is competitive with other similar companies. As part of the annual compensation review process, the Corporation will be guided by the philosophy and objectives outlined above, as well as other factors which may become relevant.

Performance Graph

The following performance graph illustrates the Corporation's cumulative total Shareholder return by comparing a \$100 investment in the Common Shares beginning on August 1, 2019 to the return on the Nasdaq Composite Index and the Horizons Marijuana Life Sciences Index.

As illustrated in the above performance graph, the Common Share price has generally underperformed relative to both the Nasdaq Composite Index and the Horizons Marijuana and Life Sciences Index since SNDL's initial public offering on August 1, 2019. As described in this Information Circular, the Corporation's compensation philosophy is to motivate its employees to participate directly in the value that their efforts create for Shareholders. For this reason, the Corporation has focused on using equity-based compensation awards to motivate Executive Officers to achieve strategic business and financial objectives, and to align their interests with the long-term interests of Shareholders.

The performance criteria are based on the Corporation's relative Shareholder return as compared to a peer index, making direct comparison between NEO compensation and Common Share price performance more difficult. This Appendix "B" – *Form 51-102F6 - Statement of Executive Compensation* contains a detailed discussion of executive compensation.

Compensation-Setting Process

The Compensation Committee is responsible for assisting the Board in fulfilling its governance and supervisory responsibilities, and overseeing the Corporation's human resources, succession planning and compensation policies, processes and practices. The Compensation Committee is also responsible for ensuring that compensation policies and practices provide an appropriate balance of risk and reward consistent with the Corporation's risk profile. The CEO will make recommendations to the Compensation Committee each year with respect to the compensation for other NEOs.

The Compensation Committee meets at least annually to review the compensation program and make recommendations to the Board for any proposed changes. As part of this review, the Compensation Committee may engage an independent compensation consultant to evaluate the Corporation's executive compensation program against market practice. For a description of the education and experience of each member of the Compensation Committee relevant to their responsibilities in executive compensation, see "*Director Nominees*" in this Information Circular. The members of the Compensation Committee have experience serving on audit and compensation committees of other public companies. In addition, the members of the Compensation Committee have experience in top leadership roles and strong knowledge and education in accounting. This background provides the Compensation Committee with the collective experience, knowledge and skills to effectively carry out their responsibilities. For information on each Compensation Committee member's experience, see the director profiles.

Risk and Executive Compensation

In reviewing the Corporation's compensation policies and practices each year, the Compensation Committee seeks to ensure the executive compensation program provides an appropriate balance of risk and reward consistent with the risk profile of SNDL. The Compensation Committee also seeks to ensure that compensation practices do not encourage excessive risk-taking behavior by the executive team. Key risk-mitigating practices incorporated into SNDL's compensation structure are discussed below.

Share Ownership Guidelines

All Executive Officers and directors of the Corporation are expected to maintain a significant equity investment in the Corporation to align their interests with those of Shareholders, and mitigate against the likelihood of undue risk-taking. Executive share ownership guidelines are described below under the heading "*Executive Share Ownership Guidelines*".

Trading Restrictions

All Executive Officers, directors and employees are subject to the Corporation's Corporate Disclosure and Insider Trading Policy which, together with applicable laws, prohibits trading in the securities of the Corporation while in possession of material undisclosed information about the Corporation. The Corporation also has an Anti-Hedging Policy that prohibits a full range of transactions, including short-selling, options, puts and calls, as well as derivatives such as swaps, forwards and futures, prior to shareholding requirements being met. Shareholdings in excess of the mandated requirements are exempt from the Anti-Hedging Policy.

The Corporation does not permit Executive Officers to trade in the Corporation's securities, including the exercise of option-based awards, except during prescribed trading windows (periods where the trading of securities is not allowed, are referred to as "**Blackout Periods**"). The Corporation may consider implementing an automatic securities disposition program to aid in the liquidation of Common Shares held by executives and employees based on pre-arranged sales conditions. Trading parameters and other instructions would be set out in a written plan document, which would contain meaningful restrictions on the ability of the Executive Officer to vary, suspend or terminate such plan. This would ensure that the Executive Officers cannot profit from material undisclosed information through a decision to vary, suspend or terminate such plan.

Clawback Policies

The Corporation has a Clawback Policy relating to annual bonuses and long-term incentive awards granted to Executive Officers that may be triggered if an Executive Officer engages in fraud or wilful misconduct that results in the need to restate the Corporation's financial statements, material breaches of the Code of Conduct or any wilful acts of fraud, theft or serious misconduct. Amounts recouped under the Clawback Policy may include all incentive payments received over a specified period preceding the event triggering the clawback.

Annual Compensation Components

The annual compensation of Executive Officers includes three major elements: (i) base salary; (ii) short-term incentives, primarily discretionary bonuses awarded by the Board; and (iii) long-term equity incentives that consists of Options, RSUs and/or PSUs granted from time to time. Perquisites and benefits are not intended to be a significant element of compensation of executive officers.

Base Salary

Base salary is provided as a fixed source of compensation for Executive Officers. Base salaries are determined on an individual basis, taking into account the scope of the Executive Officer's role, responsibilities, expertise and prior experience. Base salaries for Executive Officers are reviewed annually by the Board and may be adjusted based on the Executive Officer's success in meeting or exceeding individual objectives, as well as to maintain market competitiveness. In addition, base salaries can be adjusted by the Board throughout the year to reflect promotions or other changes in the scope or breadth of the Executive Officer's role or responsibilities.

Short-Term Incentives

The Board has the ability to grant discretionary bonuses to Executive Officers linked to the achievement of corporate, team and personal performance targets. Individual targets are market based.

Long-Term Equity Incentives

Stock Option Plan

The Corporation has a Stock Option Plan that provides Participant with compensation opportunities that support the achievement of the Corporation's performance objectives, align the interests of Participants with those of Shareholders, and attract, retain and motivate Participants critical to the long term success of the Corporation and its subsidiaries. The material features of the Stock Option Plan are summarized below.

Administration and Eligibility

The Stock Option Plan is administered by the Board and the Compensation Committee. Directors, Executive Officers, employees and consultants of the Corporation and its subsidiaries are eligible to participate in the Stock Option Plan.

Common Shares Subject to the Stock Option Plan and Participation Limits

The maximum number of Common Shares available for issuance under the Stock Option Plan alone or when combined with all other security-based compensation arrangements of the Corporation is ten percent (10%) of the number of issued and outstanding Common Shares from time to time. Common Shares underlying stock options that have been exercised or disposed of or that have expired or terminated for any reason become available for subsequent issuance under the Stock Option Plan. Based on the number of shares outstanding as of the date of this Information Circular there are 34,360 Options available for issuance under the Stock Option Plan, less any units outstanding under the Corporation's Restricted and Performance Share Unit Plan discussed under the heading "*Restricted and Performance Share Unit Plan*".

Pursuant to the terms of the Stock Option Plan, no more than five percent (5%) of the number of issued and outstanding Common Shares may be issued under the Stock Option Plan alone or when combined with all other security-based compensation arrangements of the Corporation then existing to any one Participant.

Options

The exercise price for Options is determined by the Board as of the Grant Date, which may not be less than the fair market value of a Common Share (being the closing price of a Common Share on the trading day immediately preceding the Grant Date) on the date the Option is granted. The Board shall determine when an Option will become vested and may determine that the Option become vested in installments and may make vesting of the option conditional on the achievement of certain performance targets. The Board may also, in its discretion, at any time, permit the exercise of any or all Options, provided that the Board will not, in any case, authorize the exercise of an option at any time after its Expiry Date. Previous grants are not taken into account when considering new grants.

Options must be exercised within a period fixed by the Board which period shall not exceed ten (10) years from the Grant Date, provided that if the Expiry Date falls during a Blackout Period, the Expiry Date will be automatically extended until ten (10) Business Days after the end of the Blackout Period. The Stock Option Plan also provides for earlier expiration of Options upon the occurrence of certain events, including the termination of a Participant's employment or services.

Vested Options can be exercised by payment in full of the applicable exercise price in cash or by certified check, bank draft or money order payable to the Corporation or by such other means as might be specified from time to time by the Board. Additionally, in order to facilitate the payment of the exercise price of the Options, a specific grant under the Stock Option Plan may have a cashless exercise feature. Pursuant to the cashless exercise feature, an eligible Participant may elect to receive: (i) an amount in cash equal to the cash proceeds realized upon the sale of the Common Shares underlying the Options by a securities dealer in the capital markets, minus the aggregate exercise price, any applicable withholding taxes and any transfer costs charged by the securities dealer; (ii) an aggregate number of Common Shares that is equal to the number of Common Shares underlying the unexercised Options, minus the number of Common Shares sold by a securities dealer in the capital markets as required to realize cash proceeds equal to the aggregate exercise price, any applicable withholding taxes and any transfer costs charged by the securities dealer; or (iii) a combination of (i) and (ii).

Termination of Employment or Services

Unless otherwise determined by the Board, in the event of a termination of a Participant's employment or service for any reason, all outstanding Options granted to the Participant under the Stock Option Plan that are unvested on the cessation date will be forfeited. All outstanding Options that are vested as of the cessation date will be exercisable as follows, after which time such vested Options will automatically terminate: (i) if the Participant ceases to be an employee, director or consultant by reason of death, his or her Options must be exercised by his or her designated legal representative within 12 months of the date of death; (ii) if the Participant ceases to be an employee, director, contractor or consultant of the Corporation by reason of termination without cause (as defined in the Stock Option Plan), retirement or disability of an employee, or resignation of a director, his or her Options must be exercised within 90 days of the cessation date; and (iii) if the Participant ceases to be an employee, director or consultant by reason of termination for cause, resignation by an employee, voluntary termination by a consultant or breach of a consulting agreement, his or her Options will automatically terminate on the cessation date and may no longer be exercised. In no event may Options be exercised later than the applicable expiry date of the Options, after which time all remaining Options will terminate.

Change of Control

In the event of a Change of Control (as defined in the Stock Option Plan), the surviving, successor or acquiring entity will assume any outstanding Options or substitute similar options for the outstanding Options. If the surviving, successor or acquiring entity does not assume any outstanding Options or substitute similar Options for the outstanding Options, or if the Board otherwise determines in its discretion, the Stock Option Plan will be terminated effective immediately prior to the Change of Control and all Options will be deemed to be vested and, unless otherwise exercised, forfeited or cancelled prior to the termination of the Stock Option Plan, will expire immediately prior to the termination of the Stock Option Plan.

In the event of a Change of Control, the Board may provide for the treatment of each outstanding Option, which may include, without limitation, one or more of the following: (i) making such other changes to the terms of the Options as it considers fair and appropriate in the circumstances, provided such changes are not adverse to Participants; (ii) otherwise modifying the terms of the Options to assist Participants to tender into a takeover bid or other arrangement leading to a Change of Control, and thereafter; and/or (iii) terminating, conditionally or otherwise, the Options not exercised following successful completion of such Change of Control.

Adjustments

In the event of any stock dividend, stock split, combination or exchange of shares, merger, amalgamation, arrangement, consolidation, reclassification, spin-off or other distribution (other than normal cash dividends) of the Corporation's assets to Shareholders, or any other change in the capital of the Corporation affecting Common Shares, the Board will make such proportionate adjustments, if any, as the Board in its discretion deems appropriate to reflect such change (for the purpose of preserving the value of the Options), with respect to: (i) the number or kind of shares or other securities reserved for issuance pursuant to the Stock Option Plan; (ii) the number or kind of Common Shares or other securities subject to any outstanding Options; and (iii) the exercise price of any outstanding Options; provided, however, that no adjustment will obligate the Corporation to issue or sell fractional securities.

Amendment or Termination

The Board may amend or suspend any provision of the Stock Option Plan or any Option, or terminate the Stock Option Plan, at any time without Shareholder approval, subject to applicable law and the rules, regulations and policies of any stock exchange on which the securities of the Corporation are listed, if any, that require the approval of Shareholders or any governmental or regulatory body. However, except as set forth in the Stock Option Plan or as required pursuant to applicable law, no action of the Board or Shareholders may materially adversely alter or impair the rights of a Participant under any Option previously granted to a Participant without his or her consent.

The Board may make certain amendments to the Stock Option Plan or to any Option outstanding thereunder without seeking Shareholder approval, including, but not limited to, housekeeping amendments, amendments to comply with applicable law or stock exchange rules, amendments necessary for Options to qualify for favorable treatment under applicable tax laws, amendments to the vesting provisions of the Stock Option Plan or any Option, amendments to include or modify a cashless exercise feature, amendments to the termination or early termination provisions of the Stock Option Plan or any Option, and amendments necessary to suspend or terminate the Stock Option Plan. Only the following types of amendments will not be able to be made without obtaining Shareholder approval:

- increasing the number of Common Shares reserved for issuance under the Stock Option Plan;
- increasing the length of the period after a Blackout Period during which Options may be exercised;
- any amendment that would result in the exercise price for any Option being lower than the fair market value on the applicable Grant Date;
- permitting the introduction or reintroduction of non-employee directors as eligible recipients for Options on a discretionary basis or any amendment that increases the limits previously imposed on non-employee director participation;
- reducing the exercise price of an Option or allowing for the cancellation and reissuance of an Option, which would be considered a repricing under the rules of any stock exchange on which the securities of the Corporation are listed, except, in each case, pursuant to a Change of Control or other adjustment pursuant to a corporate transaction involving a change in the capital of the Corporation;

- extending the Expiry Date of an Option, except for an automatic extension of an Option that expires during a Blackout Period;
- permitting awards under the Stock Option Plan to be transferred or assigned other than for normal estate settlement purposes;
- amending the amendment provision under the Stock Option Plan; and
- amendments required to be approved by Shareholders under applicable law or the rules of any stock exchange on which the securities of the Corporation are listed.

Assignment

Except as required by law or in the event of death of the participant, the rights of a Participant under the Stock Option Plan are not transferable or assignable.

Restricted and Performance Share Unit Plan

The Restricted and Performance Share Unit Plan provides eligible participants with compensation opportunities that support the achievement of the Corporation's performance objectives, aligns the interests of eligible participants with those of Shareholders, and attracts, retains and motivates eligible participants critical to the long term success of the Corporation and its subsidiaries. The material features of the Restricted and Performance Share Unit Plan are summarized below.

Administration and Eligibility

The Restricted and Performance Share Unit Plan is administered by the Board and the Compensation Committee.

Common Shares Subject to the Restricted and Performance Share Unit Plan and Participation Limits

The maximum number of Common Shares that will be available for issuance under the Restricted and Performance Share Unit Plan is ten percent (10%) of the issued and outstanding Common Shares from time to time. Common Shares underlying Share Units that have been settled or disposed of or that have expired or terminated for any reason will become available for subsequent issuance under the Restricted and Performance Share Unit Plan. Based on the number of Common Shares outstanding as of the date of this Information Circular there are 8,919,767 Share Units available for issuance under the Restricted and Performance Share Unit Plan, less any Options outstanding under the Stock Option Plan.

Pursuant to the terms of the Restricted and Performance Share Unit Plan: (i) no more than ten percent (10%) of the outstanding Common Shares may be issuable at any time under the Restricted and Performance Share Unit Plan alone or when combined with all other security-based compensation arrangements of the Corporation; and (ii) no more than five percent (5%) of the outstanding Common Shares may be issued under the Restricted and Performance Share Unit Plan alone or when combined with all other security-based compensation arrangements of the Corporation to any one SUP Participant.

Share Units

The Board has the discretion to grant Share Units under the Restricted and Performance Share Unit Plan. Additionally, subject to the approval of the Board, a non-United States participant may elect to defer their bonus compensation to be received under the Corporation's short-term incentive plan in the form of RSUs.

A RSU or PSU is a right granted to a participant to receive a Common Share or a cash payment equal to the fair market value thereof that generally becomes vested, if at all: (i) for RSUs, following a period of continuous employment or service; and (ii) for PSUs, subject to the attainment of performance vesting

conditions and the satisfaction of such other conditions to vesting, if any, as may be determined by the Board, which may include financial or operational performance of the Corporation, total Shareholder return or individual performance criteria, measured over a performance period.

The Board may also, in its discretion, accelerate the vesting of any or all RSUs or PSUs and related dividend Share Units (as described below) held by a SUP Participant in the manner and on the terms authorized by the Board, and in the case of PSUs, having regard to the level of achievement of the applicable performance vesting conditions prior to the applicable vesting date.

When dividends (other than share based dividends) are paid on Common Shares, dividend Share Units will be credited to a SUP Participant's Share Unit account on the dividend payment date. The number of dividend Share Units to be credited will be determined by multiplying the aggregate number of Share Units held by the SUP Participant on the relevant record date by the amount of the dividend paid by the Corporation on each Common Share, and dividing the result by the fair market value on the dividend payment date, rounded down to the nearest whole Share Unit. Dividend Share Units credited to a SUP Participant will be subject to the same vesting conditions applicable to the related RSUs or PSUs.

As soon as practicable following the vesting date of a Share Unit and in any event no later than December 15 of the third year following the year in respect of which the Share Unit is granted, and for United States participants, prior to March 15th of the year following the year in which the vesting date occurs, the Corporation will redeem all of a SUP Participant's vested Share Units by, as determined in the discretion of the Corporation: (i) issuing from treasury a number of Common Shares that is equal to the number of vested Share Units held by the SUP Participant on the settlement date; (ii) delivering to the SUP Participant an amount in cash (net of applicable withholding taxes) equal to the number of vested Share Units held by the SUP Participant on the settlement date multiplied by the fair market value of a Common Share on the settlement date; (iii) delivering to the SUP Participant a whole number of Common Shares purchased on the open market that is equal to the number of vested Share Units held by the SUP Participant on the settlement date; or (iv) a combination of (i), (ii) and (iii).

Termination of Employment or Services

Unless otherwise determined by the Board, the following rights apply in the event of a termination of a SUP Participant's employment or service under the Restricted and Performance Share Unit Plan.

All RSUs that are granted pursuant to the deferral of a SUP Participant's bonus compensation and all related dividend Share Units, will fully vest on the SUP Participant's cessation date, regardless of the reason for termination of the SUP Participant's employment.

In the event a SUP Participant's employment is terminated for cause (as defined in the Restricted and Performance Share Unit Plan) or the SUP Participant resigns for any reason (other than retirement), all Share Units held by the SUP Participant on the cessation date will automatically terminate.

In the event of a SUP Participant's death, all unvested Share Units held by the SUP Participant on the cessation date will automatically terminate, and any vested Share Units will be settled as soon as practicable following the cessation date.

In the event a SUP Participant's employment is terminated due to a disability, the SUP Participant's retirement or a termination without cause, a portion of the SUP Participant's unvested RSUs and related dividend Share Units will vest on the cessation date. The percentage that will vest will be determined by a fraction, the numerator of which is the number of days that have elapsed from the grant date up to and including the cessation date, and the denominator of which is the number of days from the grant date up to and including the original vesting date, and will be settled as soon as practicable following the cessation date. All other unvested RSUs and related dividend Share Units held by the SUP Participant will automatically terminate on the cessation date.

In the event a SUP Participant's employment is terminated due to a disability, the SUP Participant's retirement or a termination without cause: (i) a portion of the SUP Participant's unvested PSUs and related dividend Share Units (based on the number of days that have elapsed from the grant date up to and including the cessation date) will continue to be held by the SUP Participant and will vest at the same time and based on the achievement of the applicable performance vesting conditions as if the SUP Participant had remained employed or in service until the original vesting date, at which time all vested PSUs and related dividend Share Units will be settled; and (ii) all other PSUs and related dividend Share Units will terminate on the cessation date. All outstanding PSUs and related dividend Share Units that fail to vest on the vesting date will automatically terminate on the vesting date.

For SUP Participants who are consultants, if a SUP Participant's consulting agreement or arrangement is terminated voluntarily by the consultant or by a participating company for breach by the consultant of the consulting agreement or arrangement, which includes a termination for cause, all Share Units held by the consultant on the cessation date will automatically terminate. If a consultant's consulting agreement or arrangement terminates by reason of death of the consultant or by a participating company for any reason whatsoever other than for breach of the consulting agreement or arrangement by the consultant, all unvested share units held by the consultant on the cessation date will automatically terminate and any vested Share Units will be settled as soon as practicable following the cessation date.

Change of Control

In the event of a Change of Control (as defined in the Restricted and Performance Share Unit Plan), the surviving, successor or acquiring entity will assume any outstanding Share Units or substitute similar share units for the outstanding Share Units. If the surviving, successor or acquiring entity does not assume any outstanding Share Units or substitute similar Share Units for the outstanding Share Units, or if the Board otherwise determines in its discretion, the Restricted and Performance Share Unit Plan will be terminated effective immediately prior to the Change of Control and all RSUs (and related dividend Share Units) and a specified number of PSUs (and related dividend Share Units) will be deemed to be vested and, unless otherwise settled, forfeited or cancelled prior to the termination of the plan, will be settled immediately prior to the termination of the Restricted and Performance Share Unit Plan. The number of PSUs which will be deemed to be vested will be determined by the Board, in its discretion, having regard to the level of achievement of the performance vesting conditions prior to the Change of Control.

In the event of a Change of Control, the Board may provide for the treatment of each outstanding Share Unit, which may include, without limitation, one or more of the following: (i) making such other changes to the terms of the Share Units as it considers fair and appropriate in the circumstances, provided such changes are not adverse to the SUP Participants; (ii) otherwise modifying the terms of the Share Units to assist the SUP Participants to tender into a takeover bid or other arrangement leading to a change of control, and thereafter; and (iii) terminating, conditionally or otherwise, the Share Units not settled following successful completion of such Change of Control.

Adjustments

In the event of an adjustment pursuant to a corporate transaction involving a change in the capital of the Corporation, the Board will make such proportionate adjustments, if any, as the Board in its discretion deems appropriate to reflect such change (for the purpose of preserving the value of the Share Units), with respect to: (i) the number or kind of shares or other securities reserved for issuance pursuant to the Restricted and Performance Share Unit Plan; (ii) the number or kind of shares or other securities subject to any outstanding Share Units; (iii) the number of Share Units in the SUP Participants' share unit account; and (iv) the vesting of PSUs; provided, however, that no adjustment will obligate the Corporation to issue or sell fractional securities.

Amendment or Termination

The Board may amend or suspend any provision of the Restricted and Performance Share Unit Plan or any Share Unit, or terminate the Restricted and Performance Share Unit Plan, at any time without Shareholder

approval, subject to applicable law and the rules, regulations and policies of any stock exchange on which the securities of the Corporation are listed, if any, that require the approval of Shareholders or any governmental or regulatory body. However, except as set forth in the Restricted and Performance Share Unit Plan or as required pursuant to applicable law, no action of the Board or Shareholders may materially adversely alter or impair the rights of a SUP Participant under any Share Unit previously granted to the SUP Participant without his or her consent.

The Board may make certain amendments to the Restricted and Performance Share Unit Plan or to any Share Unit outstanding thereunder without seeking Shareholder approval, including, but not limited to, housekeeping amendments, amendments to comply with applicable law or stock exchange rules, amendments necessary for Share Units to qualify for favorable treatment under applicable tax laws, amendments to the vesting provisions of the plan or any Share Unit, amendments to the termination or early termination provisions of the Restricted and Performance Share Unit Plan or any Share Unit, and amendments necessary to suspend or terminate the plan. Only the following types of amendments will not be able to be made without obtaining Shareholder approval:

- increasing the number of Common Shares reserved for issuance under the Restricted and Performance Share Unit Plan;
- permitting the introduction or reintroduction of non-employee directors as eligible recipients of Share Units on a discretionary basis or any amendment that increases the limits previously imposed on non-employee director participation;
- permitting awards to be transferred or assigned other than for normal estate settlement purposes;
- amending the amendment provision under the Restricted and Performance Share Unit Plan; and
- amendments required to be approved by Shareholders under applicable law or the rules of any stock exchange on which the securities of the Corporation are listed.

Assignment

Except as required by law or in the event of death of the participant, the rights of a SUP Participant under the Restricted and Performance Share Unit Plan will not be transferable or assignable.

Legacy Warrant Grants

The Corporation has historically awarded equity compensation to certain of its employees, including the Executive Officers, in the form of Employee Warrants.

As of December 31, 2022, there were 165,820 simple Employee Warrants (as described below) and 123,200 performance Employee Warrants (as described below) outstanding, together representing approximately 0.1% of the issued and outstanding Common Shares as of that date, of which 158,620 simple Employee Warrants, and 106,134 performance Employee Warrants, were vested and exercisable. Vested Employee Warrants may be exercised by the holder by completing an exercise form and delivering it and the exercise price (and any applicable withholdings and deductions) to the Corporation.

The Corporation has awarded both simple Employee Warrants and performance Employee Warrants. Provided the holder remains employed with the Corporation as at the applicable vesting date, simple Employee Warrants generally vest over a period of three (3) to seven (7) years from the date of grant and performance Employee Warrants generally vest upon the achievement of specified performance targets. The Board may accelerate the vesting of the Employee Warrants in its sole discretion immediately prior to a change of control. Employee Warrants are non-transferable without the consent of the Board.

Employee Warrants generally cease to vest and expire as of a holder's cessation of employment or service if it is in connection with a termination by the Corporation for cause (as defined in the applicable Employee Warrant award agreement), the resignation of the holder, a material breach of a consulting contract or the resignation or removal of the holder as a director. In the event of a holder's death or disability, the Employee Warrants held by such holder generally expire at the earlier of: (i) their stated expiry date; and (ii) the day that is one (1) year after the holder's cessation date. In the event of a termination for any other reason, the Employee Warrants held by such holder will generally expire at the earlier of: (i) their stated expiry date; and (ii) the day that is 60 days after the holder's cessation date. On April 3, 2020, the Board approved a six (6) month extension of Employee Warrants beyond their original termination date, provided that in any such case the Employee Warrants will not expire prior to November 4, 2020. Some holders are entitled to accelerated vesting of their Employee Warrants in connection with a termination of their employment by the Corporation without cause. Additionally, if a transaction that would be reasonably likely to result in a change of control has been proposed to the Board and is actively being pursued by the Corporation, the cessation date, on which the holder ceases to be a director of, or to be employed by or under a contract as a consultant with us, by reason of termination without cause, then the Board may determine that some or all of such holder's Employee Warrants will conditionally vest in order to allow the holder to participate in the change of control.

Deferred Share Unit Plan

The Deferred Share Unit Plan provides non-employee directors of the Corporation and its subsidiaries with compensation opportunities that align the interests of non-employee directors with those of Shareholders and attract, retain and motivate non-employee directors critical to the long term success of the Corporation and its subsidiaries. The material features of the Deferred Share Unit Plan are summarized below.

Administration and Eligibility

The Deferred Share Unit Plan is administered by the Board and the Compensation Committee. Eligible Directors may participate in the Deferred Share Unit Plan.

Award of Deferred Share Units

The Board may direct that all or a portion of the Annual Retainer (the “**Mandatory Deferred Retainer Amount**”) shall be received in the form of Deferred Share Units. Additionally, each Eligible Director may elect to receive all or a portion of such director's Annual Retainer that is in excess of the Mandatory Deferred Retainer Amount in the form of Deferred Share Units. Deferred Share Units credited pursuant to Board direction or Eligible Director election shall vest immediately.

All Deferred Share Units will be credited to an Eligible Director's account on the books of the Corporation on the Award Date; provided that, any such date is not a Business Day or in a Blackout Period (as defined in the Deferred Share Unit Plan). The number of Deferred Share Units credited to each Eligible Director's account on the Award Date will be determined by dividing (i) the amount of the applicable portion of the Annual Retainer to be credited on that Award Date by (ii) the fair market value as at the Award Date.

An Eligible Director's account shall be credited with additional Deferred Share Units on any dividend payment date in respect of which normal cash dividends are paid on the Common Shares. Such additional Deferred Share Units shall be computed by dividing (i) the amount obtained by multiplying the amount of the dividend declared and paid per Common Share by the number of Deferred Share Units recorded in the Eligible Director's account on the record date for such dividend, by (ii) the fair market value as at the dividend payment date, rounded to the nearest one-thousandth of a Deferred Share Unit. Such additional Deferred Share Units shall be subject to the same vesting conditions applicable to the related Deferred Share Units.

Redemption of Deferred Share Units

If an Eligible Director ceases to hold all positions with the Corporation or its subsidiaries as a result of a Termination Event, the Corporation shall redeem all vested Deferred Share Units credited to an Eligible Director's account for an amount equal to: (i) the number of vested Deferred Share Units credited to the Eligible Director's account or elected by the Eligible Director, as applicable, multiplied by (ii) the fair market value as at that date minus (iii) applicable withholding taxes (the "**Deferred Share Unit Amount**"). The Deferred Share Unit Amount shall be paid in cash as a lump-sum by the Corporation no later than December 31 of the year following the year in which the Eligible Director's Termination Event (or in the case of a United States Eligible Director, separation from service under Treasury Regulation Section 1.409A -1(h) ("**Separation from Service**")) occurs. Upon payment of the Deferred Share Unit Amount, the Deferred Share Units shall be cancelled and such Eligible Director shall have no further rights under the Deferred Share Unit Plan in respect of the redeemed Deferred Share Units.

Notwithstanding the preceding paragraph, if an Eligible Director becomes an employee of the Corporation or its subsidiaries, such director's eligibility to participate in the Deferred Share Unit Plan will be suspended for the period during which such director remains an employee. In such a circumstance, the director shall not be eligible to be credited with additional Deferred Share Units and shall not be eligible for redemption of Deferred Share Units until the date of the Eligible Director's Termination Event (or in the case of a United States Eligible Director, the Separation from Service).

Except as otherwise provided in the agreement evidencing the award of Deferred Share Units, any Deferred Share Units that are unvested on the date of the Eligible Director's Termination Event (or in the case of a United States Eligible Director, the Separation from Service) shall automatically be forfeited without additional consideration and the Eligible Director shall have no further rights respecting any such Deferred Share Units.

Reorganization of the Corporation

The existence of any Deferred Share Units shall not affect in any way the right or power of the Corporation or its Shareholders to make or authorize any recapitalization, reorganization or other change in the Corporation's capital structure.

Adjustments

In the event of an adjustment pursuant to a corporate transaction involving a change in the capital of the Corporation, the Board will make such proportionate adjustments, if any, as the Board in its discretion deems appropriate to reflect such change (for the purpose of preserving the value of the Deferred Share Units), with respect to: (i) the accounts of each Eligible Director and (ii) the Deferred Share Units outstanding under the Deferred Share Unit Plan; provided, however, that no adjustment will obligate the Corporation to compensate an Eligible Director for a downward fluctuation in the price of Common Shares.

Amendment or Termination

The Board may amend or suspend any provision of the Deferred Share Unit Plan, or terminate the Deferred Share Unit Plan, at any time without Eligible Director consent. However, except as set forth in the Deferred Share Unit Plan or as required pursuant to applicable law, no amendment or termination by the Board may adversely affect the rights of an Eligible Director with respect to the Deferred Share Units to which the Eligible Director is then entitled under the Deferred Share Unit Plan.

Assignment

Except as required by law or in the event of death of the participant, the rights of an Eligible Director under the Deferred Share Unit Plan will not be transferable or assignable.

Benefit Plans

The Corporation provides its Executive Officers with life, medical, dental and vision insurance programs on the same basis as other employees, or an allowance to purchase individual benefit and insurance coverage. These benefits are offered consistent with local market practice.

Executive Share Ownership Guidelines

The Corporation has executive share ownership guidelines to further align the interests of the Executive Officers with those of Shareholders. The ownership guidelines establish minimum equity ownership levels for Executive Officers based on a multiple of their base salary and their level of seniority. Executive Officers are expected to meet the prescribed ownership levels within five (5) years of the later of the completion the Corporation's initial public offering on Nasdaq and the date of their appointment to an executive position.

The following table shows the expected ownership guideline for the Executive Officers:

Level	Base Salary Multiple
Chief Executive Officer	3x
Other Executive Officers	2x

Director Compensation

Introduction

The following discussion describes the significant elements of the compensation program for members of the Board and its Committees. The compensation of directors is designed to attract and retain committed and qualified directors and to align their compensation with the long-term interests of Shareholders. Excluded Directors will not be entitled to receive any compensation for their service as directors. As at December 31, 2022, Zachary George was considered an Excluded Director.

The following table sets out the compensation provided to the directors for Fiscal 2022:

Name	Fees earned (\$)	Share-based awards (\$)	Option-based awards (\$)	Non-equity incentive plan compensation (\$)	Pension value (\$)	All other compensation (\$)	Total (\$)

Director Compensation

The Board, on the recommendation of the Compensation Committee, is responsible for reviewing and approving any changes to the directors' compensation arrangements. Such compensation arrangements are based on multiple factors, including the relatively high number of Board meetings held, high level of activity in which the Corporation engages in and the improved balance sheet of the Corporation, relative to previous years.

Effective as of May 28, 2020 and in consideration for serving on the Board, each director (other than Excluded Directors and the Chairman) is paid an annual cash retainer of \$75,000 and \$225,000 in compensation to be paid in DSUs. The Chairman will receive annual cash compensation of \$125,000 and \$575,000 in compensation to be paid in DSUs, subject to the Chairman continuing to serve on the Board at the time of vesting.

Upon joining the Board on November 27, 2019, Mr. George became entitled to receive 25,000 DSUs in equal installments on December 1, 2019, March 31, 2020, June 30, 2020, September 30, 2020, December 31, 2020, March 31, 2021, June 30, 2021, September 30, 2021, December 31, 2021 and March 31, 2022. Mr. George's compensation as a director (if unvested) was terminated when he became CEO on January 29, 2020.

On May 28, 2020, Mr. George was granted 75,000 RSUs to vest in equal tranches on December 31, 2020 and December 31, 2021 in consideration for his contributions to certain special projects.

The number of DSUs issuable are determined by the installment payment divided by the fair market value of Common Shares at each installment date.

If a change of control occurs, all DSU grants referred to in the immediately preceding paragraphs will immediately vest.

In addition, to reflect the additional workload required in respect of special projects performed, Mr. George was entitled to receive 50,000 warrants (subsequently amended to an entitlement to 50,000 stock options in accordance with the Stock Option Plan), in equal installments on March 31, 2020, June 30, 2020, September 30, 2020, December 31, 2020, March 31, 2021, June 30, 2021, September 30, 2021, December 31, 2021, March 31, 2022 and June 30, 2022. Mr. George's compensation as a director (if unvested) was terminated when he became CEO on January 29, 2020.

In addition, Mr. Mills was issued 72,000 warrants on July 1, 2019 to purchase Common Shares, with an exercise price of \$62.50 per warrant. Under the terms of Mr. Mills' director services agreement, those warrants vested in three equal annual installments in the event Mr. Mills assumes the position of Executive Chairman; however, these warrants expired as of December 31, 2021 because Mr. Mills did not assume the position of Executive Chairman by December 31, 2021. If Mr. Mills were to assume the position of

Executive Chairman, he would receive an annual salary of \$500,000 payable quarterly in equal installments. Mr. Mills' director services agreement contemplates that he may assume the position of Executive Chairman as early as July 2020. ARTICLE 2 ARRANGEMENT

- 2.1 **The Arrangement.** Commencing at the Effective Time, each of the events set out below shall occur and shall be deemed to occur in the following order without any further act or formality except as otherwise provided herein:
 - (a) Subject to Article 4, the Common Shares held by Dissenting Shareholders shall be deemed to have been transferred to SNDL (free and clear of all any Encumbrances) and cancelled, and such Dissenting Shareholders shall cease to have any rights as Shareholders, other than the right to be paid the fair value of their Common Shares in accordance with Article 4, and the names of such holders shall be removed from the register of Shareholders.
 - (b) SNDL shall undertake a reorganization of capital within the meaning of section 86 of the Tax Act as follows, with the following steps occurring in the following order:

- (i) the authorized share structure of SNDL shall be amended by:
 - (A) renaming and re-designating all of the issued and outstanding and unissued Common Shares as Class A Common Shares (the "**Class A Common Shares**"), which shares shall have the same rights and restrictions as the Common Shares except that each Class A Common Share shall be entitled to two (2) votes at any meeting of Shareholders;
 - (B) creating an unlimited number of common shares without par value with terms identical to the Common Shares (the "**New SNDL Shares**"),

and SNDL's Articles of Amalgamation shall be amended to reflect the amendments in Section 2.1(b)(i)(A) and (B) accordingly;

- (ii) in the course of a reorganization of SNDL's capital and subject to adjustment as set out in Section 2.1(e):
 - (A) in respect of Shareholders that would have been entitled to receive more than one (1) Lot of Nova Shares if the Distributed Nova Shares were to be distributed to all Shareholders on a *pro rata* basis based upon the number of Common Shares held thereby on the Distribution Determination Date (such Shareholders being the "**Eligible Shareholders**"), each issued and outstanding Class A Common Share held by such Eligible Shareholder shall be exchanged for: (I) one (1) New SNDL Share; and (II) such number of Distributed Nova Shares as is equal to the Nova Share Ratio, multiplied by the total number of New SNDL Shares issued to such Eligible Shareholder pursuant to this Section 2.1(b)(ii)(A), and such Shareholders shall cease to be the holders of the Class A Common Shares so exchanged; and
 - (B) in respect of Shareholders that would have been entitled to receive one (1) Lot or less of Nova Shares if the Distributed Nova Shares were to be distributed to all Shareholders on a *pro rata* basis based upon the number of Common Shares held thereby on the Distribution Determination Date, each issued and outstanding Class A Common Share held thereby shall be exchanged for: (I) one (1) New SNDL Share; and (II) an amount in cash as is equal to the Nova Fractional Share Value multiplied by number of New SNDL Shares held by such Shareholder, and such Shareholders shall cease to be the holders of the Class A Common Shares so exchanged.

The name of each Shareholder who is so deemed to exchange their Class A Common Shares, shall be removed from the central securities register of Class A Common Shares with respect to the Class A Common Shares so exchanged and shall be added to the central securities registers of New SNDL Shares as the holder of the number of New SNDL Shares deemed to have been received on the exchange; and

- (iii) simultaneously with the step referred to in Section 2.1(b)(ii), the aggregate amount added to the stated capital of the New SNDL Shares will be equal to (A) the aggregate paid-up capital (as that term is used for purposes of the Tax Act) of the Class A Common Shares (excluding Common Shares held by Dissenting Shareholders) immediately prior to the exchange effected pursuant to Section 2.1(b)(ii), less (B) the sum of the fair market value of the Distributed Nova Shares distributed pursuant to Section 2.1(b)(ii)(A) at the time of distribution and the amount of cash distributed pursuant to Section 2.1(b)(ii)(B) at the time of the distribution.
 - (c) The Class A Common Shares, none of which will be allotted and issued once the step referred to in Section 2.1(b)(ii) is completed, shall be cancelled and the authorized share capital of SNDL shall be diminished by deleting the Class A Common Shares as a class of shares, and SNDL's Articles of Amalgamation shall be amended to reflect the foregoing change to its authorized share structure.
 - (d) The Distributed Nova Shares transferred and/or the New SNDL Shares issued to the holders of the Class A Common Shares pursuant to Section 2.1(b)(ii) above, as applicable, will be registered in the names of the former holders of the Class A Common Shares.
 - (e) The exchange ratio for the Distributed Nova Shares may be adjusted to ensure that the aggregate Distributed Nova Shares is distributed on a *pro rata* basis to the Eligible Shareholders (excluding Dissenting Shareholders) on the Distribution Determination Date.
 - (f) Following the completion of the matters contemplated by Sections 2.1(b) and 2.1(c), SNDL shall be authorized to do, and/or cause to be done, to any Distributed Nova Shares that are not distributed to the holders of the Class A Common Shares pursuant to Section 2.1(b)(ii) above (whether due to rounding down of such Distributed Nova Shares pursuant to Section 2.2 or otherwise) all such things as SNDL determines to be necessary or desirable.
 - (g) The exchanges, cancellations and transfers provided in this Section 2.1 shall be deemed to occur on the Effective Date, notwithstanding that certain of the procedures related thereto are not completed until after the Effective Time.
- 2.2 **No Fractional Shares.** Notwithstanding any other provision of this Arrangement, no fractional New SNDL Shares and (in respect of Eligible Shareholders) no fractional Distributed Nova Shares will be issued or transferred pursuant to Section 2.1. Any such fraction will be rounded down to the nearest whole share and Shareholders will not receive any compensation in lieu thereof.
- 2.3 **Distribution Determination Date.** In Section 2.1, the reference to a Shareholder shall mean a person who is a Shareholder on the Distribution Determination Date, subject to the provisions of Article 4.
- 2.4 **Deemed Fully Paid and Non-Assessable.** All New SNDL Shares and Distributed Nova Shares issued pursuant hereto shall be deemed to be validly issued and outstanding as fully paid and non-assessable shares for all purposes.

- 2.5 **Arrangement Effectiveness.** The Arrangement shall become final and conclusively binding on the Shareholders and SNDL on the Effective Date.
- 2.6 **Supplementary Actions.** Notwithstanding that the transactions and events set out in Section 2.1 shall occur and shall be deemed to occur in the chronological order therein set out without any act or formality, each of SNDL and Nova shall be required to make, do and execute or cause and procure to be made, done and executed all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may be required to give effect to, or further document or evidence, any of the transactions or events set out in Section 2.1, including, without limitation, any resolutions of directors authorizing the issue, transfer or redemption of shares, any share transfer powers evidencing the transfer of shares and any receipt therefor, and any necessary additions to or deletions from share registers.
- 2.7 **Withholding Rights.** SNDL shall be entitled to deduct or withhold from the consideration or other amount payable to any Shareholder and from all dividends, other distributions or other amounts otherwise payable to any Shareholder under the Arrangement such Taxes or other amounts as SNDL is required, entitled or permitted to deduct and withhold with respect to such payment under the Tax Act, the United States Internal Revenue Code of 1986, or any other provisions of any applicable Laws. For greater certainty, to the extent that the exchange in subsection 2.1(b)(ii) hereof gives rise to a deemed dividend under the Tax Act, SNDL shall be entitled (in respect of Eligible Shareholders) to retain and sell that number of Distributed Nova Shares and (in respect of Shareholders other than Eligible Shareholders) such amount in cash as may be required to satisfy any withholding requirement under the Tax Act or any other applicable Laws. To the extent that Taxes or other amounts are so deducted or withheld, such deducted or withheld Taxes or other amounts shall be treated for all purposes under this Plan of Arrangement as having been paid to the Shareholder in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority and for greater certainty the number of Distributed Nova Shares retained and sold by SNDL or the amount of cash retained by SNDL, if any, shall be deemed to have been issued or paid, as applicable, to the applicable Shareholders.
- 2.8 **U.S. Securities Law Exemption.** Notwithstanding any provision herein to the contrary, the Plan of Arrangement will be carried out with the intention that all New SNDL Shares and Distributed Nova Shares issued on completion of the Plan of Arrangement to the Shareholders in the United States will be distributed by SNDL to Shareholders in reliance on the Section 3(a)(10) Exemption from the registration requirements of the U.S. Securities Act.

ARTICLE 3 CERTIFICATES

- 3.1 **Class A Common Shares.** Recognizing that Common Shares will be renamed and re-designated as Class A Common Shares pursuant to Section 2.1(a) and that the Class A Common Shares shall be exchanged partially for New SNDL Shares pursuant to Section 2.1(b)(ii), SNDL shall not issue replacement share certificates representing Class A Common Shares.
- 3.2 **Distributed Nova Share Certificates.** To facilitate the transfer of the Distributed Nova Shares to the Eligible Shareholders, SNDL shall execute and deliver to the Depositary, an

irrevocable power of attorney together with the share certificate or other instrument representing the Distributed Nova Shares, authorizing the Transfer Agent to distribute and transfer the Distributed Nova Shares to such Eligible Shareholders in accordance with the Plan of Arrangement and in accordance with the Letters of Transmittal deposited with the Depositary by the Eligible Shareholders.

- 3.3 **New Share Certificates.** From and after the Effective Date, share certificates representing Common Shares not deemed to have been cancelled pursuant to Article 4 shall for all purposes be deemed to be share certificates representing New SNDL Shares, and no new share certificates shall be issued with respect to the New SNDL Shares issued in connection with the Arrangement.
- 3.4 **Interim Period.** Any Common Shares traded after the Distribution Determination Date will represent New SNDL Shares as of the Effective Date and shall not carry any rights to receive Distributed Nova Shares or cash pursuant to the Arrangement.

ARTICLE 4 DISSENTING SHAREHOLDERS

- 4.1 Each registered holder of Common Shares shall have the right to dissent with respect to the Arrangement in accordance with the Interim Order and this Article 4. Notwithstanding subsection 191(5) of the ABCA, the written objection to the Arrangement referred to in subsection 191(5) of the ABCA must be received by SNDL from the Dissenting Shareholder not later than 4:00 p.m. (Calgary time) on the date that is five (5) business days prior to the date of the Meeting, all in accordance with the Interim Order.
- 4.2 A Dissenting Shareholder shall, at the Effective Time, cease to have any rights as a holder of Common Shares (other than as set forth herein), and shall only be entitled to be paid by SNDL the fair value of the holder's Common Shares. A Dissenting Shareholder who is entitled to be paid by SNDL the fair value of the holder's Common Shares shall, pursuant to Section 2.1(a), be deemed to have transferred the holder's Common Shares (free and clear of any Encumbrances) to SNDL for cancellation without any further act or formality notwithstanding the provisions of section 191 of the ABCA.
- 4.3 A Dissenting Shareholder who for any reason is not ultimately entitled to be paid the fair value of the holder's Common Share, shall be deemed to have participated in the Arrangement on the same basis as a non-dissenting holder of Common Shares notwithstanding the provisions of section 191 of the ABCA.
- 4.4 The fair value of the Common Shares shall be determined as of the close of business on the last Business Day before the day on which the Arrangement Resolution is approved by the Shareholders.
- 4.5 In no event shall SNDL be required to recognize any Dissenting Shareholder as a Shareholder after the Effective Time, and the names of such holders shall be removed from the register of Shareholders as at the Effective Time.
- 4.6 For greater certainty, in addition to any other restrictions in section 191 of the ABCA, any person who has voted in favour of the Arrangement Resolution shall not be entitled to dissent with respect to such person's Common Shares for the Arrangement. In addition,

a Dissenting Shareholder may only exercise Dissent Rights in respect of all, and not less than all, of its Common Shares.

- 4.7 SNDL shall be entitled to deduct or withhold from the consideration or other amount payable to any Dissenting Shareholder such Taxes or other amounts as SNDL is required, entitled or permitted to deduct and withhold with respect to such payment under the Tax Act, the United States Internal Revenue Code of 1986, or any other provisions of any applicable Laws. For greater certainty, to the extent that the cancellation in Section 4.2 hereof gives rise to a deemed dividend under the Tax Act, SNDL shall be entitled to retain such amount in cash as may be required to satisfy any withholding requirement under the Tax Act or any other applicable Laws. To the extent that Taxes or other amounts are so deducted or withheld, such deducted or withheld Taxes or other amounts shall be treated for all purposes under this Plan of Arrangement as having been paid to the Dissenting Shareholder in respect of which such deduction and withholding was made, provided that such withheld amounts are actually remitted to the appropriate taxing authority and for greater certainty the amount of cash retained by SNDL, if any, shall be deemed to have been paid to the applicable Dissenting Shareholders.

ARTICLE 5 AMENDMENTS

- 5.1 SNDL may amend, modify and/or supplement this Plan of Arrangement at any time and from time to time prior to the Effective Time, provided that each such amendment, modification and/or supplement must be: (a) set out in writing; (b) filed with the Court and, if made following the Meeting, approved by the Court if required by the Court; and (c) communicated to the Shareholders if and as required by the Court.
- 5.2 Any amendment, modification or supplement to this Plan of Arrangement may be proposed by SNDL at any time prior to or at the Meeting (provided that the other party shall have consented thereto) with or without any other prior notice or communication, and if so proposed and accepted by the persons voting at the Meeting (other than as may be required under the Interim Order), shall become part of this Plan of Arrangement for all purposes.
- 5.3 Any amendment, modification or supplement to this Plan of Arrangement that is approved by the Court following the Meeting shall be effective only if, as required by the Court or applicable law, it is consented to by the Shareholders.

ARTICLE 6 FURTHER ASSURANCES

- 6.1 Notwithstanding that the transactions and events set forth herein shall occur and shall be deemed to occur in the order set forth in this Plan of Arrangement without any further act or formality, SNDL shall make, do and execute, or cause to be made, done and executed, all such further acts, deeds, agreements, transfers, assurances, instruments or documents as may reasonably be required in order further to document or evidence any of the transactions or events set forth herein.
- 6.2 From and after the Effective Time (a) this Plan of Arrangement shall take precedence and priority over any and all rights related to Common Shares issued prior to the Effective Time; (b) the rights and obligations of the holders of Common Shares and any respective

trustee and transfer agent therefor, shall be solely as provided for in this Plan of Arrangement; and (c) all actions, causes of actions, claims or proceedings (actual or contingent, and whether or not previously asserted) based on or in any way relating to Common Shares shall be deemed to have been settled, compromised, released and determined without liability except as set forth herein.
