MANAGEMENT INFORMATION CIRCULAR

The information contained in this Management Information Circular (the “**Information Circular**”), unless otherwise indicated, is as of **April 5, 2024**.

This Information Circular is furnished in connection with the solicitation of proxies by the management of Lanebury Growth Capital Ltd. for use at the annual general and special meeting (the “**Meeting**”) of holders of common shares of the Company (“**Shareholders**”) that is to be held virtually on at the time and place and for the purposes set forth in the accompanying notice of the Meeting.

In this Information Circular, references to the “**Company**”, “**we**”, “**our**” and “**Lanebury**” refer to Lanebury Growth Capital Ltd. “**Common Shares**” means common shares in the capital of the Company. “**Beneficial Shareholders**” means holders of Common Shares who do not hold their Common Shares in their own name and “**Intermediaries**”, as defined herein, refers to brokers, investment firms, clearing houses and similar entities that hold securities on behalf of Beneficial Shareholders.

The Company is relying on the “notice-and-access” delivery procedures outlined in this Information Circular to distribute copies of proxy-related materials in connection with the Meeting. See “Notice and Access” below for further information.

All dollar amounts presented in this Information Circular are in Canadian dollar amounts, unless otherwise stated.

SECTION 1 - GENERAL PROXY AND VOTING INFORMATION

SOLICITATION OF PROXIES

The solicitation of proxies will primarily be made by sending proxy materials to Shareholders by mail, and in relation to the delivery of this Information Circular, by filing it under the Company’s profile on the System for Electronic Document Analysis and Retrieval + (“**SEDAR**”) at www.sedarplus.ca pursuant to Notice and Access (as defined hereunder). The solicitation of proxies by management of the Company will be conducted by mail and may be supplemented by telephone or other personal contact and such solicitation will be made without special compensation granted to the directors, officers and employees of the Company. The Company does not reimburse shareholders, nominees or agents for costs incurred in obtaining, from their principals, authorization to execute forms of proxy, except that the Company has requested brokers and nominees who hold stock in their respective names to furnish this Information Circular and proxy materials to their customers, and the Company will reimburse such brokers and nominees for their related out of pocket expenses. No solicitation will be made by specifically engaged employees or soliciting agents. The cost of solicitation will be borne by the Company.

No person has been authorized to give any information or to make any representation other than as contained in this Information Circular in connection with the solicitation of proxies. If given or made, such information or representations must not be relied upon as having been authorized by the Company. The delivery of this Information Circular shall not create, under any circumstances, any implication that there has been no change in the information set forth herein since the date of this Information Circular. This Information Circular does not constitute the solicitation of a proxy by anyone in any jurisdiction in which such solicitation is not authorized, or in which the person making such solicitation is not qualified to do so, or to anyone to whom it is unlawful to make such an offer of solicitation.

NOTICE AND ACCESS

The Company has chosen to deliver the Meeting proxy materials, including the Notice and Access Notification to Shareholders (the "**Notification**"), the Notice of Annual General and Special Meeting of Shareholders and the Information Circular and a form of Proxy (the "**Proxy**") (together, the "**Proxy Materials**") using Notice-and-Access provisions, which govern the delivery of proxy-related materials to Shareholders utilizing the internet. Notice-and-Access provisions are found in section 9.1.1 of National Instrument 51-102 – Continuous Disclosure Obligations ("**NI 51-102**"), for delivery to Registered Shareholders, and in section 2.7.1 of National Instrument 54-101 – Communication with Beneficial Owners of Securities of a Reporting Issuer ("**NI 54-101**"), for delivery to beneficial Shareholders (together, the "**Notice-and-Access Provisions**"). Notice-and-Access Provisions allow the Company to deliver Proxy Materials to Shareholders by posting them on a non-SEDAR website (usually the reporting issuer's website or the website of their transfer agent), provided that the conditions of NI 51-102 and NI 54-101 are met, rather than by printing and mailing all of the Proxy Materials, in particular the Information Circular.

Notice-and-Access Provisions can be used to send proxy materials for both annual and special meetings of the Shareholders. The Shareholders may still choose to receive a paper copy of the Information Circular, and are entitled to request a paper copy of the Information Circular be mailed to them at the Company's expense.

Use of Notice-and-Access Provisions reduces paper waste and the Company's printing and mailing costs. Under Notice-and-Access Provisions the Company must mail a Notification and a form of proxy or voting instruction form, as applicable (together, the "**Notice Package**") to each Shareholder, including Registered and Beneficial Shareholders, indicating that the Proxy Materials have been posted online and explaining how a Shareholder can access them; and how they may obtain a paper copy of the Information Circular, from the Company. The Information Circular has been posted in full, together with the Notification, the Notice of Annual General and Special Meeting and the Proxy, on the Company's SEDAR profile at www.sedarplus.ca.

HOW TO OBTAIN A PAPER COPY OF THE CIRCULAR

Any Shareholder may request a paper copy of the Information Circular be mailed to them, at no cost, by contacting the Company's transfer agent Odyssey Trust Company, via <https://odysseytrust.com/ca-en/help/> or by phone at 1-888-290-1175 (toll-free within North America) or 1-587-885-0960 (direct from outside North America).

To allow adequate time for a Shareholder to receive and review a paper copy of the Information Circular and then to submit their vote by 10:00 A.M. Pacific Time on **Monday, May 20, 2024** (the "**Proxy Deadline**"), a Shareholder requesting a paper copy of the Information Circular as described above, should ensure such request is received no later than **May 13, 2024**.

Under Notice-and-Access Provisions, Proxy Materials must be available for viewing for up to one year from the date of posting and a paper copy of the Information Circular can be requested at any time during this period. To obtain a paper copy of the Information Circular after the Meeting date, please contact the Company.

Pursuant to Notice-and-Access Provisions, the Company has set the record date for the Meeting to be at least 40 days prior to the Meeting in order to ensure there is sufficient time for the Proxy Materials to be posted on the applicable website and for them to be delivered to Shareholders. The form of notice-and-access notification in the Company's notice package must (i) provide basic information about the Meeting and the matters to be voted on; (ii) explain how a Shareholder can obtain a paper copy of the Information Circular and any related financial statements and management discussion and analysis; (iii) explain the Notice-and-Access Provisions process; all of which are included in the Notification. The Notice Package, which is being mailed to Shareholders by the Company, in each case includes the applicable

voting document: the Proxy for Registered Shareholders; or a VIF in the case of Non-Registered (Beneficial) Shareholders.

Also, pursuant to Notice-and-Access Provisions, since the Company has not previously utilized Notice-and-Access Provisions for delivery of its annual meeting proxy materials, the Company ensured there are a minimum of 25 days between the date the company SEDAR files Notice of Meeting and Record Dates and the stipulated record date of the meeting.

The Company will not use a procedure known as 'stratification' in relation to its use of Notice-and-Access Provisions. Stratification occurs when a reporting issuer using Notice-and-Access Provisions also provides a paper copy of its management information circular to some of its shareholders with the Notice Package. All Shareholders will receive only the Notice Package, which must be mailed to them pursuant to Notice-and-Access Provisions, and which will not include a paper copy of the Information Circular. All Proxy Materials, which have the information a Shareholder requires to vote in respect of all resolutions to be voted on at the Meeting, will be posted online. Shareholders will not receive a paper copy of the Information Circular from the Company, or from any intermediary, unless a Shareholder specifically requests one.

All Shareholders may call at 1-888-290-1175 (toll-free within North America) or 1-587-885-0960 (direct from outside North America). in order to obtain additional information relating to Notice-and-Access Provisions or to request a paper copy of the Information Circular, up to and including the date of the Meeting, including any adjournment of the Meeting.

WHO CAN VOTE?

If you are a registered Shareholder of the Company as at **April 5, 2024**, you are entitled to notice of and to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the Meeting. If the Common Shares are registered in the name of a corporation, a duly authorized officer of that corporation may attend on its behalf but documentation indicating such officer's authority should be presented at the Meeting. If you are a registered Shareholder but do not wish to, or cannot, attend the Meeting you can appoint someone who will attend the Meeting and act as your proxyholder to vote in accordance with your instructions (see "*Voting by Proxy*" below). If your Common Shares are registered in the name of a "nominee" (usually a bank, trust company, securities dealer, financial institution or other intermediary ("**Intermediary**" or "**Intermediaries**," as appropriate)) you should refer to the section entitled "**Non-Registered Shareholders**" set out below.

It is important that your Common Shares be represented at the Meeting regardless of the number of Common Shares you hold. If you will not be attending the Meeting, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your Common Shares will be represented.

VOTING BY PROXY

If you do not come to the Meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote or you can let him or her decide for you. You can do this by completing a form of proxy.

In order to be valid, you must return the completed form of proxy to the Company's transfer agent, Odyssey Trust Company, 350-409 Granville Street, Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at (800) 517-4553 not later than 48 hours, excluding Saturdays, Sundays and holidays, prior to the time fixed for the Meeting or any adjournments thereof. Alternatively, a shareholder may complete his or her form of proxy online at <http://odysseytrust.com/Transfer-Agent/Login> by following the instructions provided on the form of proxy. In the event of a strike, lockout or other work stoppage involving postal employees, all documents required to be delivered by a shareholder should be delivered by facsimile to Odyssey Trust Company at (800) 517-4553.

What is a Proxy?

A form of proxy is a document that authorizes someone to attend the Meeting and cast your votes for

you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointing a Proxyholder

The persons named as management proxyholders to represent registered Shareholders at the Meeting are Lance Tracey, Chief Executive Officer and Directors of the Company, or Sheri Rempel, Chief Financial Officer and a Director of the Company (collectively, the “**Management Proxyholders**”).

A Shareholder wishing to appoint some other person or company (who need not be a Shareholder) other than the designated persons named in the form of proxy to represent him or her at the Meeting has the right to do so, either by inserting such other person’s or company’s name in the blank space provided in the form of proxy or by completing another form of proxy. Such a Shareholder should notify the nominee of his or her appointment, obtain his or her consent to act as proxy and instruct him or her on how the Shareholder’s Common Shares are to be voted or withheld from voting. In any case, the form of proxy should be dated and executed by the Shareholder or his/her attorney authorized in writing, or if the Shareholder is a company, under its corporate seal, or by an officer or attorney thereof duly authorized.

Similar procedures should be followed by a non-registered Shareholder with respect to the completion of a voting instruction form (“**VIF**”) provided by such Shareholder’s Intermediary, although the Shareholder should read the instructions on his or her VIF and, if necessary, confirm the instructions with his or her Intermediary. If a non-registered Shareholder wishes to attend the Meeting to vote in person, the Shareholder must instruct the Intermediary to appoint him or her as a proxyholder.

A proxy will not be valid for the Meeting or any adjournment thereof unless the completed, signed and dated form of proxy is delivered to the office of the Transfer Agent by mail or by hand, not later than 48 hours (excluding Saturdays, Sundays and holidays) before the commencement of the Meeting.

The Company has sent the Notice Package, to all eligible Shareholders informing them that this Information Circular is available online and explaining how this Information Circular may be accessed. The Company will not directly send the Notice Package to Beneficial Shareholders (as defined below). Instead, the Company will pay the Intermediaries for the distribution to Beneficial Shareholders whose Common Shares are held by or in the custody of such Intermediaries. Such Intermediaries are required to forward the Notice Package to Beneficial Shareholders unless a Beneficial Shareholder has waived the right to receive it. The solicitation of proxies from Beneficial Shareholders will be carried out by the Intermediaries or by the Company if the names and addresses of the Beneficial Shareholders are provided by Intermediaries. The Company will pay the permitted fees and costs of Intermediaries incurred in connection with the distribution of the Notice Package.

Instructing Your Proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your Common Shares or withhold them from voting. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your Common Shares or withhold them from voting in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your Common Shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your Common Shares IN FAVOUR of each of the items of business being considered at the Meeting.

For more information about these matters, see Section 3 – Particulars of Matters to be Acted Upon. **The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting.** At the time of printing this Information Circular, management of the Company is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the Meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Revocation of Proxies

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the Meeting via teleconference and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which indicates, clearly, that you want to revoke your proxy and delivering this signed written statement to the Company at 750 West Pender Street, Suite 401, Vancouver, British Columbia, V6C 2T7 or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 4:00 p.m. in the afternoon (Pacific Time) on the last business day before the day of the Meeting, or any adjournment thereof, or delivered to the person presiding at the Meeting before it (or any adjournment) commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the Meeting in person via teleconference. **Only registered shareholders may revoke a proxy. If your shares are not registered in your own name and you wish to change your vote, you must arrange for your nominee to revoke your proxy on your behalf (see below under “Non-Registered Shareholders”).**

REGISTERED SHAREHOLDERS

Registered Shareholders may wish to vote by proxy whether or not they are able to attend the Meeting in person via teleconference. Registered Shareholders electing to submit a proxy may do so by completing, dating and signing the enclosed form of proxy and returning it to the Company’s transfer agent, Odyssey Trust Company, 350-409 Granville Street, Vancouver, BC V6C 1T2, Attention: Proxy Department, or by fax at (800) 517-4553.

In all cases, the proxy must be received at least 48 hours (excluding Saturdays, Sundays and holidays) before the Meeting or the adjournment thereof at which the proxy is to be used.

NON-REGISTERED SHAREHOLDERS

The following information is of significant importance to Shareholders of the Company who do not hold Common Shares in their own name. These Shareholders are called Beneficial Shareholders. Beneficial Shareholders should note that the only proxies that can be recognized and acted upon at the Meeting are those deposited by registered Shareholders (those whose names appear on the records of the Company as the registered holders of Common Shares).

If Common Shares are listed in an account statement provided to a Shareholder by a broker, then in almost all cases those Common Shares will not be registered in the Shareholder’s name on the records of the Company. Such Common Shares will more likely be registered under the name of the Shareholder’s broker or an agent of that broker. In the United States the vast majority of such Common Shares are registered under the name of Cede & Co. as nominee for The Depository Trust Company (which acts as depository for many United States brokerage firms and custodian banks), and in Canada, under the name of CDS & Co. (the registration name for The Canadian Depository for Securities Limited, which acts as nominee for many Canadian brokerage firms).

Intermediaries are required to seek voting instructions from beneficial Shareholders in advance of Shareholders’ meetings. Every Intermediary has its own mailing procedures and provides its own return instructions to clients.

IF YOU ARE A BENEFICIAL SHAREHOLDER

You should carefully follow the instructions of your broker or Intermediary in order to ensure that your Common Shares are voted at the Meeting.

The form of proxy supplied to you by your broker will be similar to the proxy provided to registered Shareholders by the Company. However, its purpose is limited to instructing the Intermediary on how to vote on your behalf. Many brokers delegate responsibility for obtaining instructions from clients to an investor communication service (“**ICS**”) in Canada/the United States. The ICS will typically mail a voting instruction form in lieu of a proxy provided by the Company. The voting instruction form will name the same persons as the Company’s Proxy to represent you at the Meeting. **You have the right to appoint a person (who need not be a Beneficial Shareholder of the Company), other than the persons designated in the voting instruction form, to represent you at the Meeting. To exercise this right, you should insert the name of the desired representative in the blank space provided in the voting**

instruction form. The completed voting instruction form must then be returned to the ICS by mail or facsimile or given to the ICS by phone or over the internet, in accordance with the ICS' instructions. The ICS then tabulates the results of all instructions received and provides appropriate instructions respecting the voting of Common Shares to be represented at the Meeting. If you receive a voting instruction form from an ICS, you cannot use it to vote Common Shares directly at the Meeting - the voting instruction form must be completed and returned to the ICS, in accordance with its instructions, well in advance of the Meeting in order to have the Common Shares voted.

Although as a beneficial Shareholder you may not be recognized directly at the Meeting for the purposes of voting Common Shares registered in the name of your broker, you, or a person designated by you, may attend at the Meeting as proxy holder for your broker and vote your Common Shares in that capacity. If you wish to attend at the Meeting and indirectly vote your Common Shares as proxy holder for your broker, or have a person designated by you do so, you should enter your own name, or the name of the person you wish to designate, in the blank space on the voting instruction form provided to you and return the same to your broker in accordance with the instructions provided by such broker (or agent), well in advance of the Meeting.

Alternatively, you can request in writing that your broker send you a legal proxy which would enable you, or a person designated by you, to attend at the Meeting and vote your Common Shares.

This Information Circular and related material is being sent to both registered and non-registered owners of the securities of the Company. If you are a non-registered owner, and the Company or its agent has sent these materials directly to you, your name and address and information about your holdings of securities have been obtained in accordance with applicable securities regulatory requirements from the Intermediary holding on your behalf.

By choosing to send these materials to you indirectly the Intermediary holding on your behalf has assumed responsibility for (i) delivering these materials to you and (ii) executing your proper voting instructions. Please return your voting instructions as specified in your request for voting instructions.

Non-Registered Holders should carefully follow the instructions of their Intermediaries and their service companies, including instructions regarding when and where the voting instruction form or proxy form is to be delivered.

NOTICE TO SHAREHOLDERS IN THE UNITED STATES

The solicitation of proxies involves securities of an issuer located in Canada and is being effected in accordance with the corporate laws of Canada and securities laws of the provinces of Canada. APPROVAL OF STOCK OPTION PLAN

At the Meeting, shareholders will be asked to consider and, if deemed advisable, to pass, with or without variation, an ordinary resolution approving the Company's "rolling" stock option plan (the "**Plan**") dated December 7, 2015 (the "**Plan Resolution**"), subject to such amendments, variations or additions as may be approved at the Meeting. Pursuant to the Plan a maximum of 10% of the number of issued and outstanding shares of the Company at any given time may be reserved for issuance pursuant to the exercise of options. The Plan was previously approved by the Shareholders of the Company at its Annual General Meeting held on January 28, 2016. The complete text of the Plan is available under the Company's profile on SEDAR (www.sedarplus.ca) and a summary of its material terms is provided below.

Particulars of the Option Plan

The Plan provides that stock options may be granted to directors, officers, employees and consultants of the Company (and any subsidiary of the Company) and management company employees.

The purpose of the Plan is to provide the Company with a share related mechanism to enable the Company to attract, retain and motivate qualified directors, officers, employees and other service providers, to reward directors, officers, employees and other service providers for their contribution toward the long-term goals of the Company and to enable and encourage such individuals to acquire shares of the Company as long term investments.

The following information is intended to be a brief description of the Plan and is qualified in its entirety by the full text of the Plan:

- the number of shares which will be available for purchase pursuant to options granted pursuant to this Plan, plus any other outstanding incentive stock options of the Company granted pursuant to a previous stock option plan or agreement, will not exceed 10% of the number of shares that are outstanding (on a non-diluted basis) immediately prior to the share issuance or grant of option in question (the "**Outstanding Issue**");
- if any option expires or otherwise terminates for any reason without having been exercised in full, the number of shares in respect of such expired or terminated option shall again be available for the purposes of granting options pursuant to this Plan;

- the options are non-assignable and may be granted for a term not exceeding ten years;
- the exercise price shall not be lower than the greater of the closing market price of the common shares on (a) the trading day prior to the date of grant of the stock options; and (b) the date of grant of the stock options;
- the terms of an option may not be amended once issued;
- if an option is cancelled prior to its expiry date, the Company shall post notice of the cancellation and shall not grant new options to the same person until 30 days have elapsed from the date of cancellation;
- the maximum number of options which may be granted to any one option holder under the Plan within any 12-month period shall be 5% of the Outstanding Issue on the date of grant (unless the Company has obtained disinterested shareholder approval, if required by the applicable securities laws);
- if required by the applicable securities laws, disinterested shareholder approval is required to the grant to insiders of the Company, within a 12-month period, of a number of options which, when added to the number of outstanding incentive stock options granted to insiders of the Company within the previous 12 months, exceed 10% of the issued shares;
- the maximum number of options which may be granted to any one consultant within any 12-month period must not exceed 2% of the Outstanding Issue;
- the maximum number of options which may be granted within any 12-month period to employees or consultants engaged in investor relations activities must not exceed 2% of the Outstanding Issue and such options must vest in stages over 12 months with no more than 25% of the options vesting in any three month period; and
- vesting of options, except as noted above, shall be determined by the Board of Directors and shall be set out in the option certificate issued in respect of the options.

A copy of the Plan is available for inspection under the Company's profile on SEDAR (www.sedarplus.ca). A shareholder may also obtain a copy of the Plan by contacting the Company at Suite 401, 750 West Pender Street, Vancouver, BC V6C 2T7 or by fax No. 604-428-7052.

To be effective, the Plan Resolution requires the affirmative vote of not less than a majority of the votes cast by shareholders present or represented by proxy and entitled to vote at the Meeting.

The Board unanimously recommends that shareholders vote in favour of the Plan Resolution. Unless otherwise indicated, the persons designated as proxyholders in the accompanying form of proxy will vote the Common Shares represented by such form of proxy, properly executed, FOR the Plan Resolution. The text of the Plan Resolution to be passed by shareholders at the Meeting is set out below:

Under the policies of the Canadian Securities Exchange ("CSE") as revised effective April 3, 2023, the Company must obtain shareholder approval of the Plan within three years after institution and within every three years thereafter. Accordingly, shareholders will be asked to approve the following resolution:

"BE IT RESOLVED THAT:

- 1. the Plan pursuant to which the directors may, from time to time, authorize the issuance of stock options to directors, officers, employees and consultants of the Company and its subsidiaries to a maximum of 10% of the issued and outstanding Common Shares at the time of the grant, be and is hereby ratified, confirmed and approved;*
- 2. the Company shall seek shareholder approval of the Plan no later than May 22, 2026; and*
- 3. any director or officer of the Company is hereby authorized and directed, acting for, in the name of, and on behalf of, the Company, to execute or cause to be executed and to deliver or cause to be delivered, such other documents and instruments, and to do or cause to be done all such acts and things, as may in the opinion of such director or officer be necessary or desirable to carry out the intent of the foregoing resolutions."*

The Board recommends that the Shareholders vote for the Plan Resolution. Proxies received in favour of management will be voted for the Plan Resolution unless a Shareholder has specified in the Proxy that the Common Shares are to be voted against the Plan Resolution.

Management of the Company knows of no other matters to come before the Meeting other than those referred to in the Notice of Meeting. The Plan was established to provide an incentive to qualified parties to increase their proprietary interest in the Company and thereby encourage their continuing association with the Company. Mr. Tracey was appointed as CEO on November 30, 2015 and does not currently receive compensation for this position. There are no changes of control benefits in place.

Oversight and description of director and NEO compensation

Compensation of Directors

The compensation of directors and the CEO is determined by the Board as a whole. The level of compensation for directors is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources.

The Company had no arrangements, standard or otherwise, pursuant to which directors were compensated by the Company for their services in their capacity as directors, or for committee participation, involvement in special assignments or for services as a consultant or expert during the financial year ended **June 30, 2023**, or subsequently, up to and including the date of this Information Circular with the exception of stock-based compensation as detailed in this Information Circular. The quantity and quality of Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current compensation arrangements

adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent director(s) with significant input into compensation decisions. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time and in the opinion of the Board, should the size and activities of the Company and the number of management employees warrant the formation of a formal compensation committee, one shall be appointed at such time.

Compensation of NEOs

Compensation of NEOs is reviewed annually and determined by the Board as a whole. The level of compensation for NEOs is determined after consideration of various relevant factors, including the expected nature and quantity of duties and responsibilities, past performance, comparison with compensation paid by other issuers of comparable size and nature, and the availability of financial resources. In the Board's view, there is, and has been, no need for the Company to design or implement a formal compensation program for NEOs.

Elements of NEO Compensation

As discussed above, the Company provides a Stock Option Plan to motivate NEOs by providing them with the opportunity, through stock options, to acquire an interest in the Company and benefit from the Company's growth. The Board does not employ a prescribed methodology when determining the grant or allocation of stock options to NEOs. Other than the Stock Option Plan, the Company does not offer any long-term incentive plans, share compensation plans, retirement plans, pension plans, or any other such benefit programs for NEOs.

Pension disclosure

The Company does not have any pension, defined benefit, defined contribution or deferred compensation plans currently in place or proposed at this time.

SECTION 5 - AUDIT COMMITTEE

National Instrument 52-110 *Audit Committees* ("NI 52-110") requires the Company, as a venture issuer to disclose annually in its Information Circular certain information concerning the constitution of its audit committee and its relationship with its independent auditor, as set forth in the following:

AUDIT COMMITTEE CHARTER

The audit committee has a charter which was adopted by the Board on December 7, 2015, and a copy of which is attached to this Information Circular as Schedule "A", filed on SEDAR at (www.sedarplus.ca), and is specifically incorporated by reference into, and forms an integral part of this Information Circular.

COMPOSITION OF AUDIT COMMITTEE

NI 52-110 provides that a member of an audit committee is "independent" if the member has no direct or indirect material relationship with the Company, which could, in the view of the Board, reasonably interfere with the exercise of the member's independent judgment.

NI 52-110 provides that an individual is "financially literate" if he or she has the ability to read and understand a set of financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be expected to be raised by the Company's financial statements.

Following the election of directors pursuant to this Information Circular, it is intended that Sheri Rempel, Timothy Grzyb and Gary Sherlock will continue to be members of the Audit Committee.

Ms. Rempel is an executive officer being Chief Financial Officer and Corporate Secretary of the Company and is not considered independent. Messrs. Grzyb and Sherlock are not executive officers of the Company, therefore, they are independent members of the Audit Committee.

All members of the audit committee are considered to be financially literate and have the ability to read and understand financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of the issues that can reasonably be

expected to be raised by the Company's financial statements.

RELEVANT EDUCATION AND EXPERIENCE

All of the Audit Committee members are senior-level businesspeople with experience in financial matters; each has an understanding of accounting principles used by the Company to prepare financial statements and varied experience as to general application of such accounting principles, as well as the internal controls and procedures necessary for financial reporting, garnered from working in their individual fields of endeavour.

Sheri Rempel has more than 25 years of accounting and financial management experience. Ms. Rempel started her career with public companies in 2001 and currently provides senior financial advisory services to Canadian private and public corporations, acting in officer or Controller capacities. In 2006 she founded CTB Consulting Inc. to provide comprehensive financial reporting services to public companies on the TSX, TSX Venture and Canadian Securities Exchanges; in 2018 Ms. Rempel founded ARO Consulting Inc., a private consulting company providing financial and corporate services to both public and private companies on the TSX, TSX Venture and Canadian Securities Exchanges.

Timothy Grzyb has obtained a bachelor's degree in Business Administration, Finance and Accounting from the University of Regina, Saskatchewan, and for the past 20 years he has been providing B2B IT services through his company, Cinder Systems Inc. Mr. Grzyb specializes in the implementation and support of CMMS, ERP, accounting, and cloud-based systems for clients in a diverse number of industries, in both the public and private sectors. Cinder Systems Inc. currently provides IT support to multiple TSX, TSX Venture and CSE-listed companies.

Gary Sherlock has over 25 years of experience in the executive leadership in both corporate and operational roles. He has previously served as CEO and co-CEO of Peer 1 Hosting, a TSX-listed Vancouver-based internet infrastructure provider. With his business partner Fabio Banducci, Mr. Sherlock repositioned the company strategically upmarket, restructured the organization, expanded its operations both domestically and globally and grew the organization to over 500 employees while delivering best in class operating metrics. During his tenure at Peer 1, annualized revenues grew to \$200 million and in January 2013, Peer 1 was acquired by Cogeco Cable for \$650 million. Mr. Sherlock graduated with distinction from the University of Regina with a Bachelor of Administration and held Chartered Professional Accountant (CPA, CA and CMA) designation from 1989 to 2024.

Each member of the Company's Audit Committee has adequate education and experience relevant to his/hers performance as an audit committee member and, in particular, the requisite education and experience that provides the member with:

- (a) an understanding of the accounting principles used by the Company to prepare its financial statements;
- (b) the ability to assess the general application of such principles in connection with the accounting for estimates, accruals and provisions;
- (c) experience preparing, auditing, analyzing or evaluating financial statements that present a breadth and level of complexity of accounting issues that are generally comparable to the breadth and complexity of issues that can reasonably be expected to be raised by the Company's financial statements or experience actively supervising individuals engaged in such activities; and
- (d) an understanding of internal controls and procedures for financial reporting.

AUDIT COMMITTEE OVERSIGHT

At no time since the commencement of the Company's most recently completed financial year was a recommendation of the Audit Committee to nominate or compensate an external auditor not adopted by the Board of Directors.

RELIANCE ON CERTAIN EXEMPTIONS

At no time since the commencement of the Company's most recently completed financial year ended **June 30, 2023**, has the Company relied on the exemption in Section 2.4 of NI 52-110 - *Audit Committees (De Minimis Non-audit Services)*, or an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110.

As the Company is considered a "Venture Issuer" pursuant to relevant securities legislation, the Company is relying on the exemption in Section 6.1 of NI 52-110, from the requirement of Parts 3 (Composition of

the Audit Committee) and 5 (Reporting Obligations) of NI 52-110.

PRE-APPROVAL POLICIES AND PROCEDURES FOR NON-AUDIT SERVICES

The Audit Committee has adopted specific policies and procedures for the engagement of non-audit services as described in the Company's Audit Committee Charter attached as Schedule "A" to this Information Circular.

In the following table, "Audit Fees" are fees billed by the Company's external auditors for services provided in auditing the Company's annual financial statements for the subject year. SECTION 6 - CORPORATE GOVERNANCE

GENERAL

National Instrument 58-101 - *Disclosure of Corporate Governance Practices* ("NI 58-101") provides guidelines on corporate governance disclosure for venture issuers as set out in Form 58-101F2 and requires full and complete annual disclosure of a listed company's systems of corporate governance with reference to National Policy 58-201 - *Corporate Governance Guidelines* (the "Guidelines"). Where a company's corporate governance system differs from the Guidelines, each difference and the reason for the difference is required to be disclosed. The Company's approach to corporate governance is provided below.

Corporate governance relates to the activities of the Board, the members of which are elected by and are accountable to the shareholders, and takes into account the role of the individual members of management who are appointed by the Board and who are charged with the day-to-day management of the Company. The Board is committed to sound corporate governance practices that are both in the interest of its shareholders and contribute to effective and efficient decision making. National Policy 58-201 - *Corporate Governance Guidelines* establishes corporate governance guidelines that apply to all public companies. The Company has reviewed its own corporate governance practices in light of these guidelines. In certain cases, the Company's practices comply with the guidelines; however, the Board considers that some of the guidelines are not suitable for the Company at its current stage of development and therefore these guidelines have not been adopted. NI 58-101 mandates disclosure of corporate governance practices for Venture Issuers in Form 58-101F2, which disclosure is set out below.

COMPOSITION OF THE BOARD OF DIRECTORS

All of the proposed nominees for election as a director at the Meeting are current directors of the Company. Form 58-101F1 suggests that the board of directors of every listed company should be constituted with a majority of individuals who qualify as “independent” directors under NI 52-110, which provides that a director is independent if he or she has no direct or indirect “material relationship” with the Company. “Material relationship” is defined as a relationship that could, in the view of the company’s board of directors, be reasonably expected to interfere with the exercise of a director’s independent judgment.

Of the proposed nominees, Lance Tracey, who also serves the Company as President and CEO, is an “insider” or management director and, as such, is considered not to be “independent”. Sheri Rempel, who also serves the Company as Chief Financial Officer is an “insider” or management director and, as such is considered not to be “independent”. Timothy Grzyb and Gary Sherlock are considered by the Board to be “independent”, within the meaning of NI 52-110. In assessing Form 58-101F2 and making the foregoing determinations, the circumstances of each director have been examined in relation to a number of factors. It is the objective of the Company to continue to have a majority of independent Board members and enhance the quality of the Company’s corporate governance.

The Company does not currently have a Chair of the Board and, given the current size of the Board, does not consider that a Chair is necessary. The independent directors exercise their responsibilities for independent oversight of management, and are provided with leadership through their positions on the Board. The Board will give consideration to appointing an “independent” member as Chair at such time as it believes that such a position is required.

Management was delegated the responsibility for meeting defined corporate objectives, implementing approved strategic and operating plans, carrying on the Company's business in the ordinary course, managing cash flow, evaluating new business opportunities, recruiting staff and complying with applicable regulatory requirements. The Board facilitates its independent supervision over management through frequent meetings of the Board and by reviewing and approving long-term strategic, business and capital plans, material contracts and business transactions, and all debt and equity financing transactions. Through its audit committee, the Board examines the effectiveness of the Company's internal control processes and management information systems. The Board as a whole reviews executive compensation and recommends stock option grants accordingly.

MANDATE OF THE BOARD

The Board is elected by and accountable to the shareholders of the Company. The mandate of the Board is to continually govern the Company and to protect and enhance the assets of the Company in the long-term best interests of the shareholders. The Board will annually assess and approve a strategic plan which takes into account, among other things, the opportunities and the identification of the principal risks of the issuer’s business, and ensuring the implementation of appropriate systems to manage these risks.

DIRECTORSHIPS IN OTHER PUBLIC COMPANIES

Certain directors of the Company are currently also directors of other reporting issuers, as described in the table below:

Name of Director	Name of Reporting Issuer or Equivalent	Exchange or Market
Sheri Rempel	Victory Square Technologies Inc.	Canadian Securities Exchange
	Lanebury Growth Capital Ltd.	Canadian Securities Exchange
	XR Immersive Tech Inc.	Canadian Securities Exchange
	LFNT Resources Corp.	Canadian Securities Exchange
	Omega Pacific Resources Inc.	Canadian Securities Exchange
	FintechWerx International Software Services Inc.	Canadian Securities Exchange

ORIENTATION AND CONTINUING EDUCATION

New directors are briefed on strategic plans, short, medium and long term corporate objectives, business risks and mitigation strategies, corporate governance guidelines and existing company policies. However, there is no formal orientation for new members of the Board, and this is considered to be

appropriate, given the Company's size and current level of operations. However, if the growth of the Company's operations warrants it, it is likely that a formal orientation process will be implemented.

The skills and knowledge of the Board of Directors as a whole is such that no formal continuing education process is currently deemed required. The Board is comprised of individuals with varying backgrounds, who have, both collectively and individually, extensive experience in running and managing public companies. Board members are encouraged to communicate with management, auditors and technical consultants to keep themselves current with industry trends and developments and changes in legislation, with management's assistance. Board members have full access to the Company's records. For a description of the current principal occupations of the members of the Company's Board see table in the Section 3 – The Business of the Meeting – Election of Directors.

ETHICAL BUSINESS CONDUCT

The Board has determined that the fiduciary duties placed on individual directors by the Company's governing corporate legislation, common law and the restrictions placed by applicable corporate legislation on an individual director's participation in decisions of the Board in which the director has an interest are sufficient to ensure that the Board operates independently of management and in the best interests of the Company. Furthermore, the Board promotes fair dealing with all its stakeholders and requires compliance with the laws of each jurisdiction in which the Company operates.

The Board of Directors is also required to comply with the conflict of interest provisions of the *Business Corporations Act* (British Columbia) and relevant securities regulation in order to ensure that directors exercise independent judgment in considering transactions and agreements in respect of which a director or officer has a material interest. Any interested director is required to declare the nature and extent of his interest and is not entitled to vote on any matter that is the subject of the conflict of interest.

NOMINATION OF DIRECTORS

The Board as a whole determines new nominees to the Board, although a formal process has not been adopted. The nominees are generally the result of recruitment efforts by the individual Board members, including both formal and informal discussions among Board members and the President and CEO. The current size of the Board is such that the entire Board takes responsibility for selecting new directors and assessing current directors. Proposed directors' credentials are reviewed and discussed amongst the members of the Board prior to the proposed director's nomination.

The Board monitors but does not formally assess the performance of individual Board members or committee members or their contributions. The Board does not, at present, have a formal process in place for assessing the effectiveness of the Board as a whole, its committees or individual directors, but will consider implementing one in the future should circumstances warrant. Based on the Company's size, its stage of development and the limited number of individuals on the Board, the Board considers a formal assessment process to be inappropriate at this time. The Board plans to continue evaluating its own effectiveness on an *ad hoc* basis.

COMPENSATION OF DIRECTORS AND CHIEF EXECUTIVE OFFICER

The Company does not currently pay its directors any remuneration for acting as directors and the only compensation for acting as directors received by non-management directors is through the grant of incentive stock options. The quantity and quality of the Board compensation is reviewed on an annual basis. At present, the Board is satisfied that the current Board compensation arrangements adequately reflect the responsibilities and risks involved in being an effective director of the Company. The number of options to be granted to any director or officer is determined by the Board as a whole, thereby providing the independent directors with significant input into compensation decisions. Stock options to be granted to "management" directors are required, as a matter of board practice, to be reviewed and approved by the "non-management" directors. Given the current size and limited scope of operations of the Company, the Board does not believe that a formal compensation committee is required. At such time as, in the opinion of the Board, the size and activities of the Company and the number of management employees warrants it, the Board will consider it necessary to appoint a formal compensation committee. See Section 4 – Statement of Executive Compensation – Director and NEO Compensation.

COMMITTEES OF THE BOARD OF DIRECTORS

The Company has no other committees other than the Audit Committee.

ASSESSMENTS

The Board has not, as yet, established procedures to formally review the contributions of individual directors. At this point, the directors believe that the Board's current size facilitates informal discussion and evaluation of members' contributions within that framework.
