FORT ST. JAMES NICKEL CORP. □

MANAGEMENT INFORMATION CIRCULAR

(Containing information as of August 27, 2024, unless indicated otherwise) □

□
This Information Circular is being mailed by the management of Fort St. James Nickel Corp. (“**Fort St. James**” or the “**Company**”) to everyone who was a shareholder of record of Fort St. James on August 22, 2024, which is the date that has been fixed by the directors of Fort St. James as the record date to determine the shareholders who are entitled to receive notice of the meeting. □

□
We are mailing this Information Circular in connection with the solicitation of proxies by and on behalf of our management for use at the annual general and special meeting of the shareholders of Fort St. James that is to be held on **Thursday, September 26, 2024, at 11:00 a.m.** Vancouver time) at 1100-1111 Melville Street Vancouver BC V6E 3V6. The solicitation of proxies will be primarily by mail. Certain employees, officers or directors of Fort St. James may also solicit proxies by or in person. The cost of solicitation will be borne by Fort St. James. □

Under Fort St. James’ Bylaws, at least two persons must be present in person or represented by proxy, each being a shareholder entitled to vote at the Meeting, before any action may validly be taken at the Meeting. If such a quorum is not present in person or by proxy, we will reschedule the meeting. □

PART 1 – VOTING

HOW A VOTE IS PASSED

□
All of the matters that will come to a vote at the Meeting as described in the attached Notice of the meeting are ordinary resolutions and can be passed by a simple majority – that is, if more than half of the votes that are cast are in favour, then the resolution is approved. □

□
See *Part 3 – The Business of the Meeting* for more details on the proposed resolutions to be put to shareholders at the Meeting. □

WHO CAN VOTE? □

□
If you are a registered shareholder of Fort St. James as of August 22, 2024, you are entitled to attend at the Meeting and cast a vote for each share registered in your name on all resolutions put before the meeting. If the shares are registered in the name of a corporation, a duly authorized officer of the corporation may attend on its behalf but documentation indicating such officer’s authority should be presented at the Meeting. If you are a registered shareholder but do not wish to, or cannot, attend the meeting in person, you can appoint someone who will attend the meeting and act as your proxyholder to vote in accordance with your instructions. See *Part 1 – Voting – Voting by Proxy*. If your shares are registered in the name of a “nominee” (usually a bank, trust company, securities dealer, or other financial institution) you should refer to the section entitled “Non-registered Shareholders” set out below. □

□
It is important that your shares be represented at the Meeting regardless of the number of shares you hold. If you will not be attending the meeting in person, we invite you to complete, date, sign and return your form of proxy as soon as possible so that your shares will be represented. □

VOTING BY PROXY

□
If you do not come to the meeting, you can still make your votes count by appointing someone who will be there to act as your proxyholder. You can either tell that person how you want to vote, or you can let him or her decide for you. You can do this by completing a form of proxy. In order to be valid, you must return the completed form of proxy at least 48 hours (excluding Saturday, Sunday, and holidays) before the time of the meeting to our transfer agent, Odyssey Trust Company at <https://vote.odysseytrust.com>. Instructions on the form of proxy included with this Information Circular □

What is a proxy?

A form of proxy is a document that authorizes someone to attend the meeting and cast your votes for you. We have enclosed a form of proxy with this Information Circular. You should use it to appoint a proxyholder, although you can also use any other legal form of proxy.

Appointment and Revocation of Proxies

The individuals named in the accompanying form of proxy are directors and/or officers of Fort St. James. You can choose any individual to be your proxyholder. It is not necessary for the person whom you choose to be a shareholder of Fort St. James. **A SHAREHOLDER WISHING TO APPOINT SOME OTHER PERSON TO REPRESENT HIM/HER AT THE MEETING HAS THE RIGHT TO DO SO, EITHER BY INSERTING SUCH PERSON'S NAME IN THE BLANK SPACE PROVIDED IN THE FORM OF PROXY AND STRIKING OUT THE TWO PRINTED NAMES OR BY COMPLETING ANOTHER FORM OF PROXY.** To be valid, a proxy must be in writing and executed by the shareholder or its attorney authorized in writing. Completed proxies must be received by Odyssey Trust Company, Proxy Department, Suite 702, 67 Yonge Street, Toronto, ON M5E 1J8, not less than 48 hours (excluding Saturdays, Sundays, and holidays) before the time for holding the Meeting or delivered to the Chairman of the Meeting prior to the commencement of the Meeting.

A shareholder who has given a proxy may revoke it by an instrument in writing executed by the shareholder or by his attorney authorized in writing or, where the shareholder is a corporation, by a duly authorized officer or attorney of the corporation, and delivered either to the registered office of Fort St. James at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia, V6C 3K4, at any time up to and including the last business day preceding the day of the Meeting or to the Chairman of the Meeting on the day of the Meeting or in any other manner provided by law. A revocation of a proxy does not affect any matter on which a vote has been taken prior to the revocation.

Instructing your proxy

You may indicate on your form of proxy how you wish your proxyholder to vote your shares. To do this, simply mark the appropriate boxes on the form of proxy. If you do this, your proxyholder must vote your shares in accordance with the instructions you have given.

If you do not give any instructions as to how to vote on a particular issue to be decided at the Meeting, your proxyholder can vote your shares as he or she thinks fit. If you have appointed the persons designated in the form of proxy as your proxyholder they will, unless you give contrary instructions, vote your shares at the Meeting as follows:

FOR the election of the proposed nominees as directors;

FOR the appointment of WDM Chartered Professional Accountants as auditors of the Company and to fix their remuneration;

FOR the approval of continuance of the Company's 10% rolling Share Option Plan; and

FOR the approval of adoption of the Company's Fixed Equity Incentive Plan

For more information about these matters, see *Part 3 – The Business of the Meeting*. The enclosed form of proxy gives the persons named on it the authority to use their discretion in voting on amendments or variations to matters identified in the Notice of Meeting. At the time of printing this Information Circular, management of Fort St. James is not aware of any other matter to be presented for action at the Meeting. If, however, other matters do properly come before the meeting, the persons named on the enclosed form of proxy will vote on them in accordance with their best judgment, pursuant to the discretionary authority conferred by the form of proxy with respect to such matters.

Changing your mind

If you want to revoke your proxy after you have delivered it, you can do so at any time before it is used. You may do this by (a) attending the meeting and voting in person; (b) signing a proxy bearing a later date; (c) signing a written statement which clearly indicates that you want to revoke your proxy and delivering this signed written statement to the head office of Fort St. James at 888 Dunsmuir Street, Suite 888, Vancouver, British Columbia, V6C 3K4; or (d) in any other manner permitted by law.

Your proxy will only be revoked if a revocation is received by 5:00 in the afternoon (Vancouver time) on the last business day before the day of the meeting or delivered to the person presiding at the Meeting before it commences. If you revoke your proxy and do not replace it with another that is deposited with us before the deadline, you can still vote your shares but to do so you must attend the meeting in person. □

□
□
NON-REGISTERED SHAREHOLDERS

□
If your shares are not registered in your own name, they will be held in the name of a “nominee,” usually a bank, trust company, securities dealer, or other financial institution and, as such, your nominee will be the entity legally entitled to vote your common shares and must seek your instructions as to how to vote your shares. Accordingly, unless you have previously informed your nominee that you do not wish to receive material relating to shareholders’ meetings, you will have received this Information Circular from your nominee, together with a form of proxy or a request for voting instruction form. If that is the case, **it is most important that you comply strictly with the instructions that have been given to you by your nominee on the voting instruction form.** If you have voted and wish to change your voting instructions, you should contact your nominee to discuss whether this is possible and what procedures you must follow. □

□
If your shares are not registered in your own name, Fort St. James’ transfer agent will not have a record of your name and, as a result, unless your nominee has appointed you as a proxyholder, will have no knowledge of your entitlement to vote. If you wish to vote in person at the Meeting, therefore, please insert your own name in the space provided on the form of proxy or voting instruction form that you have received from your nominee. If you do this, you will be instructing your nominee to appoint you as proxyholder. Please adhere strictly to the signature and return instructions provided by your nominee. It is not necessary to complete the form in any other respect since you will be voting at the Meeting in person. Please register with the scrutineer, who will be a representative of our transfer agent, Odyssey Trust Company, upon arrival at the Meeting. □

□
The Notice of Meeting and this Information Circular, together with Fort St. James’ audited consolidated financial statements and related Management’s Discussion and Analysis for the years ended April 30, 2023, and April 30, 2022, are being sent to both registered and nonregistered owners of our common shares. If you are a non-registered owner and we have sent these materials to you directly, your name and address and information about your holdings of common shares of Fort St. James have been obtained in accordance with applicable securities regulatory requirements from the nominee holding the securities on your behalf. By choosing to send these materials to you directly, Fort St. James (and not your nominee) has assumed responsibility for (i) delivering these materials to you, and (ii) executing your proper voting instructions. Please return your voting instructions as specified in the request for voting instructions form, which is included with this Information Circular. □

□
In accordance with National Instrument 54-101 – *Communication with Beneficial Owners of Securities of a Reporting Issuer* (“**NI 54-101**”) of the Canadian Securities Administrators, Fort St. James has elected to send proxy-related materials directly to non-objecting beneficial owners of its common shares. As Fort St. James is unable to send proxy-related materials directly to the objecting beneficial owners (“**OBOs**”) of its common shares (because OBOs are beneficial shareholders who have objected to the release of security ownership details to issuers), proxy related materials for the meeting to which this Information Circular relates will be sent to OBOs indirectly through the intermediaries who hold securities on behalf of the OBOs. The intermediaries/brokers (or their service companies) are responsible for forwarding the proxy related materials to their OBO clients. Management of Fort St. James does not intend to pay for intermediaries to forward to their OBO clients the proxy-related materials and Form 54-101F7 – *Request for Voting Instructions Made by Intermediary* under NI 54-101 and, as such, OBOs will not receive the proxy-related materials in connection with the meeting unless such OBO’s intermediary assumes the cost of delivery. □

□
Fort St. James has chosen to not use the notice-and-access delivery procedures provided by NI 54-101. □

□
PART 2 - VOTING SHARES AND PRINCIPAL HOLDERS THEREOF

□
Fort St. James has authorized voting capital of an unlimited number of common shares. Each shareholder is entitled to one vote for each common share registered in his or her name at the close of business on August 22, 2024, the date fixed by our directors as the record date for determining who is entitled to receive notice of and to vote at the Meeting. □

At the close of business on August 22, 2024, there were 26,248,262 common shares were issued and outstanding. To the knowledge of our directors and officers, the only persons, or companies who or which beneficially owned, directly or indirectly, or exercised control or direction over 10% or more of our common shares on that date were:

Name ⁽¹⁾	Number of common shares ⁽¹⁾	Percentage of issued shares
Gerald Mitton	8,980,338 ⁽²⁾	34.2%

(1) Information as to ownership of shares has been extracted from insider reports filed by the individual and available through the Internet on the System for Electronic Disclosure by Insiders (SEDI) or has been provided by the individual.

(2) 4,625,500 of these common shares are held by Gerald Mitton directly, 3,747,963 common shares held indirectly through Darroch Holdings Ltd., a private company controlled by Gerald Mitton, and 591,875 in a personal RRSP and 15,000 in a TFSA.

PART 3 - THE BUSINESS OF THE MEETING

A. FINANCIAL STATEMENTS

The audited financial statements of Fort St. James for the years ended April 30, 2023, and April 30, 2022, and the reports of the auditor on those financial statements, will be placed before you at the Meeting. A copy of Fort St. James' audited consolidated financial statements and Management's Discussion and Analysis for the years ended April 30, 2023 and April 30, 2022, have been mailed to shareholders with the Notice of Annual Meeting and this Information Circular.

No formal action will be taken at the Meeting to approve the financial statements.

B. Fix Number of Directors to be Elected at the Meeting

Shareholders of the Company will be asked to consider and, if thought appropriate, to approve and adopt an ordinary resolution fixing the number of directors to be elected at the Meeting. In order to be effective, an ordinary resolution requires the approval of a majority of the votes cast by shareholders who vote in respect of the resolution.

At the Meeting, it will be proposed that THREE (3) directors be elected to hold office until the next annual general meeting or until their successors are elected or appointed. Unless otherwise directed, it is the intention of the Management Designees, if named as proxy, to vote in favour of the ordinary resolution fixing the number of directors to be elected at the Meeting at THREE (3).

C. ELECTION OF DIRECTORS

Directors of Fort St. James are elected for a term of one year. The term of office of each of the current directors will expire at the Meeting and the nominees for election as directors at the Meeting to which this Information Circular relates, if elected, will serve until the close of the next annual meeting unless he resigns or otherwise vacates office before that time. Under our By-Laws, Fort St. James shall have a minimum of three and a maximum of 12 directors, the number of directors to be determined from time to time by resolution of the Board of Directors. We currently have three directors and, pursuant to Fort St. James' By-Laws, the directors have set the number of directors to be elected at the Meeting at three.

Nominees for Election

The following are the nominees proposed for election as directors of Fort St. James, together with the number of common shares that are beneficially owned, directly or indirectly, or over which control or direction is exercised by each nominee as of August 22, 2024, the record date for the meeting to which this Information Circular relates. All of the nominees are currently serving as directors of Fort St. James, having been elected by shareholders as directors. If, however, one or more of them should become unable to stand for election, it is likely that one or more other persons would be nominated at the Meeting for election and, in that event, the persons designated in the form of proxy will vote in their discretion for a substitute nominee.

Fort St. James has not, as yet, adopted a majority voting policy for election of directors at uncontested shareholder meetings at which directors are to be elected. See *Part 7 – Corporate Governance – Nomination and Election of Directors*.

Voting for election of directors of Fort St. James is by individual voting and not by slate voting. You can vote your shares for the election of all of these nominees as directors of Fort St. James; or you can vote for some of these nominees for election as directors and withhold your votes for others; or you can withhold all of the votes attaching to the shares you own and, thus, not vote for the election of any of these nominees as directors of Fort St. James.

Fort St. James’ management recommends that shareholders vote in favour of the nominees for election as directors.

Unless you give other instructions, the persons named in the enclosed form of proxy intend to vote FOR the election of the THREE nominees as directors of Fort St. James for the ensuing year.

WDM Chartered Professional Accountants, of Suite 420, 1501 West Broadway, Vancouver, British Columbia, have served as Fort St. James’ auditor since June 19, 2017.

Management recommends that shareholders vote in favour of the appointment of WDM Chartered Professional Accountants, as Fort St. James’ auditor for the ensuing year and in favour of granting the Board of Directors the authority to determine the remuneration to be paid to the auditor.

E. APPROVAL OF STOCK OPTION PLAN

At the Meeting, Shareholders will be asked to approve the adoption of a new 10% rolling incentive stock option plan (the “**2024 Option Plan**”). The 2024 Option Plan was approved by the Board on May 1, 2024, has been conditionally accepted by the TSX Venture Exchange (the “**Exchange**”). The 2024 Option Plan shall become effective upon the receipt of approval of the Shareholders and the final acceptance of the Exchange (the “**Effective Date**”) and will replace the Company’s current Stock Option Plan (the “**Option Plan**”). There are NIL stock options (the “**Outstanding Options**”) currently outstanding under the Option Plan; however, following the Effective Date, no additional grants shall be made pursuant to the Option Plan, and the Option Plan will terminate on the date upon which no Outstanding Options remain outstanding.

□ The purpose of the 2024 Option Plan is to, among other things: (i) provide the Company with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries; (ii) reward directors, officers, employees and consultants that have been granted stock options (each, an “**Option**”) under the 2024 Option Plan for their contributions toward the long-term goals and success of the Company; and (iii) enable and encourage such directors, officers, employees and consultants to acquire Shares of the Company as long-term investments and proprietary interests in the Company. The approval of the 2024 Option Plan by the Board is subject to approval by the Shareholders and to the final acceptance of the Exchange. □

□ A summary of certain provisions of the 2024 Option Plan is set out below, and a full copy of the 2024 Option Plan is attached hereto as Schedule “B”. This summary is qualified in its entirety to the full copy of the 2024 Option Plan. □

□ **SUMMARY OF THE 2024 OPTION PLAN**

□ *ELIGIBILITY*

□ The 2024 Option Plan allows the Company to grant Options to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries (collectively, the “**Option Plan Participants**”). □

□ *NUMBER OF SHARES ISSUABLE*

□ The aggregate number of Shares that may be issued to Option Plan Participants under the 2024 Option Plan will be that number of Shares equal to 10% of the issued and outstanding Shares on the particular date of grant of the Option. □

□ *LIMITS ON PARTICIPATION*

□ The 2024 Option Plan provides for the following limits on grants, for so long as the Company is subject to the requirements of the Exchange, unless disinterested Shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the Exchange: □

- (i) □ the maximum number of Shares that may be issued to any one Option Plan Participant (and where permitted pursuant to the policies of the Exchange, any company that is wholly owned by the Option Plan Participant) under the 2024 Option Plan, together with any other security based compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued Shares calculated on the date of grant; □
□
- (ii) □ the maximum number of Shares that may be issued to insiders collectively under the 2024 Option Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 10% of the issued Shares calculated on the date of grant; and □
- (iii) □ (iii) the maximum number of Shares that may be issued to insiders collectively under the 2024 Option Plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued Shares at any time. □

□ For so long as such limitation is required by the Exchange, the maximum number of Options which may be granted within any twelve (12) month period to Option Plan Participants who perform investor relations activities must not exceed 2% of the issued and outstanding Shares, and such Options must vest in stages over twelve (12) months with no more than 25% vesting in any three (3) month period. In addition, the maximum number of Shares that may be granted to any one consultant under the 2024 Option Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant. □

□ *ADMINISTRATION*

□ The plan administrator of the 2024 Option Plan (the “**Option Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Option Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Options under the 2024 Option Plan; determine conditions under which Options may be granted, vested or exercised, including the expiry date, exercise price and vesting schedule of the Options; establish the form of option certificate (“**Option Certificate**”); interpret the 2024 Option Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the 2024

Option Plan. □

□

Subject to any required regulatory or shareholder approvals, the Option Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Option Plan Participants, amend, modify, change, suspend or terminate the Options granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the 2024 Option Plan or any Option granted pursuant thereto may materially impair any rights of an Option Plan Participant or materially increase any obligations of an Option Plan Participant under the 2024 Option Plan without the consent of such Option Plan Participant, unless the Option Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the 2024 Option Plan. □

□

All of the Options are subject to the conditions, limitations, restrictions, vesting, exercise and forfeiture provisions determined by the Option Plan Administrator, in its sole discretion, subject to such limitations provided in the 2024 Option Plan and will be evidenced by an Option Certificate. In addition, subject to the limitations provided in the 2024 Option Plan and in accordance with applicable law, the Option Plan Administrator may accelerate the vesting of Options, cancel or modify outstanding Options and waive any condition imposed with respect to Options or Shares issued pursuant to Options. □

□

EXERCISE OF OPTIONS

□

Options shall be exercisable as determined by the Option Plan Administrator at the time of grant, provided that no Option shall have a term exceeding ten (10) years so long as the Shares are listed on the Exchange. □

□

Subject to all applicable regulatory rules, the vesting schedule for an Option, if any, shall be determined by the Option Plan Administrator. The Option Plan Administrator may elect, at any time, to accelerate the vesting schedule of an Option, and such acceleration will not be considered an amendment to such Option and will not require the consent of the Option Plan Participant in question. However, no acceleration to the vesting schedule of an Option granted to an Option Plan Participant performing investor relations services may be made without prior acceptance of the Exchange. □

□

The exercise price of an Option shall be determined by the Option Plan Administrator and cannot be lower than the greater of: (i) the minimum price required by the Exchange; and (ii) the market value of the Shares on the applicable grant date. □

□

An Option Plan Participant may exercise the Options in whole or in part through any one of the following forms of consideration, subject to applicable laws, prior to the expiry date of such Options, as determined by the Option Plan Administrator: □

- the Option Plan Participant may send a wire transfer, certified cheque or bank draft payable to the Company in an amount equal to the aggregate exercise price of the Shares being purchased pursuant to the exercise of the Option; □
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, a brokerage firm may be engaged to loan money to the Option Plan Participant in order for the Option Plan Participant to exercise the Options to acquire the Shares, subsequent to which the brokerage firm shall sell a sufficient number of Shares to cover the exercise price 10 of such Options to satisfy the loan. The brokerage firm shall receive an equivalent number of Shares from the exercise of the Options, and the Option Plan Participant shall receive the balance of the Shares or cash proceeds from the balance of such Shares; and □
- subject to approval from the Option Plan Administrator and the Shares being traded on the Exchange, consideration may be paid by reducing the number of Shares otherwise issuable under the Options, in lieu of a cash payment to the Company, an Option Plan Participant, excluding those providing investor relations services, only receives the number of Shares that is equal to the quotient obtained by dividing: (i) the product of the number of Options being exercised multiplied by the difference between the volume-weighted average trading price of the Shares and the exercise price of the Options, by (ii) the volume-weighted average trading price of the Shares. □

□

If an exercise date for an Option occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the 2024 Option Plan, the Option shall be exercised no more than ten business days after the trading black-out period is lifted by the Company, subject to certain exceptions. □

□

Any Options granted to an Option Plan Participant under the 2024 Option Plan shall terminate at a date no later than twelve (12) months from the date such Option Plan Participant ceases to be an Option Plan Participant. □

TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

F. APPROVAL OF FIXED EQUITY INCENTIVE PLAN

At the Meeting, Shareholders will be asked to approve a resolution approving the Company’s equity incentive plan (the “**Equity Incentive Plan**”). The Equity Incentive Plan was approved by the Board on May 1, 2024, has been conditionally accepted by the Exchange. Currently, the sole security-based compensation plan of the Company is its existing stock option plan, pursuant to which the Board may grant stock options to directors, officers, employees of and consultants to the Company and its subsidiaries. The Board has determined that it is in the best interests of the Company to adopt a security-based compensation plan which would provide the Company with the ability and flexibility to make broader and different forms of equity rewards as part of its need to retain a competitive compensation structure for its directors, officers, employees and consultants. The purpose of the Equity Incentive Plan is to, among other things: (i) provide the Company with a mechanism to attract, retain and motivate qualified directors, officers, employees and consultants of the Company and its subsidiaries; (ii) reward directors, officers, employees and consultants that have been granted Awards (as defined below) under the Equity Incentive Plan for their contributions toward the long-term goals and success of the Company; and (iii) enable and encourage such directors, officers, employees and consultants to acquire Shares of the Company as long-term investments and proprietary interests in the Company. The approval of the Equity Incentive Plan by the Board is subject to approval of the Shareholders and to the acceptance of the Exchange.

A summary of certain provisions of the Equity Incentive Plan is set out below, and a full copy of the Equity Incentive Plan is attached hereto as Schedule “C”. This summary is qualified in its entirety to the full copy of the Equity Incentive Plan.

SUMMARY OF EQUITY INCENTIVE PLAN

ELIGIBILITY

The Equity Incentive Plan provides flexibility to the company to grant equity-based incentive awards in the form of restricted share units (“**RSUS**”), performance share units (“**PSUS**”) and deferred share units (“**DSUS**”) (collectively, the “**awards**”) to attract, retain and motivate qualified directors, officers, employees and consultants of the company and its subsidiaries, excluding any persons who perform investor relations activities on behalf of the company or any of its subsidiaries (collectively, the “equity incentive plan participants”).

NUMBER OF SHARES ISSUABLE

The aggregate number of common shares in the capital of the company (each, a “share”) that may be issued to equity incentive plan participants under the equity incentive plan may not exceed 2,624,826, subject to adjustment as provided for in the equity incentive plan and approved by disinterested shareholders at a duly called meeting.

LIMITS ON PARTICIPATION

The Equity Incentive Plan provides for the following limits on grants, for so long as the company is subject to the requirements of the exchange, unless disinterested shareholder approval is obtained or unless permitted otherwise pursuant to the policies of the exchange:

(i) the maximum number of shares that may be issued to any one equity incentive plan participant (and where permitted pursuant to the policies of the exchange, any company that is wholly owned by the equity incentive plan participant) under the equity incentive plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 5% of the issued shares calculated on the date of grant;

(ii) the maximum number of shares that may be issued to insiders collectively under the equity incentive plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 10% of the issued shares calculated on the date of grant; and

(iii) the maximum number of shares that may be issued to insiders collectively under the equity incentive plan, together with any other security-based compensation arrangements, may not exceed 10% of the issued shares at any time.

For so long as such limitation is required by the Exchange, the maximum number of Shares that may be granted to any one consultant under the Equity Incentive Plan, together with any other security-based compensation arrangements, within a twelve (12) month period, may not exceed 2% of the issued Shares calculated on the date of grant.

ADMINISTRATION

The plan administrator of the Equity Incentive Plan (the “**Equity Incentive Plan Administrator**”) will be the Board or a committee of the Board, if delegated. The Equity Incentive Plan Administrator will, among other things, determine which directors, officers, employees or consultants are eligible to receive Awards under the Equity Incentive Plan; determine any vesting provisions or other restrictions on Awards; determine conditions under which Awards may be granted, vested or settled, including establishing performance goals; establish the form of Award agreement (“**Award Agreement**”); interpret the Equity Incentive Plan; and make all other determinations and take all other actions necessary or advisable for the implementation and administration of the Equity Incentive Plan.

Subject to any required regulatory or shareholder approvals, the Equity Incentive Plan Administrator may also, from time to time, without notice to or without approval of the Shareholders or the Equity Incentive Plan Participants, amend, modify, change, suspend or terminate the Awards granted pursuant thereto as it, in its discretion, determines appropriate, provided that no such amendment, modification, change, suspension or termination of the Equity Incentive Plan or any Award granted pursuant thereto may materially impair any rights of an Equity Incentive Plan Participant or materially increase any obligations of an Equity Incentive Plan Participant under the Equity Incentive Plan without the consent of such Equity Incentive Plan Participant, unless the Equity Incentive Plan Administrator determines such adjustment is required or desirable in order to comply with any applicable securities laws or stock exchange requirements or as otherwise permitted pursuant to the Equity Incentive Plan.

All of the Awards are subject to the conditions, limitations, restrictions, vesting, settlement and forfeiture provisions determined by the Equity Incentive Plan Administrator, in its sole discretion, subject to such limitations provided in the Equity Incentive Plan and will be evidenced by an Award Agreement. In addition, subject to the limitations provided in the Equity Incentive Plan and in accordance with applicable law, the Equity Incentive Plan Administrator may accelerate the vesting or payment of Awards, cancel or modify outstanding Awards and waive any condition imposed with respect to Awards or Shares issued pursuant to Awards.

Subject to the terms and conditions of the Equity Incentive Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively,

as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Dividend equivalents credited to an Equity Incentive Plan Participant's accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with terms of the Plan. Where the issuance of Shares pursuant to the settlement of dividend equivalents will result in the Company having insufficient Shares available for issuance or would result in the Company breaching its limits on grants of Awards, as set out above, the Company shall settle such dividend equivalents in cash. □

□ SETTLEMENT OF VESTED SHARE UNITS □

□ The Equity Incentive Plan provides for the grant of restricted share units (each, a "**RSU**"). A RSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof for each vested RSU. RSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, following a period of continuous employment of the Equity Incentive Plan Participant with the Company or a subsidiary of the Company. □

□ The Equity Incentive Plan also provides for the grant of performance share units (each, a "**PSU**", together with **RSUs**, the "**Share Units**"), which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested PSU. PSUs shall, unless otherwise determined by the Equity Incentive Plan Administrator, and as specifically set out in the Award Agreement, vest, if at all, subject to the attainment of certain performance goals and satisfaction of such other conditions to vesting, if any, as many be determined by the Equity Incentive Plan Administrator. □

□ Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company, no Share Unit shall vest prior to the first anniversary of its date of grant. Upon settlement of the Share Units, which shall be within sixty (60) days of the date that the applicable vesting criteria are met, deemed to have been met or waived, and in any event no later than three years following the end of the year in respect of which the Share Units are granted, holders of the Share Units will receive any, or a combination of, the following (as determined solely at the discretion of the Equity Incentive Plan Administrator): □

□ (i) one fully paid and non-assessable Share issued from treasury in respect of each vested Share Unit; or □

□ (ii) a cash payment, which shall be determined by multiplying the number of Share Units redeemed for cash by the market value of a Share (calculated with reference to the five (5) day volume weighted average trading price, and subject to a minimum price as set out in the Equity Incentive Plan) (the "**Market Price**") on the date of settlement. □

□ The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a Share Unit settlement at any time up until payment is actually made. If a settlement date for a Share Unit occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the Share Unit shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions. □

□ SETTLEMENT OF VESTED DSUS □

□ The Equity Incentive Plan also provides for the grant of deferred share units (each, a "**DSU**"). A DSU is a unit equivalent in value to a Share which entitles the holder to receive one Share, or cash, or a combination thereof, for each vested DSU on a future date following the Equity Incentive Plan Participant's separation of services from the Company or its subsidiaries. □

□ Except where an Equity Incentive Plan Participant dies or ceases to be an Equity Incentive Plan Participant due to a change in control of the Company and as set out below, no DSU shall vest prior to the first anniversary of its date of grant. Upon settlement of the DSUs, which shall be no earlier than the date of the Equity Incentive Plan Participant's termination of services to the Company or its subsidiaries and no later than one (1) year after such date, holders of DSUs will receive any or a combination of the following (as determined solely at the discretion of the Equity Incentive Plan Administrator): □

□ (i) one (1) fully paid and non-assessable Share issued from treasury in respect of each vested DSU; or □

□ (ii) (ii) a cash payment, determined by multiplying the number of DSUs redeemed for cash by the Market Price of a Share on the date of settlement. □

□

In addition to grants made by the Equity Incentive Plan Administrator to all Equity Incentive Plan Participants, directors of the Company may elect, subject to acceptance by the Company, in whole or in part, of such election, to receive any portion of their director's fees to be payable in DSUs. The Company reserves the right to change its allocation of Shares and/or cash payment in respect of a DSU settlement at any time up until payment is actually made. If a settlement date for a DSU occurs during a trading black-out period imposed by the Company to restrict trades in its securities, then, notwithstanding any other provision of the Equity Incentive Plan, the DSU shall be settled no more than ten (10) business days after the trading black-out period is lifted by the Company, subject to certain exceptions.

TERMINATION OF EMPLOYMENT OR SERVICES AND CHANGE IN CONTROL

The following describes the impact of certain events that may, unless otherwise determined by the Equity Incentive Plan Administrator or as set forth in an Award Agreement, lead to the early expiry of Awards granted under the Equity Incentive Plan.

Termination or voluntary resignation for good reason within twelve (12) months of a change in control: <input type="checkbox"/>	Acceleration of vesting of all unvested Awards. Settlement of all vested Awards in accordance with the Equity Incentive Plan. <input type="checkbox"/>

Any Awards granted to an Equity Incentive Plan Participant under the Equity Incentive Plan shall terminate at a date no later than twelve (12) months from the date such Equity Incentive Plan Participant ceases to be an Equity Incentive Plan Participant.

In the event of a triggering event, which includes a change in control, dissolution or winding-up of the Company, a material alteration of the capital structure of the Company and a disposition of substantially all of the Company's assets, the Plan Administrator may, without the consent of the Equity Incentive Plan Participant, cause all or a portion of the Awards granted to terminate upon the occurrence of such event, subject to any necessary approvals.

AMENDMENT OR TERMINATION OF THE EQUITY INCENTIVE PLAN

Subject to the approval of the Exchange, where required, the Equity Plan Administrator may from time to time, without notice to or approval of the Equity Incentive Plan Participants or Shareholders, terminate the Equity Incentive Plan. Amendments made to the Equity Incentive Plan shall require regulatory and Shareholder approval, except for amendments to: (i) fix typographical errors; and (ii) clarify existing provisions of the Equity Incentive Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

PART 4 – EXECUTIVE COMPENSATION

COMPENSATION DISCUSSION AND ANALYSIS

The purpose of this Compensation Discussion and Analysis is to provide information about Fort St. James' executive compensation objectives and processes and to discuss compensation decisions relating to its named executive officers (**“Named Executive Officers”**) listed in the Summary Compensation Table that follows. During our fiscal year ended April 30, 2023, the following individuals were Named Executive Officers (as determined by applicable securities legislation) of Fort St. James:

- Barry Brown, President and Chief Executive Officer (from March 9, 2016, to Present); and
- Nicolette Keith, Chief Financial Officer (from April 11, 2018, to Present).

Fort St. James is a junior mineral exploration company engaged in the acquisition, exploration, and evaluation of mineral properties. Fort St. James Nickel Corp. has signed an option agreement with Great Atlantic Resources Corp., a company listed on the TSX Venture Exchange, under which Fort St. James may acquire 100 per cent of Great Atlantic's Porcupine property located in New Brunswick. In May 2021, the Company announced it has entered into a letter of intent agreement

with a private company to acquire 100% interest in the Nepisiguit Base Metal – Precious Metal Property located within the Bathurst Mining Camp of northern New Brunswick. The term of the original letter of intent has been extended and will expire on December 30, 2024. Fort St. James is also conducting exploration on its Kilometre 26 Property in the Omineca Mining Division, British Columbia, and we continue to evaluate other mineral exploration property acquisition opportunities. Fort St. James has no significant revenues from operations, and we often operate with limited financial resources to ensure that funds are available to complete scheduled exploration programs. As a result, the Board of Directors has to consider not only the financial situation of Fort St. James at the time of determination of executive compensation, but also the estimated financial situation of Fort St. James in the mid- and long-term. An important element of executive compensation is that of stock options, which do not require cash disbursement by Fort St. James. Additional information about Fort St. James and its operations is available in its audited financial statements and Management's Discussion & Analysis for the years ended April 30, 2023, and April 30, 2022, copies of which have been electronically filed with regulators and are available for viewing through the Internet at the Canadian System for Electronic Document Analysis and Retrieval (SEDAR) at www.sedarplus.ca. □

□ *Compensation Objectives and Principles* □

□ The primary goal of Fort St. James' executive compensation process is to attract and retain the key directors and executives necessary for Fort St. James' long term success, to encourage executives to further the development of Fort St. James and its operations, and to motivate qualified and experienced executives. The key elements of compensation awarded by Fort St. James are: (i) base salary; (ii) potential annual incentive awards; and (iii) incentive stock options. The directors are of the view that all such elements should be considered when determining compensation, rather than any single element. □

□ *Compensation Process* □

□ Fort St. James relies solely on its Board of Directors, through discussion without any formal objectives, criteria, or analysis, in determining the compensation of its executive officers. The Board of Directors is responsible for determining all forms of compensation, including long-term incentives in the form of stock options to be granted to the Named Executive Officers of Fort St. James, and to its directors, and for reviewing the recommendations respecting compensation for any other officers of Fort St. James from time to time, to ensure such arrangements reflect the responsibilities and risks associated with each position. When determining the compensation of Fort St. James' executive officers, the Board of Directors considers: (i) recruiting and retaining executives critical to the success of Fort St. James and the enhancement of shareholder value; (ii) providing fair and competitive compensation; (iii) balancing the interests of management and Fort St. James' shareholders; and (iv) rewarding performance, both on an individual basis and with respect to operations in general. □

□ *Base Salary and/or Consulting Fees* □

□ As an exploratory stage mining company, Fort St. James does not anticipate generating revenues from operations for a significant period of time. As a result, the use of traditional performance standards, such as corporate profitability, is not considered by the Board of Directors to be appropriate in the evaluation of corporate or Named Executive Officer performance. The compensation of our executive officers is based, in substantial part, on industry compensation practices, trends in the mining industry, as well as achievement of Fort St. James' business plans and objectives. □

□ Fort St. James provides the Named Executive Officers with base salaries and/or consulting fees, which represent their minimum compensation for services rendered during the fiscal year. Named Executive Officers' base salaries or consulting fees depend on the scope of their experience, responsibilities, leadership skills and performance. Base salaries and/or consulting fees are reviewed annually by the Board of Directors. In addition to the above factors, decisions regarding salary or consulting fee amounts are impacted by each Named Executive Officer's current salary or fee, general industry trends and practices competitiveness, and Fort St. James' existing financial resources. □

□ *Share-Based and Option-Based Awards* □

□ Options to purchase common shares of Fort St. James are intended to align the interests of Fort St. James' directors and executive officers with those of its shareholders, to provide a long-term incentive that rewards these individuals for their contribution to the creation of shareholder value, and to reduce the cash compensation Fort St. James would otherwise have to pay. Fort St. James' Stock Option Incentive Plan is administered by the Board of Directors. In establishing the number of the incentive stock options to be granted to the Named Executive Officers, the Board of Directors considers previous grants of options and the overall number of options that are outstanding relative to the number of outstanding common shares in determining whether to make any new grants of options, and the size and terms of any such grants, as well as the level of effort, time, responsibility, ability, experience and level of commitment of the executive officer in

determining the level of incentive stock option compensation. See “*Incentive Plan Awards – Outstanding Option-Based Awards*” below, “*Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan*”, as well as “*Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans*”. □

□ *Benefits and Perquisites* □

□ Fort St. James does not, as of the date of this Information Circular, offer any benefits or perquisites to its Named Executive Officers other than entitlement to incentive stock options as otherwise disclosed and discussed herein. □

□ *Risks Associated with Compensation Practises* □

□ At the time of preparation of this Information Circular, the directors of Fort St. James had not considered the implications of any risks to Fort St. James associated with decisions regarding compensation of its executive officers. □

□ *Hedging by Named Executive Officers or Directors* □

□ Fort St. James has not, to date, adopted a policy restricting its executive officers and directors from purchasing financial instruments, including, for greater certainty, prepaid variable forward contracts, equity swaps, collars, or units of exchange funds, which are designed to hedge or offset a decrease in market value of equity securities granted as compensation or held, directly or indirectly, by executive officers or directors. As of the date of this Information Circular, entitlement to grants of incentive stock options under the Fort St. James Stock Option Incentive Plan is the only equity security element awarded by Fort St. James to its executive officers and directors (see Part 3 – The Business of the Meeting – Annual Approval of Stock Option Plan and Part 5 – Securities Authorized for Issuance Under Equity Compensation Plans). □

PART 5 – SECURITIES AUTHORIZED FOR ISSUANCE UNDER EQUITY COMPENSATION PLANS

The Company has an incentive stock option plan under which stock options are granted. Stock options have been determined by the Company's directors and are only granted in compliance with applicable laws and regulatory policy. The policies of the TSX Venture Exchange limit the granting of stock options to employees, officers, directors, and consultants of the Company and provide limits on the length of term, number, and exercise price of such options. The TSX Venture Exchange also requires annual approval of rolling stock option plans by shareholders.

The following table sets out equity compensation plan information as at the end of the financial year ended April 30, 2023.

Plan category	Number of securities to be issued upon exercise of outstanding options, warrants and rights (a)	Weighted average exercise price of outstanding options, warrants and rights (b)	Number of securities remaining available for future issuance under equity compensation plans (Excluding securities reflected in column (a)) (c)

RELIANCE ON EXEMPTIONS

Fort St. James has not, since the commencement of its most recently completed financial year, relied on the exemption in Section 2.4 of NI 52-110 (*De Minimis* Non-Audit Services) or on an exemption from NI 52-110, in whole or in part, granted under Part 8 of NI 52-110. □

PART 7 – CORPORATE GOVERNANCE

COMPOSITION OF THE BOARD OF DIRECTORS

The Board of Directors of Fort St. James facilitates its exercise of independent supervision over management by ensuring there are directors on the Board who are independent of management. In determining whether a director is independent, the Board considers whether the director has a relationship which could, or could be, perceived to interfere with the director’s ability to objectively assess the performance of management. The Board, at present, is comprised of three directors, two of whom, Quinn Field-Dyte and Scott Kent, are considered to be independent of management applying the guidelines included in and required by securities legislation for determining independence. Barry Brown is not considered to be independent by reason of his office as President and Chief Executive Officer (see *Part 4 – Executive Compensation*). □

The directors believe that, at this stage of Fort St. James’ development, the current composition of the Board of Directors adequately facilitates its exercise of independent supervision over management. The Board anticipates that, as Fort St. James matures as a business enterprise, with projects advancing to the development stage, it will identify additional qualified candidates as directors, who have experience relevant to Fort St. James’ needs, who are independent of management and who are considered to be independent under applicable corporate governance legislation and guidelines. □

The Board's mandate includes satisfying itself as to the integrity of Fort St. James' executive officers and, in all dealings, endeavours to reflect a culture of integrity and ethical business conduct. As its corporate governance practices evolve, it is the Board's intention to adopt a code of business conduct and ethics which will address issues such as conflicts of interest; protection and proper use of corporate assets and opportunities; confidentiality of corporate information; fair dealing with shareholders, partners, suppliers, competitors and employees; compliance with laws, rules and regulations and reporting of any illegal or unethical behaviour; as well as monitoring compliance with such a code. In the meantime, the Board strives to promote integrity and at all times encourages directors to exercise independent judgment in considering transactions or agreements in respect of which a director or officer has a material interest, and all such transactions or agreements must be approved by the Board of Directors. □

□

NOMINATION AND ELECTION OF DIRECTORS

□

Fort St. James has not yet appointed a nominating committee. The Board of Directors, as a whole, is responsible for considering the Board's size and the number of directors to recommend to Fort St. James' shareholders for election at annual meetings, considering the number of directors required to carry out the Board's duties effectively and to maintain representation by independent directors and a diversity of view and experience. □

□

We have not yet considered adopting an advance notice policy requiring that a shareholder proposing to nominate a person for election as a director at a meeting of shareholders must provide Fort St. James with advance notice of, and prescribed details concerning, the proposed nominee. □

□

See *Part 4 – Executive Compensation – Compensation Discussion and Analysis*. □

□

□

5.2 **Withholding Taxes**

The granting, vesting or exercise of each Option under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or exercise, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such

circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or exercise of the Option. Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Options granted under the Plan, whether arising as a result of the grant or payment in respect of the Option or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Option or issuances of Shares and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

5.3 **Recoupment**

The Plan Administrator may at any time waive the application of this Section 5.3 to any Participant or category of Participants.

In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Options held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Options held by the Participant that have Vested as of the Termination Date shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of:

- (i) the Expiry Date;

Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
- (i) a portion of any Options held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Options multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of which is the number of days between the Date of Grant and the date the unvested Options were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Options were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Options will immediately vest;
 - (ii) subject to Section 6.1(c)(i), any Options held by the Participant that are not yet Vested at the Termination Date after the application of Section 6.1(c)(i) shall be immediately forfeited to the Corporation; and
 - (iii) any Options held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 6.1(c)(i) shall be settled in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period;

- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Options under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 6.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Options shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

6.2 **Leave of Absence**

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Option during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

6.3 **Death or Disability**

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Option held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; and (ii) first anniversary of the date of the death or Disability of the Participant. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Options under the Plan ceases as of the date of the death or Disability of the Participant.

6.4 **Discretion to Permit Acceleration**

Notwithstanding the provisions of this Article 6, subject to any necessary Regulatory Approvals and, in the case of Options granted to Investor Relations Service Providers, Section 3.8(d) and Section 4.6, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in Article 6, permit the acceleration of vesting of any or all Options, all in the manner and on the terms as may be authorized by the Plan Administrator, and if such discretion is taken and the vesting of any or all Options occurs, then such Options will be exercised in accordance with Section 4.8.

ARTICLE 7
EVENTS AFFECTING THE CORPORATION

7.1 □ Change in Control

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) □ Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Options held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Options shall be exercisable in accordance with Section 4.8 at any time during the period that terminates on the earlier of: (i) the Expiry Date; (ii) a date determined by the Plan Administrator in its discretion; and (iii) the first anniversary of the Termination Date. Any Option that remains unexercised shall be immediately forfeited upon the termination of such period.

- (b) □ Notwithstanding Section 7.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance pursuant to Section 8.2(a), as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Options into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Options to vest and become realizable, or payable; (iii) restrictions applicable to an Option to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Option in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Option or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Option or realization of the Participant's rights, then such Option may be terminated by the Corporation without payment); (v) the replacement of such Option with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 7.1(a), the Plan Administrator will not be required to treat all Options similarly in the transaction.

7.2 □ Triggering Events

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Option Certificate, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Options granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Options prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Options or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Options may have otherwise been subject.

7.3 **Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Options in order to adjust the number of Shares that may be acquired on the vesting of outstanding Options and/or the terms of any Option in order to preserve proportionately the rights and obligations of the Participants holding such Options, the Plan Administrator may, subject to the prior approval of the Exchange, if required, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Options and amending the Exercise Price payable per Share.

7.4 **Assumptions of Options in Acquisitions**

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Options under the Plan without Shareholder Approval, provided that: (a) the number of Shares issuable pursuant to the Options (and their applicable exercise price) is adjusted in accordance with the share exchange ratio applicable to the particular transaction, regardless of whether the adjusted exercise price is below the current Market Price; and (b) any other applicable policies of the TSXV have been complied with.

7.5 **No Restriction on Action**

The existence of the Plan and of any Options granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

7.6 **Issue by Corporation of Additional Shares**

Except as expressly provided in this Article 7, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Options.

7.7 **Fractions**

No fractional Shares will be issued pursuant to an Option. Accordingly, if, as a result of any adjustment under this Article 7, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 8
AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

8.1□ Discretion of the Plan Administrator

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV and to Section 8.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Options granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Options granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

8.2□ Amendment of Option or Plan

Notwithstanding Section 8.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Options thereunder so long as such limitations are required by the TSXV:

- (a)□ any adjustment to Options, other than in connection with a security consolidation or security split, is subject to the prior acceptance of the TSXV;
- (b)□ any amendment to the Plan is subject to the prior acceptance of the TSXV, except for amendments to: (i) reduce the number of Shares that may be issued under the Plan, (ii) increase the Exercise Price of Options, or (iii) cancel Options;
- (c)□ subject to any rules of the TSXV, approval of shareholders of the Corporation shall be required for any amendment to the Plan except for amendments to: (i) fix typographical errors, and (ii) clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions; and
- (d)□ any reduction in the Exercise Price of an Option, or extension to the Expiry Date of an Option, held by an Insider at the time of the proposed amendment is subject to Disinterested Shareholder Approval in accordance with the policies of the TSXV.

ARTICLE 9
MISCELLANEOUS

9.1□ Legal Requirement

The Corporation is not obligated to grant any Options, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

9.2□ Rights of Participant

construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Option until the allotment and issuance to such Participant or the liquidator, executor or administrator, as

the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

9.3 **Conflict**

In the event of any conflict between the provisions of the Plan and the provisions of an Option Certificate, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

9.4 **Anti-Hedging Policy**

By accepting the Option, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Options.

9.5 **No Guarantee of Tax Consequences**

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

9.6 **Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

9.7 **Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

9.8 **Successors and Assigns**

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

9.9 **Severability**

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

9.10 Notices

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:

9.11 Effective Date and Replacement

The Plan shall become effective upon the receipt of all required shareholder and regulatory approvals, being the Effective Date, and will replace the Prior Plan. All awards granted under the Prior Plan and which remain outstanding at the Effective Date will remain in full force and effect in accordance with their terms; however, following the Effective Date, no additional grants shall be made under the Prior Plan, and the Prior Plan will terminate on the date upon which no further Outstanding Options remain outstanding.

9.12 Governing Law

The Plan and all matters to which reference is made herein shall be governed by and interpreted in accordance with the laws of the Province of British Columbia and the federal laws of Canada applicable therein.

- (c)□ In the event the Board delegates to the Committee all or any of the powers conferred on the Plan Administrator pursuant to the Plan, the Committee or any sub-delegate will exercise the powers delegated to it in the manner and on the terms authorized by the delegating party. Any decision made or action taken by the Committee or any sub- delegate arising out of or in connection with the administration or interpretation of the Plan in this context is final and conclusive and binding on the Corporation and all affiliates of the Corporation, all Participants and all other Persons.

Subject to the discretion of the Plan Administrator, all Executives, Employees and Consultants are eligible to participate in the Plan. Notwithstanding the foregoing and any other provision of the Plan, no Person who performs Investor Relations Activities on behalf of the Corporation or a Subsidiary of the Corporation shall be a Participant. 3.5□ **Board Requirements**

Any Award granted under the Plan shall be subject to the requirement that, if at any time the Corporation shall determine that the listing, registration or qualification of the Shares issuable pursuant to such Award upon any securities exchange or under any Applicable Laws of any jurisdiction, or the consent or approval of the Exchange and any securities commissions or similar securities regulatory bodies having Jurisdiction over the Corporation is necessary as a condition of, or in connection with, the grant or exercise of such Award or the issuance or purchase of Shares thereunder, such Award may not be accepted or exercised in whole or in part unless such listing, registration, qualification, consent or approval shall have been effected or obtained on conditions acceptable to the Board. Nothing herein shall be deemed to require the Corporation to apply for or to obtain such listing, registration, qualification, consent or approval. Participants shall, to the extent applicable, cooperate with the Corporation in complying with such legislation, rules, regulations and policies.

3.6 **Liability Limitation and Indemnification**

No member of the Board or the Committee shall be liable for any action or determination taken or made in good faith in the administration, interpretation, construction or application of the Plan or any Award Agreement or any Award granted hereunder.

Subject to adjustment pursuant to ARTICLE 8, the number of Shares hereby reserved for issuance to Participants under the Plan shall not exceed 2,624,826 Shares of the Company or such greater number of Shares as shall have been duly approved by the Board, by the shareholders of the Corporation, and by the Exchange on which the Shares are then listed. Any Shares subject to an Award which has been granted under the Plan and which has been settled in cash, cancelled, terminated, surrendered, forfeited or expired without having been settled through the issuance of Shares as provided for in the Plan shall again be available under the Plan. To the extent that any Share Units that may be paid out in cash or Shares or a combination thereof are paid out in cash, then the Shares that were potentially issuable in respect of such Awards shall again be available under the Plan. For greater certainty, any Awards which may only be paid out in cash shall not be subject to this Section 3.7.

3.8 **Limits on Awards**

Notwithstanding anything in the Plan, if the Corporation is listed on the TSXV, the following limitations shall apply to the Plan and all Awards thereunder so long as such limitations are required by the TSXV:

- (a) unless disinterested Shareholder Approval is obtained in accordance with the policies of the TSXV (or unless permitted otherwise by the policies of the TSXV):
 - (i) the maximum number of Shares that may be issued to any one Participant (and where permitted pursuant to the policies of the TSXV, any Company that is wholly- owned by the Participant) under the Plan, together with all of the Corporation's other Security Based Compensation Arrangements, within a 12-month period, may not exceed 5% of the issued Shares calculated on the Date of Grant;

- (c) no Awards may be granted under the Plan to Persons retained to provide Investor Relations Activities on behalf of the Corporation or a Subsidiary of the Corporation; and
- (d) any Awards granted to a Participant who ceases to be a Participant under the Plan for any reason whatsoever, shall terminate at a date no later than 12 months from the date such Participant ceases to be a Participant under the Plan.

3.9 **Award Agreements**

Each Award under the Plan will be evidenced by an Award Agreement. Each Award Agreement will be subject to the applicable provisions of the Plan and will contain such provisions as are required by the Plan and any other provisions that the Plan Administrator may direct.

3.10 **Non-transferability of Awards**

Except to the extent that certain rights may pass to a beneficiary or a Personal Representative upon death of a Participant by will or as required by law, no Award is assignable or transferable.

3.11 **Resale Restrictions**

Any Shares issued by the Corporation upon exercise or settlement of an Award are subject to any resale and trading restrictions in effect pursuant to Applicable Laws and the policies of the Exchange, and the Corporation shall be entitled to place any restriction or legend on any certificates representing such Shares accordingly.

ARTICLE 4 SHARE UNITS

4.1 **Granting of Share Units**

The Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of the Plan and such other terms and conditions as the Plan Administrator may grant Share Units to any Participant, and in doing so, may, without limitation, in its discretion, (a) designate the Participants who may receive Share Units under the Plan, (b) fix the number and type of Share Units, if any, to be granted to each Participant and the date or dates on which such Share Units shall be granted, (c) determine the relevant conditions and vesting provisions (including Performance Goals, if any, and the Performance Period) in respect of any Share Units, and (d) determine the vesting schedule of the Share Units.

4.2 **Share Unit Account**

All Share Units received by a Participant shall be credited to an account maintained for the Participant on the books of the Corporation as of the Date of Grant. The terms and conditions of each Share Unit grant shall be evidenced by an Award Agreement.

4.3 **Vesting of Share Units**

- (a) For each Share Unit grant, subject to Corporate Policies and the provisions of the Plan, the Plan Administrator shall establish, as applicable, the vesting schedule, the Performance Period, the Performance Goals and other vesting conditions which must be met in order for the Share Units to be deemed Vested.
- (b) Notwithstanding Section 4.3(a), the Vesting Date of a Share Unit shall not be prior to the first anniversary of the Date of Grant, other than in the event a Participant ceases to be a Participant due to death of the Participant or in connection with a Change in Control, as set out more particularly in Sections 7.3 and 8.1, respectively.

4.4 **Settlement of Vested Share Units**

Subject to Section 6.2 and ARTICLE 7, on or within 60 days following the Vesting Date of a Share Unit, unless otherwise determined by the Plan Administrator or specified in the applicable Award Agreement, and in any event no later than three years following the end of the year of the Date of Grant (the “**Share Unit Settlement Date**”), or such other shorter term as may be required in respect of an Award so that such Award does not

constitute a “salary deferral arrangement” as defined in Section 248(1) of the Tax Act, the Corporation shall settle each Vested Share Unit by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its discretion, subject to any necessary Exchange approvals:

- (a) issuing the Participant one (1) fully paid and non-assessable Share from treasury for each Vested Share Unit and delivering a share certificate to the Participant representing the amount thereof (or in the case of Shares issued in uncertificated form, causing the issuance of the aggregate number of Shares as the Participant shall then be entitled to receive to be evidenced by a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation); or
- (b) making a cash payment to the Participant, which shall be calculated by multiplying the number of Vested Share Units to be redeemed for cash by the Market Price Per Share as at the Share Unit Settlement Date, net of applicable withholding taxes. Cash payment may be made through the Corporation’s payroll in the pay period that the Share Unit Settlement Date falls within.

For greater certainty, nothing in this Section 4.4 shall cause Share Units which have not Vested to vest by the Share Unit Settlement Date if such Share Units would not have otherwise Vested pursuant to the terms of the Award Agreement or the Plan Administrator’s determinations.

A holder of Share Units shall not have any right to demand, to be paid in, or receive any specific allocation of Shares or a cash payment in respect of a Vested Share Unit at any time. Notwithstanding any allocation by the Plan Administrator to settle Vested Share Units, or a portion thereof, in Shares or make a cash payment therefore, the Corporation reserves the right to change its allocation in respect thereof at any time up until payment is actually made, and the holder of such Vested Share Units shall not have the right, at any time to enforce settlement as to the allocation of Shares or cash payment.

The Share Units in respect of which Shares are issued or a cash payment is made shall be cancelled and no further issuances or payments shall be made to the Participant under the Plan in relation to such Share Units.

ARTICLE 5 DEFERRED SHARE UNITS

5.1 Granting of DSUs to Directors for Director Fees

- (a) Subject to Corporate Policies, the Board may fix from time to time a portion of the Director Fees that is to be payable in the form of DSUs. In addition, each Electing Person is given, subject to the conditions stated herein, the right to elect in accordance with Section 5.1(b) to participate in the grant of additional DSUs pursuant to this Section 5.1. The Board shall have the right, in its sole discretion, to accept or reject such request, in whole or in part, which acceptance or rejection shall be binding on the Electing Person for the applicable year. An Electing Person who elects to participate in the grant of additional DSUs pursuant to this ARTICLE 5.1 and whose request is accepted by the Board shall receive their accepted Elected Amount in the form of DSUs in lieu of cash. The “Elected Amount” shall be an amount, as elected by the Director, in accordance with applicable tax law, between 0% and 100% of any Director Fees that are otherwise intended to be paid in cash (the “Cash Fees”).
- (b) Each Electing Person who elects to receive their Elected Amount in the form of DSUs in lieu of cash will be required to file a notice of election in the form as provided by the Corporation (the “Election Notice”) with the Chief Financial Officer of the Corporation:
- (c) (i) in the case of an existing Electing Person, by the end of the fiscal year preceding the fiscal year to which such election is to apply; and (ii) in the case of a newly appointed Electing Person, within

30 days of such appointment with respect to compensation paid for services to be performed after such date. If no election is made within the foregoing time frames, or if the Corporation rejects the election request in its entirety, the Electing Person shall be paid the entire amount of his or her Elected Amount in cash.

- (d) The number of DSUs (including fractional DSUs) granted to an Electing Person at any particular time pursuant to this Section 5.1 will be calculated by dividing (a) the amount of any Director Fees that are to be paid in DSUs (including any Elected Amount), by (b) the Market Price of a Share on the Date of Grant.

5.2 **Granting of DSUs to Participants**

In addition to DSUs granted pursuant to Section 5.1, the Plan Administrator may, from time to time, subject to Corporate Policies, the provisions of the Plan and such other terms and conditions as the Plan Administrator may determine, grant DSUs to any Participant, and, in doing so, may, without limitation, in its discretion, (a) designate the Participants who may receive DSUs under the Plan, (b) fix the number of DSUs, if any, to be granted to each Participant and the date or dates on which such DSUs shall be granted, (c) determine the relevant conditions and vesting provisions (including Performance Goals, if any, and the Performance Period), and (d) the vesting schedule of the DSUs.

5.3 **DSU Account**

All DSUs received by a Participant (which, for greater certainty includes Electing Persons) shall be credited to an account maintained for the Participant on the books of the Corporation, as of the Date of Grant. The terms and conditions of each DSU grant shall be evidenced by an Award Agreement.

5.4 **Vesting of DSUs**

The Vesting Date of a DSU shall not be prior to the first anniversary of the Date of Grant, other than:

- (a) in the event a Participant ceases to be a Participant due to death of the Participant as set out in Section 7.3; and
- (b) in the event a Participant ceases to be a Participant in connection with a Change in Control, as set out more particularly in Section 8.1.

5.5 **Settlement of Vested DSUs**

- (a) Subject to Section 6.2 and ARTICLE 7, each Vested DSU shall be settled on the date established in the Award Agreement; provided, however that in no event shall a DSU Award be settled:
- (i) prior to the Participant Service Separation Date; or
- (ii) later than 12 months following the Participant Service Separation Date.

If the Award Agreement does not establish a date for the settlement of the DSUs, then the settlement date shall be the Participant Service Separation Date (the “**DSU Settlement Date**”).

- (b) On the DSU Settlement Date, the Corporation shall settle each Vested DSU by any of the following methods or by a combination of such methods as determined by the Plan Administrator in its discretion (subject to any necessary Exchange approvals):

- (i) issuing the Participant one (1) fully paid and non-assessable Share from treasury for each Vested DSU and delivering a Share certificate to the Participant representing the amount thereof (or in the case of Shares issued in uncertificated form, causing the issuance of the aggregate number of Shares as the Participant shall then be entitled to receive to be evidenced by a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation); or
- (ii) making a cash payment to the Participant, which shall be calculated by multiplying the number of Vested DSUs to be redeemed for cash by the Market Price Per Share as at the DSU Settlement Date, net of any applicable withholding taxes. Cash payment may be made through the Corporation's payroll in the pay period that the DSU Settlement Date falls within or via cheque.

A holder of DSUs shall not have any right to demand, to be paid in or receive any specific allocation of Shares or a cash payment in respect of a Vested DSU at any time. Notwithstanding any allocation by the Plan Administrator to settle Vested DSUs, or portion thereof, in Shares or make a cash payment therefore, the Corporation reserves the right to change its allocation in respect thereof at any time up until payment is actually made, and the holder of such Vested DSUs shall not have the right at any time to enforce settlement as to the allocation of Shares or cash payment.

The DSUs in respect of which Shares are issued or a cash payment is made shall be cancelled, and no further issuances or payments shall be made to the Participant under the Plan in relation to such DSUs.

ARTICLE 6 ADDITIONAL AWARD TERMS

6.1 Dividend Equivalents

- (a) Subject to the terms and conditions of the Plan, the Plan Administrator, may, in its discretion, credit outstanding Share Units and DSUs with dividend equivalents in the form of additional Share Units and DSUs, respectively, as of each dividend payment date in respect of which normal cash dividends are paid on Shares. Such dividend equivalents shall be computed by dividing: (a) the amount obtained by multiplying the amount of the dividend declared and paid per Share by the number of Share Units and DSUs, as applicable, held by the Participant on the record date for the payment of such dividend, by (b) the Market Price at the close of the first Business Day immediately following the dividend record date, with fractions computed to three decimal places. Dividend equivalents credited to a Participant's accounts shall vest in proportion to the Share Units and DSUs to which they relate, and shall be settled in accordance with Sections 4.4 and 5.5, respectively. Where the proposed issuance of Shares by the Corporation would result in the limits contained in Sections 3.7 or 3.8 being exceeded, the dividend equivalents which have vested in proportion to the Share Units and DSUs to which they relate shall instead be settled in cash in accordance with Sections 4.4(b) and 5.5(b)(ii), respectively.
- (b) The foregoing does not obligate the Corporation to declare or pay dividends on Shares, and nothing in the Plan shall be interpreted as creating such an obligation.

6.2 Black-Out Period

If a settlement date for an Award occurs during the Black-Out period, then, notwithstanding any other provision of the Plan, the Award shall be settled no more than ten Business Days after the date the Black-Out is lifted by the Corporation, unless the delayed expiration would result in tax penalties or the Participant or the Corporation is subject to a cease trade order in respect of the Corporation's securities.

6.3 **Withholding Taxes**

The granting, vesting or settlement of each Award under the Plan is subject to the condition that if at any time the Plan Administrator determines, in its discretion, that the satisfaction of withholding tax or other withholding liabilities is necessary or desirable in respect of such grant, vesting or settlement, such action is not effective unless such withholding has been effected to the satisfaction of the Plan Administrator. In such circumstances, the Plan Administrator may require that a Participant pay to the Corporation the minimum amount as the Corporation or a Subsidiary of the Corporation is obliged to remit to the relevant taxing authority in respect of the granting, vesting or settlement of the Award. Any such additional payment is due no later than the date on which such amount with respect to the Award is required to be remitted to the relevant tax authority by the Corporation or a Subsidiary of the Corporation, as the case may be. Alternatively, and subject to any requirements or limitations under applicable law, the Corporation may (a) withhold such amount from any remuneration or other amount payable by the Corporation or a Subsidiary of the Corporation to the Participant, (b) require the sale of a number of Shares issued upon exercise, vesting or settlement of such Award and the remittance to the Corporation of the net proceeds from such sale sufficient to satisfy such amount or (c) enter into any other suitable arrangements for the receipt of such amount. For greater certainty, the application of this Section 6.3 to any granting, vesting or settlement of an Award shall not conflict with the policies of the Exchange that are in effect at the relevant time and the Corporation will obtain prior Exchange acceptance and/or shareholder approval of any application of this Section 6.3 if required pursuant to such policies.

Participants (or their beneficiaries) shall be responsible for all taxes with respect to any Awards granted under the Plan, whether arising as a result of the grant or payment in respect of the Award or otherwise. The Corporation, the Plan Administrator and the Board make no guarantees to any Person regarding the tax treatment of an Award or issuances of Shares or cash payments made under the Plan and none of the Corporation, the Board, the Plan Administrator or any of the Executives, Employees, Consultants, agents, advisors or representatives of the Corporation or the Subsidiary of the Corporation shall have any liability to a Participant with respect thereto.

6.4 **Compliance with the Tax Act**

The terms and conditions applicable to any Award (or portion thereof) granted to a Participant who is subject to taxation under the Tax Act are intended to comply with the Tax Act. Without limiting the foregoing,

- (a) the terms of any such Award (or portion thereof) permitting the deferral of payment or other settlement thereof shall be subject to such requirements and shall be administered in such manner as the Plan Administrator may determine to be necessary or appropriate to comply with the applicable provisions of the Tax Act; and
- (b) any elections allowed to be exercised by a Participant shall be deemed to be void or shall be deemed amended or altered so as not to cause the Award to be considered a “salary deferral arrangement” under the Tax Act, as defined in Section 248(1) of the Tax Act, or create adverse tax consequences under the Tax Act.

6.5 **Recoupment**

Notwithstanding any other terms of the Plan, Awards may be subject to potential cancellation, recoupment, rescission, payback or other action in accordance with the terms of any clawback, recoupment or similar policy adopted by the Corporation or a Subsidiary of the Corporation and in effect at the Date of Grant of the Award, or as otherwise required by law or the rules of the Exchange. The Plan Administrator may at any time waive the application of this Section 6.5 to any Participant or category of Participants.

6.6 **No Other Benefit**

- (a) No amount will be paid to, or in respect of, a Participant under the Plan to compensate for a

downward fluctuation in the price of a Share or the value of any Award granted, nor will any other form of benefit be conferred upon, or in respect of, a Participant for such purpose.

- (b) The Corporation makes no representations or warranties to Participants with respect to the Plan or any Awards whatsoever. Participants are expressly advised that the value of any Awards issued pursuant to the Plan will fluctuate as the trading price of the Shares fluctuates.
- (c) In seeking the benefits of participation in the Plan, the Participant shall exclusively accept all risks associated with a decline in the trading price of the Shares and all other risks associated with the holding of any Awards.

ARTICLE 7 TERMINATION OF EMPLOYMENT OR SERVICES

7.1 Termination of Participant

Subject to ARTICLE 8 and unless otherwise determined by the Plan Administrator or as set forth in an Award Agreement:

- (a) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, then each Award held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. The Plan Administrator, in its discretion, shall determine the effect of all matters and questions relating to whether a Participant has been discharged for Cause. In addition, where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation for Cause, the Plan Administrator may, in its discretion, determine that all Awards held by the Participant that have Vested as of the Termination Date shall immediately become forfeited, cancelled, null and void, failing which, all Awards held by the Participant that have Vested as of the Termination Date shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (b) where a Participant ceases to hold office or his or her position, as applicable, by reason of voluntary resignation by the Participant, then each Award held by the Participant that has not Vested as of the Termination Date is immediately forfeited and cancelled as of the Termination Date. All Awards held by the Participant that have Vested as of the Termination Date shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (c) where a Participant's employment or services are terminated by the Corporation or a Subsidiary of the Corporation without Cause (whether such termination occurs with or without any or adequate reasonable notice, or with or without any or adequate compensation in lieu of such reasonable notice); then:
 - (i) a portion of any Awards held by the Participant that are not yet Vested shall immediately vest, with such portion to be equal to the number of unvested Awards multiplied by a fraction the numerator of which is the number of days between the Date of Grant and the Termination Date and the denominator of

which is the number of days between the Date of Grant and the date the unvested Awards were originally scheduled to vest. For clarity and by way of example, if a Participant's employment is terminated 400 days following the Date of Grant and unvested Awards were originally scheduled to vest 600 days from the Date of Grant, two-thirds of the unvested Awards will immediately vest;

- (ii) subject to Section 7.1(c)(i), any Awards held by the Participant that are not yet Vested at the Termination Date after the application of Section 7.1(c)(i) shall be immediately forfeited to the Corporation; and
- (iii) any Awards held by the Participant that have Vested as of the Termination Date or Vested pursuant to Section 7.1(c)(i) shall be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the earlier of: (i) a date determined by the Plan Administrator in its discretion; and (ii) the first anniversary of the Termination Date. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period;
- (d) notwithstanding that such date may be prior to the Termination Date, a Participant's eligibility to receive further grants of Awards under the Plan ceases as of the date that: (i) the Corporation or a Subsidiary of the Corporation, as the case may be, provides the Participant with written notification that the Participant's employment or services are terminated in the circumstances contemplated by this Section 7.1, or (ii) the Participant provides the Corporation or a Subsidiary of the Corporation, as the case may be, with written notification of the Participant's voluntary resignation;
- (e) unless the Plan Administrator, in its discretion, otherwise determines, at any time and from time to time, Awards shall not be affected by a change of employment agreement or arrangement, or directorship within or among the Corporation or a Subsidiary of the Corporation for so long as the Participant continues to be an Executive, Employee or Consultant, as applicable, of the Corporation or a Subsidiary of the Corporation.

7.2 **Leave of Absence**

If a Participant is on sick leave or other bona fide leave of absence, such Participant shall continue to be deemed a "Participant" for the purposes of an outstanding Award during the period of such leave, provided that it does not exceed 90 days (or such longer period as may be determined by the Plan Administrator in its discretion). If the period of leave exceeds 90 days (or such longer period as may be determined by the Plan Administrator in its discretion), the relationship shall be deemed to have been terminated by the Participant voluntarily on the 91st day (or the first day immediately following any period of leave in excess of 90 days as approved by the Plan Administrator) of such leave, unless the Participant's right to reemployment or reengagement of services with the Corporation or a Subsidiary of the Corporation, as applicable, is guaranteed by statute or contract.

7.3 **Death or Disability**

Where a Participant's employment or services are terminated by reason of the death of the Participant or the Participant becomes Disabled, then each Award held by the Participant that has not Vested as of the date of the death or Disability, as applicable, of such Participant shall vest on such date, and be settled in accordance with Sections 4.4 and 5.5, as applicable, at any time during the period that terminates on the first anniversary of the date of the death or Disability of the Participant. Any Award that remains unexercised shall be immediately forfeited upon the termination of such period. A Participant's eligibility to receive further grants of Awards under the Plan ceases as of the date of the death or Disability of the Participant.

7.4 ☐ **Discretion to Permit Acceleration**

Notwithstanding the provisions of this ARTICLE 7, subject to Section 4.3(b) and Section 5.4 and any necessary Regulatory Approvals, the Plan Administrator may, in its discretion, at any time prior to, or following the events contemplated in ARTICLE 7, permit the acceleration of vesting of any or all Awards, should a Participant who dies or who ceases to be an eligible Participant under the Security Based Compensation Plan in connection with a change of control, take-over bid, RTO or other similar transaction then such Awards will be settled in accordance with Sections 4.4 and 5.5, as applicable.

ARTICLE 8 EVENTS AFFECTING THE CORPORATION

8.1 ☐ **Change in Control**

Except as may be set forth in an employment agreement or other written agreement between the Corporation or a Subsidiary of the Corporation and the Participant and subject to any necessary Regulatory Approvals:

- (a) ☐ Unless determined otherwise by the Plan Administrator, if within 12 months following the completion of a transaction resulting in a Change in Control, (i) a Participant's employment or directorship is terminated by the Corporation or a Subsidiary of the Corporation without Cause or (ii) a Participant resigns for Good Reason, without any action by the Plan Administrator, the vesting of all Awards held by such Participant shall immediately accelerate and vest on the date of such Participant's termination or resignation for Good Reason and the Corporation shall settle such Awards in accordance with Section 4.3(b) and 5.4, as applicable, provided that in the event that any Awards are subject to the satisfaction of Performance Goals, then the vesting of such Awards shall accelerate and vest only to the extent that such Performance Goals have been satisfied, and further provided that if the Performance Goals are, in the Plan Administrator's discretion, capable of being partially performed, then vesting shall be accelerated on a pro rata basis to reflect the degree to which such Performance Goals have been satisfied, as determined solely by the Plan Administrator.
- (b) ☐ Notwithstanding Section 8.1(a), the Plan Administrator may, without the consent of any Participant, and subject to prior TSXV acceptance, as applicable, take such steps as it deems necessary or desirable in connection with a Change in Control, including, without limitation, to cause: (i) the conversion or exchange of any outstanding Awards into or for, rights or other securities of substantially equivalent value (or greater value), as determined by the Plan Administrator in its discretion, in any entity participating in or resulting from a Change in Control; (ii) outstanding Awards to vest and become realizable, or payable; (iii) restrictions applicable to an Award to lapse, in whole or in part prior to or upon consummation of such Change in Control, and, to the extent the Plan Administrator determines, terminate upon or immediately prior to the effectiveness of such Change in Control; (iv) the termination of an Award in exchange for an amount of cash and/or property, if any, equal to the amount that would have been attained upon the settlement of such Award or realization of the Participant's rights as of the date of the occurrence of the transaction (and, for the avoidance of doubt, if as of the date of the occurrence of the transaction the Plan Administrator determines in good faith that no amount would have been attained upon the settlement of such Award or realization of the Participant's rights, then such Award may be terminated by the Corporation without payment); (v) the replacement of such Award with other rights or property selected by the Board in its discretion; or (vi) any combination of the foregoing. In taking any of the actions permitted under this Section 8.1(a), the Plan Administrator will not be required to treat all Awards similarly in the transaction.

8.2 **Triggering Events**

Subject to any necessary Regulatory Approvals and notwithstanding any other provisions of the Plan or any Award Agreement, the Plan Administrator may, without the consent of the Participant in question cause all or a portion of any of the Awards granted under the Plan to terminate upon the occurrence of a Triggering Event, provided that the Corporation must give written notice to the Participant in question not less than 10 days prior to the consummation of a Triggering Event so as to permit the Participant the opportunity to exercise the Vested portion of the Awards prior to such termination. Upon the giving of such notice and subject to any necessary Regulatory Approvals, all Awards or portions thereof granted under the Plan which the Corporation proposes to terminate shall become immediately exercisable notwithstanding any contingent vesting provision to which such Awards may have otherwise been subject.

8.3 **Reorganization of Corporation's Capital**

Should the Corporation effect a subdivision or consolidation of Shares or any similar capital reorganization or a payment of a stock dividend (other than a stock dividend that is in lieu of a cash dividend), or should any other change be made in the capitalization of the Corporation that does not constitute a Change in Control, or in the event of an amalgamation, combination, arrangement, merger or other transaction or reorganization involving the Corporation and occurring by exchange of Shares, by sale or lease of assets or otherwise, that does not constitute a Change in Control, that would warrant the amendment or replacement of any existing Awards in order to adjust the number of Shares that may be acquired on the vesting of outstanding Awards and/or the terms of any Award in order to preserve proportionately the rights and obligations of the Participants holding such Awards, the Plan Administrator may, subject to prior TSXV acceptance, authorize such steps to be taken as it may consider to be equitable and appropriate to that end, including, but not limited to, permitting the immediate vesting of any unvested Awards.

8.4 **Assumptions of Awards in Acquisitions**

Notwithstanding any other provision of the Plan, in connection with a Reverse Takeover, a Change of Business, a Reorganization or an acquisition pursuant to Policy 5.3 – *Acquisitions and Dispositions of Non-Cash Assets* of the TSXV Manual, subject to prior TSXV acceptance, security based compensation of a target Company may be cancelled and replaced with substantially equivalent Awards under the Plan without shareholder approval, provided that: (a) the number of Shares issuable pursuant to the Awards (and their applicable exercise or subscription price) is adjusted in accordance with the share exchange ratio applicable to the particular transaction, regardless of whether the adjusted exercise price is below the current Market Price; and (b) any other applicable policies of the TSXV have been complied with.

8.5 **No Restriction on Action**

The existence of the Plan and of any Awards granted hereunder shall not affect, limit or restrict in any way the right or power of the Corporation, the Board or the Corporation's shareholders to make or authorize any adjustment, recapitalization, reorganization or other change in the Corporation's capital structure or its business, or any amalgamation, combination, merger or consolidation involving the Corporation or to create or issue any bonds, debentures, shares or other securities of the Corporation or the rights and conditions attaching thereto or to affect the dissolution or liquidation of the Corporation or any sale or transfer of all or any part of its assets or business, or any other corporate act or proceeding, whether of a similar nature or otherwise. No Participant or any other Person shall have any claim against any member of the Committee or the Corporation or any Employees, Officers or agents of the Corporation as a result of any such action.

8.6 **Issue by Corporation of Additional Shares**

Except as expressly provided in this ARTICLE 8, neither the issue by the Corporation of shares of any class or securities convertible into or exchangeable for shares of any class, nor the conversion or exchange of such shares or securities, affects, and no adjustment by reason thereof is to be made with respect to the number of Shares that may be acquired as a result of a grant of Awards.

8.7 **Fractions**

No fractional Shares will be issued pursuant to an Award. Accordingly, if, as a result of any adjustment under this ARTICLE 8 or a dividend equivalent, a Participant would become entitled to a fractional Share, the Participant has the right to acquire only the adjusted number of full Shares (rounded down to the nearest whole number) and no payment or other adjustment will be made with respect to the fractional Shares, which shall be disregarded.

ARTICLE 9 AMENDMENT, SUSPENSION OR TERMINATION OF THE PLAN

9.1 **Amendment, Suspension, or Termination of the Plan**

Subject to any Regulatory Approvals, including, where required, the approval of the TSXV, and to Section 9.2, the Plan Administrator may, from time to time, without notice to or approval of the Participants or of the shareholders of the Corporation, amend, modify, change, suspend or terminate the Plan or any Awards granted pursuant to the Plan as it, in its discretion, determines appropriate, provided, however, that, no such amendment, modification, change, suspension or termination of the Plan or any Awards granted hereunder may materially impair any rights of a Participant or materially increase any obligations of a Participant under the Plan without the consent of the Participant, unless the Plan Administrator determines such adjustment is required or desirable in order to comply with any Applicable Laws or Exchange requirements or as otherwise set out in the Plan.

9.2 **Shareholder Approval**

Notwithstanding Section 9.1 and subject to any rules of the Exchange, if the Corporation is listed on the TSXV, the approval of shareholders of the Corporation shall be required for any amendment to the Plan except for the following:

- (a) amendments to fix typographical errors; and
- (b) amendments to clarify existing provisions of the Plan and which do not have the effect of altering the scope, nature and intent of such provisions.

ARTICLE 10 MISCELLANEOUS

10.1 **Legal Requirement**

The Corporation is not obligated to grant any Awards, issue any Shares or other securities, make any payments or take any other action if, in the opinion of the Plan Administrator, in its discretion, such action would constitute a violation by a Participant or the Corporation of any provision of any applicable statutory or regulatory enactment of any government or government agency or the requirements of any Exchange upon which the Shares may then be listed.

10.2 **Rights of Participant**

No Participant has any claim or right to be granted an Award and the granting of any Award is not to be construed as giving a Participant a right to remain as an Executive, Employee or Consultant of the Corporation or a Subsidiary of the Corporation. Neither the Participant nor such Participant's Personal Representatives shall have any rights whatsoever as a shareholder of the Corporation in respect of Shares issuable pursuant to any Award until the allotment and issuance to such Participant or the liquidator, executor or administrator, as the case may be, of the estate of such Participant, of certificates representing such Shares (or in the case of Shares issued in uncertificated form, receipt of evidence of a book position on the register of the shareholders of the Corporation maintained by the transfer agent and registrar of the Corporation).

10.3 **Conflict**

In the event of any conflict between the provisions of the Plan and the provisions of an Award Agreement, an employment agreement or another written agreement between the Corporation or a Subsidiary of the Corporation and a Participant, the provisions of the Plan shall govern.

10.4 **Anti-Hedging Policy**

By accepting the Award, each Participant acknowledges that he or she is restricted from purchasing financial instruments such as prepaid variable forward contracts, equity swaps, collars, or units of exchange funds that are designed to hedge or offset a decrease in market value of Awards.

10.5 **No Guarantee of Tax Consequences**

Neither the Plan Administrator nor the Corporation makes any commitment or guarantee that any specific tax treatment will apply or be available to the Participants.

10.6 **Participant Information**

Each Participant shall provide the Corporation with all information (including personal information) required by the Corporation in order to administer the Plan. Each Participant acknowledges that information required by the Corporation in order to administer the Plan may be disclosed to any custodian appointed in respect of the Plan and other third parties, and may be disclosed to such Persons (including Persons located in jurisdictions other than the Participant's jurisdiction of residence), in connection with the administration of the Plan. Each Participant consents to such disclosure and authorizes the Corporation to make such disclosure on the Participant's behalf.

10.7 **Participation in the Plan**

The participation of any Participant in the Plan is entirely voluntary and not obligatory and shall not be interpreted as conferring upon such Participant any rights or privileges other than those rights and privileges expressly provided in the Plan. In particular, participation in the Plan does not constitute a condition of employment or engagement nor a commitment on the part of the Corporation to ensure the continued employment or engagement of such Participant.

10.8 **Successors and Assigns**

The Plan shall be binding on all successors and assigns of the Corporation and its affiliates.

10.9 **Severability**

The invalidity or unenforceability of any provision of the Plan shall not affect the validity or enforceability of any other provision and any invalid or unenforceable provision shall be severed from the Plan.

10.10 **Notices**

All written notices to be given by the Participant to the Corporation shall be delivered by (a) hand or courier, with all fees and postage prepaid, addressed using the information specified below, or designated otherwise by the Corporation in writing; or (b) email to the email address that the parties regularly use to correspond with one another or to any other email address specified by the Corporation in writing to the Participant:
